All Supervisorial Districts

Recommended Actions:

That the Board of Supervisors:

- a) Adopt the attached Resolution (Attachment A) accepting new roadway sections of East Mountain Drive in the First Supervisorial District, Jonata Street in the Third Supervisorial District, and Gonzales Drive, Gonzales Lane, and Henry Court in the Fourth Supervisorial District into the County Maintained Road System;
- b) Adopt the attached Resolution (Attachment B) certifying the total mileage included in the County Maintained Road System; and
- c) Determine the above actions are not a project under the California Environmental Quality Act guidelines pursuant to Section 15378(b)(5) because it consists of organizational or administrative activities of governments that will not result in direct or indirect physical changes in the environment.

Summary Text:

This item is on the agenda to update the list of roadway sections in the Santa Barbara County Maintained Road System. The addition of 0.28 Centerline Miles (included in Table 1) in conjunction with a 0.11 Centerline Miles correction reduction in network measurements will result in a newly calculated total centerline mileage of 831.78 for the County Maintained Road System. Upon your Board's approval and certification, Public Works will report this mileage to the State of California Department of Transportation (Caltrans) for the purposes of determining the County's share of state road maintenance funds.

Background:

Attachment A contains details about the additions in the First, Third, and Fourth Supervisorial Districts. The list of roads introduced has the technical qualifications for acceptance as the development is complete, clear from any boundary/permit conflicts, and ready for public use. The above additions are included in Table 1 below.

Table 1. Proposed Roads for Acceptance

Name	From	To	Mileage
East Mountain Drive	San Ysidro Trailhead	W End	0.01
Jonata Street	Nojoqui Ave	Grand Ave	0.12
Gonzales Drive	St. Joseph Street	Gonzales Lane	0.09
Gonzales Lane	N End	S End	0.03
Henry Court	Gonzales Drive	N End	0.03
Total			0.28

Attachment B requests your Board to act in order to satisfy Streets and Highways Code § 2121. Streets and Highways Code § 2121 requires the County to annually report to Caltrans any additions or exclusions from the total mileage of the County Maintained Road System for the purpose of maintenance funding allocation. Caltrans requires that the adjusted maintained roadway mileage total be certified by your Board and reported to them for the purposes of road maintenance funding allocations, partially based on the total number of roadway miles maintained by the County.

Budgeted: N/A

Fiscal and Facilities Impacts:

Accepting roads into the maintained system will increase the County's maintenance liability over time as the roads degrade.

Special Instructions:

Direct the Clerk of the Board to email a minute order of these actions and an copy of each executed resolution to Ashley Kruzel at akruzel@countyofsb.org.
