## Recommendation(s):

That the Board of Supervisors:

Adopt the attached resolution authorizing the Chief Probation Officer to submit, sign, and accept the Juvenile Accountability Block Grant (JABG) in the amount of \$37,581 for the period July 1, 2005 to June 30, 2006 from the California Board of Corrections (BOC).

## Alignment with Board Strategic Plan:

The recommendation(s) are primarily aligned with Goal No. 2. A Safe and Healthy Community in Which to Live, Work, and Visit and with Goal No. 7. A Community that Fosters the Safety and Well-Being of Families and Children.

## Executive Summary and Discussion:

The Probation Department has been receiving Juvenile Accountability and Incentive Block Grant (JAIBG) funds from the Office of Criminal Justice Planning (OCJP) since FY 1999-00. Due to the creation of the Department of Homeland Security and the restructuring of the Federal Government that resulted, the OCJP ceased to exist as of September 30, 2003. In December 2003, the Probation Department was notified that the new administrator of the grant would be the Board of Corrections (BOC). BOC administered the FY 2003-04 JAIBG grant for the last 9 months of the fiscal year. The BOC renamed the grant program the Juvenile

Accountability Block Grant (JABG) during the FY 2004-05 application period. Hereafter the program will be referred to as JABG regardless of the fiscal year. The eligible program areas remained the same.

In the past, JABG has been used to fund activities designed to improve and expand the Probation Community Service Work Programs, help fund the development of the Juvenile Client Management system, to provide services to minors participating in the Juvenile Drug Court program, and to fund Teen Court services for minors in the three geographic regions of the County. The Juvenile Justice Coordinating Council has agreed that the FY 2005-06 grant will be used to fund services to minors participating in the Juvenile Drug Court, alcohol and drug orientation and counseling at the juvenile halls, and to provide Teen Court services.

The Performance Measures for the Juvenile Drug Court Program are:

- RPM # 89: To protect and serve the community and to provide safe, secure, and effective treatment services for youth: Ensure that 80% of 50 participants in Juvenile Drug Court will not have positive drug screens during Aftercare.
- RPM # 117: To protect and serve the community and to ensure safe and secure treatment services for youth: Ensure at least 40% of 50 youth enrolled in the Juvenile Drug Court (JDC) graduate from the program.

**Mandates and Service Levels:**

Statutory mandates governing Probation Department services are attached for your review.

**Fiscal and Facilities Impacts:**

The JABG grant funds ongoing Probation Department programs. Due to uncertainty about the grant amount, the grant was not included in Probation's FY 05-06 proposed budget. Components of the Juvenile Drug Court program that were previously grant funded and considered core to the program were included in the FY 05-06 proposed budget. These funds will provide the required 10% match. There is no increase in general fund contribution. There are no facility impacts.

**Special Instructions:**

Please return (1) Original resolution to Damon Fletcher, Probation Department, 117 E. Carrillo St., Santa Barbara, CA 93101
