Re: Support for Community Workforce Agreement

Clerk of the Board:

My name is Joe Paquet, I am an IBEW 413 member of the Executive Board and second generation IBEW Local 413 member. I live and work in Santa Barbara County. I am writing you to show my support for a Community Workforce Agreement for Santa Barbara Counties Construction work.

Community Workforce Agreements improve the chance that I and other Santa Barbara County Construction workers can work where we pay our taxes and live.

Community Workforce Agreements can create career paths for veterans, women, minorities, and under-represented community members.

Community Workforce Agreements improve worker safety by requiring contractors and workers to comply with safety rules that assures me that I will come home to my family each night.

Thank you

Joe Paquet, IBEW 413
