Auditor-Controller Concurrence

As to form: Yes

Recommended Actions:

Approve and authorize the Chair to execute Amendment No. 1 to the Master Contract for Legal Representation of Eligible Indigents with North County Defense Team and the Superior Court of the State of California for the County of Santa Barbara for an extension for the provision of conflict defense (alternate Public Defender) services in the North County Superior Court for the period of July 1, 2014 through September 30, 2014 for the amount of \$71,748.02 per month.

Summary Text:

The provision of defense counsel for indigent defendants is required under the Constitution, decisional law, and Penal Code section 987. Further, Penal Code section 987.2(b) provides that such services may be provided by a contract with one or more responsible attorneys.

Background:

The current contract for the provision of conflict defense services in the North County courts expires at the end of FY 2013-14. The contract needs to be extended to continue to provide these legally mandated services during contract renewal negotiations.

Under the contract system, a consortium of attorneys handles various defense cases in which the Public Defender cannot legally represent the defendant because of a conflict of interest. (These cases are actual legal conflicts and are distinguished from cases in which the Public Defender has declined representation for budgetary reasons). This primarily occurs in multiple defendant cases in which the Public Defender may legally only represent one defendant. The contractor is required to represent up to

five (5) co-defendants in a given conflict case. Secondary conflicts are avoided because the various attorneys in the consortium are in separate law firms and economies of scale are achieved.

The contract method of providing conflict defense services has resulted in tremendous cost savings since its inception in 1983 in Santa Barbara County compared to the former method of compensating counsel on an hourly basis for each case handled. The court and county have established contracts, which essentially require the provision of such services on a "flat fee for all case basis".

The Superior Court has been very satisfied with the quality of service provided by North County Defense Team and wishes to extend the contract for three (3) months during negotiations.

Fiscal and Facilities Impacts:

The cost for the provision of such services in FY 2014-15 is \$71,748.02 per month for three (3) months until a new contract can be agreed upon. The total cost of this extension is \$215,244.06. There are no facilities impacts.

Key Contract Risks:

The risk factors in this three (3) month contract extension are relatively low. There is a risk of increased costs when there are more than five (5) defendants in a case where it is needed to hire additional attorneys above and beyond this contract. An additional financial risk is when extreme circumstances arise with justifiable extraordinary expenses due to prolonged capital felony cases, change of venue, mass arrests, multiple defendant cases, changes in the law, and in any non-capital homicide case where the NCDT incurs expenses in excess of \$10,000 for experts and investigative fees.

Special Instructions:

Please provide copies of the minute order to: Casie E. Hill, Superior Court Chief Financial Officer and to Richard Morgantini, County Administrative Analyst, upon adoption.
