Continued Item: NO
If Yes, date from:

TO: Board of Supervisors

FROM: Phillip M. Demery, Director
Public Works

STAFF CONTACT: Dace Morgan, 568-3047
Engineering Manager

SUBJECT: Construction of 2002/2003 County Wide Measure 'D' Preventive Maintenance Application of Fog Seal Coat, County Project No. 820494 All Supervisorial Districts

Recommendation(s):

That the Board of Supervisors:

- A. Approve plans and specifications for the Construction of 2002/2003 County Wide Measure 'D' Preventive Maintenance Application of Fog Seal Coat, County Project No. 820494;
- B. Award the construction contract in the amount of \$690,493.00 to the lowest responsible bidder, Windsor Fuel Company, a California corporation (Not A Local Vendor), P.O. Box 38, Windsor, California 95492, subject to the provisions of documents and certification, as set forth in the plans and specifications applicable to the project and as required by law:
- C. Authorize the chair to execute the construction contract upon return of the Contractor's executed contract documents and the review and approval of the County Counsel, Auditor Controller and Risk Manager or their authorized representatives:
- D. Approve a contingency fund in the amount of \$47,024.65 for the Construction of 2002/2003 County Wide Measure 'D' Preventive Maintenance Application of Fog Seal Coat, County Project No. 820494:
- E. Approve the Memorandum of Agreement between the Santa Barbara County Association of Governments (SBCAG) and the County of Santa Barbara Regarding Allocation of Funds:

- F. Amend the Measure 'D' Program of Projects for FY 2002/2003 to provide local matching funds for the federal Congestion Mitigation and Air Quality (CMAQ) funding programmed for the Clean Air Express (CAE).

Alignment with Board Strategic Plan:

The recommendation(s) are primarily aligned with Goal No. 1, An Efficient Government Able to Respond Effectively to the Needs of the Community.

Executive Summary and Discussion:

On Thursday, May 1, 2003, two (2) bids were opened for the Construction of 2002/2003 County Wide Measure 'D' Preventive Maintenance Application of Fog Seal Coat, County Project No. 820494. The lowest responsible bid was submitted by Windsor Fuel Company, a California corporation, in the amount of \$690,493.00, which was 11% above the Engineer's Estimate. Staff has performed an analysis of the bids received and has determined that the low bid is responsible and reasonable. Staff recommends awarding this contract to Windsor Fuel Company.

The project is one of the strategies the Department employs in its annual Preventive Maintenance Program and consists of the application of a fog seal coat on the existing pavement surface at various locations throughout Santa Barbara County. Approximately 360 lane miles of County maintained roadway will be resurfaced with construction of this project.

Your Board approved the project as part of the 2002/2003 Capital Improvement Plan. The specific project locations were approved by your Board in the FY 2002/2003 Road Maintenance Annual Plan (RdMap) and attached for your information.

This project was bid in accordance with the Public Contract Code, which requires the award to the lowest responsible bidder.

The County and the Santa Barbara County Association of Governments (SBCAG) are proposing to enter into a fund allocation agreement to provide an appropriate source of local matching funds for a federal Congestion Mitigation and Air Quality (CMAQ) program to purchase seven new buses for the Clean Air Express commuter transit service operated by SBCAG. Under the agreement, SBCAG will approve an Federal Transportation Improvement Program (FTIP) amendment programming \$375,000 in unallocated Regional Service Transportation Program (RSTP) funds for the Construction of 2002-2003 County Wide Measure 'D' Preventive Maintenance Application of Fog Seal Coat, County Project No. 820494. The County will agree to allocate \$375,000 from its local share of Measure D funds for the SBCAG Clean Air Express bus project. The Measure D funds can be used as a local match for the bus project, whereas, the RSTP funds are state gas tax revenues and are not permitted to be used for transit projects. The agreement would result in no fiscal impact to the County. County Counsel has reviewed and approved the agreement. This action also requires an amendment of the Measure 'D' Program of Projects for FY 02/03.

Mandates and Service Levels:

No change in programs or service levels.

Fiscal and Facilities Impacts:

This project will be funded with RSTP revenues in the amount of \$375,000.00 and Measure 'D' revenues in the amount of \$362,517.65 for a total funding amount of \$737,517.65.

RSTP funding for this project is budgeted in Fund 0015, Org Unit 0002, Program 2900, Department 054 and Account 7510. Measure 'D' funding for the project is budgeted in Fund 0015, Org Unit 0002, Program 2900, Department 054 and Account 7511.

Special Instructions:

Please provide a certified stamped Minute Order approving these actions to the Engineering Section.

Concurrence:

County Counsel
Auditor Controller
Risk Manager
