RE: *Montecito Architectural Guidelines and Development Standards (Guidelines) (Phase II) File # 18-00028*

Dear Chair Williams and Members of the Board of Supervisors:

Thank you for fulfilling your commitment to fund the phase II revisions to the Montecito Architectural Guidelines and Development Standards (“Guidelines”). These revisions will provide guidance to architects, property owners, and the Montecito Board of Architectural Review in the design and review of detached accessory structures within the Montecito Community Plan Area.

The process of completing the revisions to the Guidelines involved a collaborative effort among members of the community with the Long Range Planning Department, Montecito Board of Architectural Review, and the Montecito Planning Commission. The Montecito Association respectfully requests the adoption of the proposed resolution amending the Guidelines and related ordinances as recommended by County staff.

Thank you for your consideration,

Charlene Nagel
