Dear Mr. Brown:

This letter is in regard to your request of October 12, 2009 for confirmation of City of Lompoc's intent to participate in the regional Central Coast Energy Independence Program that your office is establishing in order to request federal American Recovery and Reinvestment Act (ARRA) State Energy Programs funds.

We applaud you and your staff for the effort and time that it takes to research, develop a plan and apply for this funding. The City of Lompoc is interested in participating in this program and intends to offer our support and participate in such a program if ARRA funding is approved for a program.

Sincerely,

A handwritten signature in cursive script that reads 'Laurel M. Barcelona'.
