17. Performance Reports

The Subrecipient must submit quarterly performance reports on the performance metrics identified by OVC, and in the manner required by OVC. This information on the activities supported by the award funding will assist in assessing the effects that VOCA Victim Assistance funds have had on services to crime victims within the jurisdiction.

18. Access to Records

The Subrecipient must authorize the Office for Victims of Crime (OVC) and/or the Office of the Chief Financial Officer (OCFO), and its representatives, access to and the right to examine all records, books, paper, or documents related to the VOCA grant.

19. All Subawards ("Subgrants") must have specific federal authorization

The Subrecipient must comply with all applicable requirements for authorization of any Subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "Subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any Subaward are posted on the OJP web site at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: All Subawards ("Subgrants") must have specific federal authorization), and are incorporated by reference here.

20. Unreasonable restrictions on competition under the award; association with federal government

This condition applies with respect to any procurement of property or services that is funded (in whole or in part) by this award regardless of the dollar amount of the purchase or acquisition, the method of procurement, or the nature of any legal instrument used.

a. No discrimination, in procurement transactions, against associates of the federal government

Consistent with the (DOJ) Part 200 Uniform Requirements -- including as set out at 2 C.F.R. 200.300 (requiring awards to be "manage[d] and administer[ed] in a manner so as to ensure that Federal funding is expended and associated programs are implemented in full accordance with U.S. statutory and public policy requirements") and 200.319(a) (generally requiring "[a]ll procurement transactions [to] be conducted in a manner providing full and open competition" and forbidding practices "restrictive of competition," such as "[p]lacing unreasonable

requirements on firms in order for them to qualify to do business" and taking "[a]ny arbitrary action in the procurement process" -- no Subrecipient may (in any procurement transaction) discriminate against any person or entity on the basis of such person or entity's status as an "associate of the federal government" (or on the basis of such person or entity's status as a parent, affiliate, or subsidiary of such an associate), except as expressly set out in 2 C.F.R. 200.319(a) or as specifically authorized by USDOJ.

b. Monitoring

The Subrecipient's monitoring responsibilities include monitoring of compliance with this condition.

c. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

d. Rules of construction

- 1) The term "associate of the federal government" means any person or entity engaged or employed (in the past or at present) by or on behalf of the federal government -- as an employee, contractor or subcontractor, grant Subrecipient or Subrecipient, agent, or otherwise -- in undertaking any work, project, or activity for or on behalf of (or in providing goods or services to or on behalf of) the federal government, and includes any applicant for such employment or engagement, and any person or entity committed by legal instrument to undertake any such work, project, or activity (or to provide such goods or services) in future.
- 2) Nothing in this condition shall be understood to authorize or require any Subrecipient or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

21. Determination of suitability to interact with participating minors

This condition applies to this award if it is indicated -- in the application for the award (as approved by DOJ, the DOJ funding announcement (solicitation), or an associated federal statute -- that a purpose of some or all of the activities to be carried out under the award is to benefit a set of individuals under 18 years of age.

The Subrecipient must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

The details of this requirement are posted on the OJP web site at <https://ojp.gov/funding/Explore/Interact-Minors.htm> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

22. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination – 28 C.F.R. Part 42

The Subrecipient must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

23. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 54

The Subrecipient must comply with all applicable requirements of 28 C.F.R. Part 54, which relates to nondiscrimination on the basis of sex in certain "education programs."

24. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The Subrecipient must comply with all applicable requirements of 28 C.F.R. Part 38 (as may be applicable from time to time), specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries.

Currently, among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38, currently, also sets out rules and requirements that pertain to

Subrecipient organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to Subrecipients and Subrecipients that are faith-based or religious organizations.

The text of 28 C.F.R. Part 38 is available via the Electronic Code of Federal Regulations (currently accessible at <https://www.ecfr.gov/cgi->

bin/ECFR?page=browse), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR "current" data.

25. Restrictions on "Lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the Subrecipient, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the Subrecipient to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, Subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a Subrecipient would or might fall within the scope of these prohibitions, the Subrecipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

26. Subgrant Award Report (SAR)

The Subrecipient must submit a SAR to OVC for each Subrecipient of the VOCA victim assistance funds, within ninety (90) days of awarding funds to the Subrecipient. Subrecipients must submit this information through the automated system.

27. Effect of Failure to Address Audit Issues

The Subrecipient understands and agrees that the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the Subrecipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this Grant Subaward), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

28. Additional DOJ Awarding Agency Requirements (2018, 2019, & 2020)

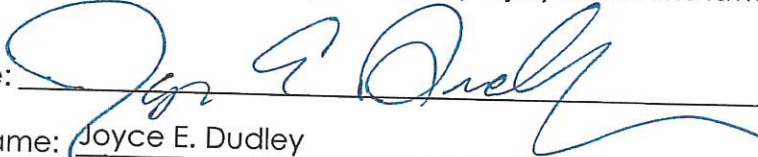

The Subrecipient agrees to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this award, if the Subrecipient is designated as "high- risk" for purposes of the DOJ high-risk grantee list.

29. Hiring Documents

The Subrecipient must keep, maintain, and preserve all documentation (such as Form I-9s or equivalents) regarding the eligibility of employees hired using the fund.

All appropriate documentation must be maintained on file by the Subrecipient and available for Cal OES or public scrutiny upon request. Failure to comply with these requirements may result in suspension of payments under the grant or termination of the grant or both and the Subrecipient may be ineligible for Subaward of any future grants if the Cal OES determines that any of the following has occurred: (1) the Subrecipient has made false certification, or (2) violates the certification by failing to carry out the requirements as noted above.

CERTIFICATION	
I, the official named below, am the same individual authorized to sign the Grant Subaward [Section 15 on Grant Subaward Face Sheet], and hereby swear that I am duly authorized legally to bind the contractor or grant Subrecipient to the above described certification. I am fully aware that this certification, executed on the date and in the county below, is made under penalty of perjury under the laws of the State of California.

Budget Narrative

The budget for the Elder Abuse Program incorporates the equivalent of salary and benefit costs totaling \$69,064 (salary) and \$38,365 (benefits) for one .80 FTE Victim Witness Program Advocate-II for the grant period and .225 Extra Help DDA. The Advocate has experience and familiarity with the criminal justice system and is knowledgeable of the elder/dependent adult population. She is a bilingual Spanish/English speaking advocate who meets the job specifications, which include an education in the social sciences or criminal justice and experience working with victims of crime. Additionally the candidate has experience with public speaking and outreach activities. The Advocate provides services countywide in each of the distinct areas, Santa Barbara, Santa Maria and Lompoc. She possesses knowledge of the community and its resources and has completed the required OES mandated advocate training which provides a framework for Advocacy work within a Victim-Witness Program including a thorough overview of Mandated and Optional Services. The Advocate is responsible for all direct provision of comprehensive Victim/Witness services.

The District Attorney's Office is fortunate to have access to a retired extra-help Deputy District Attorney who is an expert in Elder and Dependent Abuse Prosecution and can provide outreach and education in concert with the assigned advocate. This is an added benefit as this individual will provide outreach related to mandatory reporting, prosecutable crimes and act as a resource to law enforcement, the general public, adult protective services and

Subrecipient: Santa Barbara County Subaward #: XE20 03 0420

the long term care ombudsman. The attorney is assigned .225 FTE and guides law enforcement and adult protective services in successful investigation strategies and ultimately ensuring a successful prosecution. Her total salary is \$15,300, no benefits as she is an extra help retired employee. We do not anticipate any mid-year salary adjustments at this time.

An indirect cost, De Minimis, of 10% of personal and operating expenses is included in the operating budget @ \$10,743. This rate allocated to the operation of the administrative functioning of the grant. All other operating expenses are being absorbed by the District Attorney's Office.

Project Narrative

Plan

The Elder Abuse Program (XE) is the only program in the County designed to provide services to elderly and dependent adults who are victims of crime within the context of the criminal justice system. The Program Advocate extends services to *all* reported elder and dependent adult victims of crime. We also work with the Deaf and Hard of Hearing community service providers to access individuals fluent in American Sign Language.

The Victim/Witness Program staff continues to build upon our strong working relationships with local law enforcement and social service agencies, as well as with our internal District Attorney's Office staff. Relationships with both law enforcement and social service agencies are well developed given the Multi-disciplinary Team approach and established agreements for exchange of information. The Victim Witness Program Staff participates in several existing and functional multi-disciplinary teams including but not limited to: the Elder and Dependent Adult Abuse Prevention Council, the Elder Abuse Multi-Disciplinary Case Management Team (MDT), the Elder Death Review Team, The Financial Abuse Specialist Team (FAST) and the Sexual Assault Response Team. The District Attorney's Office originally instituted and facilitated the Elder Death Review Team (EDRT) but due to diminishing resources the meetings are facilitated by Adult Protective Services. Meetings are prompted by referrals from partner agencies; Sheriff's Department Coroner, Adult Protective Services, Ombudsman, Public

Subrecipient: Santa Barbara County Subaward #: XE20 03 0420

Guardian, and our own Victim Advocates. Meetings occur bi monthly and as needed, six times per year. The EDRT has case referral forms and procedures as well as Confidentiality agreements in place. The Elder Abuse Prevention Council of Santa Barbara County is facilitated by the director of the Area Agency on Aging and occurs 10 times per year. The Council goal is to coordinate and ensure outreach and awareness of elder and dependent adult abuse and coordinates an Elder Abuse educational annual conference which attracts 150 participants from the community, government and non-profit providers. The conference is on hold given COVID. The MDT Case Management Meetings are facilitated by Adult Protective Services and occur monthly. There are case referral procedures and confidentiality agreements in place. In conjunction with the MDT Meetings there are also Financial Abuse Specialist Team Meetings, by invitation by Adult Protective Services. These occur monthly and are attended by the Public Guardian, the Long Term Care Ombudsman, the relevant law enforcement agency personnel and adult protective services. The Sexual Assault Response Team holds monthly case management meetings to address adult and elder sexual assault cases. Meetings are attended by law enforcement, Rape Crisis, the District Attorney's Office assigned DDAs, Victim Witness Advocates and the Public Health Department. The SART partners and its meetings are guided by an MOU and facilitated the SART Coordinator who is a District Attorney employee. Lastly, there is a regularly occurring Central Coast Stop Scams Workgroup which convenes to discuss cyber scams targeting seniors. It is a resource meeting that

Subrecipient: Santa Barbara County Subaward #: XE20 03 0420

convenes agency and financial institutions from the Tri County Area including San Luis Obispo, Ventura and Santa Barbara Counties.

Our program responds to elder and dependent adult abuse. The District Attorney's Office Victim/Witness Program has referral procedures with each of the county law enforcement agencies which enable Advocates to contact reported victims of crime and provide comprehensive services in a timely fashion. As cases come to the District Attorney's Office for review, all relevant crime reports are electronically inputted by DA legal secretarial staff and forwarded to the Victim/Witness Program via our case management system. In addition, the County Sheriff's Department sends a computer listing of cases which may not be immediately forwarded to the District Attorney's Office due to a pending investigation or an unknown suspect. Further, the Detective Divisions of each of the local law enforcement agencies contact Victim/Witness Advocates directly when victim services are needed prior to a completed investigation or a filing consideration. Additional referrals come from a range of social service agencies which include but are not limited to *Adult Protective Services*, the Long Term Care Ombudsman, Tri-Counties Regional Centers, the Independent Living Resource Center, the *Legal Aid Foundation*, Rape Crisis Centers, and various non-profit organizations such as Legal Aid. Upon receipt of a referral or a law enforcement report, the Program Advocate will make phone contact with the victim and do an assessment to determine any immediate needs (i.e., food, shelter and safety concerns). If emergency legal assistance is necessary, the Advocate works with

Subrecipient: Santa Barbara County Subaward #: XE20 03 0420

the local Legal Aid Foundation Clinic or the Court's Legal Resource Center. Both entities are able to assist clients with navigating the civil restraining order process. In addition, Advocates work closely with the Courts to request a Criminal Protective Order in cases which warrant additional victim protections during the prosecution. To assist victims with material needs such as cash, housing, food and clothing expenses, the Victim/Witness Assistance Program maintains an Emergency Fund account, replenished through an annual fundraiser.

The Victim Advocate is bilingual and possesses experience working with victim populations. Our staff work closely with agencies such as the Independent Living Resource Center, Inc., which can provide additional assistance (such as individuals proficient in Braille and American Sign Language), for victims with visual or hearing impairment.

The Program Advocate works with the assigned DDA to schedule and conduct community presentations to the Senior and Dependent Adult population to provide information regarding available services offered by the Victim-Witness Assistance Program. An extra help part time retired Deputy District Attorney who specializes in Elder and Dependent Adult Abuse coordinates public outreach regarding mandated reporting and be a resource to the community and a liaison to law enforcement during the investigative phase of a case.

The Advocate participates on the Elder and Dependent Adult Abuse Prevention Council's Outreach sub-committee to strategize and conduct countywide outreach. The Advocate coordinates with LEON (Latino Elder

Subrecipient: Santa Barbara County Subaward #: XE20 03 0420

Outreach Network) to identify educational opportunities to the Spanish Speaking community. LEON normally meets on a monthly basis with various other agencies to strategize and coordinate efforts to educate and assist the Latino community with issues involving elder financial abuse. The Advocate also has been a guest on local Spanish Radio stations highlighting the services available through the program.

The Program works with a local radio station popular with seniors to do public service show called the Scam Squad whose goal will be to raise awareness, and increase the identification and reporting of elder/dependent abuse. Outreach campaigns with the same radio station yielded an up-tick in calls to our elder abuse advocate staff during a previously funded period.

Capabilities

The Victim Witness Assistance Program has been in existence since 1978. The current director has been managing the program since 1997. The program provides mandated and optional service in accordance with the Victim-Witness Program guidelines. The District Attorney's Office Victim Witness Program has a Joint Powers Contract with the Victim Compensation and Government Claims Board and the Advocates assist victims with application completion and submission to our in house claims specialist. The assigned advocate will provide an orientation to the criminal justice system before and during the court process including notification of victims' rights per Marsy' law. The Victim Witness Program has well-established relationships with victim service programs and makes referrals

Subrecipient: Santa Barbara County Subaward #: XE20 03 0420

to appropriate programs upon assessment of the victims' needs. We have long-term relationships with Adult Protective Services, the Long Term Care Ombudsman, the Public Guardian's Office and the Independent Living Resource Center which serves disabled adults in the county. We are a certifying agency for the Secretary of State's confidential address program as well as the Certifying Signing agency for UVISA requests from qualifying victims of crime. The District Attorney's Office Victim-Witness Assistance Program Director is the Countywide Administrator of the Sexual Assault Response Team. Elder and Dependent Adult Victims of Sexual Assault have access to forensic medical legal examinations 24/7 countywide.

The Victim Witness Assistance Program is program is ADA compliant. Our staff work closely with agencies such as the Independent Living Resource Center, Inc., which can provide additional assistance (such as individuals proficient in Braille and American Sign Language), for victims with visual or hearing impairment. When necessary, program staff access services for hearing impaired victims through Telephone Relay (TTY) translation services. We purchased a "Phonic Ear" (an assisted listening device for hearing impaired witnesses). Furthermore, Santa Barbara Superior Court has equipment to assist hearing impaired witnesses during court proceedings. The Victim/Witness Program has developed collaborative relationships with numerous agencies serving the disabled community, including Alpha Resource Center and the Tri-Counties Regional Center, which provide services for persons with developmental

Subrecipient: Santa Barbara County Subaward #: XE20 03 0420

disabilities and their families. (Deaf Technologies) Our offices are handicapped accessible and we have wheelchairs available in each of our area offices.

The Victim-Witness Assistance Program maintains a list of qualified mental health professionals. A database is maintained and includes qualified licensed professionals with a specialty working with elders, dependent adults and the hearing impaired. The program also refers to Rape Crisis Centers and Domestic Violence Solutions in instances of sexual abuse and domestic violence respectively. Clinicians and rape crisis centers maintain confidentiality. As needed, Advocates refer to a minimum of 3 mental health professionals and an agency equipped to meet the special needs of a victim. In addition, the Victim Witness Assistance Program and designated program advocate refers victims to the County Department of Behavioral Wellness to identify qualified clinicians and provide mental health services to the elder and disabled population.

The program will have ready access to volunteers from Santa Barbara City College, UC Santa Barbara, Allan Hancock College and Santa Barbara College of Law. Typically volunteers have been assigned to a project an average of 20 hours per month. Our volunteers primarily contact Elder and Dependent Adults who have been victims of property related crimes or non-violent misdemeanors. Our office receives a monthly list from local law enforcement consisting of contact information for all victims over the age of 65 when a suspect has not been identified or arrested. The volunteers make telephone contact with each of these victims to determine if services are needed. The volunteers document their time

Subrecipient: Santa Barbara County Subaward #: XE20 03 0420

on Volunteer Time Sheets which are completed and submitted to the supervisor on a monthly basis.

The Victim/Witness Program Director will monitor activities and objectives to ensure successful implementation of the grant. The Program Director will also maintain overall responsibility for the volunteer recruitment and training process. The Program Advocate will work directly with volunteers, utilizing their assistance to enhance direct victim services. The Program Director will be responsible for grant reporting and statistical data. The District Attorney's Office Administrative Director will supervise the financial aspects of the grant and keep the Program Director apprised of fiscal issues.

The advocate will be assigned solely to the provision of direct services and outreach to elder victims of crime in Santa Barbara County. The advocate will provide mandatory and optional services to victims of abuse, including but not limited to transportation assistance, creditor intervention, emergency financial assistance and referrals to legal resource services. Advocates will provide transportation assistance to elders and dependent adults who otherwise are socially isolated or unable to readily access other means of transport.

The Program Advocate will contact victims of crime within 48 hours of referral from social service agency, law enforcement or medical facility. The program will have a bilingual and bicultural advocate who is equipped to respond to victims needs within 24 hours of the time the referral is received. As necessary the Advocate will meet with victims in their home to provide timely and

Subrecipient: Santa Barbara County Subaward #: XE20 03 0420

necessary supportive services particularly to those who may lack a telephone, are too traumatized to leave their residence, have restricted mobility or are experiencing other problems which prevent them from leaving the home. The Advocate can provide emergency assistance which may include financial assistance for transportation, shelter, food and other material items as needed through the existing Victim Witness Assistance Emergency Fund. The Santa Barbara County Victim Witness Program has a contract with the Victim Compensation and Government Claims Board to process Emergency awards for relocation at the local level. The Advocate will assist with strategies including facilitating criminal protective orders granted in criminal court. Upon request of the victim advocate the court will order that the defendant not have any contact with the victim of crime. These orders can be requested immediately following case filing by the District Attorney's Office and at the time of arraignment. The Advocate will maintain a resource list of attorneys willing to assist elder clients in the civil arena, including restraining order assistance and confer and refer to the Legal Aid Foundation for assistance as needed. The Advocate will provide court support and accompaniment to elder victims seeking a restraining order.

The Program Advocate will take special care to provide services to financial exploitation cases. Advocates can receive referrals during or before the investigation is initiated through self-referral or an agency referral. During this early phase the Advocate acts as a liaison with the assigned detective and assist to track victim losses and restitution. Complex financial abuse cases are referred to

Subrecipient: Santa Barbara County Subaward #: XE20 03 0420

the FAST team facilitated by Adult Protective Services who engages financial experts including the Public Guardian, the Department of Insurance Investigator (Annuity Fraud Cases) and Financial Planners and Estate Attorneys. The Advocate tracks the case until and if there is a criminal filing and ensure that the victim receives regular case updates and court support as the case moves through the court process. Additionally the District Attorney's Office has a contract with the Victim Compensation and Government Claims Board for a Restitution Paralegal/Specialist who can assist to secure restitution in complex financial abuse cases. The local Victim Witness Program receives referrals from the FBI Victim Specialist to provide local support, resource and referral and crisis counseling to victims of financial exploitation handled in the Federal Courts. The Advocate can act as a local support for victims who need resources and referrals including referrals to civil legal assistance.

The Victim-Witness Program cases and services are tracked in a database and are reported quarterly. The Program will track the number of victims identified for service before and after program implementation for a baseline. The Program Director can also access DA case statistics to determine if the efforts employed by program outreach impact the numbers of referrals for filing consideration. Multi-disciplinary participation will be tracked via sign in sheets and meeting minutes. The Advocate will track the number of meetings attended and number of agencies represented at each multi-disciplinary meetings.

Dear Mr. Ghilarducci,

The Elder and Dependent Adult Abuse Prevention Council (Council) of Santa Barbara County voted at its February 3, 2016 meeting to send a letter of commitment in regard to the application to the Governor's Office of Emergency Services for the Elder Abuse program from the Santa Barbara County District Attorney's Office Victim-Witness Assistance Program.

The Council strongly supports these efforts to expand the multidisciplinary community response to elder and dependent adult abuse. We recognize that the purpose of the program is to collaborate and bridge the gap between elder justice service providers and victim service providers to best meet the needs of elders and dependent adults.

Specifically we support the efforts of the District Attorney's Office Victim-Witness Assistance Program and will collaborate to provide effective case management and coordination for victims served under the Elder Abuse Program. To this end we will continue to actively participate in the local multidisciplinary team meetings including: MDT, Elder Death Review, Elder Abuse Prevention Council and FAST Team.

Additionally, the Council will coordinate to ensure that the outreach and awareness program for victims and mandated reporters integrates with the 'Stand Up Against Elder Abuse' campaign. During its thirty five years of activity, the Council has worked successfully to expand community awareness of elder and dependent adult abuse.

Please consider this as a strong commitment for the Application for Funding and implementation.

Sincerely,

Joyce Ellen Lippman
Council Facilitator

VICTIMS OF CRIME ACT (VOCA) VICTIM ASSISTANCE FORMULA GRANT PROGRAM
MATCH WAIVER REQUEST

Cal OES Subrecipients may request a partial or full match waiver. Approval is dependent on a compelling justification. To request a partial or full match waiver, the Subrecipient must complete the following:

1. VOCA Victim Assistance Formula Grant Program Award Number: 2018-V2-GX-0029
2. Cal OES Subaward Number: XE20 03 0420
3. Subrecipient's Name: Santa Barbara County
4. Grant Subaward Performance Period 01/01/2021 through 12/31/2021
5. VOCA Victim Assistance Funds Awarded: \$ 59,086
6. Amount of Cash Match Proposed (post-Match Waiver): \$ 0
7. Amount of In-kind Match Proposed (post-Match Waiver): \$ 0
8. Total Amount of Match Proposed (sum of #6 and #7): \$ 0
9. Briefly summarize the services provided:

In Santa Barbara County, 40% of local senior citizens are economically insecure. This insecurity makes seniors more vulnerable to victimization, financial schemes and unhealthy relationships with those who may take advantage of them. Out of concern for the vulnerability of seniors, the District Attorney's Office created the Elder/Dependent Adult Abuse Program. The Elder Abuse Program (XE) will be the only program in the County that will provide services to elderly and dependent adults who are victims of crime within the context of the criminal justice system.

10. Describe practical and/or logistical obstacles to providing match:

We are not using volunteers for our in-kind match waiver because volunteer recruitment and retention has been unreliable. Volunteer hours have been sporadic, and cannot be relied upon for a stable in-kind match. The VOCA match requirements create a burden upon the proposed Victim/Witness Assistance Program that hinders our ability to provide critical victim services. Failure to meet this requirement puts our program and its valuable services to victims at risk.

11. Describe any local resource constraints to providing match:

We would like to request a match waiver due to the impact of the covid-19 pandemic upon the District Attorney's department budget in an already difficult financial environment. We respectfully request a waiver of the match requirement in order to mitigate additional personnel impacts on our department budget.
