6. INDEPENDENT CONTRACTOR

It is mutually understood and agreed that CONTRACTOR (including any and all of its officers, agents, and employees), shall perform all of its services under this Agreement as an independent contractor as to COUNTY and not as an officer, agent, servant, employee, joint venturer, partner, or associate of COUNTY. Furthermore, COUNTY shall have no right to control, supervise, or direct the manner or method by which CONTRACTOR shall perform its work and function. However, COUNTY shall retain the right to administer this Agreement so as to verify that CONTRACTOR is performing its obligations in accordance with the terms and conditions hereof. CONTRACTOR further covenants that in the performance of this Agreement, no person having any such interest shall be employed by CONTRACTOR. COUNTY retains the right to waive a conflict of interest disclosed by CONTRACTOR if COUNTY determines it to be immaterial, and such waiver is only effective if provided by COUNTY to CONTRACTOR in writing.

11. OWNERSHIP OF DOCUMENTS AND INTELLECTUAL PROPERTY

COUNTY shall be the owner of the following items incidental to this Agreement upon production, whether or not completed: all data collected, all documents of any type whatsoever, all photos, designs, sound or audiovisual recordings and other materials, and any material necessary for the practical use of such items, from the time of collection and/or production whether or not performance under this Agreement is completed or terminated prior to completion. CONTRACTOR shall not release any of such items to other parties except after prior written approval of COUNTY.

Unless otherwise specified in Exhibit A, CONTRACTOR hereby assigns to COUNTY all copyright, patent, and other intellectual property and proprietary rights to all data, documents, reports, photos, designs, sound or audiovisual recordings, and other materials prepared or provided by CONTRACTOR pursuant to this Agreement (collectively referred to as "Copyrightable Works and Inventions"). 12. NO PUBLICITY OR ENDORSEMENT

CONTRACTOR shall not use COUNTY's name or logo or any variation of such name or logo in any publicity, advertising or promotional materials. CONTRACTOR shall not use COUNTY's name or logo in any manner that would give the appearance that the COUNTY is endorsing CONTRACTOR. CONTRACTOR shall not in any way contract on behalf of or in the name of COUNTY. CONTRACTOR shall not release any informational pamphlets, notices, press releases, research reports, or similar public notices concerning the COUNTY or its projects, without obtaining the prior written approval of COUNTY.

13. COUNTY PROPERTY AND INFORMATION

- A. All of COUNTY's property, documents, and information provided for CONTRACTOR's use in connection with the services shall remain COUNTY's property, and CONTRACTOR shall return any such items whenever requested by COUNTY and whenever required according to the Termination section of this Agreement. COUNTY hereby notifies CONTRACTOR that COUNTY's Unlawful Discrimination Ordinance (Article XIII of Chapter 2 of the Santa Barbara County Code) applies to this Agreement and is incorporated herein by this reference with the same force and effect as if the ordinance were specifically set out herein and CONTRACTOR agrees to comply with said ordinance.

17. NONEXCLUSIVE AGREEMENT

CONTRACTOR understands that this is not an exclusive Agreement and that COUNTY shall have the right to negotiate with and enter into contracts with others providing the same or similar services as those provided by CONTRACTOR as the COUNTY desires.

18. NON-ASSIGNMENT

CONTRACTOR shall not assign, transfer or subcontract this Agreement or any of its rights or obligations under this Agreement without the prior written consent of COUNTY and any attempt to so assign, subcontract or transfer without such consent shall be void and without legal effect and shall constitute grounds for termination.

19. TERMINATION

A. By COUNTY. COUNTY may, by written notice to CONTRACTOR, terminate this Agreement in whole or in part at any time, whether for COUNTY's convenience, for nonappropriation of funds, or because of the failure of CONTRACTOR to fulfill the obligations herein.

1. **For Convenience.** COUNTY may terminate this Agreement in whole or in part upon thirty (30) days written notice. Subsequent to termination of this Agreement under this provision, COUNTY shall have no obligation to make payments with regard to the remainder of the term. COUNTY agrees to notify CONTRACTOR of such non-appropriation at the earliest reasonable time. No penalty shall accrue to COUNTY in the event that this section is exercised.

3. **For Cause.** Should CONTRACTOR default in the performance of this Agreement or materially breach any of its provisions, COUNTY may, at COUNTY's sole option, terminate or suspend this Agreement in whole or in part by written notice. Upon receipt of notice, CONTRACTOR shall immediately discontinue all services affected (unless the notice directs otherwise) and notify COUNTY as to the status of its performance. The date of termination shall be the date the notice is received by CONTRACTOR, unless the notice directs otherwise.
- B. **By CONTRACTOR.** Should COUNTY fail to pay CONTRACTOR all or any part of the payment set forth in EXHIBIT B, CONTRACTOR may, at CONTRACTOR's option terminate this Agreement if such failure is not remedied by COUNTY within thirty (30) days of written notice to COUNTY of such late payment.
- C. Upon termination, CONTRACTOR shall deliver to COUNTY all data, estimates, graphs, summaries, reports, and all other property, records, documents or papers as may have been accumulated or produced by CONTRACTOR in performing this Agreement, whether completed or in process, except such items as COUNTY may, by written permission, permit CONTRACTOR to retain. Notwithstanding any other payment provision of this Agreement, COUNTY shall pay CONTRACTOR for satisfactory services performed to the date of termination to include a prorated amount of compensation due hereunder less payments, if any, previously made. In no event shall CONTRACTOR be paid an amount in excess of the full price under this Agreement nor for profit on unperformed portions of service. CONTRACTOR shall furnish to COUNTY such financial information as in the judgment of COUNTY is necessary to determine the reasonable value of the services rendered by CONTRACTOR. In the event of a dispute as to the reasonable value of the services rendered by CONTRACTOR, the decision of COUNTY shall be final. The foregoing is cumulative and shall not affect any right or remedy which COUNTY may have in law or equity.

22. **REMEDIES NOT EXCLUSIVE**

No remedy herein conferred upon or reserved to COUNTY is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

23. **TIME IS OF THE ESSENCE**

Time is of the essence in this Agreement and each covenant and term is a condition herein.

24. **NO WAIVER OF DEFAULT**

No delay or omission of COUNTY to exercise any right or power arising upon the occurrence of any event of default shall impair any such right or power or shall be construed to be a waiver of any such default or an

acquiescence therein; and every power and remedy given by this Agreement to COUNTY shall be exercised from time to time and as often as may be deemed expedient in the sole discretion of COUNTY.

25. ENTIRE AGREEMENT AND AMENDMENT

In conjunction with the matters considered herein, this Agreement contains the entire understanding and agreement of the parties and there have been no promises, representations, agreements, warranties or undertakings by any of the parties, either oral or written, of any character or nature hereafter binding except as set forth herein. 27. COMPLIANCE WITH LAW

CONTRACTOR shall, at its sole cost and expense, comply with all County, State and Federal ordinances and statutes now in force or which may hereafter be in force with regard to this Agreement. The judgment of any court of competent jurisdiction, or the admission of CONTRACTOR in any action or proceeding against CONTRACTOR, whether COUNTY is a party thereto or not, that CONTRACTOR has violated any such ordinance or statute, shall be conclusive of that fact as between CONTRACTOR and COUNTY.

EXHIBIT A

STATEMENT OF WORK

I. OVERVIEW:

The COUNTY currently has approximately 80,000 microfiche jackets containing official permit records. Each jacket contains about 20 images (on average). The majority of jackets are a combination of both 16mm and 35mm images, but some are 16mm only or 35mm only. The COUNTY desires to convert these images to a digital format and to provide the public with a convenient and reliable method for accessing these images online.

II. GOALS OF THE PROJECT:

1. Convert permit records contained in microfiche jackets to digital images; and
2. Implement an Internet Based Archive System to host these images online for access by the general public, Departmental Users and County staff.

III. DELIVERABLES ASSOCIATED WITH THIS PROJECT:

1. Converted Images. CONTRACTOR shall use industry-standard best practices to produce clear, readable, and high quality images for viewing and printing. CONTRACTOR shall notify COUNTY of any images that are non-readable and COUNTY will direct CONTRACTOR on how to proceed with each non-readable image. Once all microfiche images have been converted and COUNTY has deemed the converted images as acceptable, CONTRACTOR shall provide converted images to COUNTY on a USB drive or other acceptable media authorized by COUNTY. COUNTY shall have thirty (30) calendar days to sign off on acceptance of this deliverable. COUNTY shall use this sign-off period to review converted images to verify that converted images meet with defined specifications.
2. Indexing of Images. CONTRACTOR shall index all images so that it may be searchable via the Internet Based Archive System. Each index field will be used as a search parameter to call up the image from the Internet Archive System. CONTRACTOR shall name each image using an agreed-upon naming convention. COUNTY shall have thirty (30) calendar days to sign off on acceptance of this deliverable. COUNTY shall use this sign-off period to review indexed images to verify that indexes meet with defined specifications.
 - a. *Group A Images* – There are approximately 50,000 microfiche jackets in this group with a Street Address on the jacket label. CONTRACTOR shall index these images by the Street Number, Street Name, and Parcel Number. The Street Number and Street Name are found on the microfiche jacket label. COUNTY will provide CONTRACTOR with information to coordinate the indexing by Parcel Number based on the address found on the jacket label. If the image applies to multiple Parcel Numbers, that image shall be indexed by all applicable Parcel Numbers. CONTRACTOR shall notify COUNTY if he is unable to coordinate indexing of an image based on the information provided by COUNTY. In this instance, COUNTY will provide direction to CONTRACTOR on the handling of these images.
 - b. *Group B Images* – There are approximately 30,000 microfiche jackets in this group with a Permit Number on the jacket label. CONTRACTOR shall index these images by the Permit Number, Street Number, Street Name and Parcel Number. The Permit Number is found on the microfiche jacket label. COUNTY will provide CONTRACTOR with information to coordinate the indexing by Street Number, Street Name, and Parcel Number based on the Permit Number found on the jacket label. If the image applies to multiple Parcel Numbers, that

image shall be indexed by all applicable Parcel Numbers. CONTRACTOR shall notify COUNTY if he is unable to coordinate indexing of an image based on the information provided by COUNTY. In this instance, COUNTY will provide direction to CONTRACTOR on the handling of these images.

- c. *Group C Images* – There are approximately 40,000 PDF files that contain official permit records. CONTRACTOR shall provide a bulk import solution for COUNTY use to upload these images and related index data (Permit Number, Parcel Number, Street Number, and Street Name). If an image applies to multiple Parcel Numbers, the bulk import solution shall provide COUNTY with ability to index by all applicable Parcel Numbers.
3. Importing Images into Internet Based Archive System. CONTRACTOR shall upload images from Groups A, and B to the Internet Archive System. COUNTY will upload images from Group C to the Internet Archive System using CONTRACTOR's bulk import solution. CONTRACTOR's bulk import solution shall provide the option to update the File Location field in the COUNTY's permitting system to reflect "Digital Archive" for Group C Images. COUNTY will provide CONTRACTOR with adequate access to the permitting system to build this solution as required.
 4. Implementation of Internet Based Archive System. CONTRACTOR shall implement an internet archive repository to host all converted images (Groups A, B, and C) as well as provide functionality to add additional images as new records are created by COUNTY. Images hosted in the archive system are expected to be accessed at least five (5) to twenty (20) times per day by the general public, and at least ten (10) to twenty (20) times per day by COUNTY staff.
 - a. CONTRACTOR shall implement the Valise Records Management Solution for COUNTY as the Internet Based Archive System selected by COUNTY.
 - b. The COUNTY will not be required to purchase any hardware or software as part of the Internet Based Archive System.
 - c. The COUNTY will be billed on an annual basis for CONTRACTOR's hosting services associated with the Internet Based Archive System. The purchase price and terms are detailed in Exhibit B of this Agreement.
 - d. CONTRACTOR shall provide adequate file storage capacity for COUNTY's use pursuant to the pricing terms described in Exhibit B.
 - e. CONTRACTOR shall ensure that COUNTY staff has sufficient administrative rights to add, edit and delete images to the repository as new images are created.
 - f. CONTRACTOR shall work with COUNTY to design and set up each departmental user with appropriate access to view, add, or delete documents depending on the user's security requirements.
 - g. The archive must provide the public with access to all hosted images in the repository.
 - h. CONTRACTOR shall ensure that the repository is accessible through the COUNTY's Planning and Development Website. The online repository shall not require the public to authenticate or register before granting access to search and retrieve the hosted images.
 - i. CONTRACTOR shall ensure that the public user interface for the repository is easy to use and includes search fields for Street Number, Street Name, Parcel Number, and Permit Number so that it coincides with the indexed fields.
 - j. CONTRACTOR shall ensure that the public user interface allows users to perform partial searches using wild card entries (i.e., partial Parcel Number, etc).
 - k. CONTRACTOR shall ensure that the public user interface is compatible with all standard web browsers including, but not limited to, Internet Explorer 9 and above, Google Chrome, Mozilla.
 - l. CONTRACTOR shall ensure that images rendered by the public user interface are viewable on popular mobile devices (e.g., iPhone, iPad, Android-based phones and tablets).

- m. CONTRACTOR shall ensure that a list of records that match or contain the value(s) entered in the search screen is displayed onscreen within ten (10) seconds of performing the search.
 - n. CONTRACTOR shall ensure that images generated by the search can be rendered onscreen for viewing within ten (10) seconds of the command to render the image.
 - o. CONTRACTOR shall ensure that the public user shall be provided the ability to view, download, save, print and e-mail any image that is rendered onscreen.
5. Training on Use of Internet Based Archive System. CONTRACTOR shall supply to COUNTY, all User Guides, Administrator Guides, and Release Notes for the Internet Based Archive System. CONTRACTOR shall provide COUNTY with hands-on training on the use of the internet based archive system including, but not limited to:
- a. Database structure of the system;
 - b. Use of the system to search for records;
 - c. Setting up user access rights (for administrative users);
 - d. Viewing, saving, downloading, printing, and e-mailing of images;
 - e. Adding new images/indexes;
 - f. Deleting existing images/indexes;
 - g. Editing existing images/indexes.

IV. PROCESS/PROJECT MANAGEMENT:

- 1. CONTRACTOR shall provide project management to ensure the successful completion of all deliverables associated with this project. CONTRACTOR shall perform all services in this Statement of Work to a level of quality and satisfaction acceptable to COUNTY.
- 2. CONTRACTOR shall provide a detailed Project Plan describing the structured approach that will be used to manage and execute all tasks defined in the Statement of Work. The Project Plan shall include, but not be limited to: a project timeline including key tasks, resources, milestones and delivery dates; a description of quality control processes subject to approval by COUNTY; Proof-of-Concept (see below) subject to approval by COUNTY; and acceptance criteria for signoff on payment.
- 3. CONTRACTOR shall provide a Proof-of-Concept prior to beginning live production. The purpose of the Proof-of-Concept is to ensure that COUNTY and CONTRACTOR agree to all requirements for this project, and that all aspects of the project will be met, including, but not limited to: a count of the total fiche jackets to be scanned, scanning of all images provided, quality control procedures, image enhancement, indexing, digital access, uploading of the documents to the Internet Based Archive, searching/viewing of documents in the archive, and integration with Accela. The Proof-of-Concept must be approved by the COUNTY prior to beginning live production and shall be validated using a combination of reports and manual review of samples.
- 4. CONTRACTOR will work with COUNTY to finalize the Project Plan and all Business Rules associated with the project. The COUNTY will be required to review and validate both the Project Plan and Business Rules prior to production.
- 5. CONTRACTOR Project Manager shall meet with COUNTY Project Manager on a bi-weekly basis or an otherwise agreed-upon schedule to review project status, issues, and next steps. CONTRACTOR shall provide metrics reporting on scanning progress during these meetings.
- 6. CONTRACTOR shall pick up the microfiche jackets from COUNTY's office using CONTRACTOR's employee or other bonded courier. A pick-up/delivery slip (PUD) shall be signed by COUNTY Project Manager identifying the number of boxes and the contents of the boxes. Once the boxes arrive at CONTRACTOR's scanning location, CONTRACTOR shall verify the PUD against the boxes delivered. CONTRACTOR's courier shall drive from COUNTY's office location to

CONTRACTOR's scanning location without any intervening pickups to maintain appropriate chain of custody.

7. CONTRACTOR shall inspect all microfiche jackets and prepare each jacket for scanning.
8. CONTRACTOR shall report to COUNTY any concerns regarding the condition of the microfiche and its fitness for conversion.
9. CONTRACTOR shall perform quality control and validation checks at multiple points through the conversion process to ensure both file integrity and delivery of the highest quality images with accurate indexing information.
10. CONTRACTOR shall scan all images in each microfiche jacket at a minimum 300dpi resolution using grayscale format, and convert them to PDF-A digital format.
11. CONTRACTOR shall perform all necessary image enhancements (de-skew, de-speckle, cropping, brightness/contrast adjustment) for optimum image quality.
12. CONTRACTOR shall rotate all images to the correct orientation, right-reading, and centered on the page.
13. CONTRACTOR shall correct all unsatisfactory work products at CONTRACTOR's expense, within agreed and specified time frame. Materials, equipment, components, or workmanship that does not conform to requirements, may be rejected by the COUNTY and must be replaced by the CONTRACTOR without delay.
14. CONTRACTOR shall provide COUNTY with online access to converted images throughout the scanning process.
15. While the microfiche jackets are in CONTRACTOR'S possession, CONTRACTOR will respond to occasional special requests for copies of microfiche documents by scanning the requested documents, making them available online, and promptly notifying the COUNTY that the documents are available. This response shall occur within two business days of the request. Since the COUNTY has a nearly duplicate set of microfiche that will remain at the COUNTY, the number of such requests is expected to be minimal.
16. Once all microfiche images have been converted and COUNTY has deemed the converted images as acceptable, CONTRACTOR shall provide converted images to COUNTY on a County-provided USB drive or another acceptable media authorized by COUNTY.
17. Once all images have been converted and deemed accepted by COUNTY, CONTRACTOR shall return the original microfiche jackets to COUNTY's Project Manager. CONTRACTOR agrees to indemnify, defend (with counsel reasonably approved by COUNTY) and hold harmless COUNTY and its officers, officials, employees, agents and volunteers from and against any and all claims, actions, losses, damages, judgments and/or liabilities arising out of this Agreement from any cause whatsoever, including the acts, errors or omissions of any person or entity and for any costs or expenses (including but not limited to attorneys' fees) incurred by COUNTY on account of any claim except where such indemnification is prohibited by law. CONTRACTOR's indemnification obligation applies to COUNTY's active as well as passive negligence but does not apply to COUNTY's sole negligence or willful misconduct.

NOTIFICATION OF ACCIDENTS AND SURVIVAL OF INDEMNIFICATION PROVISIONS

CONTRACTOR shall notify COUNTY immediately in the event of any accident or injury arising out of or in connection with this Agreement. The indemnification provisions in this Agreement shall survive any expiration or termination of this Agreement.

INSURANCE

CONTRACTOR shall procure and maintain for the duration of this Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by the CONTRACTOR, his agents, representatives, employees or subcontractors.

A. Minimum Scope of Insurance

Coverage shall be at least as broad as:

1. **Commercial General Liability (CGL):** Insurance Services Office (ISO) Form CG 00 01 covering CGL on an "occurrence" basis, including products-completed operations, personal & advertising injury, with limits no less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate.
2. **Automobile Liability:** ISO Form Number CA 00 01 covering any auto (Code 1), or if CONTRACTOR has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limit no less than \$1,000,000 per accident for bodily injury and property damage.
3. **Workers' Compensation:** as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease.

If the CONTRACTOR maintains higher limits than the minimums shown above, the COUNTY requires and shall be entitled to coverage for the higher limits maintained by the CONTRACTOR. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the COUNTY.

B. Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured** – COUNTY, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the CONTRACTOR's insurance at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 if a later edition is used).
2. **Primary Coverage** – For any claims related to this Agreement, the CONTRACTOR's insurance coverage shall be primary insurance as respects the COUNTY, its officers, officials, employees, agents and volunteers. Any insurance or self-insurance maintained by the COUNTY, its officers, officials, employees, agents or volunteers shall be excess of the CONTRACTOR's insurance and shall not contribute with it.
3. **Notice of Cancellation** – Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the COUNTY.
4. **Waiver of Subrogation Rights** – CONTRACTOR hereby grants to COUNTY a waiver of any right to subrogation which any insurer of said CONTRACTOR may acquire against the COUNTY by virtue of the payment of any loss under such insurance. CONTRACTOR agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not the COUNTY has received a waiver of subrogation endorsement from the insurer.
5. **Deductibles and Self-Insured Retention** – Any deductibles or self-insured retentions must be declared to and approved by the COUNTY. The COUNTY may require the CONTRACTOR to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
6. **Acceptability of Insurers** – Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best's Insurance Guide rating of "A- VII".
7. **Verification of Coverage** – CONTRACTOR shall furnish the COUNTY with proof of insurance, original certificates and amendatory endorsements as required by this Agreement. The proof of insurance, certificates and endorsements are to be received and approved by the COUNTY before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the CONTRACTOR's obligation to provide them. The CONTRACTOR shall furnish evidence of renewal of coverage throughout the term of the Agreement. The COUNTY reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.
8. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, COUNTY has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to provide evidence of renewal may be treated by COUNTY as a material breach of contract.
9. **Subcontractors** – CONTRACTOR shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and CONTRACTOR shall ensure that COUNTY is an additional insured on insurance required from subcontractors.
10. **Special Risks or Circumstances** – COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. CONTRACTOR agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of COUNTY.
