Please add my name IN SUPPORT of the most welcomed changes applied for by the Coral Casino.

I have carefully reviewed the reasons a few members are opposing the changes, and, not only disagree with them as a member, but find it disruptive and unnecessary to continue to hold up the opening of our dearly beloved Club to satisfy very few members.

The changes recommended are, in my opinion, to the benefit of its' members as well as allowing the Club Management to proceed with running a well organized and much wanted facility in a prime location in Montecito. Running a business requires growth, evaluation and changes in order to make it efficient and prosperous. Offering DINING privileges to locals and visitors alike will allow the restaurant to operate efficiently as well as allowing others to enjoy this amazing atmosphere. Keeping ALL other club facilities private is a welcomed change for paying members.

In short, please allow the Coral Casino the privilege of resuming operations as requested and help bring Channel Drive back to life again.
Enough is enough.

Thank you.
