AGREEMENT FOR OPERATION OF A COUNTY-WIDE LIBRARY SYSTEM

THIS IS AN AGREEMENT BY AND AMONG:

THE COUNTY OF SANTA BARBARA, a political subdivision of the State of California hereinafter, referred to as County,

WITNESSETH THAT:

WHEREAS, the parties desire to contract for the furnishing to all inhabitants of the County of Santa Barbara, including residents within cities, an equitable level of County-wide library services; and

WHEREAS, the Parties recognize that, because library users cross jurisdictional boundaries, a County-wide network of library services best serves the needs of all users; and

WHEREAS, the parties believe such services can be most efficiently provided through the use of existing facilities inside and outside the four managing Cities without the creation of County-operated duplicate establishments; and

FY [2021-2022] Agreement for Operation of a County-wide Library System

WHEREAS, the parties have agreed that the sums hereinafter specified will be sufficient contribution by the County during the term of this Agreement; and

WHEREAS, each managing City is a member of the Black Gold cooperative library system, a service agency established by the authorization of the Public Library Development Act of 1963, since such membership is extended to the incorporated as well as the unincorporated areas of the County; and

WHEREAS, it is the intent of the parties to use reliable local public revenue to fund core library services; federal, state and philanthropic money, if available, shall be used to supplement, but not supplant, local revenues appropriated for public libraries; and

- d. Except as otherwise provided herein, the payments to be made by County to Cities under this Agreement shall be made in two installments: the first after execution of this Agreement by all parties, and no earlier than October 1 but no later than January 1, and the second payment no earlier than February 1 but no later than April 1; provided, that payment to any City shall be conditioned on that City having complied with the appropriate reporting requirements, according to methods provided for in Section 16 hereof.

- h. If a branch library moves from one zone to another, or creates a new zone, the County may reserve funding allocated to the new zone to reimburse the previous administering library for lingering expenses for a period of one-year after the move.

7. County Buildings

Ownership of branch library buildings and the land on which such buildings are situated or are to be situated, if situated on County land or purchased with County funds, shall be vested in County; this agreement shall not confer any exclusive rights on any City or library zone to any such County-owned branch library building in any zone. County may designate any such County building for use by a particular City or Cities to serve a particular zone or zones, or a portion thereof. In making designations of County buildings, County shall consider the recommendations of the Library Advisory Committee, as well as public comments and other relevant information.

Each City to which a branch building is designated shall maintain, repair and operate such branch library building to the extent funding is available and in accordance with Section 9 below. Upon a change or termination of such building designations, City shall vacate said building and return that building to County in the same condition as the City received it, usual wear and tear excepted.

8. Furnishings, Equipment and Supplies

The parties agree all furnishings and equipment contained in and designated for use solely in the library, including but not limited to books, shelves, desks, tables, chairs, study carrels, telecommunication and computer equipment and systems, office machines, appliances, fixtures and HVAC systems, are deemed the property of County only in the branch libraries where County is responsible for the property insurance for the building and contents as set forth in Section 14. Such locations include Carpinteria, Cuyama, Montecito, Solvang and Vandenberg Village. In all other locations, the furnishings and equipment of each branch library shall be deemed to be the property of each City responsible for administering the zone where the branch library is located.

FY [2021-2022] Agreement for Operation of a County-wide Library System

Each managing City shall solely be responsible for the cost of purchasing all office and restroom supplies needed for the operation of the libraries located within that managing City's respective zone. For supplies that exceed the funds available to the managing City, that managing City shall send written notice to County's Community Services Director. Each managing City is allowed to use the funds herein made available for the stated purpose of purchasing those supplies for its branch locations.

9. Facility Maintenance and Repair

Each managing City shall perform maintenance, repair and replacement work at the various branch libraries located within the managing City's respective zone in accordance with the Maintenance and Repair Responsibilities schedule attached hereto as Exhibit B and incorporated herein by reference. All maintenance and repair work shall be done in a competent and workmanlike manner. For maintenance or repairs to a County-owned branch that are a City's responsibility and that exceed the funds available to a responsible City, that City shall send written notice to County's Community Services Director. For maintenance and repairs that are the responsibility of County hereunder, each City shall send a written request for service of those facilities to County at the address noted below:

County of Santa Barbara, General Services Department
Attn: General Services Facilities Manager, Scott Hosking
1105 Santa Barbara Street, 2nd Floor
Santa Barbara, CA, 93101

Since County is assuming responsibility for paying utilities (electricity, natural gas, refuse and water) at the Solvang branch (located within Zone 4) and the Cuyama branch (located within Zone 3), County will withhold \$5,000 from its allocations to both Goleta (Zone 4) and Santa Maria (Zone 3) to cover the costs of utilities. In June, County will deduct the actual cost of the utilities from the \$5,000 withholding and then transfer any remaining balance to Goleta (Zone 4) and Santa Maria (Zone 3), as applicable. Any additional utility costs that are incurred at Solvang or Cuyama branch locations that are not directly charged to County will be paid by each managing City responsible for administering that zone (*i.e.*, Goleta for Solvang and Santa Maria for Cuyama).

12. Administration Charges

Each managing City may recover from the funds herein an administrative charge in an amount not to exceed 25% of the branch's annual operating budget, that is reasonable and sufficient to reimburse the managing City for the costs and expenses necessary to provide library services provided pursuant to this Agreement. Each managing City shall document the financial basis for its administration charge if the total combined branch administration charges exceed 10% of the total County payments to the managing City.

13. Library Advisory Committee

County's Board of Supervisors has by appointment created a Library Advisory Committee. The term of office of each member of the Library Advisory Committee shall annually and automatically renewed each year, unless replaced at the pleasure of the Board of Supervisors or by request of the nominating jurisdiction.

FY [2021-2022] Agreement for Operation of a County-wide Library System

Each managing City shall nominate one member for appointment by the Board of Supervisors. In addition, the partner cities of Carpinteria, Buellton, Guadalupe, and Solvang, in recognition of their significant contributions to free library service within County, may each nominate one member for appointment by the Board of Supervisors, and the County Supervisor of each supervisorial district shall nominate one member. In recognition of County Service Area 3's significant contributions to free library service, County's Board of Supervisors shall appoint one member from the residents of County Service Area 3. The Supervisors shall further appoint one member of its Board, or a designee, to chair the Library Advisory Committee.

14. Indemnification

In lieu of and notwithstanding the pro rata risk allocation which might otherwise be imposed between the parties pursuant to California Government Code Section 895.6, the parties agree that all losses or liabilities incurred by a party shall not be shared pro rata but instead all parties agree that pursuant to California Government Code Section 895.4, each of the parties hereto shall fully indemnify and hold each of the other parties, their officers, board members, employees and agents, harmless from any claim, expense or cost, damage or liability imposed for injury (as defined by California Government Code Section 810.8) occurring by reason of the negligent acts or omissions or willful misconduct of the indemnifying party, its officers, board members, employees or agents, under or in connection with or arising out of any work, authority or jurisdiction delegated to such party under this Agreement. No party, nor any officer, board member, employee or agent thereof shall be responsible for any damage or liability occurring by

FY [2021-2022] Agreement for Operation of a County-wide Library System

reason of the negligent acts or omissions or willful misconduct of other parties hereto, their officers, board members, employees or agents, under or in connection with or arising out of any work, authority or jurisdiction delegated to such other parties under this Agreement.

15. Insurance

Each City to which a building is designated shall obtain and maintain in effect during the period of such designation general and automobile liability insurance covering the use of such building by that City to which it is designated, and by its officers, agents, employees or volunteers acting on City's behalf or at City's direction, with single limit coverage of not less than \$1 million. Each City shall also maintain Workers' Compensation coverage as required by the California Labor Code and employers' liability insurance. All insurance coverages are to be placed with insurers which (1) have a Best's rating of no less than A VII, and (2) are admitted insurance companies in the State of California. All other insurers require the prior approval of County. The general and automobile liability insurance policy shall name County, its officers, agents and employees as additional insured, and shall not be canceled without giving at least thirty-days' prior written notice to County. County shall be furnished with a certificate of insurance by City to which a branch library building has been designated prior to performance by County. A copy of the endorsement evidencing County has been added as a named additional insured on the policy must be attached to the certificate of insurance. The policy or policies shall include severability of interest or cross liability clause or equivalent wording. The policy or policies shall contain a provision of the following form: "Such insurance as is afforded by this policy shall be primary and contributory to the full limits stated in the declarations, and if County has other valid and collectible insurance for a loss covered by this policy, that other insurance shall be excess only".

As an alternative to the liability insurance requirements contained above, a City can provide evidence in writing to County showing that it has an approved self-insurance program and will then only be required to submit a certificate of insurance for the difference, if any, between its self-insurance limit and \$1 Million combined single limit coverage.

The property insurance for each building shall be borne by the party that owns the building. For branch locations housed within a County-owned building, County shall be responsible for property insurance for both the building and its contents. Such locations include Carpinteria, Cuyama, Montecito, Solvang and Vandenberg Village. For each branch library located within a

FY [2021-2022] Agreement for Operation of a County-wide Library System

leased building, City that is the lessee of the building space shall be responsible for property insurance for both the building and its contents. For the purpose of this Agreement, "content" includes furnishings, equipment and supplies as identified in Section 8, as well as audiovisual and electronic materials such as books, subscriptions, government documents and microfilm used by library patrons. Each City is allowed to use the funds herein made available for the stated purpose of property insurance for contents in its respective branch facilities.

16. Budget, Revenue/Expenditure and Services Plan

- a. On or before November 30, each Library Director shall confer with the County and a representative from each city in which a branch library operates in their zone to review expected funding and service levels for the next fiscal year. CSD will initiate and lead this effort.
- b. Upon completion of review of expected funding and service levels under subsection (a) on or before January 31, the County shall work in good faith to secure funding commitments from each branch library's partner city (and friends organization if the operating budget relies on more than \$50,000 from friends) and notify the Library Director of expected funding amounts from the County, partner city, friends and other sources for the upcoming fiscal year.
- c. Upon completion of the activities in both subsections (a) & (b) on or before March 1 of each year, each Library Director will submit to the County a Revenue/Expenditure plan and proposed budget for each branch. Such plan shall include

17. Reports of Receipts and Disbursements

Upon adoption of a library budget by each managing City, the managing City shall provide to the County's designated representative a written copy of the budget showing the amount to be spent in each branch including anticipated disbursements from reserves and gifts. Amendments to branch budgets must be reviewed by the Library Advisory Committee prior to review by Board of Supervisors. Such amendments may include unanticipated or required reductions or increases in revenue via any source. County shall be provided with copies of any amendments to said budget upon request.

Annually each managing City shall provide County with a statement on all receipts and disbursements made pursuant to this Agreement, listing all items of receipt and expenditure throughout the year. Such statements showing the amount spent in each respective County branch located in that City's zone shall include an itemization of salaries and wages, materials, supplies, and services, capital outlay and use of reserves and gifts. In particular, such statement shall show as separate items those obligations and expenditures which are made or incurred for the purpose set forth in Section 6. The annual financial statements shall be submitted no later than sixty (60) days after the end of the fiscal year. Each City shall keep accurate accounts and records for funds expended to accomplish the purpose of this Agreement, and shall make such accounts and records available at all times for inspection and audit by authorized agents of the County of Santa Barbara. All such accounts and records shall be retained for at least a period of five (5) years after the fiscal year to which such records relate. All accounting records shall be kept in accordance with generally accepted accounting principles. COUNTY shall have the right to audit and review all such documents and records at any time during City's regular business hours or upon reasonable notice. In addition, if this Agreement exceeds ten thousand dollars (\$10,000.00), each City shall be subject to the examination and audit of the California State Auditor, at the request of the COUNTY or as part of any audit of the COUNTY, for a period of three (3) years after final payment under the Agreement (Cal. Govt. Code Section 8546.7). Cities shall be subject to, participate in, and

FY [2021-2022] Agreement for Operation of a County-wide Library System

cooperate with any audits, examinations or reviews, whether by COUNTY, the State, or the Federal Government.

If federal, state or COUNTY audit, examination or review exceptions, findings, adjustments or disallowances are made relating to this Agreement, each City shall reimburse their share respectively of all such exceptions, adjustments and disallowances.

18. Gifts

Each managing City shall have or adopt a gift policy, to inventory, characterize, track and report on gifts made directly to a City's individual branch library. Each managing City shall provide a copy of its gift policy to the County. Each managing City shall notify County of any changes made in the gift policy. In the event any person gives or bequeaths any gift directly to any library herein referred to, such gift shall be treated according to the gift policy of City or County, as applicable. Any gift accepted for a library in the unincorporated areas of County shall become the property of County. Any gift accepted by a Main Library shall become the property of that managing City. Each gift given directly to a library will, to the extent desired by the presenter, contain specific reference regarding preferred use (i.e., programs, equipment, books etc.).

19. Emergency

In the event of an emergency (a) which results in a loss of library materials, and/or (b) which affects the ability of any branch library to maintain the current level of library service, any party hereto may request the assistance of any other party in obtaining replacement library materials necessary for the functioning of the affected branch; provided, that all expenditures for replacement materials are approved in advance and in writing by the requesting party, the assisting party shall be entitled to full reimbursement from the requesting party for all expenditures made in accordance with applicable laws governing the assisting party.

20. Assignment

No managing City shall assign this Agreement or any part thereof or any monies payable hereunder without the prior written consent of County. Any attempt to assign without consent shall be void.
