Subject: Continuation Request for July 18, 2023 Agenda – Amendments to the Cannabis Business Licensing Fee Ordinance, Dept. Item No. 3

The County Executive Office requests a continuance of the first reading of the Amendments to the Cannabis Business Licensing Fee Ordinance from July 18 to August 22, 2023. This request will allow staff to finalize negotiations with the California Cannabis Authority and complete technical review of the new fee and methodology that will pass through the fee to active State cannabis license holders. This delay will not affect the ability of the County to begin charging this fee on October 1, 2023 as scheduled for the second quarter of Fiscal Year 2023-24.
