The General Services Department has initiated the process to commence development of a long-range planning document to memorialize consistent design and development principles to foster a universal and unifying vision for the future redevelopment of the Calle Real Campus. The intent of this Calle Real Campus Design and Development Standards effort is to consistently communicate the County of Santa Barbara's planning and design principles to internal stakeholders, outside agencies, consultants, and contractors for the duration of the proposed Calle Real Campus Master Plan redevelopment and beyond, with potential to apply across all Santa Barbara County development projects. The design and development principles are needed now to complete the Behavioral Wellness Facility design which is Phase 1 of the Calle Real Campus Masterplan. The Behavioral Wellness facility will be the first facility to be constructed within the Campus as part of the Calle Real Masterplan.

DETERMINATION: (select category)

- Not a Project (§15378)
- Ministerial Exemption (§15268)
- Statutory Exemption (§15260)
- Categorical Exemption (§15354 [15302-33])
- CatEx - Existing Facilities (§15300)
- Emergency Project Exemption (§15359)

Scope of Exemption:

Statutory Exemption are projects specifically excluded from CEQA consideration as defined by the State Legislature. These exemptions are delineated in PRC § 21080 et seq. A statutory exemption applies to any given project that falls under its definition, regardless of the project's potential impacts to the environment. However, it is important to note that any CEQA exemption applies only to CEQA and not, of course, to any other state, local or federal laws that may be applicable to a proposed project.

Cal. Code Regs. tit. 14 §15260 PRC §21083

PRIMARY reason for the Determination: §15262-Feasibility and Planning Studies

FINDING TO SUPPORT DETERMINATION: (attach additional material, only if necessary)

There is only one Statutory Exemption available to General Services projects, §15262 Feasibility and Planning Studies. The Santa Barbara County Calle Real Campus Design and Development Standards Project involves only feasibility or planning for possible future actions which the General Services, County Executive Office or Board of Supervisors has not approved, adopted, or funded ; and the project does not require the preparation of an environmental document, but does require consideration of environmental factors. Statutory Exemptions do not apply to the adoption of a plan that will have a legally binding effect on later activities.
