- Male  
 Female

10. Education completed:

Bachelor of Science Degree, UCLA,  
Dec 1970

11. Indicate Supervisor who will receive a copy of this application:

12. EXPERIENCE: Please explain why you are interested in serving and what experience you bring to the Commission or Committee for which you are applying.

I'm a registered civil engineer, State of California. I retired in Jan 2009 after 37-1/2 years of federal service as an engineer, manager and supervisor with responsibilities for facility renovation, maintenance and repair on Air Force bases in California, Japan and Germany. Historic landmarks define the character of a locale, without which education and tourism suffer. The HLAC is the key first step towards landmark identification and preservation.

13. ADDITIONAL INFORMATION: Give any information explaining your qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for above Board, Commission, or Committee. Attach additional sheets as necessary.

I spent 6 years in Japan and 4 years in Europe and have seen numerous historic landmarks preserved and revered in a manner that is uncommon in the USA. Historic preservation is a vital legacy we leave our children for their understanding and appreciation of lifestyle and accomplishments of those who lived before them, as well as for the visitors and tourists to our county who form an essential part of our economy. As the Engineering Flight supervisor at Vandenberg AFB, I was responsible for renovation, maintenance and repair projects of AF facilities, ensuring code compliance, including fire, safety, ADA, etc. I am an active member of the Lompoc Rotary Club, the Lompoc Valley Chamber of Commerce, the National Association of Active and Retired Federal Employees, and the Society of American Military Engineers. I am on the Board of Trustees for the Leadership Lompoc Valley program.

*Thomas C. Hom*
