**Summary Text:**

This item is on the agenda in order to approve plans, specifications, and construction contract for the 2016/17 North County Road Rehabilitation, County Project No. 820671 N. On Thursday, August 4, 2016, five bids were opened for the Construction of 2016/17 North County Road Rehabilitation, County Project No. 820671 N; Third and Fifth Supervisorial Districts. Granite Construction Company submitted the lowest responsible bid in the amount of \$858,803, which is 8.2% below the Engineer’s Estimate. The second lowest bid was 3.0% below the Engineer’s Estimate.

This project was bid in accordance with the Public Contract Code, which requires the award to the lowest responsible bidder. The Department analyzed the bids and determined the low bid is responsive and responsible. Public Works recommends awarding this contract to Granite Construction Company.

*Example road to be rehabilitated – Numancia Street*

**Background:**

This project will rehabilitate approximately 4.1 lane miles of County maintained roads. Locations are included in Attachment B. Construction will be completed by November 23, 2016. Traffic control will be provided and delays are anticipated to be less than 10 minutes. The Department will notify emergency response services and will use construction area signs to notify the traveling public.

This project will include conventional Hot Mix Asphalt (HMA) paving in combination with cold planing, as well as road pulverization which includes the grinding and compaction of the existing paved section to be incorporated as the new road base section.

This is one of many pavement strategies the Department employs in its annual Preventive Maintenance Program which consists of repairing failed areas and the replacement of damaged asphalt concrete pavement.
