- Blueprint Metrics
- Vaccination Efforts
- RISE Business Update

# Santa Barbara County COVID-19 Data

7-Day Rolling Sum of New Cases by Area  
Not including Lompoc Federal Correctional Complex

# ANTICIPATED CDPH Monitoring Status: 4/20/21

Santa Barbara County metrics

4.5

Adjusted case rate for tier assignment

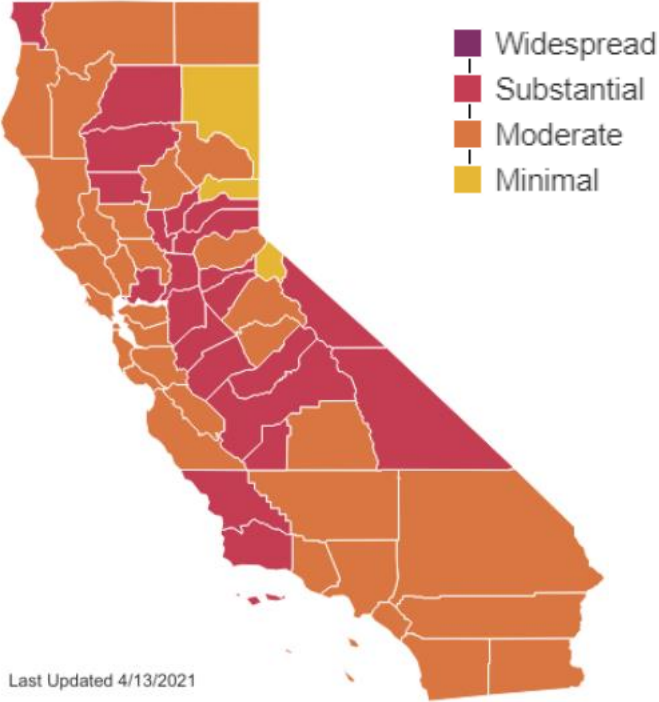

New cases per day per 100K (unadjusted)

5.1

Positivity rate

1.8

Health Equity Metric: 1.7

All data and tier assignments are based on results from week ending April 10

# ANTICIPATED: Blueprint Metrics for 4/20/21

Santa Barbara County 7-day Average Adjusted\* Case Rate per 100,000 Community Residents

\* Case rates as of 8/29 to current have been adjusted based on State metrics; As of 11/15 CDPH changed the Case Rate and Testing Positivity metrics to reflect a 4-day lag instead of a 7-day lag. As of 11/28 data, the State reverted back to the 7-day lag.

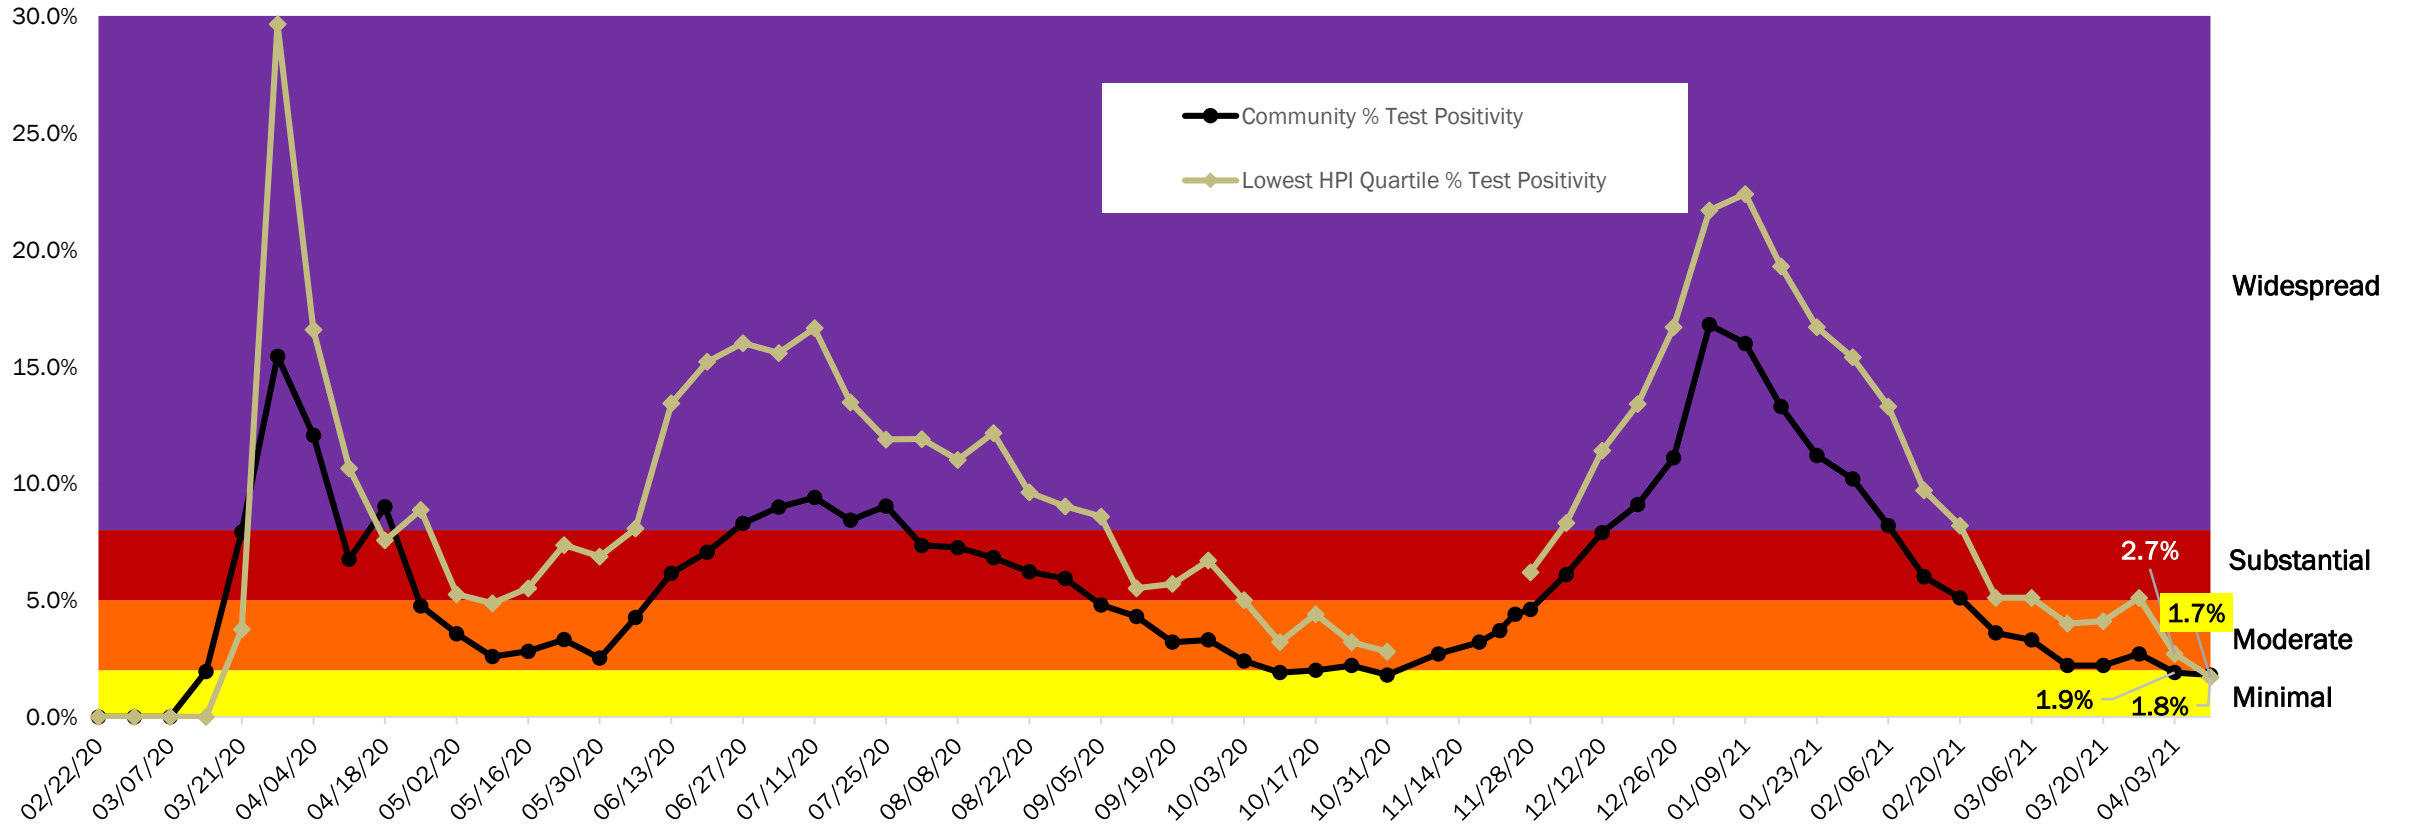

On 3/12/21 (effective retroactively as of 2/27) CDPH expanded the red tier criterion in response to 2 million vaccine doses administered in the lowest HPI quartile. On 4/7/21 (effective retroactively as of 3/25) CDPH expanded the orange and yellow tier criteria in response to 4 million vaccine doses administered to the lowest HPI quartile.

update on 4/19/21

# ANTICIPATED: Blueprint Metrics for 4/20/21

Santa Barbara County 7-day Average Community Test Positivity Percent

As of 11/15, CDPH changed the Case Rate and Testing Positivity metrics to reflect a 4-day lag instead of a 7-day lag. HPI data was not released the weeks with 4-day lag data. As of 11/28 data, the State reverted back to the 7-day lag.

# Orange Tier: WE ARE HERE!

SANTA BARBARA COUNTY

## TIER STATUS PROGRESS

How well is Santa Barbara County progressing toward the **Orange Tier** within the State's Blueprint for Reopening?

STATUS	CRITERIA	AMOUNT
 ✓	Four million doses of vaccine administered to the hardest-hit communities in our state, as measured by the Healthy Places Index	4 MILLION CALIFORNIANS 
✓	Santa Barbara County must be in a tier for 3 consecutive weeks	
4.5	Santa Barbara County must meet the Adjusted Case Rate of 5.9 or less for the next tier, for 2 consecutive weeks	
1.8	Santa Barbara County must meet the Test Positivity Rate of 4.9 or less for the next tier, for 2 consecutive weeks	

# Health Officer Order: 2021 - 12.7

- Estimated release: COB
- Effective 8 am on Wed, 4/21
- Will align with State allowances for Orange Tier

# Vaccination Efforts

---

# County Vaccine Distribution For This Week

First Doses		
TPA Direct to Cottage Hospital	Pfizer	4680
TPA Direct to Network Providers	Moderna	1400
TPA to Public Health	Moderna	1200

**TOTAL : 7280**

Second Doses		
TPA Direct to Cottage Hospital	Pfizer	5850
TPA Direct to Network Providers	Moderna	900
TPA to Public Health & Providers	Moderna	1900
HRSA to PH Health Care Centers	Moderna & Pfizer	8220

**TOTAL : 16,870**

**Totals do not include federal allocations to pharmacies and other providers**

# Vaccine Rates for SBC

**52%**

Have received at least one dose

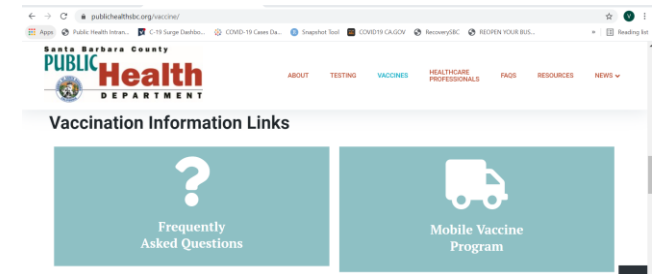

**29%**

Are fully vaccinated

# Mobile Clinics: Vaccine Equity

- Goal: To remove barriers for groups of individuals who are not able to easily access our community clinics
- Building on success of Friday outreach clinics to seniors, home-bound individuals, & unsheltered
- Focus Sites:
  - H2-A housing
  - Community-based Mental Health Care & Treatment Centers
  - Agricultural worksites
  - Housing facilities
  - Congregate living facilities
  - Churches
  - Community organizations
- 5 bilingual teams comprised of 8-9 staff
  - 3 for North County, 1 for Mid County, 1 for South County
  - Clinics run from Thursday to Sunday
  - Can accommodate 50-250 appointments per clinic
- To request a clinic: [mobileclinics@sbcphd.org](mailto:mobileclinics@sbcphd.org) or [publichealthsb.org](http://publichealthsb.org)

# What you can do once fully vaccinated

## What you can do once fully vaccinated

### You can:

---

- 👍 Spend time with other fully-vaccinated people, even indoors, without wearing masks or physical distancing
- 👍 Spend time indoors without masks or physical distancing with unvaccinated people from a single household who are at low risk for severe COVID-19 disease
- 👍 Travel domestically without a pre- or post-travel test and without quarantining after travel
- 👍 Travel internationally without a pre-travel test (depending on destination) and without quarantining after travel

### You should:

---

- ✓ Take precautions in public including wearing a well-fitted mask and physical distancing
- ✓ Get tested and isolate if experiencing COVID-19 symptoms
- ✓ Avoiding crowds indoors, especially when mixing with others who are not fully vaccinated
- ✓ Avoid being indoors, without a mask, with people at increased risk for severe illness from COVID-19

**STRONGER  
TOGETHER.  
SAFELY APART.**

## Reopening Your Business in Santa Barbara County

# New State Guidance and Checklist Forthcoming

- [Private Venues and Events](#)

- [Orange Tier](#)

- Outdoors
  - Attendance must be limited to a maximum of 100.
  - If attendees show proof of negative test or full vaccination, then a maximum of 300 people.
  - Attendance limits include all staff and volunteers working at the event.
- Indoors
  - Attendance must be limited to a maximum of 150 people.
  - All attendees must show proof of negative test or full vaccination.

# New State Guidance and Checklist Forthcoming

- [Indoor Seated Live Events and Performances](#)

## [Orange Tier](#)

### **All venues:**

- Venues can open with live audiences and must follow the modifications in this guidance, including:
  - Weekly worker testing program
  - All tickets delivered digital, advanced purchase only
  - Pre-designated eating area (no eating/drinking allowed in seats) – 6 feet of distance.
  - Each suite is limited to 25% occupancy with no more than 3 households physically distanced within each suite, or six people from the same household.

### **Venues: 0-1,500**

- Maximum 15% or 200 people
- 35% if all guests show a negative test result or show proof of full vaccination.

### **Venues: 1,501 and above**

- 10% capacity or 2000, whatever is fewer; with modifications, and no eating/drinking
- 35% if all guests show a negative test result or show proof of full vaccination.

# New State Guidance and Checklist Forthcoming

- [Outdoor Seated Live Performance](#)

## [Orange Tier](#)

### **Attendance Limitations:**

- Venues must limit attendance to maximum of 33% capacity (based on the design/operating capacity or fire department occupant limit).
- Venues may increase attendance capacity to 67% if all guests show a negative test result within the 72 hours prior to attendance or show proof of full vaccination.
- In-state spectators only.
- Employers who have employees working at Live Outdoor Events, must develop a worker COVID-19 testing program for weekly optional testing of all regular workers who may encounter other workers, support staff, or performers.
- Advanced ticket reservations only.
- Indoor concessions and concourse sales must be closed, except for designated seated dining areas that operate at no greater than 25% of capacity.

\*\*\*\*Added Fairs to Amusement Parks

**Updated on March 11, 2021:**

\*\*\*\*\*Regardless of trigger being met, these activities (overnight sleepaway camps) cannot begin any sooner than June 1, 2021.

## Addendum to Blueprint Activity & Business Tiers Chart – Tested and Fully Vaccinated Individuals and Sections

### FULLY VACCINATED VISITORS AND SPECTATORS

- Fully vaccinated persons from out of state may visit or attend activities or events that are restricted to in-state visitors. Fully vaccinated persons should consult the current [CDPH Travel Advisory](#) and adhere to any applicable recommendations.

### FULLY VACCINATED WORKERS

- Where capacity limits exist, fully vaccinated workers do not count toward any occupancy capacity limit.

### VENUES WITH FULL TESTING/VACCINATION – CAPACITY BONUS

- Venues that have fully vaccinated or tested negative attendees only may increase their capacity as follows, unless a different capacity limit is specified for that sector in the grid. Venues may not use the capacity bonus below if any section of the venue includes attendees that do not show proof of negative test or show proof of full vaccination.

Tier 1 Widespread	Tier 2 Substantial	Tier 3 Moderate	Tier 4 Minimal
Existing capacity limits apply	Existing capacity limits apply	Outdoor: Existing capacity limits apply  Indoor: Venues may increase capacity by an additional 50%, up to a maximum of 50% of total venue capacity.	Outdoor: Existing capacity limits apply  Indoor: Venues may increase capacity by an additional 50%, up to a maximum of 75% of total venue.

### VACCINATED-ONLY SECTIONS – DISTANCING AND OTHER REQUIREMENTS

- Fully Vaccinated-only sections must be separate, distinct, and clearly marked from any other section of the venue that is set aside for tested attendees.
- Individuals in the Fully Vaccinated-only sections do not have to be physically distanced. Face coverings are required.
- Fully Vaccinated-only sections may be seated at full capacity within that section only. Suites may also operate at 100% of suite capacity if all guests show proof of full vaccination. However, capacity for the venue must not exceed the limits established above.
- There must be at least 6 feet of distance between the Fully Vaccinated-only sections and any other section in the venue.

## TESTING AND VACCINATION STATUS – DEFINITIONS AND VERIFICATION

### 1. Tested-only section:

- a. Definition: Attendees who have tested negative and seated in a section with other attendees who have tested negative. Testing must be conducted within 72 hours before event start time, if using PCR. Antigen tests are acceptable and must be conducted within 24 hours of start of the event. Results of the test must be available prior to entry into the event or venue.
- b. Verification: The following are acceptable as proof of a negative COVID-19 test result: printed document (from the test provider or laboratory) OR an email or text message displayed on a phone or electronic device from the test provider or laboratory. The information provided should include name of person tested, type of test performed, and date of negative test result (for PCR, date of negative result must be within prior 72 hours; for antigen, date of negative result must be within prior 24 hours)

### 2. Vaccinated-only section:

- a. Definition: Fully vaccinated attendees seated in a section with other fully vaccinated attendees. People are considered fully vaccinated for COVID-19 at  $\geq 2$  weeks after they have received the second dose in a 2-dose series (Pfizer-BioNTech or Moderna), or  $\geq 2$  weeks after they have received a single-dose vaccine (Johnson and Johnson [J&J]/Janssen)

Children (> 2 years of age) who are not eligible to be vaccinated may sit with their parent, guardian, or sponsor in the Fully Vaccinated-only sections if they are tested. Children younger than 2 do not need to be tested and may also sit with their parent, guardian, or sponsor in the Fully Vaccinated-only section. Children sitting with the parent, guardian or sponsor in a Fully Vaccinated-only section are considered for purposes of social distancing to be fully vaccinated.

- b. Verification: The following are acceptable as proof of full vaccination: Vaccination card (which includes name of person vaccinated, type of vaccine provided and date last dose administered) OR a photo of a vaccination card as a separate document OR a photo of the attendee's vaccine card stored on a phone or electronic device OR documentation of vaccination from a healthcare provider.

## Local & State Health Orders

Find local and state health orders that may affect your business here. Health orders can have an impact on when businesses may reopen, how goods and services may be delivered to the public and if there are any special health-related requirements of businesses or the general public.
