WITH THE STATEWIDE)
PRIMARY ELECTION)
_____)

RESOLUTION NO. 90-92

BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF SANTA
BARBARA COUNTY AS FOLLOWS:

1. A special election is hereby ordered and called for the purpose of submitting to the voters of County Service Area No. 3, a measure to authorize the imposition of a special tax for extended library facilities and services in said County Service Area No. 3 and to adjust the appropriations limit for County Service Area No. 3 by an amount equal to said tax.

2. The election shall be held on June 5, 1990 in County Service Area No. 3.

3. The exact form of the measure to be submitted to the voters of County Service Area No. 3 as it is to appear on the ballot is as follows:

"To support and expand library services in Goleta, shall Santa Barbara County be allowed to collect a special tax? The money would buy:

- * Expanded Hours
- * Additional Books, Magazines and Newspapers
- * Children's Library Programs
- * Video Tapes and Books on Tape
- * Increased Reference Services
- * Better Maintenance

The tax will be collected and used only in Goleta (County Service Area 3) for improved library services and facilities. For the next four years, the spending limit for County Service Area 3 will be adjusted by the amount of the tax.

The cost will be no more than \$12.00 per year for a single family home. An apartment complex or a business would pay proportionately more. The tax could be adjusted, if necessary, for inflation each year."

4. The special election called by this Resolution is hereby ordered consolidated with a statewide election to be held on June 5, 1990, and the measure to be voted upon shall be placed upon the same ballot as shall be provided for the statewide election to be held on June 5, 1990, and the same precincts, polling places and precinct board members as used for the statewide election shall be used for the special election pursuant to Section 23314 of the Elections Code. The County Clerk-Recorder shall give notice of the election called by this resolution as required by law.

5. (a) The special tax proposed by this resolution

shall be fixed on an annual basis commencing with the 1990-1991 fiscal year to pay for extended library facilities and services in County Service Area No. 3.

(b) The Board of Supervisors shall fix the amount of the annual tax to be collected each year by estimating the cost of providing library facilities and services in County Service Area No. 3 and deducting therefrom estimated revenues to be derived from other sources.

(c) The total amount of the annual tax shall be apportioned on parcels as shown on the County Assessment Roll within the service area. A benefit factor shall be assigned to each parcel on the basis of category of property use. The total number of benefit factors in the service area shall be divided into the total annual tax to determine the basic benefit unit cost. The benefit factor for each parcel shall be multiplied by the basic benefit cost to determine the amount to be collected on each parcel; however, the annual tax on any parcel for the 1990-91 tax year shall not exceed \$12.00 per benefit factor applicable to that parcel. For subsequent tax years the special tax shall not exceed \$12.00 per benefit factor as adjusted for changes in the cost of living. Changes in cost of living shall be based upon the percentage change in the Consumer Price Index (All Items for All Urban Consumers 1982-84 = 100 Base), of the United States Department of Labor, Bureau of Labor Statistics for Los Angeles-Anaheim-Riverside, California for the calendar year immediately preceding the applicable tax year. For example, the cost of

living adjustment permitted for the 1991-92 tax year will equal the percentage change in the cost of living for the 1991 calendar year.

(d) The benefit factor for each parcel shall be determined in accordance with the following table:

<u>Property Use Category</u>	<u>Description</u>	<u>Benefit Factor</u>
1.	Vacant - Irrigated or Dry Farm Land	0.5
2.	Residential- Single, Co-ops, Condominiums	1.0
3.	Residential - Duplex, Triplex	2.0
4.	Apartments - Courts	6.0
5.	Commercial, Industrial	4.5
6.	Miscellaneous, Other excluding tax exempt parcels	2.0

(e) In instances where the use of a parcel does not clearly fit into one of the property use categories the Board of Supervisors shall have discretion to place the parcel in an appropriate category.

(f) There shall be excluded from the special tax parcels which are exempt from ad valorem property taxes.

(g) Once a year the Board of Supervisors shall cause to be prepared a written report which shall contain a description of each parcel of real property receiving the particular extended service and the amount of the tax for each parcel for such year computed in conformity with the procedure set forth herein. Such report shall be filed with the clerk of

the Board of Supervisors.

(h) Upon the filing of such report, the clerk shall fix a time, date, and place for hearing thereon and for filing objections or protests thereto. The clerk shall publish notice of such hearing as provided in Section 6066 of the Government Code, prior to the date set for hearing, in a newspaper of general circulation printed and published in the county.

(i) At the time, date and place stated in the notice, the Board of Supervisors shall hear and consider all objections or protests, if any, to the report and may continue the hearing from time to time. Upon conclusion of the hearing, which shall be not later than August 10, the Board of Supervisors may adopt, revise, change, reduce, or modify any tax and shall make its determination upon each tax as described in the report and thereafter, by resolution, shall confirm the report.

(j) The taxes set forth in the report, as confirmed shall appear as a separate item on the tax bill. The tax shall be collected at the same time and in the same manner as ordinary county ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure and sale in case of delinquency as provided for such taxes. All laws applicable to the levy, collection, and enforcement of county ad valorem property taxes shall be applicable to such charge; except that, if for the first year such charge is levied the real

property to which such charge relates has been transferred or conveyed to a bona fide purchaser for value, or if a lien of a bona fide encumbrancer for value has been created and attaches thereon, prior to the date on which the first installment of such taxes would become delinquent, the tax confirmed pursuant to this section shall not result in a lien against such real property but instead shall be transferred to the unsecured roll for collection.

(k) Whenever a railroad, gas, water, or electric utility right-of-way or electric line right-of-way is included within such service area, or zone thereof, the railroad, gas, water, or electric utility right-of-way or electric line right-of-way shall be subject to the charges authorized only if, and to the extent that, it is found that it will benefit from the particular extended service, and the railroad, gas, water or electric utility right-of-way or electric line right-of-way shall be subject to the same penalties, and the same procedure and sale, in case of delinquency as other properties in such service area or zone. In determining whether or not the railroad, gas, water, or electric utility right-of-way or electric line right-of-way benefits from the extended service, its use as a right-of-way for a railroad, gas, water, or electric utility shall be presumed to be permanent.

6. The appropriations limit for County Service Area No. 3 shall be increased for a four year period commencing with the 1990-91 fiscal year by an amount equal to the amount of the

special tax levied pursuant to this resolution in that fiscal year. This increase in the appropriations limit shall be effective only if the special tax proposed by this resolution is approved by the voters. This proposal to increase the appropriations limit shall be consolidated with and included in the measure seeking voter approval for the special tax for extended library facilities and services.

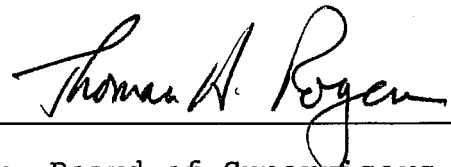

PASSED, APPROVED AND ADOPTED by the Board of Supervisors of the County of Santa Barbara, State of California, this 13th day of February 1990, by the following vote:
