## Notes

## Freight Info

<p><b>Freight:</b> Domestic</p> <p><b>Location:</b> Business</p> <p><b>Delivery:</b> Premium White Glove Service</p> <p><b>Lift Gate:</b> Yes</p> <p><b>Pallets:</b> No</p>	<p><b><u>Premium White Glove Service</u></b></p> <p>Premium White Glove service is designed to bring an additional level of service by delivering the products inside and to the recipient's room of choice. Also includes light assembly, setup and removal of debris.</p> <p>In order to better serve our customers, we do not palletize all products when shipping full truck loads and containers. This practice allows huge savings to our customers by enabling us to ship more items per load while still ensuring the safe transport of the equipment. Due to this method of shipping there is no efficient way for us to calculate maximum capacity with 100% certainty. You will see that the freight quoted is an estimate only.</p>

I acknowledge that I have read and understood the above Freight Information. I also understand and agree to pay all excess charges if I am to instruct the truck driver to go above and beyond the freight service that I am agreeing to in this document.
