SUBJECT: City of Santa Maria Community Development Block Grant

Recommendation(s):

That the Board of Supervisors:

- a. Execute the attached contract between the City of Santa Maria and Santa Barbara County for the County to provide shelter services for youth in the amount of \$14,000 for fiscal year 2002-03.

Alignment with Board Strategic Plan:

The recommendation(s) are primarily aligned with Goal No. 2. A Safe and Healthy Community in Which to Live, Work, and Visit and Goal No. 7. A Community that Fosters the Safety and Well-Being of Families and Children.

Executive Summary and Discussion:

The City of Santa Maria has granted the Probation Department \$14,000 in Community Development Block Grant (CDBG) funds for the 2002-03 fiscal year as partial payment for shelter care for runaway youth in Santa Maria. This \$14,000 will offset part of the cost for the Aspira Foster Family Agency, which provides shelter care under contract to the County.

In 1999, 2000, and 2001 your Board approved acceptance of CDBG funds from the City of Santa Maria to assist in funding the North County Youth Shelter Program (NCYS). We were awarded \$16,200 for fiscal year 99-00, \$14,000 for 00-01, \$14,000 for 01-02, and \$14,000 for FY 02-03. The Probation Department funds the remaining approximately \$97,000 cost of the program. The Probation Department is again requesting that you execute a contract for \$14,000 in CDBG funds with the City of Santa Maria for FY 2002-03.

As has been shared with your Board previously, the NCYS program was initiated in October of 1998 to replace the youth shelter care program services being provided by Services for Adolescent & Family Enrichment (S.A.F.E.). The NCYS Program serves minors and their families in the Santa Maria, Lompoc and Santa Ynez Valleys. It is designed to provide 24-hour crisis intervention, temporary shelter care placement, and appropriate follow-up counseling to facilitate family reunification for minors. The intent of the program is to resolve family crisis situations, keep families united, make referrals for appropriate family services, mitigate the problem of homeless youth, and divert minors from becoming wards of the court. In the past year it has served 65 youth and their families.

Mandates and Service Levels:

Although the specific provisions of shelter services and crisis intervention counseling are not mandated services, Sections 626 and 654 of the Welfare & Institutions Code authorize the Probation Officer to provide or contract for such services in lieu of filing Juvenile Court petitions on behalf of minors referred for violation of Section 601 of the W&I Code. The provision of such services is generally more cost effective and desirable than proceeding with formal Juvenile Court action (by diverting minors from becoming wards of the court).

Specific Probation Department Mandates are attached for your review.

Fiscal and Facilities Impacts:

The FY 2002-03 contribution of \$14,000 from the City of Santa Maria’s, Community Development Block Grant is part of the financing for the Probation Department’s North County Youth Shelter Program. This block grant financing has been included in revenue account #4789 (Federal-Other), and Program #2600 (Youth Shelters) as part of the adopted County FY 2002-03 Final Budget.

The following is a summary of the FY 02-03 County Final Budget expenditures and financing for the Probation Department NCYS program:
