LIVE OAK UNITARIAN UNIVERSALIST
CONGREGATION of GOLETA

Social Justice Ministry

January 30, 2023

Board of Supervisors
Santa Barbara County
105 E. Anapamu Street #406
Santa Barbara, CA 93101

Dear Supervisors,

The **Social Justice Ministry** of the *Live Oak Unitarian Universalist Congregation* of Goleta, CA opposes any and all applications to restart oil drilling in the channel. The Plains Pipeline request to install valves on a pipeline that currently carries no oil (following the terrible spill at Refugio) is a blatant attempt to make this pipeline operational again. We fully support the three appeals under consideration, and we stand with the Gaviota Coast Conservancy in its efforts to preserve our coast. We support the decision of the Planning Commission and we hope that you will too.

**PLEASE do more to protect our planet from the worst consequences of climate change!
Please stop the Plains Pipeline expansion plan.**

Actions we take – or fail to take – today will determine whether our grandchildren inherit a habitable planet.

Most Respectfully,

Carolyn Chaney, on behalf of

The **Social Justice Ministry** of the *Live Oak Unitarian Universalist Congregation* of Goleta, CA
