Dear Mr. Lewin:

We have completed our review of the *2016 Santa Barbara County Multi-Jurisdictional Hazard Mitigation Plan*, and have determined that this plan is eligible for final approval pending its adoption by Santa Barbara County. Please see the updated list of approvable pending adoption jurisdictions.

Formal adoption documentation must be submitted to the FEMA Region IX office by the lead jurisdiction within one calendar year of the date of this letter, or the entire plan must be updated and resubmitted for review. We will approve the plan upon receipt of the documentation of formal adoption.
