Interests & Experiences

Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

After retiring from the U.S. Armed Forces with over 30 years of service, I recently moved to the City of Guadalupe. My goal is to give back my time to the community. With my varied background in Electronics, Logistics, Financial Management, Workplace Safety and Environmental Management, I feel that my experience and diligence will help my community. As a retiree and a person in good health, I have the time and energy to take on the responsibility of board member for the Guadalupe Cemetery.

Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.

My military service has provided me with an excellent foundation of leadership and mission accomplishments, which I carry over into my retired life. I have volunteered to help not only my military brethren as a California State Military Reserve member, but also, the community assisting my wife at the Lighthouse for Women & Children in Oxnard, CA. I am an active member of the Guadalupe American Legion Post 371. In addition, I was employed by the County of Ventura as the County Safety Officer working out of the Chief Executive Office. During my time in the military and as a county employee, ethics and financial responsibility have been a cornerstone of the way I handle myself and any project placed upon me. I take seriously any public treasury placed under my control to ensure it is handled appropriately. I believe strongly in public service and that is why I am submitting my name as a candidate for Guadalupe Cemetery board member vacancy.
