Engineering Reports for

Streetlighting Services in County Service Area 31
Unincorporated Community of Isla Vista

North County Lighting District
Los Alamos, Casmalia, Orcutt, Unincorporated Santa Maria, Unincorporated Lompoc

Fiscal Year 2012-2013

County Service Area 31 (Fund 2220)

CSA 31 was formed December 16, 1963 by Resolution No. 23685 and encompasses the community of Isla Vista. LAFCO recognized powers include streetlighting; the installation, repair and maintenance of curbs, gutters, and sidewalks; and the planting and maintenance of streetscape landscaping. Streetlighting is funded with property taxes and benefit assessments. In addition, zones of benefit may also be created when land is being subdivided to ensure that streetlighting costs associated with new development does not become a financial burden to existing services. The subject of this report is specific to streetlighting.

CSA 31 currently has 326 streetlights. The poles and fixtures are owned by Southern California Edison (SCE), which bills monthly for their operation and maintenance. Streetlights are added to the system through development pursuant to Resolution 81-229 and must meet County Engineering Design Standards. The \$12.93 benefit assessment rate is expected to generate approximately \$33,573 towards the annual streetlighting cost of approximately \$47,775 with property tax revenues of \$14,202 funding the remainder. The benefit assessment rate is factored based on the various land uses as shown:

<u>DESCRIPTION</u>	<u>FACTOR</u>
Vacant farm land	0.5
Residential (single and condos)	1.0
Residential (duplex, triplex)	3.0
Apartments, courts	6.0
Heavy commercial	9.0
Light commercial	3.0
Industrial	6.0
Churches, miscellaneous, other	2.0
Government exempt	0.0

The estimated fund balance for fiscal year 2011-2012 is \$115,915 and the expected fund balance at the end of fiscal year 2012-2013 is \$108,291. Note that actual property tax revenue will increase somewhat due to the dissolution of the Santa Barbara County Redevelopment Agency. As of yet the exact amount of additional revenue is uncertain and for that reason, this revenue is not reflected in the fund history and projections table below.

The *Fixed Charges Fee Report for County Service Area 31 for Fiscal Year 2012-2013* is included in this attachment.

North County Lighting District (Fund 2670)

The Board adopted Resolutions 94-307 and 94-308 to approve the consolidation and annexation of certain territories receiving streetlighting services in the north county to the Santa Barbara North County Lighting District. The Santa Barbara Local Area Formation Commission (LAFCO) approved these actions pursuant to LAFCO Resolutions 94-7 and 94-8 respectively. These actions consolidated the Casmalia, Orcutt, and Los Alamos streetlighting districts as well as annexing the streetlighting functions of County Service Area 4 (unincorporated Lompoc) and County Service Area 5 (unincorporated Santa Maria), all of which are served by PG&E. Streetlighting is the only service provided by this district. CSA 4 and CSA 5 also provide park and open space services (Community Services Department).

The North County Lighting District currently provides for 2,812 streetlights. The poles and fixtures are owned by Pacific Gas & Electric Company (PG&E), which bills monthly for their operation and maintenance. Streetlights are added to the system through development pursuant to Resolution 81-229 and must meet County Engineering Design Standards. Streetlighting is funded with property taxes, and with benefit assessments from the CSA 5 area (up to \$14.73 per year per residential parcel, which is factored for various development categories). In addition, zones of benefit may also be created when land is being subdivided to ensure that the new development does not become a financial burden to existing services. To date benefit zones have been created in CSA 4 (Clubhouse Estates and Providence Landing) and CSA 5 (Harp Springs, Mesa Verde, Old Mill Run, Stonegate, and Vintage Ranch).

The estimated fund balance for fiscal year 2011-2012 is \$321,084 and the expected fund balance at the end of fiscal year 2012-2013 is \$309,225. The table below shows fund history and projections without re-imposing the CSA 5 benefit assessment.
