

**RESOLUTION OF THE SANTA BARBARA COUNTY
BOARD OF SUPERVISORS**

A RESOLUTION DECLARING THAT THE ALL SAINTS-BY-THE-SEA EPISCOPAL CHURCH, LOCATED AT 80 EUCALYPTUS LANE, MONTECITO, CALIFORNIA, ASSESSOR'S PARCEL NO. 009-333-011, MEETS THE ELIGIBILITY CRITERIA FOR A COUNTY HISTORIC LANDMARK AND IS WORTHY OF PROTECTION UNDER CHAPTER 18A OF THE SANTA BARBARA COUNTY CODE; AND DESIGNATION OF THE ALL SAINTS-BY-THE-SEA EPISCOPAL CHURCH AS COUNTY LANDMARK #55 PRESCRIBING CONDITIONS TO PROTECT AND PRESERVE IT

RESOLUTION No. 2024- 238

WHEREAS, the Santa Barbara County Board of Supervisors (hereinafter "Board") has considered the historical significance of the ALL SAINTS-BY-THE-SEA EPISCOPAL CHURCH located at 80 Eucalyptus Lane, Montecito, California, on Assessor's Parcel No. 009-333-011 and as shown on the legal description attached hereto as Exhibit A, in accordance with the requirements, standards, and criteria contained in County Code, Chapter 18A, and has determined that it is worthy of protection as a County Historic Landmark; and

WHEREAS, the Board finds that the ALL SAINTS-BY-THE-SEA EPISCOPAL CHURCH is historically significant because:

1. It was designed in 1900 by the renowned architect Arthur Burnett Benton, who was noted for his stylistic eclecticism that included commissions in the Mission Revival, Craftsman, and Gothic Revival styles; he was particularly acclaimed for his Mission Revival style hotel designs, including the Mission Inn in Riverside (1902), and his ecclesiastical projects, including the All Saints-by-the-Sea Episcopal Church, with its blend of Craftsman and Gothic Revival style elements; and
2. It is an exemplary rendering of early 20th century ecclesiastical architecture synthesizing Craftsman style motifs with Gothic Revival style-inspired elements; the structure's essential Craftsman aesthetic derives from its dressed sandstone masonry, wood shingles and beams, and front-gabled massing, while its Gothic Revival features, including its steeply-pitched roof, stained-glass windows, stone bell tower with battlements, and cross-braced gables, coalesce to convey the image of a rural Medieval English Gothic Revival church; and
3. It embodies elements demonstrating outstanding attention to design, detail and craftsmanship, such as its dressed stonework, hand-worked carpentry, stained glass windows, wrought metal fixtures, and wood shingle-sheathed exterior surfaces; and the carefully-executed array of design forms, including the multiple steeply-pitched gabled roofs, exposed chamfered beam ends, heavy wood facias and cross bracing, conical-roofed bay, and the dominant ornate bell tower, results in an outstanding example of early 20th-century picturesque architecture.

NOW, THEREFORE IT IS FOUND, DETERMINED AND RESOLVED as follows:

1. The ALL SAINTS-BY-THE-SEA EPISCOPAL CHURCH meets the eligibility requirements for a County Historic Landmark as described in County Code, Chapter 18A, Section 18A-3, and is worthy of protection.

2. The Santa Barbara County Board of Supervisors hereby designates the ALL SAINTS-BY-THE-SEA EPISCOPAL CHURCH as a County Historic Landmark, subject to the following conditions:
 - a. Except as set forth in subsection d. below, demolition, removal or destruction, partially or entirely, or willful negligence resulting in the loss of historic integrity, is prohibited unless an application has been submitted to the Historic Landmarks Advisory Commission and express consent in writing is first had and obtained from the Commission. Such consent may impose all reasonable conditions deemed appropriate by the Commission to accomplish the purposes of County Code, Chapter 18A.
 - b. Except as set forth in subsection d. below, no alterations, repairs, additions or changes (other than normal maintenance and repair) shall be made unless and until an application has been submitted to the Historic Landmarks Advisory Commission and all plans for such work have first been reviewed by the Commission and approved or modified, and reasonable conditions imposed as deemed necessary, and that all such work shall be done under the direction and control of the commission or other qualified persons designated by it.
 - c. The foregoing conditions shall not be imposed in such a way as to infringe upon the right of the owners of the ALL SAINTS-BY-THE-SEA EPISCOPAL CHURCH to make any and all reasonable uses of the property that are not in conflict with the purposes of County Code Chapter 18A.
 - d. The interior of the ALL SAINTS-BY-THE-SEA EPISCOPAL CHURCH is not subject to the foregoing conditions set forth in subsections a. and b.
