

NOTICE OF EXEMPTION

TO: Santa Barbara County Clerk of the Board of Supervisors

FROM: Department of Public Works – Transportation Division
(Lead Department/Division)

Based on a preliminary review of the project the following activity is determined to be exempt from further environmental review requirements of the California Environmental Quality Act (CEQA) of 1970, as defined in the State and County Guidelines for the implementation of CEQA.

APN(s): N/A **Case No.:** 862330

LOCATION: 105 East Anapamu Street, 4th Floor Board of Supervisors Hearing Room

PROJECT TITLE: Amendment of Contract for Professional Services

PROJECT DESCRIPTION: Request for the Board of Supervisors to approve and authorize the Chair to execute the professional services contract, with Drake Haglan & Associates in the base amount of \$149,758.64 for roadway and structure design services of the Fernald Point Lane Bridge Replacement at Romero Creek (Existing Br. No. 51C-137) Project, First Supervisorial District, County Project No. 862330.

EXEMPT STATUS: (Check One)

- ☐ Ministerial
- ☐ Statutory
- ☐ Categorical Exemption [Sec. 15301(c)]
- ☐ Emergency Project
- ☐ No Possibility of Significant Effect [Sec. 15061(b, 3)]
- ☒ Not a Project

Cite specific CEQA Guideline Section: Section 15378 project means the whole of an action, which has the potential for resulting in either a direct physical change in the environment, or a reasonably foreseeable indirect change, and that is any of the following: (b), Project does not include: (5) Organizational or administrative activities of governments that will not result in direct or indirect physical changes in the environment.

Reasons to support exemption findings (attach additional material, if necessary):

The Santa Barbara County Board of Supervisors is the responsible agency to contract professional design services for a Capital Improvement Project. The approval and execution of the professional services contract is an administrative activity and is not a project by definition. The term project refers to the activity which is being approved and which may be subject to several discretionary approvals by governmental agencies. The term project does not mean each separate governmental approval. Further, the amendment of the contract will not create any unusual circumstances which would create a possibility that there would be a significant effect.

Lead Agency Contact Person: Chris Sneddon, Deputy Director Public Works Transportation/Engineering Division, Phone: (805) 568-3064

Department Representative: Morgan M. Jones, Senior Engineering Environmental Planner

Acceptance Date: **July 8, 2014**

Distribution: Hearing Support Staff for posting

	<u>June 30, 2014</u>
Morgan M. Jones	Date

NOTE: A copy of this document must be posted with the County's Planning & Development Department at least 6 days prior to consideration of the activity by the decision-makers to comply with County CEQA guidelines and a copy must be filed with the County Clerk of the Board after project approval to begin a 35 day statute of limitations on legal challenges.
