Ongoing Contracts and Grants

In order to efficiently manage the Board's agenda, a list of on-going grants and contracts, by department, will be presented at budget hearings with a recommendation that the Board approve, as a group, their renewal for FY 2017-18. This process is only for single year contracts, not multi-year agreements. To qualify for this process:

1. all contract terms and conditions, including contract scope of work, must remain unchanged from the prior contract, and
2. the value of the contract cannot change by more than 10% of the prior year

Ongoing contracts or grants in amounts that exceed 10% must be individually presented to the Board for approval. *If rates or units of service change, the contract may qualify for the on-going contracts process if these changes are clearly disclosed on the ongoing contract list.*
