Other Concurrence: Risk Management

As to form: Yes

Recommended Actions:

That the Board of Supervisors:

- A) Approve and authorize the Chair to execute the attached revenue agreement in which the County, through the Department of Behavioral Wellness's Psychiatric Health Facility Medical Director Leslie Lundt, MD, will provide training to Community Memorial Health System's (not a local vendor) Residents on Psychiatry rotations (4 weeks), for a monthly stipend of \$1,933.60, for the period July 1, 2016 to May 30, 2017.
- B) Determine that these activities are exempt from California Environmental Quality Act review per CEQA Guideline Section 15378(b)(4), since the recommended actions are government fiscal activities which do not involve commitment to any specific project which may result in a potentially significant physical impact on the environment.

Summary Text: The Department of Behavioral Wellness has physicians knowledgeable in Psychiatry; the field which Community Memorial Health System seeks to utilize the Teaching Physician method. Using the Teaching Physician method, the Department of Behavioral Wellness will provide education in Psychiatry to Medical students or Residents utilizing the Department of Behavioral Wellness's Director of Psychiatric Health Facilities (PHF), Leslie Lundt, MD as the Teaching Physician. Dr. Lundt's duties

will include but are not limited to the following: Provide teaching and supervision to those residents and medical students specifically assigned to the PHF rotation; Monitor and evaluate learner’s performance and participate in the final evaluation of each learner; Act as a role model for the professional development of the learner. The Teaching Physician shall train Residents assigned to the CMHS Psychiatry rotation. Each Trainee will be assigned the Rotation for a one-month period. At the end of the rotation session, the Teaching Physician shall complete a written evaluation for each Trainee.

Background:

The Teaching Physician plays a vital role in the educational programs of the Medical Education Department at Community Memorial Health System (CMHS), a California nonprofit benefit corporation located in Ventura, California. The Teaching Physician sets the academic tone of the rotation and plays a key role in providing the leadership and direction that are vital to the success of CMHS’ educational program. The Teaching Physician serves as the medical education learner’s primary teacher, role model, and career advisor.

In addition to the Teaching Physician program being beneficial to CMHS, participation in the Teaching Physician program would be beneficial to the Department of Behavioral Wellness in that it will be compensated for its services to CMHS.
