We are senior citizens, residing in a senior mobile home community. The vast majority of us are on fixed income and simply cannot afford another increase! You raised our rate last year and the current rate is much higher than some of the more expensive areas of California. Please reconsider this increase.

Attn: **Clerk of the Board**

I am writing to protest the proposed sewer rate increase for *Laguna County Sanitation District* customers. At the present time I am a resident of SunnyHills Mobile Home Community. This is a Senior park and many of the residents living here are on fixed incomes. If my memory serves me correctly, our sewer rates were increased just a year ago.

The proposed increase not only will impact the many seniors on fixed incomes, but many low-income families who are struggling to make ends meet each month because of increased costs in so many of their daily needs.

So, I am asking you, the members of the **Santa Barbara County Board of Supervisors**, to please consider a 'no' vote on the rate increase requested by the *Laguna County Sanitation District* to be effective July 1, 2022.

Sincerely,

Muriel E. Gade
