**Recommended Actions:**

That the Board of Supervisors:

- a) Approve and authorize the Chair to execute the Statement of Final Quantities for the Construction of 2015/2016 North County Hot Mix Asphalt Overlay in the First, Third, Fourth, and Fifth Supervisorial Districts for work performed and materials supplied by CalPortland Construction, Inc. (a local vendor), 1625 E. Donovan Rd., Santa Maria, CA, 93454, in the amount of \$1,212,342.23; and
- b) Determine that this project was found by your Board to be exempt from the provisions of California Environmental Quality Act pursuant to State California Environmental Quality Act Guidelines Section 15301 on November 10, 2015, upon approval of the project, that a Notice of Exemption was filed on that basis, and that the proposed action is within the scope of that Notice of Exemption.

**Summary Text:**

This item is on the agenda in order to approve the attached Statement of Final Quantities. This project consisted of rehabilitating and resurfacing approximately five lane miles of County maintained roads with almost 5,000 tons of Hot Mix Asphalt (HMA) concrete overlay. This preventive maintenance program is one of the methods used in our RdMAP to ensure safe driving conditions on the County's roadway system.

The Director of Public Works accepted this project as complete on July 11, 2016. The project was completed on time and on budget.

*Before SAMI – Camino Arroyo in Santa Ynez*

*After SAMI – Camino Arroyo in Santa Ynez*

**Background:**

This project included conventional HMA paving, as well as a three-phase Stress Absorbing Membrane Interlayer (SAMI) process to resurface the roadway. The SAMI process includes: paving a leveling course to fill in ruts and small holes in the road; applying a SAMI to bridge cracks in the existing pavement; and placing a new asphalt concrete overlay. The SAMI is a combination of highly polymerized asphalt emulsion and crushed quality aggregate. SAMI waterproofs the sub base; helps reduce reflective cracking and extends the life of the subsequent overlay.

On November 10, 2015, your Board awarded the above referenced construction contract to CalPortland Construction.

**Fiscal and Facilities Impacts:**

Budgeted: Yes

**Fiscal Analysis:**
