Board of Directors
Central Coast Medical Association
100 N. Hope Ave. Ste 14
Santa Barbara, Ca. 93110

Dear Doctors,

I am writing to express my interest in representing the Central Coast Medical Association on the CenCal Health Board of Directors beginning 2020.

CenCal Health has a remarkable history in Santa Barbara as a model for local administration of MediCal. As a provider in Santa Barbara since 1986, I have appreciated the great service CenCal Health provides to physicians and patients in our community and therefore have a vested interest in seeing the organization continue to thrive. It would be a great honor to participate in their leadership. I believe I would represent the medical community well. I have served on several Boards besides the Medical Society including Santa Barbara Select IPA, Cancer Center of Santa Barbara, Cottage Health, and the Accreditation Association for Ambulatory Health Care. As such, I fully understand governance and the role of a productive director. I also understand the commitment such a position requires. I have had the opportunity to observe and interact with some exceptional leaders in the medical community. I have interest and expertise in Medicare provider payment and healthcare reform. I believe my experience beyond my day to day medical practice would be helpful to the CenCal Health Board of Trustees.

Please consider my interest and experience in making a recommendation for Central Coast Medical Association representative to the CenCal Health Board.

Sincerely,

Edward Bentley MD

December 5, 2019

Supervisor Joan Hartmann
Third District Supervisor
Santa Barbara County Board of Supervisors
105 East Anapamu Street
Santa Barbara, CA 93101

Dear Supervisor Hartmann:

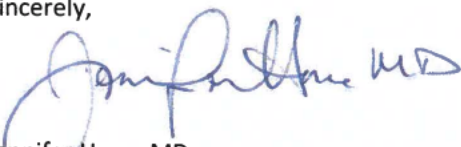

The Central Coast Medical Association is pleased to nominate Edward Bentley, MD, as the Medical Association's appointment to the CenCal Health Board of Directors. The new term will be January 1, 2020 – December 31, 2021.

Dr. Bentley's understanding of the patient base and of CenCal Health's mission and operational structure will be beneficial for CenCal health, the physicians, and the patient community. Dr. Bentley has expertise in provider payment and healthcare reform. He was part of a small team that met with the Centers for Medicare and Medicaid Services (CMS) leaders responsible for implementing the California Geographic Practice Cost Index (GPCI) fix, which overhauled California's outdated geographic payment localities. In addition, Dr. Bentley has served on numerous Boards, including Santa Barbara Select IPA, Cancer Center of Santa Barbara, Cottage Health, and the Accreditation Association for Ambulatory Health Care.

Dr. Bentley was born November 16, 1952, and grew up in Connecticut. He graduated from the University of Oklahoma Medical School in 1978 and completed his fellowship training in Gastroenterology at the University of Southern California Medical Center. Dr. Bentley is board certified in both Internal Medicine and Gastroenterology and has been elected to fellowship in the American College of Physicians and Gastroenterology. He has been in Santa Barbara since 1986. Dr. Bentley and his wife Terri have two children, John and Jennifer.

We encourage the Board of Supervisors to appoint Dr. Bentley to the CenCal Health Board of Directors.

Sincerely,

Jennifer Hone, MD
President
Central Coast Medical Association

cc: Robert Freeman, CEO, CenCal Health
