**Summary Text:**

Behavioral Wellness provides specialty mental health services to Medi-Cal beneficiaries and other individuals to the extent resources allow, in part through contracted services. Approval of the recommended actions will provide for various specialty mental health services to adults, children and youth with serious emotional disturbances (SED) and their families, including mental health services such as therapy and rehabilitation services.

**Background:**

The contracts being considered for approval provide various specialty mental health services to adults with serious mental illness, including mental health services such as therapy and rehabilitation services.

Mental Health Association in Santa Barbara County (dba Mental Wellness Center (MWC)) provides residential and community mental health services to adults in the Santa Barbara area. MWC's Family Advocate offers services to families of clients with serious mental illness through education, support and linkage to resources. The Casa Juana Maria programs in an Adult Residential Facility providing in-home rehabilitation and support services to residents. MWC also operates the Santa Barbara Consumer-Led Program that offers peer-support, self-help and connections to community resources, including health and wellness activities, as well as a Computer Lab for clients to have access to computers and learn related skills.

Transitions Mental Health Association (TMHA) provides an array of mental health services to adults in the Lompoc and Santa Maria areas. The Lompoc Assertive Community Treatment (ACT) program is an evidence-based psychiatric treatment, rehabilitation and support service for clients with serious mental illness who demonstrate the need for this most intensive level of nonresidential community service. The Lompoc ACT program is intended to serve adult and transitional aged youth (aged 16-25) clients in the Lompoc area. Partners in Hope provides outreach, linkage to care and recovery-oriented activities to family members of adults and older adults with serious mental illness in Santa Maria and Lompoc. The Supported Community Services North program provides treatment, rehabilitative and supportive services to clients "in vivo" in regular community settings (e.g., home, apartment, job site) to adult clients in the Santa Maria area. The Consumer-Led program, described under the Mental Health Association, provides services to participants in Santa Maria and Lompoc.

**Performance Measure:**

MWC demonstrated positive outcomes for the Casa Juana Maria program, which serves 6 severely mentally ill clients in a long-term residential setting. Through Quarter 2 of FY15/16, 33% (2 of the 6 clients) were either employed, enrolled in school/training or volunteering. All clients maintained stable/permanent housing. There were no incarcerations or psychiatric inpatient admissions for clients living at Casa Juana Maria.

TMHA provides the North County Supported Housing program and the West County ACT program, both of which are Full Service Partnerships. Supported Housing served an average of 118 clients and ACT served an average of 102 clients during the first 6 months of FY15/16. Incarceration goals were met or exceeded by each program, keeping 10% or less of ACT and 3% or less of Supported Housing clients out of jail. As with incarcerations, both programs met or exceeded goals for minimizing psychiatric inpatient admissions. Supported Housing had 3 or fewer admissions per quarter, and ACT had 5 or fewer per quarter. Physical health-related hospital admissions were kept well below the goals for Supported Housing (achieved 7% or less) and ACT (achieved 3% or less). In Quarter 1, ACT had

more physical health-related emergency room visits than anticipated (34%, 35 of 102 clients), but in Quarter 2 the program exceeded the goal of reducing the number to 25 by minimizing admissions to 15. Supported Housing exceeded the emergency room visit goal of 17 per quarter with only 10 in Quarter 1 and 7 in Quarter 2. Both programs were very close to meeting targets for maintaining clients in stable/permanent housing. Supported Housing reached 94% (goal of 95%) and ACT reached 92% by Quarter 2 (goal of 93%). Twenty-six (26%) of ACT clients were employed, in school or volunteering, which was 5% below the target; however, Supported Housing exceeded the goal of 10% by achieving 16% in Quarter 1 and 14% in Quarter 2. Finally, ACT successfully graduated 4 of 4 clients discharged to an equal or lower level of care. Supported Housing had 7 discharges, but only 4 went to an equal or lower level of care.

Narrative: The above referenced contracts are funded by State and Federal funds. The funding sources are included in FY 2016-2017 Proposed Budget.

**Key Contract Risks:**

As with any contract funded by State and Federal sources, there is a risk of future audit disallowances and repayments. The dollars Behavioral Wellness collects from the Centers for Medicare and Medicaid Services (CMS) via the State for specialty mental health services provided to Medi-Cal beneficiaries are subject to a complex and lengthy cost settlement process. Behavioral Wellness is required to submit an annual cost report which reports all costs associated with providing mental health services for a given Fiscal Year (actual cost). The actual cost is one component that the State reviews when it performs its “cost settlement” process. In this process, the State settles to the lower of actual cost or Published Charges, which are the fees charged to the general public (as adopted by the contractor’s Board of Directors). The cost settlement process results in a preliminary settlement, which typically takes place two years after the close of a Fiscal Year; however, the settlement process is not complete until the State completes the final audit. State audits for Medi-Cal funds for specialty mental health services typically occur five years after the end of the fiscal year being audited. To address these risks and to minimize settlement amounts with contract providers, Behavioral Wellness calculates rates for Medi-Cal services provided by organizational providers on a quarterly basis. Regular reports to contractors on unclaimed and denied units allow providers to correct errors and maximize Medi-Cal penetration rates. Even with these measures, there is the risk that the State will disallow units of service or determine costs to be non-allowable, resulting in repayment. Behavioral Wellness contracts include language requiring contractors to repay any amounts disallowed in audit findings, minimizing financial risks to County.

- A. **By County.** County may, by written notice to Contractor, terminate this Agreement in whole or in part at any time, whether for County's convenience, for nonappropriation of funds, or because of the failure of Contractor to fulfill the obligations herein.

## AGREEMENT

1. **For Convenience.** County may terminate this Agreement in whole or in part upon thirty (30) days written notice. During the thirty (30) day period, Contractor shall, as directed by County, wind down and cease its services as quickly and efficiently as reasonably possible, without performing unnecessary services or activities and by minimizing negative effects on County from such winding down and cessation of services.
  2. **For Nonappropriation of Funds.**
    - A. The parties acknowledge and agree that this Agreement is dependent upon the availability of County, State, and/or federal funding. If funding to make payments in accordance with the provisions of this Agreement is not forthcoming from the County, State and/or federal governments for the Agreement, or is not allocated or allotted to County by the County, State and/or federal governments for this Agreement for periodic payment in the current or any future fiscal period, then the obligations of County to make payments after the effective date of such non-allocation or non-funding, as provided in the notice, will cease and terminate.
    - B. As permitted by applicable State and Federal laws regarding funding sources, if funding to make payments in accordance with the provisions of this Agreement is delayed or is reduced from the County, State, and/or federal governments for the Agreement, or is not allocated or allotted in full to County by the County, State, and/or federal governments for this Agreement for periodic payment in the current or any future fiscal period, then the obligations of County to make payments will be delayed or be reduced accordingly or County shall have the right to terminate the Agreement. If such funding is reduced, County in its sole discretion shall determine which aspects of the Agreement shall proceed and which Services shall be performed. In these situations, County will pay Contractor for Services and Deliverables and certain of its costs. Any obligation to pay by County will not extend beyond the end of County's then-current funding period.
    - C. Contractor expressly agrees that no penalty or damages shall be applied to, or shall accrue to, County in the event that the necessary funding to pay under the terms of this Agreement is not available, not allocated, not allotted, delayed or reduced.
  3. **For Cause.** Should Contractor default in the performance of this Agreement or materially breach any of its provisions, County may, at County's sole option, terminate or suspend this Agreement in whole or in part by written notice. Upon receipt of notice, Contractor shall immediately discontinue all services affected (unless the notice directs otherwise) and notify County as to the status of its performance. The date of termination shall be the date the notice is received by Contractor, unless the notice directs otherwise.
- B. **By Contractor.** Should County fail to pay Contractor all or any part of the payment set forth in EXHIBIT B, Contractor may, at Contractor's option terminate this Agreement if such failure is not remedied by County within thirty (30) days of written notice to County of such late payment.

## AGREEMENT

- C. **Upon termination**, Contractor shall deliver to County all data, estimates, graphs, summaries, reports, and all other property, records, documents or papers as may have been accumulated or produced by Contractor in performing this Agreement, whether completed or in process, except such items as County may, by written permission, permit Contractor to retain. Notwithstanding any other payment provision of this Agreement, County shall pay Contractor for satisfactory services performed to the date of termination to include a prorated amount of compensation due hereunder less payments, if any, previously made. In no event shall Contractor be paid an amount in excess of the full price under this Agreement nor for profit on unperformed portions of service. Contractor shall furnish to County such financial information as in the judgment of County is necessary to determine the reasonable value of the services rendered by Contractor. In the event of a dispute as to the reasonable value of the services rendered by Contractor, the decision of County shall be final. The foregoing is cumulative and shall not affect any right or remedy which County may have in law or equity.

The Behavioral Wellness Director's or designee decision of whether to allow the reallocation of funds shall be in writing to Contractor prior to implementation by Contractor. The Behavioral Wellness Director or designee also reserves the right to reallocate between programs in the year end cost settlement and will notify Contractor of any reallocation during the cost settlement process.

- ~~B. Subsidy Payments. This section applies to providers with programs that have subsidy funding allocations. For each program with subsidy funding comprising 5% or less, of the total program funding allocation set forth in Exhibit B-1, payment of subsidy will occur at cost settlement after the year end cost report has been submitted and costs are determined to be in compliance with contract terms and State and Federal regulations. For providers with more than 5% total subsidy funding in any program, the final subsidy payment, or up to a maximum of 20% of total subsidy funding allocated for the given program in Exhibit B-1, will be withheld until the year end cost report has been submitted and costs are determined to be in compliance with contract terms and State and Federal regulations.~~

If any required service data, invoice, financial statement or report is not submitted by Contractor to County within the time limits described in this Agreement or if any such information is incomplete, incorrect, or is not completed in accordance with the requirements of this Agreement, then payment shall be withheld until County is in receipt of complete and correct data and such data has been reviewed and approved by Behavioral Wellness Director or designee. Behavioral Wellness Director or designee shall review such submitted service data within sixty (60) calendar days of receipt.
- E. Withholding of Payment for Unsatisfactory Clinical Documentation. Behavioral Wellness Director or designee shall have the option to deny payment for services when documentation of clinical services does not meet minimum Federal, State and County written standards.

1. 12-Month Billing Limit. Unless otherwise determined by State or federal regulations (e.g. Medi-Medi cross-over), all original (or initial) claims for eligible individual persons under this Agreement must be received by County within 12 months from the month of service to avoid denial for late billing.
2. No Payment for Services Provided Following Expiration/ Termination of Agreement. Contractor shall have no claim against County for payment of any funds or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Agreement. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.

G. Claims Certification and Program Integrity. Contractor shall certify that all UOS entered by Contractor into MIS for any payor sources covered by this Agreement are true and accurate to the best of Contractor's knowledge.

H. Overpayments. Any overpayments of contractual amounts must be returned via direct payment within 30 days to the County. County may withhold amounts from future payments due to Contractor under this Agreement or any subsequent agreement if Contractor fails to make direct payment within required timeframe.

**VII. COST REPORT**

A. Submission of Cost Report. Within three weeks of the release of the cost report template by the Department of Health Care Services (DHCS) but no sooner than 30 days after the end of the fiscal year, Contractor shall provide County with an accurate and complete Annual Cost Report (original cost report) with a statement of expenses and revenue and other supporting schedules for the applicable prior fiscal year. The Annual Cost Report shall be prepared by Contractor in accordance with all applicable Federal, State and County requirements and generally accepted accounting principles. Contractor shall allocate direct and indirect costs to and between programs, cost centers, services, and funding sources in accordance with such requirements and consistent with prudent business practice. All revenues received by Contractor shall be reported in its annual Cost Report, and shall be used to offset gross cost. Contractor shall maintain source documentation to support the claimed costs, revenues and allocations which shall be available at any time to Behavioral Wellness Director or designee upon reasonable notice. A final (reconciled) cost report is also due approximately 1-2 years after submission of the original cost report. The specific deadline for the final cost report is determined by the State. Contractor shall submit a final (reconciled) cost report within three weeks of the County's formal request.

**EXHIBIT B**  
**FINANCIAL PROVISIONS - MH**

Contractor shall document that costs are reasonable and allowable and directly or indirectly related to the services to be provided hereunder.
- C. Penalties. Failure of Contractor to submit accurate and complete Annual Cost Report(s) within 45 days after the due date set in Section VII.A above or the expiration or termination date of this Agreement shall result in:
1. A Late Penalty of ONE HUNDRED DOLLARS (\$100) for each day that the accurate and complete Annual Cost Report(s) is (are) not submitted. The Late Penalty shall be assessed separately on each outstanding Annual Cost Report. The Late Penalty shall commence on the forty-sixth (46<sup>th</sup>) day after the deadline or the expiration or termination date of this Agreement. The late fee will be invoiced separately or deducted from future payments due to Contractor under this Agreement or a subsequent agreement.
  2. In the event that Contractor does not submit accurate and complete Annual Cost Report(s) by the one-hundred and fifth (105<sup>th</sup>) day after the due date set in Section VII.A or the expiration or termination date of this Agreement, then all amounts paid by County to Contractor in the Fiscal Year for which the Annual Cost Report(s) is (are) outstanding shall be repaid by Contractor to County. Further, County may terminate any current contracts entered into with Contractor for programs covered by the outstanding Annual Cost Reports.
- ~~D. Audited Financial Reports. Each year of the Agreement, the Contractor shall submit to County a copy of their audited annual financial statement, including management comments. This report shall be submitted within thirty (30) days after the report is received by Contractor.~~
- E. Single Audit Report. If Contractor is required to perform a single audit and/or program specific audit, per the requirements of OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements of Federal Awards, Contractor shall submit a copy of such single audit to County within thirty (30) days of receipt.

**VIII. PRE-AUDIT COST REPORT SETTLEMENTS**

- A. Pre-audit Cost Report Settlements. Based on the original and final/reconciled Annual Cost Report(s) submitted pursuant to this Exhibit B MH Section VII (Cost Reports) and State approved UOS, at the end of each Fiscal Year or portion thereof that this Agreement is in effect, the County will perform pre-audit cost report settlement(s). Such settlements will be subject to the terms and conditions of this Agreement and any other applicable State and/or Federal statutes, regulations, policies and procedures, or requirements pertaining to cost reporting and settlements for applicable Federal and/or State programs. In no event shall the settlement exceed the maximum amount of this agreement. Settlement for services shall be adjusted to the lower of:

**EXHIBIT B  
FINANCIAL PROVISIONS - MH**

1. Contractor's published charge(s) to the general public, as approved by the Contractor's governing board; unless the Contractor is a Nominal Fee Provider. This federal published charges rule is applicable only for the outpatient, rehabilitative, case management and 24-hour services.
  2. The Contractor's actual costs.
  3. The County Maximum Allowable rate.
- B. Issuance of Findings. County's issuance of its pre-audit cost report settlement findings shall take place no later than one-hundred-twenty (120) calendar days after Contractor's submission of the original and final/reconciled cost reports.
- C. Payment. In the event that Contractor adjustments based on any of the above methods indicate an amount due the County, Contractor shall pay County by direct payment within thirty (30) days or from deductions or withholding of future payments due to Contractor under this Agreement or a subsequent agreement, if any, at the sole discretion of the Behavioral Wellness Director or designee.

**IX. AUDITS, AUDIT APPEALS AND POST-AUDIT MEDI-CAL FINAL SETTLEMENT**

- A. Audit by Responsible Auditing Party. At any time during the term of this Agreement or after the expiration or termination of this Agreement, in accordance with State and Federal law including but not limited to WIC Sections 14170 et. seq., authorized representatives from the County, State or Federal governments (Responsible Auditing Party) may conduct an audit or site review of Contractor regarding the mental health services/activities provided under this Agreement.
- B. Settlement. Settlement of the audit findings will be conducted according to the Responsible Auditing Party's procedures in place. In the case of a State Medi-Cal audit, the State and County will perform a post-audit Medi-Cal settlement that is based on State audit findings. Such settlement will take place when the State initiates its settlement action which customarily is after the issuance of the audit report by the State and before the State's audit appeal process.
- C. Invoice for Amounts Due. County shall issue an invoice to Contractor for any amount due to the County after the Responsible Auditing Party issues an audit report. The amount on the County invoice is due by Contractor to County thirty (30) calendar days from the date of the invoice. However, if the Responsible Auditing Party stays its collection of any amounts due or payable because of the audit findings, County will also stay its settlement of the same amounts due or payable until the Responsible Auditing Party initiates its settlement action with County. If an audit adjustment is appealed then the County may, at its own discretion, notify Contractor but stay collection of amounts due until resolution of the State administrative appeals process.
- D. Appeal. Contractor may appeal any such audit findings in accordance with the audit appeal process established by the Responsible Auditing Party performing the audit.

The County reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

## EXHIBIT C

8. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, County has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to provide evidence of renewal may be treated by County as a material breach of contract.
9. **Subcontractors** – Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that County is an additional insured on insurance required from subcontractors.
10. **Claims Made Policies** – If any of the required policies provide coverage on a claims-made basis:
  - i. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
  - ii. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work.
  - iii. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Contractor must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work.
11. **Special Risks or Circumstances** – County reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. Contractor agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of County to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of County.
