If you are now, or have ever been employed by the County of Santa Barbara, please list the department in which you worked, your title, and the dates you were employed.

Former member of the SB County Finance Corp board (2005-2018); Former SB Cty Assessment Appeals Board member (2010-2018).

Interests & Experiences

Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

I have volunteered on government boards for nearly 30 years. I love to give back to the community where I raised my children and my grandchildren live. I have worked with other volunteers and appointed board members in the important role assigned to each board and serving to the best of my ability in a collegial manner. As an existing SBCERS trustee I feel I am now able to give more intelligent, thoughtful input based on the past three years of experience as a trustee.

Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.

For nearly 35 plus years I have been an accountant, tax advisor, and investment advisor as a self-employed professional. I obtained the designations of Certified Public Accountant, Certified Financial Planner and Registered Investment Advisor - This board allows me to give back to SB County what I have benefited from in my career. My skill set is both enhanced and given to the service on the SBCERS board for the past three years.
