**From:** Antonette “Toni” Navarro  
**Subject:** Request to Pull Item from January 9<sup>th</sup> Agenda File #24-00036  
**CC:**

---

The Behavioral Wellness Department requests that the item, The Santa Barbara San Luis Obispo Regional Health Authority, dba CenCal Health, CalAIM Incentive Payment Program Funding Agreement FY 23–27, be removed from the January 9<sup>th</sup> Board Agenda.

In the context of future budget shifts with new, as well as pending behavioral health state mandates, a final review and analysis of this contract indicated that an adjustment to the currently proposed rates was necessary for the Department to ensure the fiscal successful execution and ongoing implementation of the services provided under this agreement. The Department requested and CenCal has agreed to meet to re-negotiate the rates. At this time, the Department does not have a timeline that this item may be placed back on the Agenda.
