**MEMORANDUM OF UNDERSTANDING
BETWEEN THE COUNTY OF SANTA BARBARA AND
SANTA BARBARA COUNTY DEPUTY SHERIFFS' ASSOCIATION**

SECTION 1. Purpose

This Memorandum of Understanding is hereby entered into between the County of Santa Barbara, (hereinafter referred to as the "County"), and the Santa Barbara County Deputy Sheriffs' Association, (hereinafter referred to as the "Association"). It is the general purpose of this Memorandum of Understanding to promote the mutual interest of the County and its employees and to establish rates of pay, and certain other terms and conditions of employment.

SECTION 2. Recognition

The County hereby recognizes the Association as the majority bargaining representative for the employees in these classifications in the following representation units:

- A. Law Enforcement Non-Supervisory
 - Emergency Communications Center Call Taker
 - Communications Dispatcher I
 - Communications Dispatcher II
 - District Attorney Investigator I
 - District Attorney Investigator II
 - District Attorney Investigator III
 - Custody Deputy
 - Sheriff's Deputy, Trainee
 - Sheriff's Deputy
 - Air Support Pilot

- B. Law Enforcement Supervisory
 - Communications Dispatch Supervisor
 - District Attorney Investigator, Supervising
 - Custody Sergeant
 - Sheriff's Sergeant

The term "Employee" or "Employees" as used herein shall refer to individuals employed by the County in regular positions (excluding temporary, extra-help employees) as well as such employees in classifications that are added to the above representation units hereafter through the provisions of the County Employer-Employee Relations Resolution or applicable State law.

SECTION 3. Association Security

- A. The County shall deduct membership dues and insurance premiums from employees in the above-mentioned representation units when such deductions have been authorized in writing by the individual employee on a form acceptable to the Auditor-Controller and shall transmit such deductions to the Association. The County shall provide the Association all information that is required by California Government Code §3557.

- B. Each pay period the County shall provide the Association with a membership dues checkoff list and list of insurance premiums deducted. Said lists shall be without cost to the Association.
- C. An employee who is a member of the Association's bargaining team and who attends the regular scheduled bargaining sessions between the County and the Association shall receive release time or flex time conditioned on the following:
1. Release Time: Means the release from regularly scheduled duty to attend with pay a bargaining session between the County and the Association's bargaining team during on-duty time. Release time is time worked.
 2. Flex Time: Means the release from duty before the end of a shift, or permission to report late to start a shift. Any such scheduled flex time shall be for a specific number of hours which have been approved by the watch commander, or station supervisor, and specifically marked on time cards as negotiation flex time. Leave balances or a schedule adjustment may be used for this purpose.
 3. Hours Eligible for Release Time or Flex Time: Means only those hours scheduled and actually spent in bargaining sessions between the County and the Association on days the Association member is scheduled to work. Hours spent in negotiations in excess of the number the employee was scheduled to work that day, or hours spent in negotiations on a non-duty day, shall not be counted for pay purposes or as hours worked.
 4. DSA bargaining team members shall notify their supervisors of the scheduled time, date and place of the bargaining session between the County and the DSA at least 72 hours in advance, or as soon as a session is scheduled if less than 72 hours.

Scheduled on-duty personnel will be expected to report for duty prior to a scheduled negotiation session unless the start of the shift is the same as the scheduled start of the negotiation session, or later. On-duty personnel shall report for duty after the end of a bargaining session unless the bargaining session exceeds the scheduled duty day. The bargaining session shall be deemed ended when either the County or DSA indicates the meeting is over.

A team member or alternate who is scheduled to work graveyard shall be given the opportunity to leave the shift early before the scheduled meeting or check in late for the shift following the bargaining session provided the flex hours are scheduled in advance. If flex time is denied, alternate scheduling may be granted with the approval of the Division Commander.

- D. The County shall provide an aggregate of up to ten days off without pay for Association officers to attend seminars or conduct Association business. Such leave without pay must be scheduled and approved in advance by the department head or his/her designated representative. The department retains the right to deny a leave or cancel a leave when such leave will result in an uncovered work

assignment or cause overtime. The parties agree to continue to meet and confer regarding changes to provide leave without loss of pay for Association officers to attend seminars and classes and to conduct union business.

- E. The DSA shall be provided use of 1000 hours of paid association release time per payroll year to attend labor-related educational events and to conduct Association business, provided however, the DSA shall reimburse the County for 50% of the cost of each hour taken as provided below.

The purpose of these release time provisions is to enable DSA designated employees to engage in qualifying activities during normal working hours without loss of compensation. Employees will be paid under provisions of this MOU section only for time they were regularly scheduled to work but instead used to engage in qualifying activities. In no event will employees be paid under provisions of this MOU section for any time they were not regularly scheduled to work. Hours paid under this MOU section will not be considered hours worked for purposes of determining an employee's eligibility for overtime in accordance with MOU Section 15.

Hours left unused in any given payroll year will not carry forward from one year to the next and will have no cash value at the start of a new payroll year. The County shall provide the DSA with a full accounting of hours used along with an invoice for its share of costs on a quarterly basis. Payment to the County shall be made within 45 days of receipt of an invoice.

Employees granted release time under this MOU section will be given time off without loss of compensation or other benefits that would normally have been paid to the employees released had they worked their regularly scheduled shift(s), and the DSA shall fully reimburse the County for its share the costs of their compensation, including wages and employer contributions to SBCERS for Retirement, Retirement COLA, and Retiree Medical benefits, and including payments to the Federal Government for Medicare taxes, and (if applicable) for Social Security taxes. The County portion of fixed costs not directly associated with rates of pay or hours worked during a pay period (e.g. uniform allowance, health insurance premiums, education allowance) will continue be 100% paid by the County, subject to provisions for part-time employees.

In cases where overtime is needed for backfill at a cost of time plus one-half (i.e. 1.5 times the regular rate of pay for each hour worked), the County and the DSA shall share equally the half-time portion of the overtime rate (i.e., the County will pay 100% of the straight time portion and the DSA and County will split the ½ time portion).

DSA designated representatives may use a nominal amount of time to help address a member's issues or answer questions and not use release time for that purpose; however, time totaling one (1) hour or more shall be submitted for approval and applied to the 1000 hour annual maximum under the terms of this section.

For purposes of this section, "qualifying activities" shall mean: training conferences, conventions, seminars/webinars, workshops, or other events that are related to employer-employee relations and involve matters pertaining to the

bargaining units covered by this Memorandum of Understanding, including reasonable and necessary travel time, if travel time occurs during regularly scheduled duty hours.

Other "qualifying activities" for use of this release time will include related matters that do not have separate provisions for release time, examples of which are enumerated below:

- a. Representation of members at interviews required for Professional Standards Investigations,
- b. Attendance at Board of Supervisors' meetings,
- c. Scheduled meetings on duty time with the Sheriff or members of the Executive or Command staff,
- d. Meetings of the DSA Board or DSA General Membership, or affiliated organizations (such as PORAC), if the meetings occur during a member's regular duty time,
- e. Response to emergent incidents, such as officer involved shootings or in-custody deaths, where a member requests DSA representation.

The following are not qualifying activities authorized for paid release time:

- f. Time off for negotiations and grievance processing, which have separate provisions for paid time off under law or other MOU sections,
- g. Individual meetings between a designated DSA representative and a DSA member while the designated DSA representative is off duty,
- h. Any political activity per County of Santa Barbara Civil Service Rule 1801.

A DSA member wishing to use "Release Time" hours shall first obtain approval from the DSA President. Once the DSA President approves, the member must submit a written request form designed and approved by the County and the DSA. The signed form shall be presented to his/her immediate supervisor.

Requests for release time shall be made at least 14 days in advance of known events such as conferences, and shall otherwise follow the timeline for vacation requests in the unit where the requestor works, except for in-custody deaths, officer involved shootings, and other emergent circumstances.

Requests may be denied if the requesting employee's absence would have a negative impact on the operational needs of the agency that cannot otherwise be accommodated. The mere requirement to expend overtime or to hire an employee on backfill shall not be considered a reasonable basis to deny such leave request.

No more than two employees from any one Division, nor more than one employee from the same shift and rank within the same unit or squad, nor more than one employee from the District Attorney's Office, shall simultaneously use release

time hours, unless the DSA member requesting the leave over the limits above secures a replacement (through overtime or shift trade).

DSA members who are on release time are presumed to be conducting Association business and are in an off-duty status, during which the County is not responsible for their actions, and during which any injuries sustained will not be covered by Workers' Compensation. County equipment or vehicles shall not be used by DSA members during any hours they are on release time.

SECTION 4. County Rights

- A. The County retains, among other management rights, the exclusive right to determine the methods, means, and personnel by which County government operations are to be conducted, as well as to exercise complete control and discretion over its organization, operations, and technology of performing its work; to determine the mission, function, and necessity of all or part of each of its constituent departments, boards, and commissions and take all necessary actions to carry out their mission, functions and necessity, or any part thereof, as well as set standards of service to the public.
- B. It also retains the sole right to administer the Civil Service system, to classify or reclassify positions, add or delete positions or classes to or from the Salary Resolution; to establish standards for employment, promotion, and transfer of employees; to direct its employees, establish rules and regulations, take disciplinary action for proper cause, to establish work schedules and work assignments, and to relieve its employees from duty for lack of work or other legitimate reasons. The County retains the right to be the sole judge, subject to its Civil Service Rules and Procedures, of the qualification and competence of its officers and employees.
- C. The County reserves the right to take whatever action may be necessary in an emergency situation; however, the Association shall be notified promptly of any such emergency action which affects matters within the scope of representation.
- D. In the event any new practice, subject or matter arises during the term of this agreement and an action is proposed by the County, the Association shall be afforded all possible advance notice and shall have the right to meet and confer upon request. In the absence of agreement on such proposed action, the County reserves the right to take necessary action by management direction and the Association reserves the right to then take whatever lawful action deemed necessary.

SECTION 5. Salaries

- A. Effective June 27, 2022, the County shall provide an across the board base salary increase of 3.0% for all classifications represented by the Association. At this time, pursuant to Section 22 of this MOU, the County shall also increase each step in the hourly salary ranges for the following classification series by \$0.125: Call Takers and Communications Dispatchers.
- B. Effective Pay Period 2023-15 (estimated date 6/26/2023), the County shall provide a 2.5% across the board base salary increase for all classifications represented by the Association.
- C. Effective Pay Period 2024-15 (estimated date 6/24/2024), the County shall provide a 2.5% across the board base salary increase for all classifications represented by the Association.

In addition, in Pay Period 2024-15, the following wage increases will become effective for the following job classification series:

- Call Takers and Communications Dispatchers: 5% for a total of 7.5%
 - Custody and Sheriff's Deputies/Sergeants: 2% for a total of 4.5%
 - District Attorney Investigators and Sheriff's Pilots: 2% for a total of 4.5%
- D. Effective Pay Period 2025-15 (estimated date 6/23/2025), the County shall provide a 2.5% across the board base salary increase for all classifications represented by the Association.

SECTION 6. Medical and Dental Coverage

- A. For new employees, medical and dental coverage benefits under this Section shall be effective at the beginning of the month that immediately follows the employee's first pay period of employment in a regular position. Part-time employees must be employed a minimum of fifty percent (50%) of full-time in order to be eligible for insurance benefits.
- B. The County shall pay 100% (pro-rated for part-time employees) of the least expensive EPO employee-only premiums, not to exceed the actual cost of the plan selected. The County shall contribute up to \$13.35 twice monthly toward the cost of the biweekly premium for employee-only dental plan coverage. These contributions are based on full-time employment; part-time employees shall receive a prorated contribution based on their percentage of full-time employment. Insurance plan premiums that exceed the County's biweekly contribution shall be paid by the employee through payroll deductions.

Employees may select coverage from the following options:

Medical *

- PPO Medical Plan
- HMO Medical Plan(s)
- EPO Medical Plan(s)

* All medical plans include employee assistance program and Care Counsel coverage.

Dental

- County Self-funded DPO Dental Plan
- DMO Dental Plan

C. Annually during the term of this agreement, the County shall allocate additional funds in the amount of \$2,259,365 to offset the cost of employee and/or dependent health insurance. This additional annual employer contribution will increase by \$450,000 in January 2025 for a total of to \$2,709,365 for the 2025 plan year and again by \$450,000 in January 2026 for a total of \$3,159, 365 for the 2026 plan year and each plan year thereafter.

The parties will jointly determine how the funds will be allocated each year (to employee-only contribution, contribution toward dependent coverage, benefit allowance, and/or other form of payment).

D. Employees may insure their eligible dependents (including registered domestic partners as defined below) under the medical and dental plans listed above in accordance with the rules and regulations applicable to obtaining said dependent coverage.

E. The County's Group Health Committee will include two employee representatives. Such representatives shall be selected from the County's recognized employee organizations. Employee representatives shall serve a two year term although this does not preclude representatives from serving consecutive terms. Employee representatives shall receive reasonable release time to attend committee meetings.

Except as indicated above, the administration of the committee shall be governed by the preexisting Board resolution(s) and the committee members themselves. The Human Resources Director shall act as the coordinator for committee.

F. If two regular County employees are either (a) married to each other or (b) registered as domestic partners as specified below, and are both eligible for a contribution from the County toward employee-only medical and dental coverage, they may consolidate the County contributions toward the premium cost for "employee plus dependents" coverage held by one of the employees. In this situation, one employee (referred to below as the "spouse or partner") becomes a dependent on the other employee's (referred to below as the "primary employee") medical and dental coverage.

In order to be eligible under this provision, all of the following conditions must be met:

- Both employees are covered by the same medical and dental plan;
- The spouse or partner is insured as a dependent on the primary employee's medical and dental plan insurance;

- The spouse or partner has waived employee-only coverage;
- Both employees have authorized the consolidation of contributions on a form prescribed by the Human Resources Director.
- In the case of domestic partnerships, the employees must be so registered with a domestic partner registry maintained by a California city, county, the State of California, or a public jurisdiction in another state provided the affected employee(s) sign the County's Declaration of Domestic Partnership form. Employees registering as domestic partners shall be responsible for all tax consequences of this benefit.

The amount of the consolidated contributions shall be that amount which would otherwise be contributed by the County toward the employee's and the spouse's or partner's employee-only premiums for the respective medical and dental plans less the cost for participation by the spouse or partner in the Employee Assistance Program and the County's healthcare advocacy program. The appropriate contributions shall be made by the respective departments employing each employee.

SECTION 7. Health Insurance Benefits During Medical Leave of Absence

Employees who are placed on a leave of absence resulting from a medical condition including injury, illness, pregnancy or childbirth shall receive the County contribution toward health plan coverage for a leave period up to eighteen (18) months. Premium amounts exceeding the County contribution and for dependents shall be the responsibility of the employee during the leave period. If an employee has paid leave accruals in excess of eighteen (18) months at the start of the leave, the County will continue to make its contribution toward health coverage while paid leave is being used and until such time as the paid leave is exhausted.

SECTION 8. Flexible Spending Account Plan

- A. All full- and part-time employees in Association represented classifications shall be eligible to participate in the County sponsored Flexible Spending Account Plan.

The Flexible Spending Account Plan will include the following salary reduction options:

1. Pre-Tax Health Insurance Premium Option - for employees and their dependents;
2. Pre-Tax Health Care Spending Account Option;
3. Pre-Tax Dependent Care Spending Account Option;
4. Pre-Tax Life Insurance Premium Option;
5. Pre-Tax Personal Accident Insurance Program.

These options are described in detail in the Flexible Spending Plan Legal Document which is available to all employee organizations. All salary reduction amounts are included in base salaries for the purpose of computing retirement earnings and are subject to appropriate Internal Revenue Service regulations.

The County shall meet and confer with the Association prior to revising the benefit options.

- B. Benefits selected under this plan cannot be changed during the plan year except for a change in family status consistent with the benefit change. Enrollment in the plan shall be offered on an annual basis at the beginning of the plan year. New employees may enroll within the first thirty (30) days of employment. Continued operation of the program shall be subject to County administrative procedures.

SECTION 9. STD/LTD Benefits

- A. Effective June 27, 2022 (Pay Period 2022-15), the County shall pay to the Association biweekly a sum equal to \$11.54 times the number of represented members. The Association agrees to use these funds to purchase Short Term Disability and Long Term Disability Insurance (STD/LTD Insurance) for each represented member. In the event that the sum paid to the union exceeds the cost of this insurance, the Association agrees to notify the County and the parties will meet to discuss.

SECTION 10. Sick Leave

- A. Each regular full-time or regular part-time employee shall accrue sick leave at the rate of .0463 hours for each hour in a regular pay status excluding overtime, call-back and stand-by duty.
- B. Unused sick leave shall be cumulative from year to year, with no accrual limit.
- C. Sick leave usage may not exceed the employee's accrued sick leave balance reported at the end of the pay period immediately preceding the pay period in which the leave is taken.
- D. A department head may require evidence in the form of a physician's certificate, or otherwise, of the adequacy of the reason for any employee's absence during the time for which sick leave was requested. Under no circumstances is sick leave to be used in lieu of, in addition to, or as vacation. The Auditor may require a physician's certificate from the department in order to determine correctness of payroll records.
- E. When a member of his/her immediate family is seriously ill or injured and requires his/her presence and attendance, an employee may be allowed by the appointing authority to use up to six days (48 hours) of his/her accumulated sick leave to attend such family member; provided, that not more than six days per year may be allowed for the illness of injury of any one member of the employee's immediate family. However, subject to department head approval, an employee may exceed the six day limit to care for an immediate family member who has a catastrophic or life threatening illness or injury as verified by a physician's statement.

- F. Up to a maximum of five days (40 hours) of his/her accumulated sick leave may be allowed by the appointing authority to an employee for absence from duty because of any and each death in his/her immediate family.
- G. For the purposes of Paragraphs E and F above, "immediate family" is defined as husband, wife, domestic partner, parent, step parent, brother, sister, child, step child, grandparent, grandchild, and mother-in-law or father-in-law of the employee.
- H. An employee may, when necessary and at the discretion of the department head, be granted up to two hours leave with pay to make voluntary nonremunerated blood donations to non-profit blood banks in the county. Time off in excess of two hours and up to an additional two hours may be used for this purpose, but such additional time off shall be charged to accumulated sick leave. Leave for the purpose of donating blood shall not exceed five times in any one calendar year.
- I. Each regular full-time or regular part-time employee with Accumulated Unused Sick Leave balances in excess of 240 hours as of September 17, 1978, will be eligible for sick leave pay off. Upon termination of employment from county services, 50% of the value of the Eligible Accumulated Unused Sick Leave hours will be paid at the employee's hourly rate in effect as of September 17, 1978. Eligible Accumulated Sick Leave hours are defined as the Accumulated Sick Leave Hours between 240 hours and 960 hours reported as of September 17, 1978, or if less, then hours reported at the time of termination.
- J. Any payment made under Paragraph I above will be made only once to an employee in his/her work history with the County upon termination of employment. If an employee is subsequently rehired in the service of the County, incentive payment for Unused Sick Leave will not be applicable, and previous balances paid off upon termination will not be restored.
- K. Except upon Layoff in accordance with Civil Service Rule XI, termination of County employment shall abrogate all sick leave accrued to the time of such termination, except that unused sick leave balances shall be reinstated for employees rehired into the County service within one year of separation. Except as provided in Paragraph I, no payment shall be made to any employee for unused sick leave accumulated to his/her credit at the time of termination from county service.

SECTION 11. Vacation

- A. For each hour in a regular pay status, excluding overtime, call-back, and stand-by, each regular full-time or regular part-time employee in job classifications represented by the Association shall accrue vacation based on continuous County service as provided in the charts below.

3-4yrs.(25-48 mo.)	.0539hrs./112hrs.	48 hrs.	288 hrs.
5-10 yrs.(49-120 mo.)	.0654hrs./136hrs.	56 hrs.	360 hrs.

- B. Annual vacation accrual may accumulate up to the Maximum Allowable Accrual provided for in the chart in A above.
- C. Notwithstanding the provisions of Paragraph B above, an employee absent due to a work-related injury, receiving Workers Compensation Temporary Disability and unable to take vacation may accrue vacation above the Maximum Allowable Accrual. Following his/her return to work, the employee shall make every reasonable effort to promptly take vacation in excess of the Maximum Allowable Accrual.
- D. No payment in lieu of vacation shall be made to any employee except upon termination of employment. Then such employee shall be paid for his/her accumulated vacation based upon his/her accrual as of the date of termination.
- E. An employee is not entitled to vacation credits or accrual unless or until they have been a regular employee for six (6) continuous months. Consequently, a person failing to complete such service receives no payment for vacation credits upon termination.
- F. Vacation shall not include any regular holidays taken during a vacation period.
- G. Employees may be required to take vacation. Absent unusual circumstances, the County will provide 96 hours' notice to an employee being required to take vacation.
- H. Vacation usage may not exceed the accrued vacation balance reported at the end of the prior pay period.
- I. At the time of appointment in units represented by the Association, employees appointed from outside Santa Barbara County government service from either a city, county, state agency, federal agency or special district, shall receive credit for their prior years' of public agency service as a regular (i.e. not temporary hourly or extra help) employee toward their annual vacation accrual rate if that regular public agency service ended within six months of the date of County employment.

- J. In addition to any credit provided for in Paragraph I, above, permanent employees who separate from County service and then return may recoup their part service credit for purposes of vacation accrual under the following conditions:
 - a. Employees may be absent from County service no more than three consecutive years; and
 - b. Employees must have left county service in good standing and their last two performance evaluation ratings prior to leaving County service must have been satisfactory or above.

SECTION 12. Holidays

- A. Except as provided below, holidays regularly observed by the County for employees represented by the Association are:

- Columbus Day, 2nd Monday in October
- Veteran's Day, November 11

- Thanksgiving Day Friday, the day after Thanksgiving
- Christmas Day, December 25

- B. Holiday leave shall be subject to the approval and/or taken at the direction of the appointing authority or designee.
- C. Each County holiday which falls on Saturday shall be observed on the preceding Friday; and, in this event, the Saturday shall not be considered as a holiday for purposes of compensation and/or time off. Each County holiday which falls on Sunday shall be observed on the following Monday; and, in this event, the Sunday shall not be considered as a holiday for purposes of compensation and/or time off.
- D. Regular employees leaving county service shall be paid all compensatory holiday time which has accrued but has not been otherwise compensated.
- E. In the following sections, reference to eight (8) hours shall apply to regular full-time employees and in the case of regular part-time employees the eight (8) hours shall be a prorated equivalent.
- F. When a holiday falls on an employee's regularly scheduled work day, the employee shall be paid eight (8) hours cash payment for the holiday. When a holiday falls on an employee's regularly scheduled day off, the employee shall accrue eight (8) hours of compensatory holiday time.

- G. When an employee who is eligible for overtime is required to work on a holiday, the employee shall, in addition to eight (8) hours regular cash payment for the holiday, accrue compensatory holiday time at straight time and cash payment at one half time for all hours worked up to eight (8) hours.
- H. Employees who accrue holiday time are encouraged to take the time during the payroll year in which the holiday is accrued. Employees may carry over up to 24 hours of accrued holiday into the following payroll year, and any unused hours carried over from the prior pay roll year will expire at the end of pay period 3 each pay roll year.
- I. In order to receive holiday compensation, an employee must be in paid status on the scheduled work day immediately prior to and/or after the holiday. Notwithstanding the above, neither the first day of employment nor the last day of employment may be a holiday.
- J. Notwithstanding Paragraphs E through G above, employees in shift assignments and in Emergency Communications Center Call Taker and Communication Dispatcher classifications, shall, in each pay period during which a holiday occurs, receive additional compensation at the rate of one-tenth of the employee's basic bi-weekly salary for each holiday included in that pay period, irrespective of whether or not the employee actually works on any such holiday, unless the employee is excused from working a regularly scheduled shift on such holiday. Time off on a holiday must be in a whole day increment and shall be full compensation for that holiday.

SECTION 13. Leave Donation

Employees shall be eligible to participate as donors and recipients in the leave donation program, which provides a mechanism for assisting employees who have exhausted paid leave due to a serious or catastrophic illness or injury. This program allows a regular County employee to donate the monetary value of accrued vacation, holiday or overtime hours to a specific, eligible employee who has exhausted his/her own available leave balances. Serious or catastrophic illness or injury is defined as the employee's own adverse medical condition which requires the employee to be absent from work for more than twenty (20) consecutive work days, or a similarly debilitating illness or injury of the employee's immediate family member (as defined in Section 10, Paragraph G) requiring the employee's attendance.

- A. To receive leave donations, an employee:
 - must have been employed in a regular position for a minimum of six months;
 - must be absent from work due to his/her own catastrophic illness or injury for more than twenty consecutive work days (as verified by a physician's statement); or be absent from work in order to attend his/her immediate family member who has a catastrophic illness or injury (as verified by a physician's statement); and

- must have exhausted all earned leave balances (including sick leave [if related to the employee's own illness], vacation, overtime and holiday credits); except however, the appointing authority may approve the solicitation/acceptance of leave donations prior to all balances being exhausted, when the physician's statement and leave balances indicate the probable exhaustion of balances within two pay periods.
- B. Donated leave shall be changed to its cash value at the donor's base rate of pay and then credited to the recipient in equivalent hours of vacation at the recipient's base rate of pay.
- C. Donations:
- are voluntary;
 - are made from accrued vacation, holiday or overtime balances; donation of sick leave is not permitted;
 - must be for a minimum of eight (8) hours, in whole hour increments;
 - are irrevocable, and if any donated hours remain at the end of the recipient's catastrophic leave, they shall remain available for the sole use of the recipient; and
 - are taxable on the part of the recipient, in accordance with IRS regulations, and are subject to withholding as required by law.
- D. An employee may not donate more than eighty (80) hours to any other individual employee.
- E. The total donations received into his/her vacation balance by an employee shall normally not exceed 1040 hours; however, donations in excess of 1040 hours may be considered and approved by the recipient's appointing authority.
- F. Upon approval of a request for donations, the appointing authority (or his/her designee) shall, at the employee's request, post a notice of the eligible employee's need for donations on departmental bulletin boards accessible to employees; confidential medical information shall not be included in the notice. If the eligible employee is in his/her original probationary period, the notice will include a statement of that fact.
- G. Donations shall be administered according to procedures established by the Auditor-Controller, and requested on a form prescribed by the Auditor-Controller. Signed approvals of the receiving and donating employees must be properly provided before a donation is processed.
- Donors and hours donated shall be maintained as confidential payroll information.
- H. Nothing in this section shall be construed to modify the employment relationship between the County and the receiving employee, or to restrict the County's management rights. Neither shall this section modify existing County rules, policies or agreements regarding unpaid leave of absence or family leave.

SECTION 14. Shift Differential Pay

Employees in Communications Dispatcher and Emergency Communications Center Call Taker classifications shall be eligible for shift differential pay as follows:

- A. An employee shall receive additional compensation at the rate of seventy five cents (75¢) per hour for all hours worked on a shift when the majority of hours worked on the shift are between 5:30 p.m. and 7:30 a.m.
- B. In lieu of compensation set forth in paragraph A above, employees shall receive additional compensation at the rate of one dollar and fifty cents (\$1.50) per hour for all hours worked on a shift when the majority of hours worked on the shift are between 12:00 midnight and 7:00 a.m. Effective June 27, 2022 (Pay Period 2022-15) compensation under Section 14 B shall increase from one dollar and fifty cents (\$1.50) to three dollars (\$3.00) per hour.

SECTION 15. Overtime

- A. The County shall determine those classifications eligible for overtime compensation. Regular full-time employees in those classifications when properly authorized in advance by the Department Head or his/her designated representative shall receive overtime compensation in accordance with the following provisions.
- B. Except as provided below, overtime for eligible employees shall be defined as follows:
 - 1. For law enforcement employees who are assigned to a compressed work schedule (e.g., 9/80, 10- or 12-plan), work in excess of eighty (80) hours in a fourteen (14) day work period, exclusive of stand-by and stand-by call-back.
 - 2. For all other employees represented by the Association, that time worked in excess of forty (40) hours in a seven day work period, exclusive of stand-by, and stand-by call-back, provided, however, such law enforcement personnel in attendance at the P.O.S.T. or F.B.I. academies shall accrue overtime for hours worked in excess of 240 hours in a 28-day cycle. Such cycle shall be established by the County.

For the purpose of computing overtime, all regular, scheduled work hours including paid leave time shall be considered time worked.

- C. Overtime is compensable at the rate of time and one-half the regular rate as computed in accordance with FLSA. Hours worked shall accrue in increments of one tenth (1/10) of an hour (6 minutes), subject to a minimum of two-tenths (2/10) of an hour (12 minutes).
- D. Overtime shall be placed in a compensatory overtime account or paid in the pay period in which earned. The maximum allowable balance in the compensation overtime account shall be 240 hours which represents 160 hours of actual overtime worked. Accrual of overtime in a compensatory overtime account shall be at the

discretion of the employee for hours worked up to 120 hours and at the discretion of the Department Head for hours from 121 to 240, subject to the provision that use of accrued overtime later does not result in additional overtime costs.

- E. When an employee wishes to take compensatory time off and requests time off at least ninety-six (96) hours prior to the time such hours would be taken off, the Department shall make every effort to comply with the employee's request. Approval of this request is subject to a determination by the department head of whether or not it would unduly disrupt the operations of the department. Compensatory time off shall be used before any leaves-of-absence-without-pay are granted pursuant to Rule XIV of Santa Barbara County Civil Service Rules.
- F. An employee may request cash payment of all hours in the compensatory overtime account during any pay period. Cash payment shall be granted upon request for up to 120 hours; payment for any hours in the compensatory overtime account beyond 120 must be authorized by the department head or his/her designated representative. When cash payment is authorized by the department head, it shall be made based on the employee's regular hourly rate of pay in effect at the time of payment and shall be subject to the employee withholding exemptions on file with the Auditor-Controller at the time payment is made. All hours in the compensatory overtime account as of the last pay period ending prior to September 30 shall be paid off in cash based on the employee's regular hourly rate of pay in effect at the time of payment. Overtime earned in the pay period in which a cash payoff is made shall not be included in the automatic payoff of the account balance. Payments for compensatory overtime hours are taxable as lump sum payments in accordance with I.R.S. and State Franchise Tax Board regulations and are subject to withholding as required by law.
- G. Computation of probationary periods, retirement benefits, sick leave, vacation time, merit increase periods, or other similarly computed periods of benefits shall be based only on regularly scheduled hours of work, and shall not include overtime hours worked.
- H. When an employee is off duty, not on stand by, and called back to work, said employee shall be given credit for at least two (2) hours of work time.
- I. Time spent in court appearances by employees of the Sheriff's Department, pursuant to Sections 68097.1 and 68097.2 of the Government Code, is time worked. Employees reporting to court will receive up to one hour of overtime compensation for travel time.
- J. Regular full-time employees who are authorized to work as Sheriff's Deputy and/or Sheriff's Sergeant in "outside employment/voluntary duty" assignments in addition to their regular designated work period shall be compensated at one and one half times the employee's regular FLSA rate of pay. Overtime hours earned shall not be banked for compensation at any later date in either pay or time off.

Hours worked in this authorized employment shall not accrue toward "hours worked" in determining an employee's eligibility for overtime in accordance with Paragraph B above.

- K. Part-time employees who work beyond their regularly scheduled work hours but less than the maximum allowable in their work period, shall be paid at straight time.
- L. In no event shall a legal suit or action for overtime compensation by any employee be commenced or maintained unless a claim relating to the cause of action for payment is properly and timely presented to the Board of Supervisors by the claimant not later than one (1) year after accrual of the cause of action and unless the suit or the cause of action for payment is commenced within one (1) year from the date the claim is filed. For the purposes of this paragraph, a cause of action for compensation shall be deemed to have accrued on the pay date on which cash payment for such compensation would have been made.
- M. Employees assigned as pilots (including those in the classification of Air Support Pilot) or crew chiefs in the Air Support Unit and deployed to a fire emergency incident shall be considered on duty from the time they leave for the incident until the time they return from the incident (portal to portal). All hours spent in response to such incidents will be considered as hours worked for the employees so assigned, and they shall be compensated in accordance with the other overtime provisions of this MOU. These portal to portal pay provisions shall remain in full force and effect unless and until either party serves notice on the other party to modify or eliminate them.
- N. Regularly Scheduled Overtime in the Communications Dispatch Center
 - 1. Overtime that will be reported by the County to SBCERS for Affected Classifications is “regularly scheduled” or “regularly worked” overtime, herein defined as those hours worked or deemed worked by an employee in excess of forty (40) hours during that employee’s designated 168-hour fixed and regularly recurring FLSA work week that are regularly scheduled or regularly worked by employees in the same grade or class of position to meet the standard operational needs of the County.
 - 2. Overtime hours that are “regularly scheduled” or “regularly worked” in a given deployment period (approximately 4 months) are hours:
 - a. Required to be worked by employees in Affected Classifications to meet the standard operational needs of the dispatch center under its normal operating conditions, and
 - b. The same number of such hours are generally required to be worked by all Affected Classifications in the dispatch center in that deployment period.
 - 3. “Regularly scheduled” or “regularly worked” overtime” for pension purposes shall not include overtime worked when:
 - a. An employee fills behind another employee who calls in sick or is on vacation or in training and unavailable to work as scheduled, or
 - b. There is a staffing surge in response to temporary circumstances or an emergency, whether known in advance or unknown, or

- c. Unplanned and unscheduled overtime hours incidental to the employee's regular shift (e.g. an employee gets off work late due to work load or other reasons), or
 - d. Any overtime hours the employee volunteers or requests to work, except for like for like shift trades of "regularly scheduled" overtime.
4. For purposes of determining a baseline for the minimum number of hours needed to be worked by employees in the Affected Classifications to meet the standard operational needs of the dispatch center under its normal operating conditions, the Parties agree that 1920 hours per biweekly pay period (i.e., 24 FTE affected employees working 80 hours each) are required. The parties agree to meet and confer should circumstances require changes in minimum staffing levels.

At the start of each deployment period, the Parties will determine how many funded, allocated positions for affected employees are vacant due to actual vacancy, military leave, long term illness/injury or other extended absence. Any position occupied by an employee who is anticipated to be absent for more than 30 days from the start of the deployment period shall be deemed vacant for purposes of this agreement.

Active employees in extra-help appointments in affected classes and deputies on light duty assignments, scheduled to work during the deployment period, will be included in the census of filled allocated positions. However, no more than 4 Call Takers will be included in the census of filled allocated positions since that is the maximum number of Call Taker positions needed to meet minimum staffing levels. In addition, although up to 4 Call Takers will be included in the census, none of the required regularly scheduled overtime hours (i.e. pensionable overtime) needed during a deployment period will be assigned to Call Takers unless there are fewer than 4 filled Call Taker positions. For each position short of 24, the parties will assume that the 80 hours that would be otherwise be worked by a filled position are divided evenly among the appropriate employees. For example, if there are 19 filled regular positions including 4 Call Takers, plus two extra-help employees scheduled half-time each to fill one vacant shift (i.e., 4 vacancies), then 320 hours (4 vacancies x 80 hours each) will be allocated among the 14 full-time regular Communications Dispatchers as regularly scheduled overtime, such that the 14 full-time regular employees will each work maximum of 22.9 hours of "regularly scheduled" (i.e. pensionable) overtime each biweekly pay period in that deployment period. If any Communications Dispatcher works more than 22.9 hours of overtime during a pay period that deployment period, the County shall report 22.9 hours of regularly scheduled overtime to SBCERS for that employee. The Parties agree that there may be additional mandatory but incidental or ad hoc overtime worked by Affected Classifications during the deployment period that will not be reported as compensation earnable or pensionable compensation. If the employee actually works or is deemed to have worked less than 22.9 hours of overtime in a pay period, the lesser amount shall be reported to SBCERS for that employee.

5. Vacancies that are either created or filled after the beginning of a deployment period will not be taken into consideration in determining the number of hours deemed “regularly scheduled” and thus reported to SBCERS for each affected employee. Using the example in #4 above, if there are four vacancies at the beginning of a deployment and two additional employees vacate their positions, the additional hours of overtime needed to cover those two additional vacancies will not be considered for SBCERS reporting until the following deployment period (assuming those vacancies have not been filled). Likewise, if the Department fills 2 vacancies after the beginning of a deployment period, those two newly filled positions will not cause the hours of regularly scheduled overtime that is “regularly scheduled” to be reduced for SBCERS reporting. In each scenario the total hours of overtime to be reported to SBCERS for each employee is up to 22.9 hours. Only overtime hours actually worked or deemed worked will be reported as compensation earnable.
6. The Association and the County shall work collectively to avoid the implementation of mandatory or required overtime by attempting to hire a sufficient number of employees in the Affected Classifications to meet the County’s standard operational needs. To the extent “mandatory overtime” is needed, providing employees the advance opportunity to sign up for such mandated overtime on a day that is adjacent to the employee’s “Monday” or “Friday” of their regular work shift(s) prior to the start of each deployment is preferable to last-minute notification of mandatory overtime.

SECTION 16. Stand-by Duty

Stand-by procedures may be established by the Department Head in accordance with the provisions of the salary resolution. Employees assigned to stand-by duty by their Department Heads shall be compensated and governed by the following:

- A. Stand-by duty requires that employees so assigned:
 1. Be ready and take steps immediately to respond within a reasonable time to calls for their services;
 2. Be readily reachable by telephone or paging device;
 3. Remain within a specified distance or time from their work stations; and
 4. Refrain from activities which might impair their ability to perform their assigned duties.
- B. Compensation shall be at the rate of \$4.00 per hour for each hour on such stand-by duty and shall be paid at the same time as scheduled for the pay period in which the stand-by duty was performed.
- C. Stand-by pay, when properly authorized, shall be paid for a minimum of one hour.
- D. Employees other than those exempted from overtime compensation shall, when called to active duty while on standby duty status, be compensated for such active duty at the applicable overtime rate. Work time for employee called to active duty

while on stand-by status shall begin at the time of notification to report to a job site and shall continue until the employee completes work and returns to home (or the location called out from), the nearest regular work site or the county line, whichever is the shortest distance. A minimum of one hour at the appropriate rate shall be paid in those cases when an employee on stand-by status is required to report to a job site, but the minimum shall not apply for work performed at another location.

- E. No employee or other qualified person shall be paid for stand-by duty time and other compensable duty time simultaneously.

SECTION 17. Retirement

- A. The County offers the following retirement plans:
1. General Member Employees Hired Before October 10, 1994
Contributory Retirement Plan 2% at age 57 formula/Half-Rates (Plan 5A)
 2. General Member Employees Hired On or After October 10, 1994 and before June 25, 2012, Contributory Retirement Plan 2% at age 57 formula/Full-Rates (Plan 5 B)
 3. General Member Employees Hired on or after June 25, 2012 but before January 1, 2013 Contributory Retirement Plan 1.67% at age 57 ½ formula/Half Rates (Plan 7).
 4. Non-reciprocal General Member Employees First Hired on or after January 1, 2013 Contributory Retirement Plan, 2% at age 62 formula (Plan 8 - Full Rates FAS - 3)
 5. Safety Member Employees Hired Before October 10, 1994
Safety Plan 6A: 3% @ 50, half-rates, FAS-1
 6. Safety Member Employees Hired On or After October 10, 1994 and before January 1, 2013, Safety Plan 6B: 3% @ 50, half-rates, FAS-3
 7. Non-reciprocal Safety Member Employees First Hired on or after January 1, 2013, Contributory Retirement Plan, 2% at age 50 formula (Plan 8 - Full Rates FAS - 3)
- B. In accordance with California Government Code Section 31631, employees in "Non- PEPPRA" retirement plans (i.e. Plan 5-A, Plan 5-B, Plan 7, Plan 6-A, and Plan 6-B) will begin paying part of the County's mandatory retirement contributions when the County Auditor-Controller's Office completes the programming and payroll testing necessary to implement the change, which will be as soon as practicable but not before July 2, 2018.

These additional retirement contributions will be paid in conjunction with the unit-wide salary increases to all DSA represented employees, including those in Retirement Plan 8, set forth above in Section 5, on the following schedule:

Effective July 2, 2018 (or after the programming and payroll testing has been completed, if later), "Classic/Legacy" safety employees will contribute 2.0% of their pensionable income and "Classic/Legacy" non safety employees will contribute 1.5% of their pensionable income as a partial replacement of the mandatory employer contribution.

Effective in Pay Period 15-2019 (July 1, 2019), "Classic/Legacy" safety employees will contribute an additional 2.0% (for a total of 4.0%) of their pensionable income, and "Classic/Legacy" non safety employees will contribute an additional 0.5% (for a total of 2.0%) of their pensionable income as a partial replacement of the mandatory employer contribution.

Effective in Pay Period 15-2020 (June 29, 2020), "Classic/Legacy" safety employees will contribute an additional 2.0% (for a total of 6.0%) of their pensionable income, and "Classic/Legacy" non safety employees will contribute an additional 0.5% (for a total of 2.5%) of their pensionable income as a partial replacement of the mandatory employer contribution.

Once the required payments begin, they will be credited to the employee's account and designated "employee contributions" for purposes of Government Code section 31631(b). To enable employees to make these contributions with "pre-tax dollars," the County deems the contributions "picked up" pursuant to Internal Revenue Code section 414(h), Government Code section 31581.2, and Santa Barbara County Resolution 02-281.

The above retirement pick-ups to be paid by non-PEPRA represented employees shall be in lieu of any increased member contributions that could be negotiated or otherwise implemented pursuant to California Government Code Section 31631.5.

- C. Employees hired on or after June 20, 2016 are not eligible for retiree medical subsidies

SECTION 18. Tuition and Textbook Reimbursement

To the extent funding is available, the County shall for those employees represented by the Association, provide for tuition and textbook reimbursement for regular full-time employees up to a maximum of \$100 per fiscal year and in accordance with administrative regulations governing this program. Tuition reimbursement for regular part-time employees shall be prorated based on their part-time percentage. Effective in pay period 2023-15 (estimated 6/26/2023), the maximum shall be increased to \$1,000, and effective in pay period 2024-15 (estimated 7/8/2024), the maximum shall be increased by \$500 to \$1,500 total. The County agrees to fund annually an amount sufficient to cover 10% of the bargaining unit members receiving this benefit.

For the purposes of this section only, the classifications of District Attorney Investigator II and District Attorney Investigator III, shall be considered a part of the Law Enforcement Supervisory Unit. To qualify for the Educational Incentive Allowances provided under Paragraphs 2, 4 and 6 above, course work for the "additional thirty semester units" must be completed after obtaining the qualifying degree or P.O.S.T. certificate. Additionally, course work paid for by the Department and/or completed on work time does not qualify toward the allowance requirement.

- C. Educational incentive allowance shall be included for salary comparison purposes in future surveys.
- D. Employees possessing an Associate and/or a Bachelor Degree(s) and/or a Master's Degree and an Intermediate and/or Advanced P.O.S.T. Certificate(s) shall receive only one biweekly allowance.
- E. Employees possessing P.O.S.T. Certificates shall satisfy the annual maintenance requirements as established by the California State Commission on Peace Officers Standards and Training or the biweekly allowance will cease.

SECTION 20. Mileage

For authorized use of personal automobiles by employees represented by the Association, the County and the Association agree to a mileage allowance equal to the amount per mile exempted by the Internal Revenue Service for reporting income.

Mileage reimbursement shall be made in accordance with the administrative policy governing Expense Reimbursement.

SECTION 21. Specialized Duties and Assignments

- A. Employees in the classifications of Sheriff's Deputy, Custody Deputy, and District Attorney Investigator I and II who are regularly assigned to work on specialized duties involving additional technical expertise or lead shift responsibilities, as authorized by the Department Head and the Board of Supervisors, shall be paid at the salary range which is five percent above the basic compensation assigned to their classifications. The number of employees assigned to such specialized duties shall not at any time exceed the number authorized.

In lieu of compensation provided in Paragraph A, employees who are assigned training officer responsibilities shall receive the dollar amount equivalent to 5% of "E" step of the applicable classification for all hours worked in such an assignment.

SECTION 22. Uniform Allowance

The annual uniform allowance shall be \$825.00 per year. The uniform allowance shall be paid to the following classifications:

Custody Deputy
Custody Sergeant
Sheriff's Deputy
Sheriff's Sergeant

- B. Beginning in January 2019, the uniform allowance shall be paid in two equal installments of \$412.50 each, paid in January and July each year. Employees on unpaid leaves of absence in the pay period in which the allowance is paid and who return before the next installment shall receive a pro-rated allowance based on the percentage of time between installments that they will be in a paid status.
- C. The Sheriff's Department shall issue an SXO3 or Point Blank Alpha Elite level II ballistic vest, or such other vest as agreed by the parties, to all Sheriff's Deputies and Sheriff's Sergeants upon initial hire. The Sheriff's Department shall issue a level II stab-resistant vest to all Custody Deputies and Custody Sergeants upon initial hire.

As soon as practicable after July 2, 2018, in addition to the provision of vests to new hires, above, the Sheriff's office shall begin the process of replacing ballistic and stab-resistant safety for existing employees through a reimbursement program.

Reimbursement for vests for existing employees shall be at a rate of 75 vests per year, beginning with the vests that are oldest and those most in need of

replacement, until all vests are within the manufacturer's "replace by" dates. Thereafter, employees with vests approaching the "replace by" date shall be eligible to receive reimbursement for a new vest up to the negotiated price of an SXO3 or Point Blank Alpha Elite level II vest (or other vest as agreed by the parties) from the preferred vendor. An employee will be reimbursed only for actual cost of their selected vest, not to exceed the negotiated price of an SXO3 or Point Blank Alpha Elite level II vest, or such other vest as agreed by the parties, from the preferred vendor.

Employees in classifications of Emergency Communications Center Call Taker and Communications Dispatcher I/II/Supervisor shall be provided one complete work uniform and an additional shirt and pair of pants or skirt at the time of employment. Beginning after the employee has six months of continuous County service the employee shall receive a uniform allowance of \$10.00 per pay period. If an employee receiving uniforms as provided herein terminates employment with the County within 12 months following date of hire, the final compensation shall be reduced by a prorated amount of the cost of the uniforms based on the number of months, or major fractions thereof, remaining between the date of termination and the end of the 12 months period from the date of employment. Effective June 27, 2022 the uniform allowance shall be discontinued and employees in these classifications will no longer be required to wear uniforms to work. Uniforms will no longer be issued, and the uniform allowance will be incorporated into base pay at that time.

- E. Effective as soon as practicable after this MOU is ratified by the Association and approved by the Board of Supervisors, employees in the classifications of District Attorney Investigator I/II/III/Supervising (DAI classifications) shall be provided two pairs of BDU pants and two shirts at the time of employment. Beginning after the employee has six months of continuous County service the employee shall receive a uniform allowance of \$260 per year paid at the beginning of each fiscal year. The initial \$260 will be prorated for the balance of the first year of service and for all existing Investigators employed at the time this MOU provisions is implemented for the remainder of Fiscal Year 2021-22. In addition to the annual uniform allowance provided under this section, employees in DAI classifications may submit requests for additional equipment or uniform components to the Chief Investigator, who will consider such requests on a case by case basis.

SECTION 23. Bilingual Allowance

An employee whose duty assignments require regular and frequent use of bilingual language skills in English and Spanish, or any other language including but not limited to Hmong or American Sign Language, shall be designated by the department head to receive a bilingual allowance. The department head shall designate the employee in writing to the Human Resources Director prior to being effective. The employee shall retain such bilingual designation only until a change in assignments is reported in writing by the department head to the Human Resources Director. Additional compensation for bilingual duties is payable as an allowance and not as part of basic salary, but shall be payable at the same time as a regular compensation. When a full-time employee is assigned by a department head to duties requiring regular and frequent use of bilingual language skills

he/she shall receive an allowance of \$57.69 per pay period. Effective date Pay Period 2023-15 (estimated June 26, 2023), the bilingual allowance shall increase to \$95.00 per pay period. When a part-time employee is assigned to bilingual duties, the bilingual allowance shall be prorated and paid on the same basis that the part-time position is filled and compensated.

As used in this section, the phrase "regular and frequent" means at least once each working day, or at least five times each work week. Payment for the bilingual language skill is restricted to the actual needs of the position. An employee's ability to read, write, or speak Spanish (or other language), occasional or incidental use of language skills in Spanish or the use of bilingual language skills other than for the purpose of meeting the requirements of the job shall not warrant a bilingual allowance.

SECTION 24. Destructive Devices Duty

Employees authorized and regularly assigned by the Sheriff to destructive devices duty shall receive an allowance of \$75.00 biweekly, provided the employee has successfully completed the required training and the employee has been assigned destructive devices duty for a period of one year. Qualifying part-time employees shall receive a pro-rated allowance based on their part-time percentage. The biweekly allowance shall be separate from basic salary but payable at the same time as regular compensation when the Sheriff has designated in advance and in writing to the Human Resources Director those employees authorized and assigned. Effective June 27, 2022, this allowance will increase to \$150.00 biweekly.

Notwithstanding the provisions of this section, an employee may receive only one premium pay allowance (e.g., destructive devices, K-9 handler, special enforcement, dive team or Air Support Unit) at any time.

SECTION 25. K-9 Handler Duty

K-9 handlers shall receive a biweekly assignment pay equal to 8.5 hours at the employees' hourly rate of pay.

If the decision is not satisfactory to the employee, or if no answer is received within the time limit, the employee may initiate a formal grievance.

2. Step 2 - Written Grievance

The employee shall also file a copy of the grievance with the Personnel Department. The immediate supervisor shall, within fourteen (14) calendar days, deliver an answer, in writing, to the employee. commander shall, within fourteen (14) calendar days of the receipt of the appeal, deliver an answer, in writing, to the employee. If the employee is not satisfied with the answer or does not receive an answer within ten working days, he/she may initiate Step 4.

The employee initiates Step 3 by filing an appeal, in writing, with the chief criminal investigator within fourteen (14) calendar days from receipt of the supervisor's written response. The Chief District Attorney Investigator shall, within fourteen (14) calendar days of the receipt of the appeal, deliver an answer, in writing, to the employee. If the employee is not satisfied with the answer or does not receive an answer within fourteen (14) calendar days, he/she may initiate Step 5.

4. Step 4 - Review by Chief Deputy

The employee initiates Step 4 by filing an appeal, in writing, with the chief deputy within fourteen (14) calendar days from receipt of the division commander's written response. The chief deputy shall, within fourteen (14) calendar days of the receipt of the appeal, deliver an answer, in writing, to the employee. If the employee is not satisfied with the answer or does not receive an answer within ten working days, he/she may initiate Step 5.

5. Step 5- Review by Department Head

The employee initiates Step 5 by filing an appeal, in writing, with the department head within fourteen (14) calendar days from receipt of the Chief Deputy's or Chief District Attorney Investigator's written response. The employee may initiate Step 6 by filing an appeal, in writing, with the County Executive Officer within fourteen (14) calendar days from receipt of the department head's response. The County Administrator may elect to utilize the services of the Personnel Officer in answering the grievance. The County Administrator shall, within fourteen (14) calendar days of the receipt of the appeal, deliver an answer to the employee, in writing. If the employee is not satisfied with the answer, or has not received an answer

within ten working days of the filing of the appeal, he/she may initiate Step 7.

7. Step 7. Arbitration

- A. If the grievance is not settled or disposed of at Step 6, the grievance may be submitted within fourteen (14) calendar days, to the Human Resources Director for arbitration. Within fourteen (14) calendar from receipt of the request for arbitration, the Human Resources Director shall request a panel of arbitrators from the State Mediation & Conciliation Service (SMCS) and provide the Union with a copy of the request. The Arbitrator shall be selected from this panel either by agreement of the parties or through a striking process.
- B. Except as provided in subsection E below, the fees and expenses of the Arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during arbitration, will be the responsibility of the individual party involved. Where the individual is representing himself, he shall be solely responsible for his share of the fees and expenses as outlined above.
- C. The Arbitrator shall have jurisdiction and authority to interpret the provisions of this Memorandum of Understanding. He shall not have jurisdiction or authority to alter, in any way, the provisions of this Memorandum.
- D. In relation to alleged violations of the Memorandum of Understanding (including side letters of agreement) and/or countywide rules, regulations, resolutions or ordinances, the decision of the Arbitrator shall be final and binding on both parties. In relation to alleged violations of department policy or practice, the decision of the Arbitrator shall be subject to Board of Supervisors review as provided in Step 8, below. Grievances that are based on the same set of facts which must necessarily be decided in the same way can be submitted in a single arbitration.
- E. The County and the Union shall endeavor to agree upon the issue or issues to be submitted to arbitration and any agreed stipulated relevant facts and principles. In the event of disagreement between the County and the Union, the issue or issues shall be decided by the arbitrator.

In the event that there is a dispute as to arbitrability, the arbitrator shall hear that issue prior to opening the record

on the merits of the dispute. If the arbitrator determines that the issue is not arbitrable the grievance will be dismissed and the matter considered closed. If the arbitrator determines that the issue is arbitrable, the matter will then be set for hearing on the merits. The cost of the arbitrator for this threshold phase of the process shall be borne by the losing party.

F. In no event shall arbitration extend to:

1. The interpretation, application, or legality of any federal, state or local law, however, if the Arbitrator, in his discretion, finds it necessary to interpret or apply such federal, state or local law in order to resolve the grievance which has been submitted to arbitration, he may do so.
2. Matters under the jurisdiction of the County of Santa Barbara Civil Service Commission for which the Commission has established procedures or processes by which employees may appeal to, or request review by, said Civil Service Commission; however, if the Arbitrator, in his discretion, finds it necessary to interpret or apply matters under the jurisdiction of said Civil Service Commission in order to resolve the grievance which has been submitted to the Arbitrator, he may do so.

8. Step 8 - Board of Supervisors' Right to Final Decision (limited to alleged violations of department policy or practice)

With regard to alleged violations of department policy or practice, the Arbitrator's decision and award provided for in Step 7 shall be final and binding on the parties unless the Board of Supervisors, at its sole discretion chooses to review the decision and, by majority vote, votes to set aside the decision and award of the Arbitrator within forty (40) days from the date of the issuance of the award and decision of the Arbitrator.

In such event, the Board of Supervisors shall deliberate the grievance and shall arrive at a decision which shall be final and binding. During such deliberations the County Executive Officer, or his designated representative, and the Union Representative shall make their presentations to the Board of Supervisors. Where possible, such presentations shall be made within thirty (30) calendar days from the date of the issuance of the Arbitrator's award.

In the event the Board sets aside the decision and award of the Arbitrator, the County shall pay the Arbitrator's fee. Each party to

the arbitration will still be responsible for their own expenses and costs of arbitration, and while Step 8 allows Board action, this provision does not afford the grievant or the Union Representative a right to compel Board review.

SECTION 43. Disciplinary Appeals

The parties have agreed that in lieu of appealing disciplinary actions to the County's Civil Service Commission, a pilot program will be implemented wherein employees represented by the Association may appeal disciplinary actions to a neutral hearing officer, who shall render a final administrative decision. That decision may then be appealed by the parties pursuant to CCP §1094.5. The pilot program shall be implemented as soon as practicable. After two years, the parties shall begin discussing the pilot program and whether to extend, modify, or eliminate it. Absent agreement to extend it, the program shall sunset for disciplinary appeals filed after June 30, 2025.

The waiver of any breach of any term or condition of this Memorandum of Understanding by either party shall not constitute a precedent in the future enforcement of all its terms and conditions.

SECTION 48. Severability Clause
