Summary Text:

The Alcohol, Drug, and Mental Health Services (ADMHS) Department received state grant funding authorized through SB 82 (2013) to assist with expansion of the County's Crisis Services and Triage System. Currently, the County has one crisis respite residential program in Santa Maria while the Southern Santa Barbara County has no such program. ADMHS initiated a Request for Proposal (RFP) for crisis respite residential services in both communities. Anka Behavioral Health, Inc. (Anka) won the RFP bid to provide mental health services to adults in both the North and South Counties. Approval of

the recommended actions with allow ADMHS to continue to provide mandated mental health services to North County and provide additional mental health services to South County.

Background:

ADMHS is invested in a coordinated system and continuum of care for adults experiencing psychiatric crisis. As the ADMHS Department continues to transform its service systems, ADMHS is working with community partners to: enhance behavioral health services for individuals in crisis, support alternatives to acute psychiatric hospitalization needs, allow for crisis stabilization in the least restrictive setting possible and, through the support of peers, reduce the use of medical emergency rooms, reduce recidivism of acute crisis and hospitalizations, and reduce incarcerations.

Anka Behavioral Health, Inc. (Anka) is currently partnered with multiple California counties, regional centers, and mental health organizations to provide recovery-based services community. Anka currently operates 75 behavioral health programs, providing services to over 15,500 men, women, transitional aged youth, children, and their families per year.

Anka will be expected to operate the 12-bed Crisis Respite Residential House in Santa Maria and the newly renovated 8-bed Crisis Respite Residential House in Santa Barbara. A Crisis Respite Residential House is a safe and therapeutic environment where residents will be assisted to: stabilize the symptoms of mental illness and co-occurring conditions; gain skills to manage his or her condition more effectively; make progress on the path to personal recovery; and engage community supports that will enable him or her to leave the facility, participate fully in necessary follow-up treatment, and improve networks of supports for community life, including linkage to community services.

This program will provide crisis respite and intervention services, and will also provide individuals connections with ongoing services and supports. The services will be provided 24 hours per day, 7 days per week and 365 days per year. Services will be provided to adults in crisis due to mental health or co-occurring substance abuse conditions. The facility will be voluntarily accessed by clients who are motivated to obtain help to recover from their current crisis situations and want to learn skills and access community resources to prevent further crisis situations. Residential stays will also be used as “transitional” experiences for patients re-entering the community from higher levels of care, such as inpatient stay, to reduce the potential for re-hospitalizations.

The targeted start date for each facility is July 1, 2015.

Performance Measure:

Specific, measureable targets for performance were developed by ADMHS and Anka based on the requirements of the SB 82 state grant, and are included as Attachment E to the contract. ADMHS will continue to work with Anka to refine and develop meaningful performance targets in FY 15-16 as part of the ongoing ADMHS system redesign.

Fiscal and Facilities Impacts:

Budgeted: Yes

Fiscal Analysis:

Funding Sources	FY 15-16	FY 16-17	Total One-Time Project Cost
General Fund			
State	\$ 1,295,929.00	\$ 1,295,929.00	
Federal	\$ 595,938.00	\$ 595,938.00	
Fees			
Other:			
Total	\$ 1,891,867.00	\$ 1,891,867.00	\$ -

Narrative:

The above referenced contract is funded by State and Federal funds. The funding sources are included in the FY 2015-16 Proposed Budget.

Key Contract Risks:

As with any contract funded by State and Federal sources, there is a risk of future audit disallowances and repayments. The dollars ADMHS collects from the Centers for Medicare and Medicaid Services (CMS) via the State for specialty mental health services provided to Medi-Cal beneficiaries are subject to a complex and lengthy cost settlement process. ADMHS is required to submit an annual cost report which reports all costs associated with providing mental health services for a given Fiscal Year (actual cost). The actual cost is one component that the State reviews when it performs its “cost settlement” process. In this process, the State settles to the lower of actual cost or Published Charges, which are the fees charged to the general public (as adopted by the contractor’s Board of Directors). The cost settlement process results in a preliminary settlement, which typically takes place two years after the close of Fiscal Year; however, the settlement, which typically takes place two years after the close of a Fiscal Year; however, the settlement process is not complete until the State completes the final audit. State audits for Medi-Cal funds for specialty mental health services typically occur five years after the end of the fiscal year being audited. To address these risks and to minimize settlement amounts with contract providers, ADMHS calculates rates for Medi-Cal services provided by organizational providers on a quarterly basis. Regular reports to contractors on unclaimed and denied units allow providers to correct errors and maximize Medi-Cal penetration rates. Even with these measures, there is the risk that the State will disallow units of service or determine costs to be non-allowable, resulting in repayment. ADMHS contracts include language requiring contractors to repay any amounts disallowed in audit findings, minimizing financial risks to County.

Anka has begun application for licensure and is awaiting state inspection. Provisions are being taken to ensure that current operations in the North facility would continue if necessary, to prevent a gap in services should licenses not be obtained in time.

17. NONEXCLUSIVE AGREEMENT

COUNTY and CONTRACTOR understand that this is not an exclusive Agreement and that each party shall have the right to negotiate with and enter into separate contracts for the same or similar services with others.

18. NON-ASSIGNMENT

CONTRACTOR shall not assign, transfer or subcontract this Agreement or any of its rights or obligations under this Agreement without the prior written consent of COUNTY and any attempt to so assign, subcontract or transfer without such consent shall be void and without legal effect and shall constitute grounds for termination.

19. TERMINATION

- A. By COUNTY. COUNTY may, by written notice to CONTRACTOR, terminate this Agreement in whole or in part at any time, whether for COUNTY's convenience, for non-appropriation of funds, or because of the failure of CONTRACTOR to fulfill the obligations herein.
1. **For Convenience.** COUNTY may terminate this Agreement in whole or in part upon thirty (30) days written notice. During the thirty (30) day period, CONTRACTOR shall, as directed by COUNTY, wind down and cease its services as quickly and efficiently as reasonably possible, without performing unnecessary services or activities and by minimizing negative effects on COUNTY from such winding down and cessation of services.  2. **For Non-appropriation of Funds**
 - A. The parties acknowledge and agree that this Agreement is dependent upon the availability of State, and/or federal funding. If funding to make payments in accordance with the provisions of this Agreement is not forthcoming from the State and/or federal governments for the Agreement, or is not allocated or allotted to COUNTY by State and/or federal governments for this Agreement for periodic payment in the current or any future fiscal period, then the obligations of COUNTY to make payments after the effective date of

AGREEMENT

such non-allocation or non-funding, as provided in the notice, will cease and terminate.

If such funding is reduced, COUNTY in its sole discretion shall determine which aspects of the Agreement shall proceed and which Services shall be performed. In these situations, COUNTY will pay CONTRACTOR for Services and Deliverables and certain of its costs. Any obligation to pay by County will not extend beyond the end of County's then-current funding period.
- C. CONTRACTOR expressly agrees that no penalty or damages shall be applied to, or shall accrue to, COUNTY in the event that the necessary funding to pay under the terms of this Agreement is not available, not allocated, not allotted, delayed or reduced.

3. For Cause. Should CONTRACTOR default in the performance of this Agreement or materially breach any of its provisions and CONTRACTOR fails to cure said default or breach within five (5) business days from receipt of written notice from COUNTY, COUNTY may, at COUNTY's sole option, terminate or suspend this Agreement in whole or in part by written notice. This cure provision does not apply to a fraudulent act or omission committed by CONTRACTOR. Upon receipt of notice of termination, CONTRACTOR shall immediately discontinue all services affected (unless the notice directs otherwise) and notify COUNTY as to the status of its performance. The date of termination shall be the date the notice is received by CONTRACTOR, unless the notice directs otherwise.

- B. **By CONTRACTOR.** Should COUNTY fail to pay CONTRACTOR all or any part of the payment set forth in EXHIBIT B, CONTRACTOR may, at CONTRACTOR's option terminate this Agreement if such failure is not remedied by COUNTY within thirty (30) days of written notice to COUNTY of such late payment.

Upon termination, CONTRACTOR shall deliver to COUNTY all data, estimates, graphs, summaries, reports, and all other property, records, documents or papers as may have been accumulated or produced by CONTRACTOR in performing this Agreement, whether completed or in process, except such items as COUNTY may, by written permission, permit CONTRACTOR to retain. Notwithstanding any other payment provision of this Agreement, COUNTY is liable for CONTRACTOR's costs incurred and services performed in good faith at COUNTY's direction, until CONTRACTOR's business operations for COUNTY have ceased. In no event shall CONTRACTOR be paid an amount in excess of the full price under this Agreement nor for profit on unperformed portions of service. CONTRACTOR shall furnish to COUNTY such financial information as in the judgment of COUNTY is necessary to determine the reasonable value of the services rendered by CONTRACTOR.

CONTRACTOR shall review the report and indicate concurrence that the report will be the basis for CONTRACTOR's provisional payment for the month. CONTRACTOR shall indicate concurrence within two (2) business days electronically to the COUNTY designated representative or to:

admhsfinancecbo@co.santa-barbara.ca.us
Santa Barbara COUNTY Alcohol, Drug, and Mental Health Services

Invoices shall be delivered to the designated representative or address described in Section VI.A.1 of this Exhibit B MH. Actual cost is the actual amount paid or incurred, including direct labor and costs supported by financial statements, time records, invoices, and receipts.

EXHIBIT B

3. The Program Contract Maximums specified in Exhibit B-1-MH and this Exhibit B are intended to cover services during the entire term of the Agreement, unless otherwise specified in the Exhibit A(s) MH to this Agreement (such as time-limited or services tied to the school year). Under no circumstances shall CONTRACTOR cease services prior to June 30 due to an accelerated draw down of funds earlier in the Fiscal Year. Failure to provide services during the entire term of the Agreement may be considered a breach of contract and subject to the Termination provisions specified in the Agreement.

The Director or designee shall review the monthly claim(s) and invoices to confirm accuracy of the data submitted. COUNTY shall make provisional payment for approved claims within thirty (30) calendar days of the receipt of said claim(s) and invoice by COUNTY subject to the contractual limitations set forth in this Agreement and all exhibits hereto.

B. Monthly Financial Statements. Within 15 calendar days of the end of the month in which services are delivered, CONTRACTOR shall submit monthly financial statements reflecting the previous month's and cumulative year to date direct and indirect costs and other applicable revenues for CONTRACTOR's programs described in the Exhibit A(s). If a program has both Medi-Cal billable costs and Non-Medi-Cal billable costs, CONTRACTOR shall separately identify Non-Medi-Cal billable costs on their financial statements.

C. Withholding of Payment for Non-submission of Service Data and Other Information. If any required service data, invoice, financial statement or report is not submitted by CONTRACTOR to COUNTY within the time limits described in this Agreement or if any such information is incomplete, incorrect, or is not completed in accordance with the requirements of this Agreement, then payment shall be withheld until COUNTY is in receipt of complete and correct data and such data has been reviewed and approved by Director or designee. Director or designee shall review such submitted service data within sixty (60) calendar days of receipt.

D. Withholding of Payment for Unsatisfactory Clinical Documentation. Director or designee shall have the option to deny payment for services when documentation of clinical services does not meet minimum Federal, State and COUNTY written standards.

E. Claims Submission Restrictions.

1. 12-Month Billing Limit. Unless otherwise determined by State or federal regulations (e.g. Medi-Medi cross-over), all original (or initial) claims for eligible individual persons under this Agreement must be received by COUNTY within 12 months from the month of service to avoid denial for late billing.
2. No Payment for Services Provided Following Expiration/ Termination of Agreement. CONTRACTOR shall have no claim against COUNTY for payment of any funds or reimbursement, of any kind whatsoever, for any service provided by CONTRACTOR after the expiration or other termination of this Agreement. Should CONTRACTOR receive any such payment, it shall immediately notify COUNTY and shall immediately repay all such funds to COUNTY. Payment by COUNTY for services rendered after expiration/termination of this Agreement shall not constitute a waiver of COUNTY's right to recover such payment from CONTRACTOR. This provision shall survive the expiration or other termination of this Agreement.

EXHIBIT B

- F. Claims Certification and Program Integrity. CONTRACTOR shall certify that all UOS entered by CONTRACTOR into MIS for any payor sources covered by this Agreement are true and accurate to the best of CONTRACTOR's knowledge.
- G. Overpayments: Any overpayments of contractual amounts must be returned via direct payment within 30 days to the COUNTY. COUNTY may withhold amounts from future payments due to CONTRACTOR under this Agreement or any subsequent agreement if CONTRACTOR fails to make direct payment within required timeframe.

- A. Submission of Cost Report. Within three weeks of the release of the cost report template by the Department of Health Care Services (DHCS) but no sooner than 30 days after the end of the fiscal year, CONTRACTOR shall provide COUNTY with an accurate and complete Annual Cost Report (original cost report) with a statement of expenses and revenue and other supporting schedules for the applicable prior fiscal year. The Annual Cost Report shall be prepared by CONTRACTOR in accordance with all applicable Federal, State and COUNTY requirements and generally accepted accounting principles. CONTRACTOR shall allocate direct and indirect costs to and between programs, cost centers, services, and funding sources in accordance with such requirements and consistent with prudent business practice. All revenues received by CONTRACTOR shall be reported in its annual Cost Report, and shall be used to offset gross cost. CONTRACTOR shall maintain source documentation to support the claimed costs, revenues and allocations which shall be available at any time to Director or Designee upon reasonable notice. A final (reconciled) cost report is also due approximately 1-2 years after submission of the original cost report. The specific deadline for the final cost report is determined by the State. CONTRACTOR shall submit a final (reconciled) cost report within three weeks of the COUNTY's formal request.
- B. Cost Report to be Used for Settlement. The Cost Report shall be the financial and statistical report submitted by CONTRACTOR to COUNTY, and shall serve as the basis for settlement with CONTRACTOR as set forth in Section VIII (Pre-audit Cost Report Settlements) below. CONTRACTOR shall document that costs are reasonable and allowable and directly or indirectly related to the services to be provided hereunder.
- C. Penalties. Failure of CONTRACTOR to submit accurate and complete Annual Cost Report(s) within 45 days after the due date set in Section VII.A above or the expiration or termination date of this Agreement may result in:
 - 1. A Late Penalty of ONE HUNDRED DOLLARS (\$100) for each day that the accurate and complete Annual Cost Report(s) is (are) not submitted. The Late Penalty shall be assessed separately on each outstanding Annual Cost Report. The Late Penalty shall commence on the forty-sixth (46th) day after the deadline or the expiration or termination date of this Agreement. The late fee will be invoiced separately or deducted from future payments due to CONTRACTOR under this Agreement or a subsequent agreement.
 - 2. In the event that CONTRACTOR does not submit accurate and complete Annual Cost Report(s) by the one-hundred and fifth (105th) day after the due date set in Section VII.A or the expiration or termination date of this Agreement, then all amounts paid by COUNTY to CONTRACTOR in the Fiscal Year for which the

EXHIBIT B

Annual Cost Report(s) is (are) outstanding shall be repaid by CONTRACTOR to COUNTY. Further, COUNTY may terminate any current contracts entered into with CONTRACTOR for programs covered by the outstanding Annual Cost Reports.

- E. Single Audit Report: If CONTRACTOR is required to perform a single audit and/or program specific audit, per the requirements of OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements of Federal Awards, CONTRACTOR shall submit a copy of such single audit to COUNTY within thirty (30) days of receipt.

VIII. PRE-AUDIT COST REPORT SETTLEMENTS.

- A. Pre-audit Cost Report Settlements. Based on the original and final/reconciled Annual Cost Report(s) submitted pursuant to this Exhibit B MH Section VII (Cost Reports) and State approved UOS, at the end of each Fiscal Year or portion thereof that this Agreement is in effect, the COUNTY will perform pre-audit cost report settlement(s). Such settlements will be subject to the terms and conditions of this Agreement and any other applicable State and/or Federal statutes, regulations, policies and procedures, or requirements pertaining to cost reporting and settlements for applicable Federal and/or State programs. In no event shall the settlement exceed the maximum amount of this agreement. Settlement for services shall be adjusted to the lower of:

- C. Payment. In the event that CONTRACTOR adjustments based on any of the above methods indicate an amount due the COUNTY, CONTRACTOR shall pay COUNTY by direct payment within thirty (30) days or from deductions or withholding of future payments due to CONTRACTOR under this Agreement or a subsequent agreement, if any, at the sole discretion of the Director.

IX. AUDITS, AUDIT APPEALS AND POST-AUDIT MEDI-CAL FINAL SETTLEMENT:

In the case of a State Medi-Cal audit, the State and COUNTY will perform a post-audit Medi-Cal settlement that is based on State audit findings. Such settlement will take place when the State initiates its settlement action which customarily is after the issuance of the audit report by the State and before the State's audit appeal process.
- C. Invoice for Amounts Due. COUNTY shall issue an invoice to CONTRACTOR for any amount due to the COUNTY after the Responsible Auditing Party issues an audit report. The amount on the COUNTY invoice is due by CONTRACTOR to COUNTY thirty (30) calendar days from the date of the invoice. However, if the Responsible Auditing Party stays its collection of any amounts due or payable because of the audit findings, COUNTY will also stay its settlement of the same amounts due or payable until the Responsible Auditing Party initiates its settlement action with COUNTY.
- D. Appeal. CONTRACTOR may appeal any such audit findings in accordance with the audit appeal process established by the Responsible Auditing Party performing the audit.

2. **Automobile Liability:** ISO Form Number CA 00 01 covering any auto (Code 1), or if CONTRACTOR has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limit no less than \$1,000,000 per accident for bodily injury and property damage.

Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the COUNTY.

B. Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured** – COUNTY, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the CONTRACTOR's insurance at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10 and CG 20 37 if a later edition is used).
2. **Primary Coverage** – For any claims related to this Agreement, the CONTRACTOR's insurance coverage shall be primary insurance as respects the COUNTY, its officers, officials, employees, agents and volunteers. Any insurance or self-insurance maintained by the COUNTY, its officers, officials, employees, agents or volunteers shall be excess of the CONTRACTOR's insurance and shall not contribute with it.
3. **Notice of Cancellation** – Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the COUNTY.
4. **Waiver of Subrogation Rights** – CONTRACTOR hereby grants to COUNTY a waiver of any right to subrogation which any insurer of said CONTRACTOR may acquire against the COUNTY by virtue of the payment of any loss under such insurance. CONTRACTOR agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the COUNTY has received a waiver of subrogation endorsement from the insurer.
5. **Deductibles and Self-Insured Retention** – Any deductibles or self-insured retentions must be declared to and approved by the COUNTY. The COUNTY may require the CONTRACTOR to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
6. **Acceptability of Insurers** – Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best's Insurance Guide rating of "A- VII".
7. **Verification of Coverage** – CONTRACTOR shall furnish the COUNTY with proof of insurance, original certificates and amendatory endorsements as required by this Agreement. The proof of insurance, certificates and endorsements are to be received and approved by the COUNTY before work commences. However, failure

EXHIBIT C

to obtain the required documents prior to the work beginning shall not waive the CONTRACTOR's obligation to provide them. The CONTRACTOR shall furnish evidence of renewal of coverage throughout the term of the Agreement. The COUNTY reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

8. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, COUNTY has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to provide evidence of renewal may be treated by COUNTY as a material breach of contract.
9. **Subcontractors** – CONTRACTOR shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and CONTRACTOR shall ensure that COUNTY is an additional insured on insurance required from subcontractors.
10. **Claims Made Policies** – If any of the required policies provide coverage on a claims-made basis:
 - i. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
 - ii. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work.
 - iii. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the CONTRACTOR must purchase "extended reporting" coverage for a minimum of five (5) years after completion of contract work.
11. **Special Risks or Circumstances** – COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. CONTRACTOR agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements will not be deemed as a waiver of any rights on the part of COUNTY
