Hi Slava-

Could you pass along to Joan that unfortunately I need to resign from my position on CRAHTAC effective immediately? I've been struggling to manage my obligations and meetings amidst a very busy work schedule that shows no signs of letting up. I have been unable to attend recent CRAHTAC meetings due to work meeting conflicts, and feel it would be best for me and the committee if I resigned.

Please pass along my apologies and thanks for being given this opportunity.

Sincerely,
