6. INDEPENDENT CONTRACTOR.

It is mutually understood and agreed that CONTRACTOR (including any and all of its officers, agents, and employees), shall perform all of its services under this Agreement as an independent contractor as to COUNTY and not as an officer, agent, servant, employee, joint venturer, partner, or associate of COUNTY. Furthermore, COUNTY shall have no right to control, supervise, or direct the manner or method by which CONTRACTOR shall perform its work and function. However, COUNTY shall retain the right to administer this Agreement so as to verify that CONTRACTOR is performing its obligations in accordance with the terms and conditions hereof. CONTRACTOR understands and acknowledges that it shall not be entitled to any of the benefits of a COUNTY employee, including but not limited to vacation, sick leave, administrative leave, health insurance, disability insurance, retirement, unemployment insurance, workers' compensation and protection of tenure. All products of whatsoever nature, which CONTRACTOR delivers to COUNTY pursuant to this Agreement, shall be prepared in a first class and workmanlike manner and shall conform to the standards of quality normally observed by a person practicing in CONTRACTOR's profession. CONTRACTOR shall correct or revise any errors or omissions, at COUNTY's request without additional compensation. Permits and/or licenses shall be obtained and maintained by CONTRACTOR without additional compensation.

8. DEBARMENT AND SUSPENSION.

CONTRACTOR certifies to COUNTY that it and its employees and principals are not debarred, suspended, or otherwise excluded from or ineligible for, participation in federal, state, or county government contracts. CONTRACTOR certifies that it shall not contract with a subcontractor that is so debarred or suspended. CONTRACTOR shall also comply with the debarment and suspension provisions set forth in EXHIBIT AA General Provisions: ADP/MHS and EXHIBIT AA-1 General Provisions: DHCS State Performance Requirements, BHSA, and SUBG to this Agreement.

9. TAXES.

COUNTY shall not be responsible for paying any taxes on CONTRACTOR's behalf, and should COUNTY be required to do so by state, federal, or local taxing agencies, CONTRACTOR agrees to promptly reimburse COUNTY for the full value of such paid taxes plus interest and penalty, if any. These taxes shall include, but not be limited to, the following: FICA (Social Security), unemployment insurance contributions, income tax, disability insurance, and workers' compensation insurance.

10. CONFLICT OF INTEREST.

CONTRACTOR covenants that CONTRACTOR presently has no employment or interest and shall not acquire any employment or interest, direct or indirect, including any interest in any business, property, or source of income, which would conflict in any manner or degree with the performance of services required to be performed under this Agreement.

CONTRACTOR further covenants that in the performance of this Agreement, no person having any such interest shall be employed by CONTRACTOR. CONTRACTOR must promptly disclose to COUNTY, in writing, any potential conflict of interest. COUNTY retains the right to waive a conflict of interest disclosed by CONTRACTOR if COUNTY determines it to be immaterial, and such waiver is only effective if provided by COUNTY to CONTRACTOR in writing. CONTRACTOR shall also comply with the conflict of interest provisions set forth in EXHIBIT AA General Provisions: ADP/MHS and EXHIBIT AA-1 General Provisions: DHCS State Performance Requirements, BHSA, and SUBG to this Agreement.

11. OWNERSHIP OF DOCUMENTS AND INTELLECTUAL PROPERTY.

COUNTY shall be the owner of the following items incidental to this Agreement upon production, whether or not completed: all data collected, all documents of any type whatsoever, all photos, designs, sound or audiovisual recordings, software code, inventions, technologies, and other materials, and any material necessary for the practical use of such items, from the time of collection and/or production whether or not performance under this Agreement is completed or terminated prior to completion. CONTRACTOR shall not release any of such items to other parties except after prior written approval of COUNTY.

Unless otherwise specified in Exhibit A(s), CONTRACTOR hereby assigns to COUNTY all copyright, patent, and other intellectual property and proprietary rights to all data, documents, reports, photos, designs, sound or audiovisual recordings, software code, inventions, technologies, and other materials prepared or provided by CONTRACTOR pursuant to this Agreement (collectively referred to as "Copyrightable Works and Inventions"). COUNTY shall have the unrestricted authority to copy, adapt, perform, display, publish, disclose, distribute, create derivative works from, and otherwise use in whole or in part, any Copyrightable Works and Inventions. CONTRACTOR agrees to take such actions and execute and deliver such documents as may be needed to validate, protect and confirm the rights and assignments provided hereunder. CONTRACTOR warrants that any Copyrightable Works and Inventions and other items provided under this Agreement will not infringe upon any intellectual property or proprietary rights of any third party. CONTRACTOR at its own expense shall defend, indemnify, and hold harmless COUNTY against any claim that any Copyrightable Works or Inventions or other items provided by CONTRACTOR hereunder infringe upon intellectual or other proprietary rights of a third party, and CONTRACTOR shall pay any damages, costs, settlement amounts, and fees (including attorneys' fees) that may be incurred by COUNTY in connection with any such claims. This Ownership of Documents and Intellectual Property provision shall survive expiration or termination of this Agreement.

12. NO PUBLICITY OR ENDORSEMENT.

CONTRACTOR shall not use COUNTY's name or logo or any variation of such name or logo in any publicity, advertising or promotional materials. CONTRACTOR shall not use COUNTY's name or logo in any manner that would give the appearance that the COUNTY is endorsing CONTRACTOR. CONTRACTOR shall not in any way contract on behalf of or in the name of COUNTY. CONTRACTOR shall not release any informational pamphlets, notices, press releases, research reports, or similar public notices concerning the COUNTY or its projects, without obtaining the prior written approval of COUNTY.

13. COUNTY PROPERTY AND INFORMATION.

All of COUNTY's property, documents, and information provided for CONTRACTOR's use in connection with the services shall remain COUNTY's property, and CONTRACTOR shall return any such items whenever requested by COUNTY and whenever required according to the Termination section of this Agreement. CONTRACTOR may use such items only in connection with providing the services. CONTRACTOR shall not disseminate any COUNTY property, documents, or information without COUNTY's prior written consent.

14. RECORDS, AUDIT, AND REVIEW.

CONTRACTOR shall keep such business records pursuant to this Agreement as would be kept by a reasonably prudent practitioner of CONTRACTOR's profession and shall maintain such records for at least four (4) years following the termination of this Agreement. All accounting records shall be kept in accordance with generally accepted accounting principles. COUNTY shall have the right to audit and review all such documents and records at any time during CONTRACTOR 's regular business hours or upon reasonable notice. In addition, if this Agreement exceeds ten thousand dollars (\$10,000.00), CONTRACTOR shall be subject to the examination and audit of the California State Auditor, at the request of the COUNTY or as part of any audit of the COUNTY, for a period of three (3) years after final payment under the Agreement (Cal. Govt. Code Section 8546.7). CONTRACTOR shall participate in any audits and reviews, whether by COUNTY or the State, at no charge to COUNTY.

If federal, state, or COUNTY audit exceptions are made relating to this Agreement, CONTRACTOR shall reimburse all costs incurred by federal, state, and/or COUNTY governments associated with defending against the audit exceptions or performing any audits or follow-up audits, including but not limited to: audit fees, court costs, attorneys' fees based upon a reasonable hourly amount for attorneys in the community, travel costs, penalty assessments and all other costs of whatever nature. Immediately upon notification from COUNTY, CONTRACTOR shall reimburse the amount of the audit exceptions and any other related costs directly to COUNTY as specified by COUNTY in the notification.

CONTRACTOR shall also comply with the records, audit and review provisions set forth in EXHIBIT AA General Provisions: ADP/MHS and EXHIBIT AA-1 General Provisions: DHCS State Performance Requirements, BHSA, and SUBG to this Agreement.

15. INDEMNIFICATION AND INSURANCE.

CONTRACTOR agrees to and shall comply with the indemnification and insurance provisions as set forth in EXHIBIT C attached hereto and incorporated herein by reference.

16. NONDISCRIMINATION.

COUNTY hereby notifies CONTRACTOR that COUNTY's Unlawful Discrimination Ordinance (Article XIII of Chapter 2 of the Santa Barbara COUNTY Code) applies to this Agreement and is incorporated herein by this reference with the same force and effect as if the ordinance were specifically set out herein and CONTRACTOR agrees to comply with said ordinance. CONTRACTOR shall also comply with the nondiscrimination provisions set forth in EXHIBIT AA General Provisions: ADP/MHS and EXHIBIT AA-1 General Provisions: DHCS State Performance Requirements, BHSA, and SUBG to this Agreement.

17. NONEXCLUSIVE AGREEMENT.

CONTRACTOR understands that this is not an exclusive Agreement and that COUNTY shall have the right to negotiate with and enter into contracts with others providing the same or similar services as those provided by CONTRACTOR as the COUNTY desires.

18. NON-ASSIGNMENT.

CONTRACTOR shall not assign, transfer or subcontract this Agreement or any of its rights or obligations under this Agreement without the prior written consent of COUNTY and any attempt to so assign, subcontract or transfer without such consent shall be void and without legal effect and shall constitute grounds for termination.

19. TERMINATION.

A. By COUNTY. COUNTY may, by written notice to CONTRACTOR, terminate this Agreement in whole or in part at any time, whether for COUNTY's convenience, for nonappropriation of funds, or because of the failure of CONTRACTOR to fulfill the obligations herein.

1. For Convenience. COUNTY may terminate this Agreement in whole or in part upon thirty (30) days written notice. During the thirty (30) day period, CONTRACTOR shall, as directed by COUNTY, wind down and cease its services as quickly and efficiently as reasonably possible, without performing unnecessary services or activities and by minimizing negative effects on COUNTY from such winding down and cessation of services.

- 2. For Nonappropriation of Funds.** Notwithstanding any other provision of this Agreement, in the event that no funds or insufficient funds are appropriated or budgeted by federal, state or COUNTY governments, or funds are not otherwise available for payments in the fiscal year(s) covered by the term of this Agreement, then COUNTY will notify CONTRACTOR of such occurrence and COUNTY may terminate or suspend this Agreement in whole or in part, with or without a prior notice period. Subsequent to termination of this Agreement under this provision, COUNTY shall have no obligation to make payments with regard to the remainder of the term.
- 3. For Cause.** Should CONTRACTOR default in the performance of this Agreement or materially breach any of its provisions, COUNTY may, at COUNTY's sole option, terminate or suspend this Agreement in whole or in part by written notice. Upon receipt of notice, CONTRACTOR shall immediately discontinue all services affected (unless the notice directs otherwise) and notify COUNTY as to the status of its performance. The date of termination shall be the date the notice is received by CONTRACTOR, unless the notice directs otherwise.
- B. By CONTRACTOR.** Should COUNTY fail to pay CONTRACTOR all or any part of the payment set forth in EXHIBIT B(s), CONTRACTOR may, at CONTRACTOR's option terminate this Agreement if such failure is not remedied by COUNTY within thirty (30) days of written notice to COUNTY of such late payment.
- C.** Upon termination, CONTRACTOR shall deliver to COUNTY all data, estimates, graphs, summaries, reports, and all other property, records, documents or papers as may have been accumulated or produced by CONTRACTOR in performing this Agreement, whether completed or in process, except such items as COUNTY may, by written permission, permit CONTRACTOR to retain. Notwithstanding any other payment provision of this Agreement, COUNTY shall pay CONTRACTOR for satisfactory services performed to the date of termination to include a prorated amount of compensation due hereunder less payments, if any, previously made. In no event shall CONTRACTOR be paid an amount in excess of the full price under this Agreement nor for profit on unperformed portions of service. CONTRACTOR shall furnish to COUNTY such financial information as in the judgment of COUNTY is necessary to determine the reasonable value of the services rendered by CONTRACTOR. In the event of a dispute as to the reasonable value of the services rendered by CONTRACTOR, the decision of COUNTY shall be final. The foregoing is cumulative and shall not affect any right or remedy which COUNTY may have in law or equity.

20. SECTION HEADINGS.

The headings of the several sections, and any Table of Contents appended hereto, shall be solely for convenience of reference and shall not affect the meaning, construction or effect hereof.

21. SEVERABILITY.

If any one or more of the provisions contained herein shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such provision or provisions shall be deemed severable from the remaining provisions hereof, and such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

22. REMEDIES NOT EXCLUSIVE.

No remedy herein conferred upon or reserved to COUNTY is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

23. TIME IS OF THE ESSENCE.

Time is of the essence in this Agreement and each covenant and term is a condition herein.

24. NO WAIVER OF DEFAULT.

No delay or omission of COUNTY to exercise any right or power arising upon the occurrence of any event of default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Agreement to COUNTY shall be exercised from time to time and as often as may be deemed expedient in the sole discretion of COUNTY.

25. ENTIRE AGREEMENT AND AMENDMENT.

In conjunction with the matters considered herein, this Agreement contains the entire understanding and agreement of the parties and there have been no promises, representations, agreements, warranties or undertakings by any of the parties, either oral or written, of any character or nature hereafter binding except as set forth herein. This Agreement may be altered, amended or modified only by an instrument in writing, executed by the parties to this Agreement and by no other means. Each party waives their future right to claim, contest or assert that this Agreement was modified, canceled, superseded, or changed by any oral agreements, course of conduct, waiver or estoppel. Any requests for

changes to this Agreement by CONTRACTOR shall be in writing and submitted to COUNTY before April 1 of the fiscal year for which the change would be applicable. Requests for changes failing to meet these requirements will not be considered. Notwithstanding any other provision of this Agreement, immaterial changes (such as changes to the Designated Representatives or addresses for purposes of Notice) as well as changes to this Agreement specified in the Exhibits may be authorized by the Director of the Department of Behavioral Wellness or designee in writing. These changes shall apply without the need for an amendment of this Agreement executed by the parties. All other changes shall be made by an amendment of this Agreement in compliance with this Section.

26. SUCCESSORS AND ASSIGNS.

All representations, covenants and warranties set forth in this Agreement, by or on behalf of, or for the benefit of any or all of the parties hereto, shall be binding upon and inure to the benefit of such party, its successors and assigns.

The judgment of any court of competent jurisdiction, or the admission of CONTRACTOR in any action or proceeding against CONTRACTOR, whether COUNTY is a party thereto or not, that CONTRACTOR has violated any such statute, ordinance, regulation, order, policy, guidance, bulletin, information notice, and/or letter shall be conclusive of that fact as between CONTRACTOR and COUNTY.

28. CALIFORNIA LAW AND JURISDICTION.

This Agreement shall be governed by the laws of the State of California. Any litigation regarding this Agreement or its contents shall be filed in the County of Santa Barbara, if in state court, or in the federal district court nearest to Santa Barbara County, if in federal court.

Notwithstanding any other provision of this Agreement, CONTRACTOR shall commence performance under this Exhibit A-4 MHS (Crisis Residential Treatment Program July 1, 2026 – June 30, 2028) on July 1, 2026, and end performance no later than June 30, 2028, unless otherwise directed by COUNTY or unless earlier terminated.

1. PROGRAM SUMMARY. Crestwood Behavioral Health, Inc. (hereafter “CONTRACTOR” or “Crestwood”) operates a crisis residential treatment program (hereafter “the Program”) in the South region of Santa Barbara County and provides short-term crisis residential services. The Program provides traditional short-term crisis residential services and have a shorter length of stay (closer to 30 days). The Program will provide a therapeutic milieu with an emphasis on positive reinforcement and trauma-informed programming.

The Program provides a voluntary, short-term safe place to land for individuals served experiencing a psychiatric crisis. Those we serve are greeted into a warm, homelike environment and we provide them with a variety of recovery-based tools such as Dialectical Behavior Therapy (DBT), Wellness Recovery Action Plans (WRAP) and Trauma-Informed Approaches to help them manage their symptoms and develop skills to live effectively in their communities. The COUNTY’s Behavioral Wellness Clinical Treatment Team is comprised of people with lived experience, who are trained and certified peer providers, with a wide array of clinical expertise. Persons served are also encouraged to utilize our Dreamcatchers Empowerment Network program that provides pre-vocational job skills training.

- 2. PROGRAM OBJECTIVES.** CONTRACTOR shall meet the following objectives:
- A.** Maintain the member’s residential placement at the lowest appropriate level and support successful transitions from Institutes for Mental Diseases (IMDs), Acute Care Facilities or other residential settings, and to lower levels of care when stabilized;
 - B.** Connect members to social services and community resources to support reintegration and help them achieve their highest possible level of functioning and wellness;
 - C.** Assist members with developing independent living, psychological, and social skills necessary for recovery and improved functioning using evidence-based approaches such as DBT;

- D. Provide around the clock (24/7) in-person care in a safe, secure, and structured residential setting to reduce acute psychiatric symptoms and help members regain emotional and behavioral control; and
- E. Provide case management services to promote engagement in treatment, self-sufficiency, and continuity of care in a safe, secure, and behaviorally focused environment.

3. SERVICES.

The Program shall include the following services as further described in Section II Program Service Requirements of Exhibit AA General Provisions: ADP/MHS of this Agreement. This service includes the following service components as a part of a bundled rate with some services being separately billable as identified in the Exhibit B-3 MHS:

- A. Assessment/Reassessment;
- B. Collateral;
- C. Crisis Intervention;
- D. Intensive Care Coordination (ICC);
- E. Medication Support Services;
- F. Psychosocial Rehabilitation;
- G. Targeted Case Management;
- H. Therapy; and
- I. Treatment Planning.

4. ADDITIONAL SERVICE REQUIREMENTS.

- A. The Crisis Respite Residential House (as defined in Section 5.A.1) will be voluntarily accessed by members who are motivated to obtain help to recover from their current crisis situations and want to learn recovery skills and access community resources to prevent further crisis situations. Crisis Residential Treatment stays will be used as “transitional” experiences for members re-entering the community from higher levels of care, such as inpatient stays, and being discharged from inpatient psychiatric care as a way to reduce days hospitalized and reduce the potential for re-hospitalization.
- B. Within a welcoming and positive, trauma-informed environment, intentionally designed and maintained to be such by the CONTRACTOR, services offered to program members include, but are not limited to:

1. **Crisis Residential Treatment Services.** “Crisis Residential Treatment Service” means therapeutic or rehabilitative services provided in a non-institutional residential setting which provides a structured program as an alternative to hospitalization for beneficiaries experiencing an acute psychiatric episode or crisis who do not have medical complications requiring nursing care. The service includes a range of activities and services that support members in their efforts to restore, maintain, and apply interpersonal and independent living skills, and to access community support systems. The service is available 24 hours a day, seven days a week. Service activities may include but are not limited to assessment, treatment planning, therapy, rehabilitation, collateral, and crisis intervention, as defined in Title 9 of California Code of Regulations (C.C.R.) Section 1810.208.
2. Trained and certified Consumer and Family Member Peers (CFMP) will be employed to provide daily in-house program services to include:
 - i. Support groups in daily living skill enhancement (e.g. cooking, laundry, shopping, using the bus, budgeting, socialization opportunities, building a stress management toolkit);
 - ii. Assist connecting with community resources (e.g. local Recovery Learning Communities, housing options, Department of Social Services, Public Health, food banks, Goodwill, Department of Rehabilitation Vocational Services, services to meet unique multi-cultural needs, Alcoholics Anonymous/Narcotics Anonymous (AA/NA) meetings); and
 - iii. Help with building ongoing personal support systems (e.g. peer support groups, involvement in a faith community, connections with family and/or friends, planning doctor visits, and how to talk to your other care providers).
3. The facility will be accessed by members recovering from a crisis situation or as a way to prevent crisis escalation. The facility will focus on individuals with complex needs such as those challenged to obtain permanent housing, and those in recovery from mental illness and co-occurring conditions, making sure to provide support that will avoid using the more restrictive settings in the care continuum.

5. OPERATIONS.

- A. **Licensure/Certification.** At all times applicable to this Agreement, the Program shall be licensed as a Crisis Residential Treatment Facility by the California

Department of Social Services Community Care Licensing Division (CCLD) and be Medi-Cal Site Certified through the Department of Health Care Services.

B. Location. The Program shall be located at the following location(s):

1. Crisis Respite Residential House (CRRH) – 66 S San Antonio Rd, Santa Barbara, CA 93110 (a COUNTY-owned building, hereafter “the Program Site”).

C. Lease and Facility Requirements.

1. CONTRACTOR’s right to enter upon and use the Program Site shall be governed by a lease agreement between COUNTY and CONTRACTOR (Folio No. 003049). The lease agreement is ancillary to this Agreement for Services of Independent CONTRACTOR and shall be independently executed and approved by CONTRACTOR and COUNTY. The lease agreement may be amended from time to time or earlier terminated.
2. If a lease agreement referenced above in Section 5.A.2 is terminated, COUNTY may terminate this Agreement per Section 19.A.1 (For Convenience) of this Agreement.

D. Length of Stay. CONTRACTOR shall anticipate that a member’s length of stay will often be 30 days. If the CONTRACTOR determines that a member’s length of stay needs to exceed 30 days, CONTRACTOR shall obtain authorization from COUNTY concurrently with the member’s stay. If the COUNTY determines that a member’s length of stay needs to exceed 30 days (up to 90 days) for purposes of treatment plan completion, successful appropriate referral, or other reasons, then the COUNTY will communicate this need to (and engage in discussion regarding appropriate medical necessity documentation with) the appropriate CONTRACTOR site supervisor.

E. Hours of Operation and Staff Coverage.

1. CONTRACTOR shall provide crisis respite and intervention services 24 hours per day, seven days per week, and 365 days per year to adults in crisis due to mental health or co-occurring substance abuse conditions for members placed at the Program as described in Section 7 (Referrals).

Our work is geared to partnering with individuals searching for their path forward, with staff we employ, with individuals in our partnerships in recovery-based organizations, and members in all of our communities, so that we may provide learning opportunities, fun and meaningful competency- and skills-based educational experiences, dynamic and supportive engagement throughout our engagements with partners, and optimal outcomes for recovery and resilience – all of which lead to successful peer professional employment, overall staff retention, and enhanced service delivery teamwork.

CRRS Approach to Creating an Effective Learning Experience.

Our approach for the design and delivery of all training is based upon integration of adult learning principles and adult retention rates. To optimize participants' mastery of skills and competencies. This innovative instructional design is best described as a dynamic learning laboratory. The learners take center stage throughout the learning experience, applying all skills in a collaborative environment. The trainer assumes a facilitator and conductor role to organize the learning flow while engaging and coaching participants for high performance learning outcomes. The instructional content and delivery accommodates all sensory learning styles of visual, aural, kinesthetic, read/write and multi-modal. Adult learning elements included in the design and delivery are as follows:

- Assigned learning partners for cooperative learning benefit.
- Team based learning exercises to optimize learning outcomes and develop collaborative skills.
- Learning centered workbook that is skill centered and competency based, not academically oriented.
- Dynamic role-play exercises.
- Edu-dramas and skill-based skits.
- Colorful, animated PPTs with video and musical components to enhance learning.
- Energizing review games to boost skill retention.
- Competency exams.

In this learning laboratory, participants are informed from the very beginning that they will be practicing all skills with each other during the entire classroom experience. Thus, all events within the classroom provide ample learning opportunities. Additionally, the facilitator will role model peer support principles and practices in the way he/she interacts with participants and delivers the learning.

The following training curricula may or may not be selected by your organization, based on the availability of funding or training priorities, as determined by your agency leadership. The list is comprehensive of the training curricula being offered, with no expectation that all of the training or each of the individual trainings will be calendared.

GENERAL FINANCIAL PROVISIONS**

(Applicable to programs described in Exhibit A-4)

With attached *Exhibit B-1* MHS (Schedule of Rates and Contract Maximum) and *Exhibit B-3*
(Entity Rates and Codes by Service Type)

This Agreement provides for reimbursement for services up to the Maximum Contract Amount, reflected in Section II below and Exhibit B-1(s). For Medi-Cal and all other services provided under this Agreement, Contractor shall comply with all applicable requirements necessary for reimbursement in accordance with Welfare and Institutions Code (WIC) §§ 14705-14711, the Intergovernmental Agreement, and other applicable Federal, State and local laws, regulations, rules, manuals, policies, guidelines and directives.

1. PAYMENT FOR SERVICES.

A. Alcohol and Drug Programs. (Reserved)

B. Mental Health Services.

1. Medi-Cal Programs. For Medi-Cal specialty mental health programs, the County reimburses all eligible providers on a fee-for-service basis pursuant to a fee schedule. Eligible providers claim reimbursement for services using appropriate Current Procedural Terminology (CPT®) or Healthcare Common Procedure Coding System (HCPCS) codes. Exhibit B-3 MHS contains a rate for each Eligible Practitioner or Service Type and the relevant CPT®/HCPCS code.

2. Non-Medi-Cal Programs. For Non-Medi-Cal programs and costs, Contractor shall be compensated on a cost reimbursement basis, subject to the limitations described in this Agreement and all exhibits hereto, for deliverables as established in the Exhibit B(s) based on satisfactory performance of the services described in Exhibit A(s).

3. Medi-Cal Billable Services. The services provided by Contractor as described in Exhibit A(s) that are covered by the Medi-Cal program will be paid based on the satisfactory performance of services and the fee schedule(s) as incorporated in Exhibit B-1 MHS of this Agreement.

C. Limitations on Use of Funds Received Pursuant to this Agreement. Contractor shall use the funds provided by County exclusively for the purposes of performing the services described in Exhibit A(s) to this Agreement. For Contractor Programs that are funded with Federal funds other than fee-for-service Medi-Cal, expenses shall comply with the requirements established in OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (45

C.F.R. Part 75), and all other applicable regulations. Violation of this provision or use of County funds for purposes other than those described in the Exhibit A(s) shall constitute a material breach of this Agreement.

D. Funding Sources.

1. The Behavioral Wellness Director or designee may reallocate between funding sources with discretion, including to utilize and maximize any additional funding or FFP provided by local, State, or Federal law, regulation, policy, procedure, or program. Reallocation of funding sources does not alter the Maximum Contract Amount and does not require an amendment to this Agreement.

E. Member Liability for Payment.

1. **Alcohol and Drug Program.** (Reserved)

2. **Mental Health.**

- i. Contractor shall not submit a claim to, or demand or otherwise collect reimbursement from, the member or persons acting on behalf of the member for any specialty mental health or related administrative services provided under this Agreement, except to collect other health insurance coverage, share of cost, and co-payments. (Cal. Code Regs., tit. 9, § 1810.365 (a).)
- ii. Contractor shall not hold beneficiaries liable for debts in the event that County becomes insolvent; for costs of covered services for which the State does not pay County; for costs of covered services for which the State or County does not pay to Contractor; for costs of covered services provided under a contract, referral or other arrangement rather than from the County; or for payment of subsequent screening and treatment needed to diagnose the specific condition of or stabilize a member. (42 C.F.R. § 438.106 and Cal. Code Regs. tit 9, § 1810.365(c).)
- iii. Contractor shall not bill members for covered services under a contractual, referral, or other arrangement with Contractor in excess of the amount that would be owed by the member if Contractor had directly provided the services. (42 U.S.C. § 1396u-2(b)(6)(C).)

F. Hold Harmless.

1. Contractor acknowledges and agrees DHCS assumes no responsibility for the payment of Contractor for services performed pursuant to this Agreement.

County accepts sole responsibility for the payment of Contractor for services performed pursuant to this Agreement.

2. Contractor agrees to hold harmless both the State and members in the event County cannot or does not pay for services performed by Contractor pursuant to this Agreement.

2. **MAXIMUM CONTRACT AMOUNT.** The contract maximum shall consist of County, State, and/or Federal funds as shown in Exhibit B-1(s) and subject to the provisions in Section 1 (Payment for Services). Notwithstanding any other provision of this Agreement, in no event shall County pay Contractor more than this Maximum Contract Amount for Contractor's performance hereunder without a properly executed amendment.

The Maximum Contract Amount of this Agreement shall not exceed \$3,329,680 inclusive of:

A. Alcohol Drug Program Services. (Reserved)

B. Mental Health Services.

1. **\$3,329,680** in Mental Health funding, inclusive of \$1,664,840 for FY 2026-27, and \$1,664,840 for FY 2027-28.

3. **OPERATING BUDGET AND FEE FOR SERVICE RATES.**

A. Alcohol and Drug Program. (Reserved)

B. Mental Health Services.

1. **Fee-For-Service Rates.** For Medi-Cal services, County agrees to reimburse Contractor at a Negotiated Fee-For-Service rate (the "Negotiated Fee") during the term of this Agreement as specified in Exhibit B-1 and B-3 MHS. Specialty mental health services provided to Non-Medi-Cal members will be paid at the same rates. Reimbursement or payment under this provision is subject to the maximum amount specified in the Exhibit B-1 MHS for Medi-Cal and Non-Medi-Cal specialty mental health services.
2. To the extent that referrals from the County and other authorized referring agencies result in a final occupancy rate of less than 73% (7.3 of 10 available beds; 2,665 bed days) for the Crisis Residential Treatment program as identified in Exhibit A-4, the Director of the Department of Behavioral Wellness or designee may increase the daily bed rate up to a maximum of \$600/day, with total fee-for-service reimbursement subject to the amount specified in the Exhibit B-1 MHS for Medi-Cal Patient Revenue. To receive daily bed rate

increase, Contractor must be compliant with Exhibit A-4, Section 9.C (Exclusion Criteria).

3. Notwithstanding the foregoing, and at any time during the term of the Agreement, the Director of the Department of Behavioral Wellness or designee, in his or her sole discretion, may incorporate new codes, make fee-for-service rate changes to the Exhibit B-1 and B-3 MHS issued by the California Department of Health Care for County's operational reasons. Reimbursement remains subject to the contract maximum amount specified in the Exhibit B-1 and Exhibits B-3.
4. Additionally, the Behavioral Wellness Director or designee, in his or her sole discretion, may make rate changes to or otherwise update Exhibit B-1 and B-3 MHS for multi-year contracts annually. Any changes to Exhibit B-1 and B-3 MHS shall not alter the Maximum Contract Amount and shall not require an amendment to this Agreement but shall be in writing.

C. Operating Budget. For Non Medi-Cal Programs, Contractor shall provide County with an Operating Budget on a format acceptable to, or provided by County, based on costs of net of revenues as described in this Exhibit B-MHS, Section 5 (Accounting for Revenues). The approved Operating Budget shall be attached to this Agreement as Exhibit B2. County may disallow any expenses in excess of the adopted operating budget. Contractor shall request, in advance, approval from County for any budgetary changes. Indirect costs are limited to 15% of direct costs for each program and must be allocated in accordance with a cost allocation plan that adheres with OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. Pursuant to Behavioral Health Information Notice No: 24-047, Subrecipients of federal awards have the option to elect an indirect cost rate limited to either 15% of direct costs, federally negotiated indirect cost rate.

4. **BHSA MEMBER FLEXIBLE SUPPORT FUNDS.** For Medi-Cal Full Service Partnership (FSP) programs, Contractor will receive a funding allocation to provide members with flexible support for costs including but not limited to housing, items necessary for daily living, and therapeutical support. Contractor shall abide by requirements in Behavioral Wellness Policy and Procedure #19.007 *Flexible Spending Funds* for member flexible support costs. Contractor shall maintain documentation to support member flexible support costs and submit financial statements to County monthly in accordance with Exhibit B MHS, Section 7.B (Monthly Financial Statements) below.

5. **ACCOUNTING FOR REVENUES.**

A. Accounting for Revenues. Contractor shall comply with all County, State, and Federal requirements and procedures, including, but not limited to, those described in California Welfare and Institutions Code (WIC) Sections 5709, 5710 and 14710, relating to the:

1. Determination and collection of patient/member fees for services hereunder based on Uniform Method for Determining Ability to Pay (UMDAP);
2. Eligibility of patients/members for Medi-Cal, Medicare, private insurance, or other third party revenue, and
3. Collection, reporting and deduction of all patient/member and other revenue for patients/members receiving services hereunder.
4. For Non-Medi-Cal programs, grants, and any other revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor shall also be accounted for in the Operating Budget.

B. Internal Procedures.

1. Contractor shall maintain internal financial controls which adequately ensure proper billing and collection procedures. Contractor shall pursue payment from all potential sources in sequential order, with Medi-Cal as payor of last resort. All fees paid by or on behalf of patients/members receiving services under this Agreement shall be utilized by Contractor only for the delivery of service units specified in the Exhibit A(s) to this Agreement.
2. **ADP.** (Reserved)

6. REALLOCATION OF PROGRAM FUNDING.

A. Funding is limited by program to the amount specified in Exhibit B-1-ADP and/or MHS. Contractor cannot move funding between programs without explicit approval by Behavioral Wellness Director or designee. Contractor shall make written application to Behavioral Wellness Director or designee, in advance and no later than April 1 of each Fiscal Year, to reallocate funds as outlined in Exhibit B-1, ADP and/or MHS between programs, for the purpose of meeting specific program needs or for providing continuity of care to its members. Contractor's application shall include a narrative specifying the purpose of the request, the amount of said funds to be reallocated, and the sustaining impact of the reallocation as may be applicable to future years. The Behavioral Wellness Director's or designee decision of whether to allow the reallocation of funds shall be in writing to Contractor prior to implementation by Contractor. The Behavioral Wellness Director or designee also reserves the right to reallocate between

programs in the year-end settlement and will notify Contractor of any reallocation during the settlement process.

7. BILLING AND PAYMENT PROCEDURES AND LIMITATIONS.

A. Submission of Claims and Invoices.

1. Alcohol and Drug Program. (Reserved)

2. Mental Health Programs.

i. Submission of Claims for Medi-Cal Services. Services are to be entered into SmartCare based on timeframes prescribed in the Behavioral Wellness Clinical Documentation Manual. Late service data and claims may only be submitted in accordance with State and federal regulations. Behavioral Wellness shall provide to Contractor a report that: i) summarizes the Medi-Cal services approved to be claimed for the month, multiplied by the negotiated fee in effect at the time of service, ii) states the amount owed by County, and iii) includes the Agreement number.

a. Contractor agrees that it shall be solely liable and responsible for all data and information submitted to the County and submitted by the County to the State on behalf of Contractor.

b. If any services in the monthly Medi-Cal claim for the Contractor are denied by DHCS then these will be deducted from the subsequent monthly claim at the same value for which they were originally claimed. In the event that the State denies payment for services provided under this contract and such denial is later determined to be the result of inappropriate adjudication by the State, the County reserves the right to issue a credit to the Contractor for the denied services at the rates identified in Exhibit B-1 and B-2 MHS.

ii. Submission of Claims for Medicare Services.

a. Provider Enrollment. Contractors that provide service to members that are eligible for both Medicare and Medi-Cal (AKA Medi-Medi) shall have Medicare eligible practitioner types enrolled in the Medicare program. The following are Medicare eligible licensed practitioners that provide service to County programs in this Agreement and must be enrolled in the Medicare program: Marriage and Family Therapist, Clinical Psychologist, Clinical Social Worker, Professional Clinical Counselor, Nurse Practitioner, Physician Assistant, and Medical Doctor. If any of the Contractor's eligible licensed practitioners have

submitted a Medicare “Opt-Out” affidavit and are therefore opted-out of Medicare, these practitioners’ services cannot be billed to Medicare and are not billable to Medi-Cal. *Opted-Out Medicare eligible practitioners are therefore ineligible service providers for Medi-Medi members.*

- b. Medi-Medi.** The County won’t assume financial responsibility or reimburse for services provided to Medi-Medi members by ineligible service providers due to opting out of Medicare.
- c. Member Medicare Eligibility.** Contractor is responsible for identifying Medicare as a payor in the SmartCare EHR system. County only assumes financial responsibility for members that are dual eligible for Medicare and Medi-Cal. Services provided to members who have only Medicare, but not Medi-Cal are not eligible for reimbursement under this Agreement.
- d. Claims Adjudication.** For Medi-Medi member services, Contractor has the option to claim services to the Medicare fiscal intermediary directly or have the County process dual eligible claims on their behalf. If Contractor chooses to bill Medicare directly, Contractor is solely responsible to ensure proper Medicare registration and maintenance of such. Contractor shall notify Behavioral Wellness Fiscal within 30 days of the beginning of the contract term whether they want County to bill Medicare on their behalf. If the Contractor opts to bill the Medicare fiscal intermediary directly then they shall provide the County with Medicare claim(s) adjudication data which would allow the County to submit a crossover claim to the State Department of Health Care Services for the Medi-Cal adjudication and payment. If Contractor opts to bill Medicare directly then the claims adjudication data would be due monthly to Behavioral Wellness within 15 days following the close of each month.
- e. Submission of Claims for Medicare Services.** For Medi-Medi member services, services are to be entered into the SmartCare EHR system based on timeframes prescribed in the Behavioral Wellness Clinical Documentation Manual. Late service data and claims may only be submitted in accordance with State and federal regulations. Contractor agrees that it shall be solely liable and responsible for all data and information submitted to the County and submitted by the County to the State on behalf of Contractor.

f. Claims Processing and Payment. Services provided to members who are eligible for Medicare and Medi-Cal (Medi-Medi) will be claimed based on the guidelines outlined in the DHCS Billing Manual and Centers for Medicare & Medicaid Services (CMS) guidance. Contractor will be reimbursed for dual eligible members at the Medi-Cal fee-for-service rates in the Exhibit B-3 consistent with the payment terms for Medi-Cal approved services. The Medicare payment received by the County will be reported to DHCS within the subsequent Medi-Cal claim, thereby reducing the charge to Medi-Cal by the paid Medicare amount. County will issue a single payment for the service, at the fee-for-service rate in Exhibit B-2. Alternatively, if Contractor bills Medicare directly, then the Medicare payment received by the contractor must be offset from the fee-for-service rates paid by the County or remitted to the County. Services for members with Medicare coverage only (not Medi-Medi) shall not be entered into SmartCare EHR, nor processed or paid by County. The fee schedule in Exhibit B-3 is therefore not applicable for Medicare only members. The Contractor is therefore solely responsible to follow all CMS regulations and provisions that govern Medicare member deductibles, co-pays and payments for services.

iii. Submission of Claims for Non Medi-Cal Programs. Contractor shall submit a written invoice within 15 calendar days of the end of the month in which non-Medi-Cal services are delivered that: i) depicts the actual costs of providing the services less any applicable revenues, ii) states the amount owed by County, and iii) includes the Agreement number and signature of Contractor’s authorized representative. Invoices shall be delivered to the designated representative or address described in Section 7.A.1.i (Submission of Claims for Medi-Cal Services) of this Exhibit B ADP/MHS. Actual cost is the actual amount paid or incurred, including direct labor and costs supported by financial statements, time records, invoices, and receipts.

B. Timing of Payment. The Program Contract Maximums specified in Exhibit B-1-MHS and this Exhibit B ADP/MHS are intended to cover services during the entire term of the Agreement, unless otherwise specified in the Exhibit A(s) to this Agreement (such as time-limited or services tied to the school year). Under no circumstances shall Contractor cease services prior to June 30 due to an accelerated draw down of funds earlier in the Fiscal Year. Failure to provide

services during the entire term of the Agreement may be considered a breach of contract and subject to the Termination provisions specified in the Agreement.

1. The Behavioral Wellness Director or designee shall review the monthly claim(s) and invoices to confirm accuracy of the data submitted. County shall make payment for approved Medi-Cal claims within 30 calendar days of the generation of said claim(s) by County subject to the contractual limitations set forth in this Agreement and all exhibits hereto. Non-Medi-Cal programs will be paid within 30 days of the receipt of a complete invoice and all requested supporting documentation. Any fee-for-service Medi-Cal services that are not claimed during the fiscal year and require corrections and/or rebilling will be paid after Medi-Cal claiming for the period has concluded, which may be up to 12 months following the end of the fiscal year.

- E.** County will attempt to provide Contractor with timely notice of the loss of program authority, however, failure by County to provide notice of the loss of program authority shall not constitute a basis for Contractor to retain payments made for work performed following the date of the loss of program authority.

STANDARD

INDEMNIFICATION

AND

INSURANCE PROVISIONS

EXHIBIT C
INDEMNIFICATION AND INSURANCE REQUIREMENTS
(For Agreements Involving the Care/Supervision of Vulnerable Populations)

INDEMNIFICATION

CONTRACTOR agrees to indemnify, defend (with counsel reasonably approved by COUNTY) and hold harmless COUNTY and its officers, officials, employees, agents and volunteers from and against any and all claims, actions, losses, damages, judgments and/or liabilities arising out of this Agreement from any cause whatsoever, including the acts, errors or omissions of any person or entity and for any costs or expenses (including but not limited to attorneys' fees) incurred by COUNTY on account of any claim except where such indemnification is prohibited by law. CONTRACTOR's indemnification does not apply to COUNTY's gross negligence or willful misconduct.

NOTIFICATION OF ACCIDENTS AND SURVIVAL OF INDEMNIFICATION PROVISIONS

CONTRACTOR shall notify COUNTY immediately in the event of any accident or injury arising out of or in connection with this Agreement. The indemnification provisions in this Agreement shall survive any expiration or termination of this Agreement.

INSURANCE

As part of the consideration of this Agreement, CONTRACTOR shall procure and maintain for the duration of this Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by the CONTRACTOR, its agents, representatives, employees, volunteers, or subcontractors.

1. Minimum Scope of Insurance

Coverage shall be at least as broad as:

- A. Commercial General Liability (CGL):** Insurance Services Office (ISO) Form CG 00 01 covering CGL on an "occurrence" basis, including property damage, bodily injury and personal & advertising injury with limits no less than Two Million Dollars (\$2,000,000) per occurrence. If a general aggregate limit applies, either the aggregate limit shall apply separately to this project or location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.
- B. Automobile Liability:** ISO Form CA 00 01 covering any auto (Symbol 1), or if Vendor has no owned autos, hired (Symbol 8) and non-owned autos (Symbol 9), with limits no less than One Million Dollars (\$1,000,000) per accident for bodily injury and property damage.

- C. Sexual Abuse or Molestation (SAM) Liability:** If the work will include contact with minors or other vulnerable individuals, and the CGL policy referenced above is not endorsed to include affirmative coverage for sexual abuse or molestation, CONTRACTOR shall obtain and maintain a policy covering Sexual Abuse and Molestation with a limit no less than Two Million Dollars (\$2,000,000) per occurrence or claim.
- D. Workers' Compensation:** Insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limits no less than One Million Dollars (\$1,000,000) per accident for bodily injury or disease.
- E. Professional Liability Errors and Omissions):** Insurance appropriate to the Consultant's/CONTRACTOR's profession, with limit no less than Two Million Dollars (\$2,000,000) per occurrence or claim, Two Million Dollars (\$2,000,000) aggregate.

If the CONTRACTOR maintains broader coverage and/or higher limits than the minimums shown above, the COUNTY requires and shall be entitled to the broader coverage for and/or the higher limits maintained by the CONTRACTOR. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the COUNTY.

Self-Insured Retentions (SIRs) must be declared to and approved by the COUNTY. The COUNTY may require the CONTRACTOR to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the SIR may be satisfied by either the named insured or COUNTY.

2. Other Insurance Provisions

The applicable insurance policies are to contain, or be endorsed to contain, the following provisions:

- A. Additional Insured Status** – The COUNTY, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts or equipment furnished in connection with such work or operations.
- B. Primary Coverage** – For any claims related to this contract, the CONTRACTOR's insurance coverage shall be primary and non-contributory at least as broad as ISO CG 20 01 12 19 as respects the COUNTY, its officers, officials, employees, volunteers, and agents. Any insurance or self-insurance maintained by the

COUNTY, its officers, officials, employees, volunteers, and agents shall be excess of the CONTRACTOR's insurance and shall not contribute to it. This requirement shall also apply to any Excess or Umbrella liability policies.

C. Notice of Cancellation – Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the COUNTY.

D. Waiver of Subrogation Rights – CONTRACTOR hereby grants to COUNTY a waiver of any right to subrogation which any insurer of said CONTRACTOR may acquire against the COUNTY by virtue of the payment of any loss under such insurance. CONTRACTOR agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the COUNTY has received a waiver of subrogation endorsement from the insurer.

3. Claims Made Policies – If any of the required policies provide coverage on a claims-made basis:

A. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.

B. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work.

C. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the CONTRACTOR must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work.

4. Umbrella or Excess Policy - The CONTRACTOR may use Umbrella or Excess Policies to provide the liability limits as required in this agreement. The Umbrella or Excess policies shall be provided on a true “following form” or broader coverage basis, with coverage at least as broad as provided on the underlying CGL insurance.

5. Acceptability of Insurers – All insurance coverage shall be placed with insurers authorized to conduct business in the State of California with a current AM Best's rating of no less than A: VII. All other insurers require prior approval of the COUNTY.

6. Verification of Coverage – CONTRACTOR shall furnish the COUNTY with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language effecting coverage required by this clause) to the COUNTY before work begins. The COUNTY reserves the right to require complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by these specifications, at any time.

- A. Subcontractors** – CONTRACTOR shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and CONTRACTOR shall ensure that COUNTY is an additional insured on insurance required from subcontractors; provided, however that any medical provider subcontractors shall be required to carry professional liability insurance with limits of at least One Million Dollars (\$1,000,000) per occurrence or claim, Three Million Dollars (\$3,000,000) aggregate.
- 7. Special Risks or Circumstances** – COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances. Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. CONTRACTOR agrees to execute any such amendment within thirty (30) days of receipt.
- 8. Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, COUNTY has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to provide evidence of renewal may be treated by COUNTY as a material breach of contract.

Any failure, actual or alleged, on the part of COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of COUNTY.
