**Recommended Actions:**

That the Board of Supervisors adopt a resolution establishing a "Mid-Block" Crosswalk on Stillwell Road in the Orcutt Area.

**Summary Text:**

A request was received for a Mid-Block Crosswalk on Stillwell Road. Stillwell Road is located in the eastern portion of Orcutt. The Mid-Block Crosswalk would be located on Stillwell Road 195 feet north of the centerline of Rhinestone Court. The crosswalk is being established north of the intersection due to the location of a green belt and walking trails that are located within the Tiffany Park housing development. Establishing a Mid-Block Crosswalk at this location is in the best interest of public safety for adults and children crossing the roadway from green belt to green belt.

Based upon our investigation, the Public Works Traffic Section has prepared the attached resolution establishing a Mid-Block Crosswalk at the following intersection:

- On Stillwell Road at a point 195 feet north of the centerline of Rhinestone Court.

**Background:**

This requested action was initiated by the Home Owners Association in the Tiffany Park Housing Development in the Orcutt Area.
