SUBJECT: 15 Minute Parking Zone on Madera Street in the Third Supervisorial District.

RECOMMENDATIONS: C.A. Recommendation: _____

That the Board of Supervisors adopt a resolution establishing a “15 Minute Parking” zone (7am-6pm) on Madera Street in the Santa Ynez Valley.

ALIGNMENT WITH BOARD STRATEGIC PLAN:

The recommendation is primarily aligned with Goal #2: Ensure the public health and safety and provide essential infrastructure.

EXECUTIVE SUMMARY & DISCUSSION:

Madera Street is an east-west arterial road in the Santa Ynez Valley. The segment of Madera Street that is the topic of this resolution is 31 feet wide with fronting businesses and residences along its north and south sides. A request was received from the owner of a drugstore business located on the south side of Madera Street east of Edison Street asking that a 15 minute parking zone (7am-6pm) be established due to a high turnover of customers who do not require all day parking. This zone will only affect one parking space.

The Public Works Department recommends a 15 minute parking zone for the following location:

On the south side of Madera Street from a point 257 feet east of the centerline of Edison Street to a point 277 feet east of the centerline of Edison Street.

MANDATES & SERVICE LEVELS:

No mandates or service levels are affected by this action.
