SUBJECT: 02AGP-00000-00020, Carrari Agricultural Preserve Replacement Contract

Recommendation:

That the Board of Supervisors:

Approve and direct execution and recordation by the Clerk of the Board of new replacement contract 02AGP-00000-00020, replacing a portion of the original Agricultural Preserve 00-AP-009. The replacement contract involves Assessor's Parcel Nos. 099-030-029, -050 (portion of), and -051, located 1 ¼ miles southwest of the intersection of Highway 135 and Bell Street, in the Los Alamos area, Third Supervisorial District.

Alignment with Board Strategic Plan:

The recommendation is primarily aligned with actions required by law or by routine business necessity.

Executive Summary and Discussion:

The subject property has been in an agricultural preserve (69-AP-069) since January 1, 1970. A subsequent agricultural preserve replacement contract (00-AP-009) was created on January 1, 2002. The site is approximately 3,472 acres used for vineyards.

Mandates and Service Levels:

Government Code §51200 (known as the California Land Conservation Act of 1965 or the Williamson Act) provides that local jurisdictions may establish an agricultural preserve program having the goal of retaining land in an agricultural use. The County of Santa Barbara has adopted such a program which is codified under the Agricultural Preserve Program Uniform Rules. Both the County's Uniform Rules and the Government Code provide that agricultural preserve contracts between the County and landowners are voluntary. Therefore, there are no state mandates associated with this program.

Fiscal and Facilities Impacts:

The costs associated with processing this replacement contract are offset by the \$956.00 processing fee required to be paid by the applicant per the Planning & Development adopted fee schedule.
