PROFESSIONAL SERVICES AGREEMENT

FOR

PROFESSIONAL CONSULTANT SERVICES

This Professional Services Agreement ("Agreement") is entered into by and between THE COUNTY OF SANTA BARBARA ("Owner" or "County") and Studio 2G Architects, LLC., a California Limited Liability Company ("Consultant" and, together with County, collectively, the "Parties" and each individually a "Party").

PART 1 - RECITALS

1.01 WHEREAS, this Professional Services Agreement ("PSA" or "Agreement") sets forth the terms and conditions pursuant to which Consultant, as a professional, will provide professional planning consulting services to Owner in connection with the Lift Feasibility Study and Design ("Project"); and

1.02 WHEREAS, Consultant was selected by means of the County's qualifications-based selection process, and represents itself as a professional having the requisite qualifications, licenses and agrees to perform the Services defined herein.

NOW, THEREFORE, Owner and Consultant agree as follows:

PART 2 - PROJECT AUTHORIZATION, TERM AND MAXIMUM COMPENSATION

2.01 Agreement For Services

A. This PSA sets forth the terms and conditions pursuant to which Consultant, as a professional, will provide services to the County as set forth herein ("Services").

2.02 Maximum Compensation

A. The sum of all payments made to Consultant pursuant to this PSA for the performance of the Services specified in the SOW and Attachment 1 shall not exceed one hundred forty-seven thousand four hundred fifty-one dollars and thirty-six cents ($147,451.36) ("Base Contract Amount"). The sum of all payments made to Consultant for the performance of Supplemental Services performed pursuant to a duly executed Change Order in accordance with Part 10.03 below shall not exceed the Supplemental Services Amount set forth in Section 1.c of Exhibit C, attached hereto ("Supplemental Services Amount"). In no event shall the aggregate amount of all payments made by the County hereunder exceed the Maximum Compensation Limit specified in Section 1.d of Exhibit C, attached hereto ("Maximum Compensation Limit" or "MCL"). If Consultant performs services or incurs expenses beyond the Base Contract Amount before execution of a Change Order for Supplemental Services in accordance with Part 10.03, or in excess of the Maximum Compensation Limit, Consultant does so at Consultant's sole risk and expense.

2.03 Term

A. This PSA is effective as of first the date it is duly executed by both of the parties hereto, and shall remain in effect for a period of ONE YEAR thereafter, unless earlier terminated in accordance with the provisions of this Agreement ("Term").

2.04 Scope

A. The services ("Services") and deliverables ("Deliverables") described in "Consultant's Scope of Work & Hourly Rates," attached hereto as Exhibit A and Attachment 1 and incorporated herein by reference (Exhibit A and Attachment 1, collectively, the "SOW"), establish the extent of the Services and Deliverables that may be authorized by the Owner's Project Manager ("OPM") hereunder.

PART 3 - OWNER'S RESPONSIBILITIES

3.01 Owner Provided Information

A. If required and where available, Owner may provide any of the following for Consultant's use in connection with the Services:

(i) Specialized studies of existing site conditions, including the presence of hazardous materials, soil, air, water, pollution, etc.

B. Consultant must make a written recommendation to the Owner regarding the completeness or sufficiency of any survey or specialized study provided to Consultant, or the need for any study or survey that the Consultant believes is required for the Project that is not included within Consultant's Services.

3.02 Approval & Permit Fees

A. Owner will pay all fees required by any jurisdiction having authority over the Project for filing and checking of any filing prepared by Consultant that is required for the performance of the Services, and such standard fees as are charged any governmental Agency for the issuance of approvals and permits by such governmental agency necessary for the performance of the Services.

PART 4 - PROJECT SCOPE OF WORK (SOW)

4.01 Changes in Scope

A. If Owner causes a change in the Service(s) or Deliverable(s) that Consultant believes to be material, Consultant must, within fourteen (14) calendar Days of the event that caused such change, notify Owner in writing that Consultant contends Owner has caused a material change in the Service(s) or Deliverable(s). If written notice is not given to Owner within such 14-day period, such change shall be deemed immaterial, and Consultant shall not be entitled to additional compensation for such change. If the Director of the County's General Services Department ("Director"), or his Assistant Director designee, concurs that there has been a material change in Service(s) or Deliverable(s) required by Owner hereunder, payment to Consultant may be adjusted pursuant to a Change Order for Supplemental Services duly executed by both of the parties hereto in accordance with Parts 10.01.A.3, and 10.03, below; provided, however, that Consultant shall not be entitled to any Supplemental Services Amount unless and until memorialized in a duly executed Change Order, and in no event shall the aggregate amount of payments to Consultant hereunder exceed the MCL.

B. If Consultant contends that there is a material increase in the Service(s) or Deliverable(s) required to complete the Services and requests additional compensation hereunder for the performance of such Supplemental Services, and such increase is not in any way attributable to any act or omission of, or on behalf of, Consultant or any Subconsultant, including, but not limited to, faulty or inaccurate calculations or estimations made by or on behalf of Consultant, and the Director, or his Assistant Director designee, concurs that there has been a material change in Service(s) or Deliverable(s) required by Owner hereunder, payment to Consultant hereunder may be adjusted pursuant to a Change Order for Supplemental Services duly executed by both of the parties hereto in accordance with Parts 10.01.A.3 and 10.03, below; provided, however, that Consultant shall not be entitled to any Supplemental Services Amount unless and until memorialized in a duly executed Change Order, and in no event shall the

aggregate amount of payments to Consultant hereunder exceed the MCL. OPM may request, and Consultant, pursuant to such request, shall provide, assistance in re-allocating the remaining available funds available hereunder. Such assistance must, if requested by OPM, also include a determination of any other Supplemental Services necessary to complete the Project.

C. If there is a material decrease in the Services or Deliverables required to complete the Services, Consultant If shall immediately notify OPM of such decrease, and agrees to accept a reasonable corresponding reduction in compensation hereunder.

PART 5 - CONSULTANT'S RESPONSIBILITIES, SERVICES, AND DELIVERABLES

5.01 Consultant as Independent Contractor

A. Consultant is performing all Services as an independent contractor, and not as an agent or employee of County.

5.02 No Assignment; Consultant's Use of Subconsultants

A. The expertise and experience of Consultant are material considerations for County's execution of this Agreement. Consultant shall not assign, delegate, or transfer, directly or indirectly, whether by operation of law or otherwise, this PSA or any of Consultant's rights or obligations hereunder, without the prior written consent of County in each instance, and any attempt to so assign, delegate, or transfer this Agreement, or any rights, duties or obligations arising hereunder, shall be void and of no effect. Notwithstanding the foregoing, Consultant may use the subconsultants set forth in Exhibit B, attached hereto and incorporated herein by reference ("Subconsultants"), in performing the Services under this Agreement. Consultant shall be responsible for directing the work of authorized Subconsultants, and for all compensation and benefits due to Subconsultants, if any. County assumes no responsibility whatsoever concerning such compensation or benefits. Consultant shall not engage any subconsultant(s) in the performance of Services, other than the Subconsultants identified in Exhibit B, without the prior written approval of the OPM in each instance.

5.03 Consultant's General Responsibilities

The following General Responsibilities shall apply to all Services under this Agreement.

A. Standard of Care

1. Consultant shall perform all Services in accordance with those standards of care that are generally recognized as being used by competent persons in Consultant's profession and area of specialty in the State of California.

2. At all times during the Term, Consultant shall ensure the performance of all Services in compliance with all applicable federal, state, and local codes, statutes, laws, regulations and ordinances ("Applicable Laws").

3. Consultant shall use its professional judgment and expertise to verify interpretations of Applicable Laws from the appropriate government agency(ies) and authorities having jurisdiction over the Project. Such efforts shall be undertaken in accordance with the Standard of Care.

B. Funding by Governmental Agencies

1. If the Project is to be constructed, wholly or in part, with funds from Federal, State, or other outside funding sources, Consultant shall comply with all requirements of all such Federal, State, and outside funding sources.

C. HCAI (formally known as OSHPD) Jurisdiction

1. If the Project is within the jurisdiction of the State of California, Department of Health Access and Information ("HCAI" formally known as OSHPD), Consultant's Deliverables and performance of Service must meet all HCAI requirements.

D. Sequence of Consultant's Services

1. Consultant's Services shall proceed sequentially as described in the SOW unless otherwise agreed or directed by the Owner via a duly executed Change Order.
2. The Milestone Schedule for completion of the Consultant's Services is set forth in the SOW.

E. Submittal of Deliverables

1. Each submittal of a Deliverable by Consultant to Owner hereunder shall include a declaration statement, signed by a duly authorized officer of Consultant, that Consultant coordinated the work of Consultant and its Subconsultants, that such Deliverable is accurate and complete, and that all of Owner's prior review comments have been incorporated therein.
2. Consultant shall furnish to Owner, in form and format suitable for reproduction, original reproducible files and other instruments of Service, and computer flash drives containing each submittal to County hereunder in the following electronic formats: Microsoft PC compatible operating system, AutoCAD 2004 or newer, Microsoft Office 2003 or newer.

F. Printing & Reproduction

1. Consultant shall pay for all printing and reproduction cost incurred in the performance of the Services.
2. Owner will print coordination check documents to be used by the Owner beyond the number of copies identified in the SOW at Owner's expense.
3. If applicable to this PSA, Owner will print Bid Documents for distribution to Bidders at Owner's expense.

G. Meetings

1. Required meetings are as specifically identified in the SOW.
2. Unless otherwise requested by the OPM, Consultant shall prepare agendas for and take minutes of all meetings conducted or attended by Consultant in connection with the performance of Services hereunder. This includes meetings that are chaired by the OPM.
3. The Consultant's compensation for attendance at and preparation of minutes for all such meetings is included in Base Contract Amount.

H. Consultant's Staff and Subconsultants

1. Consultant's staff and Subconsultants are identified in Exhibit B, and are subject to the requirements set forth therein.
2. Changes to Consultant's staff and Subconsultants are subject to Owner's prior written approval via a duly executed Change Order.

5.04 Basic Services & Deliverables: See Exhibit A

PART 6 - CONSULTANT'S SCHEDULE

6.01 Schedule

A. Consultant shall promptly perform all Services and Deliverables in accordance with the Project schedule approved by the County.

B. Consultant shall perform all Services and Deliverables within the time and Project schedule set forth in this Agreement. Time is of the essence in this Agreement.

C. Consultant shall provide and maintain Project staffing levels as necessary to perform the Services within the time provided in the Project schedule set forth in this Agreement.

PART 7 - INDEMNIFICATION & INSURANCE

7.01 Exhibit D Indemnification and Insurance Requirements

A. Consultant shall comply with all indemnification and insurance requirements set forth in Exhibit D, attached hereto and incorporated herein by reference.

PART 8 - REPRESENTATION BY COUNSEL

A. Both parties to this PSA were represented by counsel in the negotiation and execution of this PSA.

B. The parties hereto are aware of the provisions set forth in California Civil Code §1717 and intend this paragraph of the PSA to meet said statutory requirements so that the reference to attorneys' fees in Part 7, "Indemnification & Insurance" applies only in the indemnification context in Part 7, "Indemnification & Insurance."

PART 9 - HAZARDOUS MATERIALS

9.01 Responsibility for Hazardous Materials

A. Owner acknowledges that Consultant has no special knowledge or expertise regarding asbestos or other hazardous materials.

B. Unless otherwise provided in this PSA, or unless Owner has provided documented information to Consultant regarding the presence or potential presence of such hazardous materials Consultant and its Subconsultants have no responsibility for the discovery, presence, handling, removal or disposal of, or exposure of persons to, hazardous materials in any form at the Project site, including but not limited to asbestos, asbestos products, polychlorinated biphenyl (PCB) or any other toxic substance.

PART 10 - COMPENSATION & PAYMENT

10.01 Compensation

A. Payments will be made as set forth herein

1. Maximum Compensation Limit

   a. The Maximum Compensation Limit includes the maximum aggregate amount of compensation payable by the Owner to Consultant hereunder. Total payment by Owner to Consultant shall not exceed the Maximum Compensation Limit specified in Exhibit C, attached hereto and incorporated herein by reference. Consultant is fully responsible for the provision of all Services and Deliverables, compensation for which shall not exceed the MCL.

2. Consultant's Compensation Schedule

   a. Compensation payable to Consultant hereunder for Consultant's performance of the Services, comprising of two phases. Phase 1 is comprised of six Tasks and Phase 2 is comprised of eleven Tasks as set forth in the SOW shall be on a fixed fee basis upon completion of each Task, and in the respective amounts for each such Task as set forth in the SOW.

b. Consultant's Hourly Rate Schedule, applicable to Supplemental Services, is set forth in the SOW.

3. Changes

   a. During the Term of this PSA, the Owner may authorize changes to this PSA, other than by amending this PSA in accordance with Part 15.B., below, only in accordance with Part 4.01, above, and Part 10.03, below, and only to the extent authorized by the Board of Supervisors in approving this PSA.

4. Prevailing Wages

   a. Certain Services to be performed under this contract may be considered "public works" subject to prevailing wage, apprenticeship and other labor requirements of Labor Code division 2, part 7, chapter 1, section 1720 et seq. Such public works may include work performed during the design and preconstruction phases of construction including, but not limited to, inspection and land surveying work. Consultant is solely responsible for determining whether the Services, or any portion thereof, is subject to said requirements, and for complying with all such requirements that apply. All such public works projects are subject to compliance monitoring by the California Department of Industrial Relations (DIR). County has obtained from the DIR general prevailing wage determinations for the locality in which the Work is to be performed that are on file with County's Public Works Agency and are available upon request. Consultant is responsible for posting job site notices as prescribed by regulation pursuant to Labor Code section 1771.4(a)(2). Consultant acknowledges that it is aware of state and federal prevailing wage and related requirements and shall comply with these requirements to the extent applicable to the Services, including, without limitation, Labor Code sections 1771 (payment of prevailing wage), 1771.1 (registration with DIR) and 1771.4 (submission of certified payrolls to Labor Commissioner) Consultant has included (and shall include) consideration for this obligation in calculating compensation and cost estimates under this PSA.

5. Errors and Omissions

   a. Consultant must correct all errors and omissions attributable to acts and/or omissions of and/or on behalf of Consultant and/or Subconsultants without cost to Owner.

   b. Owner has the right to pursue claims for any negligent errors and omissions of or on behalf of Consultant and/or Subconsultant(s).

10.02 Reimbursable Expenses

A. When travel is authorized as a reimbursable expense, Consultant agrees to comply with the Santa Barbara County and Federal travel policies and guidelines, where applicable, for all travel, lodging and meal reimbursements arising from the performance of this Agreement. Detailed travel policy requirements and limitations can be found in the Capital Projects Division.

B. All reimbursable expenses hereunder, including travel, mileage, copying, printing, plotting, And visualizations are included in the Base Contract Amount and shall not be invoiced more often than monthly.

10.03 Supplemental Services & Deliverables

A. To the extent that County has established a Supplemental Services Allowance ("SSA") for the performance of services not included within the Services and Deliverables, such SSA is set forth in Section 1.c of Exhibit C. Consultant shall only commence work other than as set forth in the SOW pursuant to a Change Order duly executed by the Director or his Assistant Director

designee ("Change Order"), and only to the extent expressly authorized by the County Board of Supervisors in approving this PSA.

10.04 Payment

A. Payment Requests

1. Owner will make payments within thirty (30) Days after the OPM's approval of the Consultant's correct Payment Request.

B. Invoices

1. Consultant may submit a Payment Request not more than once each month.

C. Progress Payments

1. Owner may, in its discretion, adjust any progress payment so that it corresponds with the percentage of completion as reasonably determined by Owner.

10.05 Release of All Claims

A. Prior to final payment hereunder, Consultant must execute and deliver to Owner a release of all claims arising from this Agreement, other than such claims, if any, as may be specifically excepted from the release for the reasons and in the amounts stated in the release.-

10.06 Timely Billings

A. Consultant agrees to bill Owner on a timely basis and not later than ninety (90) Days after:

1. Services are performed; or

2. Billings are otherwise due pursuant to the terms of the PSA.

B. Owner has no liability for payment of, and has sole discretion to pay or decline payment of, any billings submitted after the expiration of such ninety (90) Day period.

10.07 Consultant's Accounting Records

A. Accounting System & Records Retention

1. Consultant must maintain an accounting system in accordance with current standards of accounting and financial reporting for the purpose of supporting payments for Services authorized under this PSA. Consultant must retain such records for three (3) years after expiration or termination of this PSA, or until all claims, if any, have been disposed of, whichever period is longer.

B. Owner's Auditing Rights

1. Upon service of a written Notice to Consultant, Owner, and persons authorized by Owner, have the right at any reasonable time and place to examine, audit, and make copies of books, records, documents, accounting procedures and practices relating to the performance or administration of this PSA, or affecting any changes or modifications to this PSA.

C. Applicability to Subcontracts

1. Consultant must incorporate the above-stated accounting and audit requirements into all subcontracts, including, but not limited to, contracts with Subconsultants, exceeding Ten Thousand Dollars ($10,000) in value in connection with this PSA, including any modification(s) thereof.

PART 11 - TERM & TERMINATION

11.01 Owner's Rights

A. Termination for Convenience

1. The Director may, by written notice to Consultant, terminate all or part of this PSA at any time for Owner's convenience. Upon receipt of such notice, Consultant must immediately cease all work hereunder as specified in the notice.

2. If this PSA is so terminated, Consultant will be compensated as set forth below.

B. Termination for Breach

1. If Consultant violates any of the covenants or agreements of this PSA, or if Consultant fails to fulfill in a timely and proper manner its obligations pursuant to this PSA, and does not cure such failure or violation within thirty (30) days, or such shorter period as the Owner may determine is necessary and appropriate, after receipt of written notice from the County's OPM specifying such failure or violation, whether subject to cure, and, if subject to cure, the time and manner of cure, Owner may terminate this PSA in accordance with Part 11.01.A.1, above.

2. Owner will provide Consultant with written notice as to the effective date of termination, and Consultant is not entitled to compensation for Services or expenses beyond the specified termination date.

3. If, after notice of termination for breach of this PSA, it is determined that Consultant did not breach this PSA, the termination will be deemed to have been made for Owner's convenience, and Consultant will receive payment due to Consultant for Services performed prior to such termination for convenience in accordance with Section 11.02, below.

C. Suspension for Convenience

1. OPM may, without cause, order Consultant in writing to suspend, delay, or interrupt the Services under this PSA in whole or in part for up to 90 days. COUNTY shall incur no liability for suspension under this provision, and such suspension(s) shall not constitute a breach of this Agreement.

D. The rights and remedies provided herein to Owner are cumulative and in addition to any other rights and remedies provided by law in this PSA.

11.02 Consultant's Compensation Upon Termination

A. In the event of Owner's termination of this PSA, Consultant will receive compensation as follows:

1. For fully Deliverables and Services performed and delivered by Consultant and accepted by County, and authorized Reimbursable Expenses pursuant to this PSA, compensation will be in the amount specified in the PSA for such Deliverables, Services, and authorized expenses.

2. For items of Service on which Owner has issued an Authorization to Proceed but which have not been fully completed and accepted, Consultant will be compensated for its Services accepted by Owner in an amount which bears the same ratio to the total fee otherwise payable for the performance of that Service as the Services performed bear to the total Services necessary for the full performance of that Service.

B. In no event will the total compensation paid for any item of Service exceed the value specified in this PSA for such item of Service.

11.03 Delivery of Documents

A. Upon any termination of this PSA, Consultant shall furnish Owner all documents and Instruments of Service prepared pursuant to this PSA, whether complete or incomplete. Consultant may retain a copy for its records if so provided by Owner in such notice of termination.

PART 12 - DISPUTE RESOLUTION

12.01 Consultant's Questions & Concerns

A. Questions regarding the terms, conditions and Services of this PSA will be decided by the County's Director of General Services, who will furnish the decisions to Consultant in writing within thirty (30) Days after receiving a written request from Consultant.

12.02 Dispute Resolution During Construction

A. Alternate Dispute Resolution (ADR)

1. Owner intends, but shall not be required, to use ADR techniques including Partnering and Mediation during Design.

B. Consultant and its Subconsultants shall participate in all ADR efforts as directed by Owner.

C. In the event that Owner elects to utilize such ADR, the cost of such Partnering training facilities and facilitator will be borne equally by the parties hereto.

12.03 Negotiations Before and During Mediation

A. Negotiations to resolve disputes before and during Mediation are initiated for settlement purposes only and are not binding unless otherwise agreed by Owner and Consultant.

12.04 Mediation

A. Voluntary Mediation

1. In the event a dispute or issue is not resolved by negotiation, Owner and Consultant agree to attempt to resolve the matter by Mediation.

2. Said Mediation is non-binding, and intended to provide an opportunity for the parties hereto to evaluate each other's cases and arrive at a mutually agreeable solution.

B. Initiation of Mediation

1. Any party hereto may initiate Mediation by notifying the other party hereto in writing.

C. Request for Mediation

1. A Request for Mediation must contain a brief statement of the nature of the dispute or claim, and the names, addresses, and phone numbers of all parties to the dispute or claim, and those who will represent them, if any, in the Mediation.

2. Within ten (10) days of a Party's receipt of a Request for Mediation, the Party in receipt of such Request for Mediation shall provide to the requesting Party a written response indicating whether the receiving Party is willing to participate in voluntary, non-binding mediation with respect to such dispute or claim.

D. Selection of Mediator

1. Within fourteen (14) days of a Party's written response to a Request for Mediation indicating that such Party is willing to participate in meditation with respect to the dispute or claim at issue, the Parties hereto will confer to select an appropriate mediator agreeable to all Parties.

2. If the Parties hereto cannot agree on a mediator, they may accept a mediator appointed by a recognized association such as the American Arbitration Association.

E. Qualifications of a Mediator:

1. Any mediator selected hereunder ("Mediator") must have expertise in the area of the dispute and be knowledgeable in the Mediation process.

2. No person shall serve as a Mediator in any dispute in which that person has any financial or personal interest in the result of the Mediation.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

3. Before accepting an appointment, the prospective Mediator must disclose any circumstances likely to create a presumption of bias or prevent a prompt meeting with the parties. Upon receipt of such information, the Parties will confer and decide whether to select another Mediator.

F. Vacancies

1. If any Mediator becomes unwilling or unable to serve, another Mediator will be selected unless the Parties agree otherwise.

G. Representation

1. Any Party may be represented in the Mediation by person(s) of their choice who must have full authority to negotiate.
2. The names and addresses of such representative(s) must be communicated in writing to all Parties and to the Mediator.

H. Time and Place of Mediation

1. The Mediator will set the time of each Mediation session.
2. The Mediation will be held at a convenient location agreeable to the Mediator and the Parties, as determined by the Mediator.
3. All reasonable efforts will be made by the parties hereto and the Mediator to schedule the first session within sixty (60) Days after selection of the Mediator.

I. Identification of Matters in Dispute

1. Unless a longer period of time is required by the Mediator, at least ten (10) days before the first scheduled Mediation session, each Party must provide the Mediator a brief memorandum setting forth such Party's position with regard to the issues identified in the Request for Mediation, and any other pertinent issues that such Party believes need to be resolved. At the discretion of the Mediator, or otherwise agreed by the Parties, the Parties hereto may mutually exchange such memoranda.
2. At the first Mediation session, the Parties will be expected to produce all information reasonably required for the Mediator to understand the issue(s) presented. The Mediator may require each Party to supplement such information.

J. Authority of Mediator

1. The Mediator does not have authority to impose a settlement on the Parties, but will attempt to assist the parties hereto in reaching a satisfactory resolution of their dispute.
2. The Mediator is authorized to conduct joint and separate meetings with the Parties, and to make oral and written recommendations for settlement.
3. Whenever necessary, the Mediator may also obtain expert advice concerning technical aspects of the dispute, provided that the Parties agree in writing in advance to such outside expert advice, to assume the expenses of obtaining such expert advice, and whether the arrangements for obtaining such expert advice will be made by the Mediator or one or more of the Parties.
4. The Mediator is authorized to end the Mediation whenever, in the Mediator's judgment, further Mediation efforts would not contribute to a resolution of the dispute between the Parties.

K. Privacy

1. Mediation sessions are private.
2. The Parties and their representatives may attend Mediation sessions.

3. Other persons may attend Mediation sessions only with the prior written consent of each of the Parties , and with the consent of the Mediator.

L. Confidentiality

1. The Mediator will not divulge confidential information disclosed to a Mediator by the Parties or by witnesses in the course of the Mediation.
2. All records, reports, or other documents received by a Mediator while serving as Mediator, are confidential.
3. The Mediator must not be compelled to divulge such records or to testify in regard to the Mediation in any adversary proceeding or judicial forum.
4. The Parties shall maintain the confidentiality of the Mediation and shall not rely on, or introduce as evidence in any arbitration, judicial or other proceedings:
    a. Views expressed or suggestions made by the other Party with respect to a possible settlement of the dispute;
    b. Statements made by the other Party in the course of the Mediation proceedings;
    c. Proposals made or views expressed by the Mediator;
    d. Whether the other Party had or had not indicted willingness to accept a proposal for settlement made by the Mediator.

M. No Stenographic Record

1. There shall be no stenographic record of the Mediation.

N. Termination of Mediation

1. The Mediation shall be terminated:
    a. By the execution of a Settlement Agreement by the Parties with respect to the issues subject to the Mediation;
    b. By a written declaration of the Mediator to the effect that further efforts at Mediation are no longer worthwhile; or
    c. By a written declaration of one or more of the Parties to the effect that the Mediation proceedings are terminated.

O. Exclusion of Liability

1. No Mediator shall be a necessary party in judicial proceedings related to the Mediation.

P. Interpretation and Application of These Mediation Provisions

1. The Mediator will interpret and apply these Mediation provisions insofar as they relate to the Mediator's duties and responsibility.

Q. Expenses

1. The expenses of witnesses for each Party must be paid by the Party producing such witnesses.
2. All other expenses of the Mediation, including required traveling and other expenses of the Mediator, and the expenses of any witness called by the Mediator, and the cost of any proofs or expert advice produced at the direct request of the Mediator, will be apportioned equally between the Parties, or as may otherwise be agreed by the Parties, provided, however, that a Party shall not be responsible for any such Mediation expense to which such Party did not consent in advance in writing.

12.05 Compensation for Participation in Mediation

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

A. Consultant is not entitled to compensation for time spent in or for negotiations or Mediation to resolve questions or disputes between Consultant and Owner arising out of this PSA.

PART 13 - MISCELLANEOUS PROVISIONS

13.01 Capitalization and Formatting

A. Terms capitalized in this PSA include those that are:

1. Specifically defined; or
2. Titles of Parts or paragraphs; or
3. Titles of reports or Deliverables; or
4. Titles of other documents.

B. Unless otherwise indicated, highlighted, **emboldened**, *italicized*, or underlined text is not indented to imply special significance but serves merely as an aid to the reader to distinguish or quickly reference selected text.

C. Text shown with Strike Through font is meant to, and does, exclude such text from the PSA. It is shown as such merely for the convenience of the Owner.

D. The captions of the Parts and paragraphs are for convenience only and will not be deemed relevant in resolving any question of interpretation or construction of any such Part or paragraph.

13.02 Force Majeure

A. Neither party hereto shall be liable to the other Party hereto for damages or delay in performance caused by events beyond the control of such Party or such Party's employees, agents, affiliates, officers, directors, Subconsultants, or representatives, provided that (i) such events are not in any way attributable to any act or omission by or on behalf of such Party or any of such Party's employees, agents, affiliates, officers, directors, Subconsultants, or representatives, and (ii) the Party claiming such delay promptly provides written notice to the other Party specifying the cause and a good faith estimate of the duration of such delay("Force Majeure Notice"), and (iii) such Party cures such delay and resumes performance hereunder as soon as practicable under the circumstances. Except for those commitments identified in the Force Majeure Notice, the affected Party shall not be relieved of its responsibility to fully perform as to all other obligations of such Party under this Agreement. Notwithstanding the foregoing, if such Force Majeure event continues for a period of more than 90 days from the date of such Force Majeure Notice, the County shall be entitled, in its sole discretion, to immediately terminate this Agreement upon written notice to Consultant.

13.03 Waiver

A. In the event any provision of this PSA is held to be invalid and unenforceable by a court of competent jurisdiction, the remaining provisions shall be valid and binding on the Parties.

B. One or more waivers by either Party of any provision, term, condition or covenant shall not constitute a waiver of any subsequent breach.

13.04 Timely Approvals

A. Whenever the approval of Owner or Consultant is required pursuant to this PSA, such approval shall not be unreasonably withheld or delayed.

13.05 Ownership & Use of Deliverables and Instruments of Service

A. Owner shall be the owner of the following items in connection with this Agreement upon creation, whether or not completed: all data collected, all documents of any type whatsoever, all photos, designs, sound or audiovisual recordings, software code, inventions, technologies, and other materials, and any material necessary for the practical use of such items, from the time of collection and/or production whether or not performance under this Agreement is

completed or terminated prior to completion. Consultant shall not release any of such items to any other person except after prior written approval of Owner.
Unless otherwise specified herein, Consultant hereby assigns to Owner all copyright, patent, and other intellectual property and proprietary rights to all data, documents, reports, photos, designs, sound or audiovisual recordings, software code, inventions, technologies, and other materials prepared or provided by Consultant pursuant to this PSA (collectively referred to as "Copyrightable Work and Inventions"). Owner shall have the unrestricted authority to copy, adapt, perform, display, publish, disclose, distribute, create derivative works from, and otherwise use in whole or in part, any Copyrightable Works and Inventions and all Deliverables provided to County hereunder. Consultant agrees to take such actions and execute and deliver such documents as may be needed to validate, protect and confirm the rights and assignments provided hereunder, including all licenses and permissions as may be necessary for County to use all Deliverables produced by Consultant hereunder. Consultant warrants that no Copyrightable Works and Inventions or any other item provided under this Agreement will infringe upon any intellectual property or proprietary rights of any third party. Consultant at its own expense shall defend, indemnify, and hold harmless Owner against any claim that any Copyrightable Works and Inventions or other items provided by Consultant hereunder infringe upon intellectual or other proprietary rights of a third party, and Consultant shall pay all damages, costs, settlement amounts, and fees that may be incurred by Owner in connection with any such claims.

B. This Part 13.05 shall survive expiration or termination of this PSA.

C. Consultant is not entitled to any fees for Owner's use of any Deliverable or instrument of Service unless Owner enters into a separate agreement with Consultant specifically providing for such fees.

13.06 Reliance

A. Unless otherwise indicated, Consultant may rely on the accuracy and technical quality of documents provided by Owner or the Owner's authorized consultants.

13.07 Taxes

A. Consultant shall pay all taxes, levies, duties, and assessments of every nature due in connection with any work under this PSA and shall make any and all payroll deductions required by law. Owner shall not be responsible for paying any taxes on Consultant's behalf, and should Owner be required to do so by state, federal, or local taxing agencies, Consultant agrees to promptly reimburse Owner for the full value of such paid taxes plus interest and penalty, if any. Such taxes shall include, but not be limited to, the following: FICA (Social Security), unemployment insurance contributions, income tax, disability insurance, and workers' compensation insurance.

13.08 Conflicts of Interest

A. Consultant covenants that Consultant presently has no employment or interest, and shall not acquire any employment or interest, direct or indirect, including any interest in any business, property, or source of income, which would conflict in any manner or degree with the performance of services required to be performed under this PSA. Consultant further covenants that in the performance of this PSA, no person having any such interest shall be employed or otherwise engaged by Consultant or any Subconsultant. Consultant must promptly disclose to Owner, in writing, any potential conflict of interest. Owner retains the right to waive a conflict of interest disclosed by Consultant if Owner determines it to be immaterial, and such waiver is only effective if provided by Owner to Consultant in writing.

13.09 No Publicity or Endorsement

A. Consultant shall not use Owner's name or logo or any variation of such name or logo in any publicity, advertising or promotional materials. Consultant shall not use Owner's name or logo

in any manner that would give the appearance that the Owner is endorsing Consultant. Consultant shall not in any way contract on behalf of or in the name of Owner. Consultant shall not release any informational pamphlets, notices, press releases, research reports, or similar public notices concerning the Owner or its projects, without obtaining the prior written approval of Owner.

13.10 Non-Discrimination

A. Owner hereby notifies Consultant that Owner's Unlawful Discrimination Ordinance (Article XIII of Chapter 2 of the Santa Barbara County Code) applies to this PSA and is incorporated herein by this reference with the same force and effect as if the ordinance were specifically set out herein and Consultant agrees to comply with said ordinance.

13.11 Execution in Counterparts

A. This PSA may be executed electronically and in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original; and all such counterparts, or as many of them as the parties shall preserve undestroyed, shall together constitute one and the same instrument.

13.12 Governing Law

A. This PSA shall be governed by the laws of the State of California. Any litigation regarding this Agreement or its contents shall be filed in the County of Santa Barbara, if in state court, or in the federal district court nearest to Santa Barbara County, if in federal court.

PART 14 - NOTICES

A. All notices will be deemed to have been given when made in writing and delivered or mailed to the respective representative(s) of Owner and Consultant at their respective addresses as shown in Exhibit E ("Notices"), attached hereto and incorporated herein by reference.

PART 15 - LIMITS OF AGREEMENT

A. This PSA, including all Exhibits hereto, together with the Request for Qualifications and Proposals for Project 24022 pursuant to which this Agreement was procured and which is attached hereto as Attachment 1 and hereby incorporated herein by reference ("RFQ/P"), and Consultant's Proposal submitted to County in response to same, a copy of which is attached hereto as Attachment 2 ("Proposal"), constitutes the entire and integrated agreement between Owner and Consultant with respect to the subject matter hereof, and supersede all prior and contemporaneous negotiations, representations, or agreements, whether written or oral.

B. This PSA may be amended only by written agreement signed by Owner and Consultant, except as otherwise expressly authorized herein.

C. If any one or more of the provisions contained herein shall for any reason be held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, then such provision or provisions shall be deemed severable from the remaining provisions hereof, and such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this PSA shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

D. No remedy herein conferred upon or reserved to Owner is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

PART 16 - ORDER OF PRECEDENCE

A. In the event of conflict or inconsistency between the provisions contained in Parts 1 through 18 of this Agreement and the provisions contained in the Exhibits and Attachments, the provisions contained in Parts 1 through 18 of this Agreement shall control and prevail over those in the Exhibits and Attachments, other than Exhibit D, which shall control and prevail. Consultant agrees that in the event of any discrepancy, inconsistency, gap, ambiguity, or conflicting language between Consultant's Proposal (attached hereto as Attachment 2), on the one hand, and any other provision(s) of this Agreement, on the other, the provisions of this Agreement (including the RFQ/P) other than Consultant's Proposal shall take precedence and control and prevail.

PART 17 - EXHIBITS

A. The following listed Exhibits and Attachments referred to herein are incorporated in this PSA as though set forth in full.

1. Exhibit A, “Consultant's Scope of Work & Hourly Rates”
2. Exhibit B, “Consultant's Staff & Subconsultants”
3. Exhibit C, “Consultant’s Compensation”
4. Exhibit D, “Indemnification And Insurance Requirements”
5. Exhibit E, “Notices”
6. Exhibit F, “BHCIP Program Funding Agreement”
7. Attachment 1: RFQ/P
8. Attachment 2: Consultant’s Proposal

SCOPE OF WORK; HOURLY RATES

Studio 2G Architects, LLC. ("Studio 2G") will perform all of the following services set forth in this Scope of Work ("Services") in exchange for the fixed fee Base Contract Amount set forth in the table below and in Section 1.a of Exhibit C, below, which shall include all overhead, administrative costs, and profit.

SCOPE OF WORK:

- Establish an overall Project schedule and work plan acceptable to the County to achieve completion of the Feasibility Study for the installation of the ~~Elevator/~~Lift in the Building, as well as design of exterior and interior Building spaces to meet accessibility requirements and other Building systems as necessary;
- ~~Provide construction administration support to meet Project goal dates;~~
- Review available Project documentation;
- Meet County goals, objectives, and expectations;
- Finalize a schedule, acceptable to the County, of program meetings and Building site visits to be held with Building users and stakeholders;
- Review existing Building conditions, conduct all necessary observations and measurements, and decide on and conduct all necessary testing and/or data recording; and
- Review existing Building drawings and potential ~~elevator/~~lift locations.

Phase 1 – Project Initiation and Feasibility Study: The first phase of the Services will be to identify potential location options for the installation of the ~~Elevator/~~Lift.

The Services will include the following tasks:

1. Review County-provided drawings and environmental reports. Review existing Building conditions, including exterior, interior and roof, conduct all necessary observations and measurements, and data recording.
2. A minimum of (~~2~~)(1) site visits shall be allotted for this phase of the Project. Studio 2G shall conduct joint meetings with the County of Santa Barbara's General Services and Behavioral Wellness staff to determine all Project requirements and specifications of the current services. These sessions should also be used to verify all required dimensions and spatial calculations used for base plans when assembling the final construction bid documents.
3. Identify all applicable laws, regulations, and BHCIP guidelines and requirements, including, but not limited to, the Americans with Disabilities Act ("ADA"), the California Environmental Quality Act ("CEQA"), and building, mechanical, and fire life & safety codes (collectively, "Applicable Laws"), clarify specific improvements required to comport with all Applicable Laws, including with respect to path of travel from the adjacent roadway and property to the entrances of the Building, and present all such requirements in the final Project programming document.
4. ~~The County of Santa Barbara has an established Net Zero Energy ("NZE") policy that requires all facilities that undergo significant renovation to be assessed for inclusion of energy efficiencies as part of the project scope. The Consultant shall provide an analysis of NZE policy compliance with respect to the completion and confirmed concept of design.~~
5. Prepare and present proposed installation type and location options with Rough Order of Magnitude ("ROM") cost estimates for each option to County staff.
6. ~~Coordination of CEQA and further entitlement work.~~
7. Preparation of deliverables to support the proposed options.
8. Establish a preliminary Project schedule and work plan acceptable to the County for both the construction of the ~~Elevator/~~Lift and all other Project components. This should include all CEQA and National Environmental Policy Act ("NEPA") requirements, as applicable, all applicable permitting agencies including, but not limited to the City of Santa Barbara ("City"), County, State, City Council, County Board of Supervisors approvals.

9. Assembly and submittal of a ROM cost estimate at the conclusion of the Feasibility Study, is required. Please note this process can be achieved through the utilization of a third-party cost-estimating firm. All cost estimates shall follow Construction Specifications Institute ("CSI") division and subsection formatting.

At the conclusion of the Feasibility Study, Studio 2G will prepare and deliver to Project stakeholders a written report setting forth the results of the Feasibility Study. County selection and approval of design alternatives presented in Feasibility Study shall be required before proceeding to Phase 2.

Phase 2 – Complete Design and Construction Documents: At the conclusion of Phase 2, Studio 2G will deliver to the County a complete and bid-ready set of 100% Construction Documents (plans and specifications and all other Construction Documents specified below. All designs shall comply with ADA design standards and ADA Accessibility Guidelines.

"Construction Documents" include:

1. **Architecture:** Plans, sections, elevations, and other details, as necessary, sufficient to support the new ~~Elevator/~~Lift and all other interior and exterior Building Project component designs, including patch back, repair, architectural flashing, etc.
2. **Structural:** Plans and all other necessary details sufficient to support the new ~~Elevator~~/Lift. Load verification is required for any loading changes (positive or negative) on the existing structure.
3. ~~**Mechanical,**~~ **Electrical,** ~~**Plumbing, Fire Sprinklers, and Fire Alarm**~~**:** Complete plans and details sufficient to define and describe the Project in full. Plans shall be coordinated across disciplines as required for a fully functional system. A complete plan set will address all issues and may include: floor plans, detailed floor plans, roof plans, equipment schedules, controls, sequence of operations, redundancy of systems, mounting (wall, pad, roof, etc.), bracing (regular and/or seismic as required), noise and vibration isolation, and tie-in to existing infrastructure and utilities.
4. **Civil / Site Design:** Plans and necessary details sufficient to tie into the ~~Elevator/~~Lift design Studio 2G will ensure ADA compliance, drainage, utilities, traffic, acoustical, site balance and access needs and requirements are addressed in such plans and details, as necessary.
5. **Surveying:** Provide topographic and boundary survey of Building property to adequately support Project design needs.
6. ~~**Landscape:** Landscape design should not be required as part of the Project unless is the County later determines that modifications or restoration work will be needed to existing landscape areas.~~
7. ~~**Net Zero Energy Design:** The construction drawings shall incorporate all design features required to achieve NZE.~~
8. **Entitlement:** Ensure that all utility entitlements are included and any modifications needed, including expanding utility service(s), upgrading the system or modifying connections, to the existing utility services must be incorporated in the design.
9. **Specifications:** The preparation of Project specifications to augment the plan set for the Project is required. Studio 2G prepare technical specifications sufficient to describe the products and requirements of the Project including, but not limited to: basis of design items, identification of acceptable materials and products, coordination requirements, common work results, identification, start-up, test and balance, commissioning, etc. The County utilizes the CSI formatting for all technical specifications; thus, Studio 2G will utilize this format within the Construction Documents.
10. **Signage:** Signage that is compliant with all Applicable Laws must be included as part of this deliverable.
11. **Project Schedule:** Develop a detailed Project schedule and submit an independent final cost estimate for to the County for review and approval.
12. **Cost Estimates and Value Engineering:** Cost estimates in CSI format are required at 50%, 95% and 100% deliverables, as well as upon completion of the final bid set. Studio 2G will anticipate that value engineering will be undertaken at each of the Project milestones and may be required upon receipt of the final cost estimate, based on available budget. The County will continue to share budgetary information with Studio 2Gthroughout the design process and will be an active partner in the value engineering process.
13. **Permitting:** This process will require Studio 2G to complete all required permitting forms and respond to all permitting inquiries and requests for clarifications. Studio 2G will respond in a timely

manner, with a turnaround of a maximum of seven (7) working days, unless approved by the County's General Services, Capital Division Project Manager.

The Construction Documents package assembled shall be 100% and ready for bid by the County.

~~Phase 3 - Construction Support and Administration~~

~~Consultant shall provide construction administration and support services, which may include, but are not limited to, the following:~~

~~Bid Phase:~~

1. ~~Consultant shall be responsible for timely review and reply to all pre-bid Requests for Information ("RFIs") and all pre-bid product substitution requests to meet County response deadlines. Consultant shall provide to County all required addenda drawings, clarifications, design changes, and design team-required responses for issuance in formal bid addenda.~~
2. ~~Upon the closing of bidding on the construction of the Project, Consultant shall prepare the final incorporation of all addenda into a conformed set (both plans and specifications) for construction and issuance to the winning bidder.~~
3. ~~In the event the actual construction bids exceed the 100% design estimate by more than 10%, and the County elects - for any reason whatsoever - not to move forward with award of a construction contract based on the bid results, the Consultant shall provide re-design services at no additional cost to the County to bring the Project back to the 100% Design Budget. Re-design modifications shall be coordinated with and approved by the County prior to plan and specification revisions. The timeline for such revisions shall be three (3) weeks from the date of notification from the County.~~

~~Course of Construction:~~

1. ~~Consultant/Engineer shall be responsible for timely review and responses to RFIs, submittals, and contractor potential change order requests.~~
2. ~~Architect shall prepare Potential Cost Request for issuance to the construction contractor ("Contractor") for County-initiated changes.~~
3. ~~Consultant/Engineer shall coordinate with all sub-consultants and issue all additional instructions, bulletins, or other clarification documents as required, to the extent authorized in the Contract.~~
4. ~~Consultant/Engineer shall perform site visits (3 per month) during construction and prepare site visit reports. Any sub-consultant site visits shall be in sufficient quantity to observe the work in enough detail to sign off on the final installations.~~
5. ~~Consultant/Engineer shall make special site visits to review unforeseen site conditions as needed to support the construction. These visits do not account towards the three (3) monthly site visits.~~
6. ~~Consultant/Engineer shall be responsible for coordinating sub-consultant site visits with the County and Contractor, coordinating the punch list development – including sub-consultants - issuance, and sign-off.~~
7. ~~Architect/Engineer shall review and confirm Contractor's Schedule Of Values and pay requests.~~
8. ~~Consultant/Engineer will coordinate with Contractor for all required County and utility inspections and approvals.~~
9. ~~Consultant's/Engineer's attendance at weekly Project meetings, special coordination meetings, and pre-construction meetings is required. Coordination of all sub-consultant responses/communications, and coordination with the County on cost impact clarifications shall be the responsibility of the Consultant.~~

~~Project Completion:~~

1. ~~Consultant/Engineer shall be responsible for preparing record drawings, Project documents and operation and maintenance manuals, field administration, on-site inspections, and completion inspections.~~

~~Contractor assembly and submittal of a cost estimate at the conclusion of Phase 3 is required. All estimates shall follow CSI Division and subsection formatting.~~

Other Project Scope Requirements and Expectations:

1. For all submittals to the County, Studio 2G will, at no additional cost to the County, correct errors, omissions, and unworkable and/or improper design or drafting whether discovered during or after the completion of the review process. Electronic format files will be required for all submittal phases.
2. All deliverables shall be prepared in accordance with the latest County, State and Federal requirements. All deliverables will be in English units. At the conclusion of the Project, electronic transmittal of AutoCAD Civil LT 2023 files for all plan sheets will be required. Reports and specification submittals shall be in Microsoft Word format and cost estimate and quantity calculations shall be in Excel. The County shall be the owner of all work and deliverables produced in connection with this Project and Studio 2G will provide the same to the County at the County's request.
3. Coordinate with and inform the County Project Manager in writing regarding all requested or needed Project schedule, design, budget or staffing changes.

Base Contract Amount Compensation Schedule:

This Cost Proposal is for services only relating to the design of a Lift for the Behavior Wellness – Haley Street Project.

Phase 1: Project Initiation and Feasibility Study	**$25,452.32**
Review County-provided drawings and environmental reports.	**$2,938.54**
Review Existing Building conditions (One Site Visit)	**$3,391.64**
Meeting with Client (Bi-Weekly, Virtual, 1 hour, 4 Meetings)	**$2,347.76**
Code Analysis (ADA and State) including BHCIP guidelines	**$4,307.38**
ROM Cost Estimate for Lift Design	**$1,931.64**
Preparation of Feasibility Study Documents	**$10,535.36**

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Phase 2: Complete Design and Construction Documents	**$121,999.04**
Architecture / Project Management (Design and Construction Documents)	**$17,389.94**
Structural (Design and Construction Documents)	**$17,463.88**
Electrical (Design and Construction Documents) (Mechanical, Plumbing and Fire Protection no longer have project scope)	**$5,443.88**
Civil (Design and Construction Documents)	**$8,313.88**
Survey:	
Boundary Survey/Set Property Monuments (as req'd by State Law)	**$11,943.88**
Plot Easements from Title Report	**$1,150.00**
Topographic Ground Survey	**$5,520.00**
Landscape (Design and Construction Documents)	**N/A**
Specifications	**$10,280.20**
Project Schedule	**$1,002.80**
Signage (Assumes signage needed for ADA parking and Lift for wayfinding, monument signs excluded)	**$2,099.38**
Cost Estimates and Value Engineering (50%, 95% and 100%)	**$13,975.52**
Permitting	**$21,016.28**
Meeting with Client (Bi-Weekly, Virtual, 1 hour, 10 Meetings)	**$6,399.40**

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Rate Schedule for Supplemental Services:

The following hourly rates, which include all overhead, administrative costs, and profit, shall apply to any and all Supplemental Services performed during the Term in accordance with duly executed Change Orders.

studio 2G architects

EXHIBIT B-2025 HOURLY FEE SCHEDULE AND REIMBURSABLE EXPENSES

DATE: Effective as of January. 1 2025

The following fee schedule is for services rendered on an hourly arrangement:

POSITION	HOURLY RATE
Sr. Managing Principal	$237.13 - $274.85 / Hour
Jr. Managing Principal	$196.74/ Hour
Sr. Project Architect	$189.16 - $208.57 / Hour
Project Architect	$169.79 - $179.46 / Hour
Sr. Project Manager	$184.07 - $189.59 / Hour
Project Manager	$172.82 - $177.49 / Hour
Jr. Project Manager	$168.15 / Hour
Job Captain	$149.46 - $172.82 / Hour
Jr. Job Captain	$142.48 / Hour
Arch Associate 2	$136.42 - $146.52 / Hour
Arch Associate 1	$126.11 - $134.02 / Hour
CAD Technician	$110.93 / Hour
Administration	$65.00 / Hour

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

ASHLEY & VANCE ENGINEERING

Hourly Rate Schedule

As of January 1st, 2025, the hourly billing rates for projects shall be as follows:

Principal Engineer	$265
Senior Engineer	$225
Project Engineer	$185
Design Engineer	$155
Office / Clerical	$105

Schedule of Hourly Rates and Fees

Electrical Engineer, Lighting Designer	$250.00 per hour
Electrical Designer, Associate	$160.00 per hour
CAD Drafting	$150.00 per hour
Clerical	$80.00 per hour
Specifications	$90.00 per hour
Cost Estimating	$120.00 per hour

EXHIBIT B

CONSULTANT'S STAFF & SUBCONSULTANTS

A. Consultant declares that the Principal-in-Charge and the Project Manager on behalf of Consultant shall be Ashley Mayou.

B. Consultant will only employ subconsultants identified in the Consultant's Proposal submitted in response to the County's RFQ/P for this project (each, a "Subconsultant"), as set forth below, and each Subconsultants must, if their profession or specialty is licensable, be licensed by the State of California to perform such Services. Consultant must obtain Owner's prior written approval of any other subconsultants or subcontractors. Upon Owner's request, Consultant shall provide copies of all Subconsultant contracts to Owner.

C. None of the Staff or Subconsultants specified in this Agreement shall be replaced without the prior written approval of the Director, or his Assistant Director designee, in each instance. If Consultant's Project Manager or any other designated key staff person or Subconsultant fails to perform to the satisfaction of Owner, upon written notice from the OPM, Consultant shall, within fifteen (15) calendar days, remove that person from the Project and provide a qualified replacement acceptable to Owner, and subject to Owner's prior written approval.

List of Consultant's Staff

Ashley Mayou, NCIDQ, Licensed California Architect

Laura Gough, AIA, LEED BD+C, NCARB

List of Subconsultants:

Ashley & Vance Engineering (Civil) – Jason Gotsis, PE

Ashley & Vance Engineering (Structural) – Chad Pruett, PE

Collings & Associates (Fire Protection) – Albert Yakel, SET, CFPS

JMPE Electrical (Electrical) – John Maloney, PE

Mechanical Engineering Consultants, Inc. (Mechanical) – Paul Tziouvaras, PE

EXHIBIT C

CONSULTANT'S COMPENSATION

1. COMPENSATION SUMMARY

a.	Consultant's **Fixed Fee** for the performance of all of the **Services** described in Exhibit A ("Consultant's Scope of Work") shall be:		
	Phase 1 – Project Initiation and Feasibility Study	**$**	**25,452.32**
	Phase 2 – Complete Design and Construction Documents	**$**	**121,999.04**
	Phase 3 – Construction Support and Administration	**$**	**0.00**
	SUBTOTAL: Base Contract Amount	**$**	**147,451.36**
b.	**Allowance for Reimbursable Expenses pursuant to Part 10.02**	**$**	**0.00**
c.	Supplemental Services Allowance for Supplemental Services that may be authorized by the Owner in writing pursuant to a duly executed **Change Order** issued during the Term in accordance with Part 10.03, above.	**$**	**14,745.14**
d.	**MAXIMUM COMPENSATION LIMIT (a+b+c)**	**$**	**162,196.50**

2. PROGRESS PAYMENTS

a. For **the Base Contract Amount**, progress payments will be on a FIXED FEE basis for completion of each of milestone in accordance with Exhibit A.
b. For Consultant compensation payable hereunder in terms of an **HOURLY FEE** (i.e., for Supplemental Services performed in accordance with duly executed Change Order(s)), payments will be made monthly and based on the actual hours worked during the billing period charged at the hourly rates set forth in Exhibit A, above, (**Consultant must include substantiating documentation for each payment request hereunder, including a breakdown of the staff hours for particular tasks performed as a task-fee breakdown**)
c. Only invoices identifying personnel listed in Exhibit A or B, above, will be accepted by Owner as valid substantiation for hourly fee payment requests.

d. Consultant must submit appropriate documentation and information to support each invoice, including a narrative description of Services performed during such billing period. including, but not limited to, all completed milestones and deliverables.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

EXHIBIT D
Indemnification and Insurance Requirements
(For Design Services)

INDEMNIFICATION

CONTRACTOR agrees to indemnify, defend (with counsel reasonably approved by COUNTY) and hold harmless COUNTY and its officers, officials, employees, agents and volunteers from and against any and all claims, actions, losses, damages, judgments and/or liabilities arising out of this Agreement from any cause whatsoever, including the acts, errors or omissions of any person or entity and for any costs or expenses (including but not limited to attorneys' fees) incurred by COUNTY on account of any claim except where such indemnification is prohibited by law. CONTRACTOR'S indemnification obligation applies to COUNTY'S active as well as passive negligence but does not apply to COUNTY'S sole negligence or willful misconduct.

NOTIFICATION OF ACCIDENTS AND SURVIVAL OF INDEMNIFICATION PROVISIONS

CONTRACTOR shall notify COUNTY immediately in the event of any accident or injury arising out of or in connection with this Agreement. The indemnification provisions in this Agreement shall survive any expiration or termination of this Agreement.

INSURANCE

CONTRACTOR shall procure and maintain for the duration of this Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by any of the CONTRACTOR, its agents, representatives, employees, Subconsultants, and subcontractors.

A. Minimum Scope of Insurance Coverage shall be at least as broad as:

1. **Commercial General Liability (CGL):** Insurance Services Office (ISO) Form CG 00 01 covering CGL on an "occurrence" basis, including products-completed operations, personal & advertising injury, with limits no less than $2,000,000 per occurrence and **$4,000,000 in the aggregate.**
2. **Automobile Liability**: Insurance Services Office Form Number CA 0001 covering, Code 1 (any auto), or if CONTRACTOR has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than $1,000,000 per accident for bodily injury and property damage.
3. **Workers' Compensation**: Insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease. **(Not required if CONTRACTOR provides written verification that it has no employees)**
4. **Contractor's Pollution Liability and/or Asbestos Pollution Liability and/or Errors & Omissions**: applicable to the work being performed, with a limit no less than $2,000,000 per claim or occurrence and $2,000,000 aggregate per policy period of one year.

If the CONTRACTOR maintains broader coverage and/or higher limits than the minimums shown above, the COUNTY requires and shall be entitled to the broader coverage and/or the higher limits maintained by the CONTRACTOR. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the COUNTY.

B. Other Insurance Provisions

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured** – COUNTY, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the CONTRACTOR'S insurance at least as broad as ISO Form ISO Form CG 20 10 11 85 or both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; **and** CG 20 37 forms if later revisions used.
2. **Primary Coverage** – For any claims related to this contract, the CONTRACTOR'S insurance coverage shall be primary insurance primary coverage at least as broad as ISO CG 20 01 04 13 as respects the COUNTY, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the COUNTY, its officers, officials, employees, or volunteers shall be excess of the CONTRACTOR'S insurance and shall not contribute with it.
3. **Notice of Cancellation** – Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the COUNTY.
4. **Waiver of Subrogation Rights** – CONTRACTOR hereby grants to COUNTY a waiver of any right to subrogation which any insurer of said CONTRACTOR may acquire against the COUNTY by virtue of the payment of any loss under such insurance. CONTRACTOR agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not the COUNTY has received a waiver of subrogation endorsement from the insurer.
5. **Deductibles and Self-Insured Retention** – Any deductibles or self-insured retentions must be declared to and approved by the COUNTY. The COUNTY may require the CONTRACTOR to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
6. **Acceptability of Insurers** – Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best's Insurance Guide rating of "A- VII".
7. **Verification of Coverage** – CONTRACTOR shall furnish the COUNTY with proof of insurance, original certificates and amendatory endorsements as required by this Agreement. The proof of insurance, certificates and endorsements are to be received and approved by the COUNTY before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the CONTRACTOR's obligation to provide them. The CONTRACTOR shall furnish evidence of renewal of coverage throughout the term of the Agreement. The COUNTY reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.
8. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, COUNTY has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to provide evidence of renewal may be treated by COUNTY as a material breach of contract.
9. **Subcontractors** – CONTRACTOR shall require and verify that all subcontractors, including, but not limited to, Subconsultants, maintain, at all times during the Term, insurance meeting all the requirements stated herein, and CONTRACTOR shall ensure that COUNTY is an additional insured on insurance required from subcontractors and Subconsultants.
10. **Claims Made Policies** – If any of the required policies provide coverage on a claims-made

basis:

i. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
ii. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work.
iii. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the CONTRACTOR must purchase "extended reporting" coverage for a minimum of five (5) years after completion of contract work.

11. **Special Risks or Circumstances** – COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. CONTRACTOR agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements set forth herein shall not be deemed as a waiver of any rights on the part of COUNTY.

This Program Funding Agreement (the "**Agreement**") is entered into as of June 24, 2024 (the "**Effective Date**") by and between **ADVOCATES FOR HUMAN POTENTIAL, INC., a Massachusetts corporation**, with offices located at **490-B Boston Post Road, Sudbury, MA 01776** ("**AHP**"), and **COUNTY OF SANTA BARBARA, a political subdivision of the State of California, acting through its Department of Behavioral Wellness,** with offices at **315 Camino del Remedio Bldg 3, Santa Barbara, CA 93110** ("**County of Santa Barbara Department of Behavioral Wellness**" or "**Sponsor**"). AHP and the Sponsor may be referred to separately as a "**Party**" or collectively as "**Parties**."

RECITALS

A. The State of California (the "**State**"), through the Department of Health Care Services ("**DHCS**"), has entered into an agreement with AHP, a private consulting and research firm focused on improving health and human services systems, to manage the BHCIP funds and administer the State of California Behavioral Health Continuum Infrastructure Program ("**Program**"). The agreement between DHCS and AHP shall hereinafter be referred to as the "**Prime Contract**";

B. Pursuant to the requirements of the Program and DHCS guidelines, qualified grantees or entities shall use program fund awards to expand the community capacity for serving persons with behavioral health disorders by the acquisition, construction, renovation or other physical improvement of real property, infrastructure, or facilities;

C. DHCS established the BHCIP Round 4 Children and Youth grants to award competitive grants to qualified entities to construct, acquire, and rehabilitate real estate assets to expand the community continuum of behavioral health treatment resources in settings that serve children and youth ages twenty-five (25) and younger, including pregnant and postpartum women and their children, transition-age youth ages eighteen (18) to twenty-five (25), and their families;

D. In response to that certain Request for Applications for the Round 4 Children and Youth Grants for the Program issued by AHP on behalf of DHCS on or about June 1, 2022 (the "**RFA**") for the Program, Sponsor submitted an application ("**Application**") to construct the project described in the Statement of Work, Attachment D ("**SOW**"), located at 315 W. Haley St., Santa Barbara, CA 93101 (the "**Project**"); and Sponsor has been awarded program funds for the Project in an amount not to exceed Five Million Nine Hundred Thirty-Nine Thousand Four Hundred Fifty-Three Dollars Dollars ($5,939,453.00) ("**Program Funds**"); and

E. This Agreement sets forth the terms and conditions of AHP's administration and management of the Program Funds and the Sponsor's duties and obligations related to its receipt of Program Funds. Capitalized terms not defined herein shall have the meanings ascribed thereto in the California Welfare and Institutions Code sections 5960–5960.45.

NOW, THEREFORE, based upon the foregoing, and in consideration of the mutual covenants and agreements herein set forth, the Parties agree as follows:

ARTICLE 1.
AUTHORITY

California Assembly Bill 133 (Chapter 143, Statutes of 2021) ("**AB 133**") added sections 5960–5960.45 to the Welfare and Institutions Code providing the statutory basis for the Program. DHCS,

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

as part of the California Health and Human Services Agency, issued the RFA for the Program Funds, and AHP provides pre-application consultation, individual agency/county technical assistance, general training and support on individual BHCIP projects, as well as administration and fund management.

This Agreement is entered under the authority of and in furtherance of the Program. This Agreement is the result of the Application by the Sponsor for funding under the Program.

This Agreement hereby incorporates by reference the Sponsor's approved Application, as well as any report prepared by AHP in reliance on the representations and descriptions included in that Application. This Agreement is governed by the following (collectively, the "**Program Requirements**"), and each of the following, as amended and in effect from time to time, is hereby incorporated by this reference as if set forth herein in full:

1.1 AB 133, including any subsequent amendments to the statutes contained therein;

1.2 The RFA, in the form attached to this Agreement as **Attachment J**;

1.3 California Welfare and Institutions Code sections 5960–5960.45;

1.4 Guidance issued by DHCS regarding the Program;

1.5 Program Guidelines, or Program Manuals, as adopted by DHCS, and as may be amended from time to time;

1.6 The Notice of Conditional Grant Award letter dated December, 2022 issued by DHCS to the Sponsor (the "**Award Letter**") attached to this Agreement as **Attachment K**; and

1.7 All other applicable law, including, but not limited to, California Labor Code statutes applicable to public works projects.

The Sponsor is solely responsible and liable for the Sponsor and the Sponsor's subcontractors' performance and compliance with this Agreement, the above-referenced Program Requirements, and all other local, state, and federal laws applicable to the Project.

ARTICLE 2.
TERM

2.1 This Agreement shall commence on the Effective Date and shall automatically expire concurrently with the expiration of the Prime Contract, on June 30, 2027 (the "**Expiration Date**"); unless, prior to the date of expiration of the Prime Contract, AHP shall assign, and DHCS shall accept, an assignment of AHP's duties and obligations pursuant to this Agreement (the period from the Effective Date through the Expiration Date shall be referred to herein as the "**Term**"), unless earlier terminated by AHP or DHCS.

2.2 Upon the expiration of the Term, there shall be no extension or renewal of the Term of this Agreement, unless the Parties and DHCS otherwise agree in writing.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

2.3 Notwithstanding the foregoing or anything to the contrary contained herein, AHP and/or DHCS shall have the termination rights as set forth in Article 9 and Article 10, of this Agreement.

ARTICLE 3.
PROGRAM FUNDS

The Sponsor has been awarded the Program Funds in the amount set forth in this Agreement to be used solely for the purposes set forth in this Agreement and as detailed in the SOW and for no other purposes. The Sponsor shall be responsible for any costs to complete the Project in excess of the Program Funds award amount. The Sponsor shall return any excess or remaining Program Funds to the State of California upon completion of the Project.

ARTICLE 4.
CONDITIONS OF DISBURSEMENT

AHP shall disburse the Program Funds to the Sponsor for the amount of any reasonable, actual, and documented Project specific fees and expenses incurred by the Sponsor on or after December 7, 2022, the date of the Notice of Conditional Award, issued by DHCS to the Sponsor, upon satisfaction of the requirements described in Section 4.1 below. Program Funds disbursed for real property acquisition shall be disbursed only upon satisfaction of the requirements in Section 4.1 and the additional requirements of Section 4.2 below. Program Funds to be disbursed for construction costs shall be disbursed only upon satisfaction of the requirements of Section 4.1 and the additional requirements described in Section 4.3 below. Thereafter, Program Funds shall be disbursed to the Sponsor for costs incurred for the Project within thirty (30) days of receipt of a complete request for Program Funds, provided such request for Program Funds is approved by AHP or its designee.

4.1 Requirements for Disbursement of Program Funds. No Program Funds shall be released to the Sponsor for any Project costs until the Sponsor submits, and AHP approves, the documents described below, and any additional supporting information, as may be required:

4.1.1 a fully executed copy of this Agreement, including all Attachments;

4.1.2 the Sponsor's request for Program Funds, with all required supporting documents appended thereto;

4.1.3 an executed copy of Certification No. 2 "Related Party & Related Party Transaction Disclosure";

4.1.4 a completed Government Agency Taxpayer ID Form;

4.1.5 an authorizing resolution or set of authorizing resolutions that, in AHP's reasonable determination, materially comports with the Program Requirements (if the Sponsor has not already submitted the same);

4.1.6 evidence in the form of account statements that the Sponsor has established a single-purpose individual development bank account ("**IDBA**") for the purposes of receiving Program Funds and paying expenses directly related to the Project, as detailed in the Project budget attached as Schedule 1 to the

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

SOW. The IDBA shall be a joint bank account in the name of Sponsor and AHP, allowing AHP the ability to deposit funds and monitor fund disbursement. The joint account shall only allow withdrawals by the authorized Sponsor agent. Withdrawals shall not be authorized by AHP or its designee;

4.1.7 evidence in the form of account statements that any funds required to match the Program Funds pursuant to the RFA ("**Match Funds**") have been deposited into the AHP designated Match Funds bank account; or, in the event the Match Funds are an in-kind contribution, in lieu of cash, including real property upon which the Project is to be constructed or operated and/or Project expenses incurred prior to the Effective Date ("**Sunk Costs**"), the value of such in-kind contribution has been approved by AHP or DHCS, as may be required and that all Match Funds have been expended for eligible Project costs prior to requesting or expending Program Funds;

4.1.8 unless the Sponsor is acquiring real property for the construction or operation of the Project, in which event the Sponsor shall be subject to the requirements as described in Section 4.2.5.1, a copy of a recorded Regulatory Agreement and Declaration of Restrictions ("**Declaration of Restrictions**") in the form attached to this Agreement as **Attachment H** that demonstrates that the Sponsor has recorded the Declaration of Restrictions against the real property upon which the Project is to be constructed or operated; provided that, in the event that the Project is being constructed or operated on a leasehold interest, which lease must be for a term of not less than thirty (30) years, the Sponsor shall record the Declaration of Restrictions against the leasehold and the fee interest to the real property upon which the Project is to be constructed or operated;

4.1.9 intentionally omitted;

4.1.10 Evidence of insurance or self-insurance, in the amounts and types, sufficient to satisfy the requirements of Article 11 of this Agreement, subject to AHP approval, in its sole discretion;

4.1.11 certifications in the form attached as **Attachment F** required for the disbursements of Program Funds;

4.1.12 a current title report reflecting all existing liens, encumbrances, taxes owed, easements, covenants, or any other restrictions for the real property upon which the Project is to be constructed or operated. If the Sponsor's interest in the real property upon which the Project is to be constructed or operated is a leasehold, then the Sponsor shall provide a current title report for the leasehold interest and the fee interest. For tribal trust land, the Sponsor shall provide a certified Title Status Report ("**TSR**") from the U.S. Department of the Interior Bureau of Indian Affairs ("**BIA**") or an attorney's opinion regarding chain of title and current title status;

4.1.13 a signed opinion letter from Sponsor's legal counsel certifying that this Agreement, the Declaration of Restrictions, and the Program Requirements

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

do not conflict with any existing contract, agreement, or other requirement applicable to Sponsor, the property upon which the Project is to be constructed or operated, or the Project, and are otherwise enforceable against Sponsor; and such opinion letter shall be in the form and substance acceptable to AHP and DHCS, in their sole discretion; or a written confirmation letter certifying that Sponsor has reviewed a current title report reflecting all existing liens, encumbrances, taxes owed, easements, covenants or any other restrictions for the real property upon which the Project is to be constructed or operated; has received delegated authority from the Board of Supervisors for the County of Santa Barbara to the Department of Behavioral Wellness, to accept Program Funds; comply with Program Requirements; and has determined there are no other deed restrictions, including restrictions of use of the Project; and such confirmation letter shall be in the form and substance acceptable to AHP, subject to DHCS's approval in its sole discretion; and

4.1.14 Sponsor and DHCS have executed a Facility Access Agreement substantially in the form attached as **Attachment L** and the Facility Access Certification.

4.2 Requirements for Disbursement of Program Funds for Acquisition Costs. No Program Funds shall be released to the Sponsor for any Project costs related to the acquisition of real property until the Sponsor satisfies the requirements described in Section 4.1 above, and the Sponsor submits, and AHP approves, all documents described in this Section 4.2, and any additional information as may be required. Program Funds disbursed for acquisition of real property will be deposited directly into an escrow account opened by the Sponsor for the transfer of title of the real property with Old Republic Title Company, unless another title company is approved by AHP:

4.2.1 a fully executed purchase and sale agreement or other agreement evidencing the Sponsor's right to acquire the property upon which the Project is to be constructed or operated;

4.2.2 a written appraisal report setting forth an opinion of fair market value of the real property upon which the Project is to be constructed or operated prepared by a certified general appraiser licensed in the State of California ("**Certified Appraisal Report**"), which shall be in the form and substance acceptable to AHP;

4.2.3 intentionally omitted;

4.2.4 evidence of any additional funds necessary for the Sponsor to acquire the property upon which the Project is to be constructed if the Program Funds are not providing the full amount of the acquisition costs;

4.2.5 signed escrow instructions, approved by AHP, providing for the following:

4.2.5.1 a Declaration of Restrictions in the form attached to this Agreement as **Attachment H** shall be recorded at the close of escrow against the real property upon which the Project is to be constructed or operated; and

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

4.2.5.2 intentionally omitted.

4.2.6 completion of Certification No. 8 included as part of **Attachment F** shall be submitted to evidence Sponsor's performance of required due diligence; and

4.2.7 certifications in the form of **Attachment F**, required for the disbursements of Program Funds.

4.3 Requirements for Disbursement of Program Funds for Construction Costs. No Program Funds shall be released to the Sponsor for Project costs related to construction on the Project until the Sponsor satisfies the requirements described in Section 4.1 above and the Sponsor submits, and AHP approves, all documents described below, and any additional information, as may be required.

4.3.1 the Sponsor Certification No. 1, in the form attached as **Attachment F** and the Sponsor's General Contractor's Certification No. 12 certifying compliance with requirements related to public works projects pursuant to California Labor Code section 1720 *et seq.*, as well as all applicable federal labor and wage laws;

4.3.2 plans and specifications for the construction work approved by AHP, as identified by the completion of Certifications Nos. 9 and 10;

4.3.3 a construction contract, as identified by the completion of Certification No. 11, based on a permitted set of construction plans with a licensed general contractor for an amount consistent with the construction costs in the approved Project budget incorporated into the SOW as Schedule 1 that incorporates the requirements of this Agreement, including, but not limited to, the prevailing wage requirements, and contains the Construction Contract Addendum in the form attached as **Attachment I**;

4.3.4 copies of labor and material bonds and performance bonds for the construction work in an amount equal to one hundred percent (100%) of the cost of construction naming AHP and DHCS as co-obligees on the bonds;

4.3.5 the Sponsor has submitted a written request for Program Funds on a form approved by AHP providing sufficient detail and with sufficient supporting documentation to permit AHP or its designee to confirm that the request is consistent with the terms of this Agreement and the Project budget;

4.3.6 when a disbursement is requested to pay any contractor in connection with the construction work, the written request must be accompanied by (a) certification by the Sponsor's architect or project manager that the work for which disbursement is requested has been completed (although AHP reserves the right to inspect or have its designee inspect the Project and make an independent evaluation); and (b) lien releases and/or mechanics lien title insurance endorsements reasonably acceptable to AHP; and

4.3.7 certifications in the form of **Attachment F** required for the disbursements of Program Funds.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

4.4 Disbursements for Pre-construction Expenses. Notwithstanding anything to the contrary stated in this Article 4, or otherwise in this Agreement, Program Funds may be released to Sponsor for certain pre-construction Project costs, subject to approval by AHP, its designee, or DHCS in its sole discretion; provided that Sponsor has: (i) satisfied the requirements set forth in subsections 4.1.1, 4.1.2, 4.1.3, 4.1.4, 4.1.5, 4.1.6, 4.1.7, 4.1.10, 4.1.11, 4.1.13 and 4.1.14; (ii) the Project budget includes pre-construction expenses; and (iii) the planning and pre-construction phase of Project development shall be completed within ninety (90) days of the Effective Date.

ARTICLE 5.
CONSTRUCTION PROJECTS/NOTICE TO PROCEED

In the event that Program Funds are used for the performance of construction on the Project, the Sponsor shall submit an updated budget and schedule to AHP for its approval prior to the Sponsor's issuance of a notice to proceed to its general contractor. The updated budget and schedule shall be consistent with the final plans and specifications for the Project. The Sponsor shall not issue a notice to proceed to its general contractor until AHP has approved the updated budget and schedule.

ARTICLE 6.
PERFORMANCE

The Sponsor shall comply with the schedule set forth in the Performance Milestones in **Attachment G** and shall provide each Certification contained in **Attachment F** when requested. The Sponsor shall provide regular progress reports to AHP but in all events at least once every thirty (30) days, including its progress toward meeting the Performance Milestones. The Project shall not be considered complete until the submission of either Certification No. 16 or Certification No. 17, as applicable, and Certification No. 18. The Sponsor may apply to AHP for an extension of any Performance Milestones or an extension to submit any required Certification, which AHP may approve based on a showing of good cause and acceptable assurances from the Sponsor for timely completion of the remaining Performance Milestones as determined by AHP. Any extension granted by AHP shall not be effective unless granted in writing, and such writing shall be considered an amendment to this Agreement and incorporated herein. In all events all Program Funds must be obligated by June 30, 2024, and expended by June 30, 2027.

FAILURE TO SATISFY ANY ONE OF THE CERTIFICATIONS AND/OR PERFORMANCE MILESTONES (UNLESS SUCH PERFORMANCE MILESTONE IS EXTENDED) SHALL CONSTITUTE A BREACH OF THIS AGREEMENT AND ENTITLE AHP TO MANDATE THE SPONSOR TO RETURN TO THE STATE OF CALIFORNIA ANY PROGRAM FUNDS DISBURSED; IN ANY SUCH INSTANCE, AHP MAY, WITH DHCS APPROVAL, ALSO CANCEL THIS AGREEMENT WITHOUT OWING ANY DAMAGES OR OTHER PAYMENT TO THE SPONSOR.

ARTICLE 7.
FISCAL ADMINISTRATION

7.1 Disbursements of Program Funds to the Sponsor by AHP shall be deposited in the Sponsor's IDBA account unless such funds are to be used for acquisition of the property upon which the Project is to be constructed or operated, in which event

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

the Program Funds shall be deposited directly into an escrow account established with a title company for the purposes of acquisition of the property upon which the Project is to be constructed or operated. All interest earned from the deposit of Program Funds shall be used by the Sponsor for eligible Program administrative activities; however, any such use shall not exceed Five Hundred Dollars ($500.00) per year. Program Funds shall be segregated from the Sponsor's other funds and shall only be disbursed from the IDBA account for eligible Program Funds costs.

7.2 AHP has approved the Sponsor's budget for the Project incorporated in the SOW at **Attachment D**, as such budget may be updated prior to issuance of a notice to proceed to the general contractor in accordance with Article 5. Sponsor may adjust line items in the budget, including drawing upon any contingency amounts listed in the budget, without the prior approval of AHP, provided that such adjustments do not increase the overall budget amount and provided further that Sponsor provides notice to AHP of the budget changes. If upon completion of a particular phase or segment of the Project, the Program Funds allocated to that segment or phase have not been fully expended, the Program Funds allocated to Sponsor for such segment of the Project shall remain available to Sponsor for disbursement for subsequent segments of the Project; provided, however, in no event shall the total amount of the Program Funds available to Sponsor exceed the amount set forth in this Agreement without a written amendment to this Agreement approved by AHP and DHCS.

7.3 Sponsor shall notify AHP in a timely manner of any changes in the work required to be performed under this Agreement, including any additions, changes, or deletions to the plans and specifications approved by AHP. The Sponsor shall provide prior notice to AHP of any written change order before any of the following changes, additions, or deletions in work for the Project may be performed: (1) any change in the work the cost of which exceeds Twenty-Five Thousand Dollars ($25,000.00); or (2) any set of changes in the work the cost of which cumulatively exceeds One Hundred Thousand Dollars ($100,000.00); (3) any material change in building materials or equipment, specifications, or the structural or architectural design or appearance of the Project as provided for in the plans and specifications approved by AHP; or (4) any changes in the schedule that will extend the completion date. Notice of any additions, changes, or deletions to the work shall not relieve or release the Sponsor from any other obligations under this Agreement or relieve or release the Sponsor or its surety from any surety bond.

7.4 The Sponsor shall provide AHP with an updated budget and schedule for the Project when 50% completion of construction work is achieved that shows all changes in costs and schedule from the budget and schedule provided to AHP prior to issuance of the Notice of Proceed.

7.5 Any Program Funds that have not been expended by the expiration of the Period of Performance set forth in the Summary Cover Sheet and the Attached Performance Milestones must be returned to DHCS with any accrued interest in excess of Five Hundred Dollars ($500.00) per year, which may be used pursuant to Section 7.1 for administrative activities. Returned Program Funds shall be paid as directed by AHP or DHCS, no later than thirty (30) calendar days after the expiration of the applicable Period of Performance.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

ARTICLE 8.
CHANGES TO STATEMENT OF WORK

8.1 The Sponsor shall not, without the prior approval of DHCS, change either of the following: (i) the behavioral health purpose of the Project; or (ii) the population to be served by the Project, the foregoing, each, as described in (x) the Sponsor's Application, and (y) the SOW. DHCS's decision to disapprove a request to change the Sponsor's SOW is fact-specific, and the decision shall be final and not subject to further review. The Sponsor shall submit to DHCS, and provide a copy to AHP, a written request to change the behavioral health purpose of the Project described in the Application and the SOW, which shall include a detailed description of the following criteria:

8.1.1 the changes to the services or the Project that the Sponsor is requesting to make;

8.1.2 a detailed explanation of why the change is necessary and justification for how the change in the Project meets the changing behavioral health needs of the county or geographic area that the Project serves.

8.1.3 the behavioral health population, services, and needs that the Sponsor's change will meet;

8.1.4 an attestation that the Sponsor will serve the same percentage (or more) of Medi-Cal beneficiaries as originally stated in Sponsor's Application;

8.1.5 anticipated additional costs of changes to the Project, including a financial plan for meeting additional costs; and

8.1.6 any other information requested by AHP or DHCS to evaluate the Sponsor's request.

Any changes to the SOW approved by DHCS shall be provided to AHP and considered an amendment to this Agreement and incorporated herein.

8.2 The Sponsor is solely liable and responsible for any increases in costs that exceed the Program Funds. In no event shall AHP or DHCS be responsible for any costs that exceed the Program Funds for the Project. In the event that Project costs exceed the funds that Sponsor has available to pay such costs, the Sponsor shall within thirty (30) days of such occurrence provide for AHP's approval a financial plan for meeting such additional costs which additionally may be approved or disapproved by DHCS, in its sole discretion. A financial plan for meeting additional costs may include the Sponsor providing additional funds for the Project or the Sponsor incurring additional debt. The Sponsor shall not incur any additional debt without the prior written approval of AHP and DHCS.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

ARTICLE 9.
DEFAULT AND REMEDIES

9.1 Event of Default. Any of the following shall, after written notice by AHP or DHCS and expiration of any applicable cure period, constitute an "**Event of Default**" under this Agreement:

9.1.1 The Sponsor's failure to satisfy the conditions precedent to disbursement of Program Funds as set forth in Article 4 above, or to expend Program Funds pursuant to the terms of this Agreement;

9.1.2 The Sponsor's failure to timely satisfy each or any of the conditions set forth in this Agreement, or the Award Letter;

9.1.3 The Sponsor's violation of any of the Program Requirements; and

9.1.4 AHP's or DHCS's determination of the following:

9.1.4.1 the Sponsor has concealed any material fact from AHP or DHCS related to the Sponsor, the Application, the property upon which the Project is to be constructed or operated or the Project; or

9.1.4.2 any material fact or representation, made or furnished to AHP or DHCS by the Sponsor in connection with the Application, the Award Letter, or this Agreement which shall have been untrue or misleading at the time that such fact or representation was made known to AHP, or subsequently becomes untrue or misleading; or

9.1.4.3 any Certification provided by the Sponsor is determined to be untrue or misleading;

9.1.4.4 any objectives or requirements of the Program cannot be met in accordance with this Agreement or within applicable timeframes, as memorialized by this Agreement.

9.2 Right to Cure. If the breach, violation, or default pursuant to Section 9.1 is not cured to AHP's and DHCS's satisfaction, as determined by AHP and DHCS, in its sole and absolute discretion, within **thirty (30) days** of notice to Sponsor, provided in accordance with the notice requirements of this Agreement, then AHP, with DHCS's approval, may declare an Event of Default under this Agreement.

9.2.1 Notwithstanding the foregoing, the Sponsor may request additional time to cure any Event of Default. AHP may, but shall not be required to, grant any such request, which request shall be subject to DHCS's approval. AHP's approval of the Sponsor's request for additional time to cure, shall be subject to the Sponsor's continuing and diligent efforts to cure, and any additional cure period provided to the Sponsor shall be reasonable, as determined by AHP, subject to DHCS's approval in its sole discretion. In no event shall any extension of the cure period exceed thirty (30) days. For the avoidance of doubt, any extension of the cure period shall be granted in writing by AHP, subject to DHCS's approval in its sole discretion.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

9.3 AHP/State/DHCS Remedies. Upon the occurrence of an Event of Default, AHP and/or DHCS may take any and all actions or remedies that are available under this Agreement, at law, or in equity, including but not limited to the following:

9.3.1 temporarily withhold disbursement of Program Funds pending correction of the noncompliance, breach, violation, or default;

9.3.2 disallow use of Program Funds for all or part of the costs resulting from the noncompliance, breach, violation, or default;

9.3.3 wholly or partly suspend or terminate this Agreement and the Sponsor's award of Program Funds, or disbursements thereof (any such suspension or termination of this Agreement or the Sponsor's award of Program Funds shall be effective upon the Sponsor's receipt of AHP or DHCS notice of termination or suspension);

9.3.4 withhold or deny further Program Funds or awards to the Sponsor,

9.3.5 require the Sponsor to return all or part of any Program Funds, including any interest;

9.3.6 intentionally omitted;

9.3.7 any and all remedies under the Declaration of Restrictions;

9.3.8 specific performance;

9.3.9 injunctive relief;

9.3.10 recovery and completion of the Project pursuant to the payment and performance bonds; and

9.3.11 any and all remedies allowed by law or equity.

ARTICLE 10.
TERMINATION

10.1 AHP and/or DHCS, shall have the right, each in its sole discretion and without prejudice to any other rights and remedies it may have under applicable law, to terminate this Agreement immediately upon notice of such termination to the Sponsor, if (i) an Event of Default is declared by AHP or DHCS; (ii) three (3) breaches, violations or defaults by the Sponsor of the terms and conditions of this Agreement (whether the same or different) occur within any twelve-month period, regardless of whether any or all such breaches, violations or defaults are timely corrected; (iii) the Sponsor files a petition in bankruptcy or is adjudicated by a court of competent jurisdiction to be bankrupt or insolvent, or makes an assignment for the benefit of creditors or an arrangement pursuant to any bankruptcy law, or if the Sponsor discontinues or dissolves its business or if a receiver is appointed for the Sponsor or the Sponsor's business; (iv) any lender to the Sponsor declares a default under its loan agreement, or funds available to the Sponsor from any lender become unavailable such that the Sponsor is unable to timely satisfy obligations under this

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Agreement; or (v) the Sponsor's failure to provide AHP or DHCS with adequate assurances within a reasonable time that Sponsor is financially solvent, or AHP or DHCS determines, that the Sponsor is financially insecure.

10.2 Notwithstanding the foregoing, or anything to the contrary stated herein, AHP may terminate this Agreement upon thirty (30) days' notice if the Prime Contract is terminated by DHCS, or if AHP is directed by DHCS to terminate this Agreement.

10.3 Upon termination of this Agreement for any reason, neither AHP nor DHCS shall be liable for any work that is not performed in accordance with the Agreement. Upon any termination, neither AHP nor DHCS shall be responsible for any additional disbursements of Program Funds after the termination date or for any damages to the Sponsor as a result of such termination.

ARTICLE 11.
INSURANCE

11.1 Insurance Requirements. The Sponsor shall continuously maintain for the duration of this Agreement, and so long as the Declaration of Restrictions is in place, the following insurance or self-insurance at, or in excess of, the limits detailed below:

11.1.1 A Builders Risk policy including a permission to occupy endorsement during the course of construction, and upon completion of construction, if the Project is new construction, property insurance, covering all risks of loss, excluding earthquake, flood or other risks customarily excluded from "All-Risks" coverage in an amount equal to full replacement cost of the Project, including all improvements, fixtures, furnishings and equipment thereon at the time of loss.

11.1.2 If the Project is rehabilitation of an existing facility, property insurance covering all risks of loss, excluding earthquake, flood or other risks customarily excluded from "All-Risks" coverage in an amount equal to the full replacement costs of all improvements located on the property upon which the Project is to be constructed, including all improvements, fixtures, furnishings, and equipment thereon at the time of loss. Upon completion of the rehabilitation, any property insurance policy shall be updated to reflect the increased replacement costs resulting from the rehabilitation.

11.1.3 Worker's compensation insurance as required by the State.

11.1.4 Comprehensive automobile and vehicle liability insurance covering claims for injuries to members of the public and/or damages to property of others arising from use of motor vehicles, including on-site and off-site operations, and owned, non-owned, or hired vehicles, with One Million Dollars ($1,000,000.00) combined single limits.

11.1.5 Commercial general liability insurance of not less than One Million Dollars ($1,000,000.00) per occurrence with an annual aggregate limit of Five Million Dollars ($5,000,000.00) for bodily injury and property damage liability combined. The Sponsor's required limits may be satisfied through

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

a combination of general liability and umbrella policies of coverage. The commercial general liability insurance policy shall cover liabilities arising out of premises, operations, independent contractors, products, completed operations, personal and advertising injury, and liability assumed under an insured agreement. The commercial general liability insurance shall apply to each insured against whom claim is made or suit is brought subject to the Sponsor's limit of liability. If the scope of services involves one on one activities with minors, such policy shall include or not exclude sexual assault and misconduct coverage.

11.2 Third-Party Insurance Policy Requirements. If the Sponsor elects to obtain third-party insurance, all policies, except Workers' Compensation, shall be endorsed to name AHP and endorsed to name the "State Department of Health Care Services on behalf of the State (Agreement No.: 21-10368)" as an Additional Insured with respect to the work to be performed by the Sponsor. The endorsements and policies will provide that the insurer waives its rights of subrogation, and the insurer will provide notice to AHP in writing at least thirty (30) days prior to any cancellation, material change in coverage, or intent not to renew such insurance coverage. All such insurance must be primary and non-contributory and required to respond and pay prior to any other insurance or self-insurance available.

11.3 Contractor Insurance Requirements. The Sponsor shall require its general contractor and its subcontractors to provide insurance in the amounts and form set forth above during the course of construction (except the general contractor shall not be required to maintain Builder's Risk insurance or property insurance) and to name AHP and endorsed to name the "State Department of Health Care Services on behalf of the State (Agreement No.: 21-10368)" as additional insureds on all such insurance during the course of construction.

11.4 Evidence of Self-Insurance. If the Sponsor elects to maintain self-insurance, the Sponsor shall immediately deposit with AHP a letter, signed by an authorized Sponsor representative, certifying that the Sponsor maintains self-insurance consistent with the above requirements. The Sponsor shall certify its self-insurance maximum coverage amounts for each of the items above and whether they have individually self-insured or if they pooled self-insurance with other public entities through a joint powers agreement. Self-insurance maximum coverage amounts shall meet or exceed the minimum coverage amounts listed for each item above. The Sponsor shall also provide to AHP the Department of Industrial Relations' certificate of consent for the county to self-insure against worker's compensation claims. The Sponsor shall maintain self-insurance consistent with the requirements set forth above at all times during the term of the Agreement and the term of the Declaration of Restrictions. Notwithstanding the expiration of this Agreement, the Sponsor shall provide to DHCS a new certificate of insurance evidencing its third-party insurance, or a new letter certifying its compliance with the self-insurance coverage, as provided herein for a period not less than thirty (30) years from the date of either of the following: (i) the date of issuance of a Certificate of Occupancy, or (ii) the date of recordation of a Notice of Completion, in the official records of the county where the Project is located.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

11.5 Insurance Indemnification. The Sponsor shall indemnify, defend, and hold harmless AHP and DHCS against any and all liabilities to third persons and other losses (not compensated by insurance or otherwise), and for any other costs and expenses incurred, including reasonable attorneys' fees, judgments, settlements or penalties, as a result of any claim or liability resulting from the failure of the Sponsor (or its lower tier subcontractors or consultants) to maintain the insurance policies required by this Section.

11.6 Insurance Premiums. Neither AHP nor DHCS shall be responsible for any premiums, deductibles, or assessments on any insurance policy referred to in this Agreement.

11.7 Survival. The requirements to provide insurance in this Article 11 shall survive termination of this Agreement.

ARTICLE 12.
OPERATIONS

Sponsor agrees that in consideration of the receipt of Program Funds pursuant to the terms of this Agreement, Sponsor shall enter into, as required by this Agreement, the Declaration of Restrictions, to be recorded against the property upon which the Project is to be constructed or operated, in a form substantially similar as attached hereto and incorporated herein by this reference as **Attachment H**. The Declaration of Restrictions shall by its terms restrict the development, use, and occupancy of the Project for the term of thirty (30) years, from either the date of the issuance of a Certificate of Occupancy, or the recordation of a Notice of Completion, in the official records of the county in which the Project is located. In addition to any requirements in the Declaration of Restrictions, Sponsor shall comply with all applicable State, federal, and local health and safety laws and ordinances with respect to the operation and maintenance of the Project. The facility or facilities financed pursuant to this Agreement shall accept and provide services to Medi-Cal beneficiaries as patients. If the Sponsor transfers title to the Project, the Sponsor shall ensure and guarantee that the requirements of this provision transfer and bind the Sponsor's successor in title. These rights and obligations shall survive the expiration or early termination of this Agreement and are covenants running with the Project pursuant to the Declaration of Restrictions in the form of **Attachment H** to be recorded against the Project. During the Term of this Agreement and the term of the Declaration of Restrictions, the Sponsor shall execute such other documents as required by DHCS to comply with the Program Requirements, including deed restrictions, covenants and conditions recorded against the Project.

ARTICLE 13.
POLICIES AND LEGAL AUTHORITIES

13.1 The Sponsor shall comply with all California and federal law, regulations, and published guidelines, to the extent that these authorities contain requirements applicable to the Sponsor's performance under this Agreement, including any licensing and health and safety requirements.

13.2 The Sponsor shall comply with California Welfare and Institutions Code sections 5960–5960.45 *et seq.*, including any related DHCS guidance, regulations, and/or subsequent additions or amendments thereto.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

13.3 In the event the Sponsor does not comply with the terms of this Article 13, AHP shall give notice in accordance with Section 20.7 and shall have all rights set forth in Article 9 and Article 10.

ARTICLE 14.
INDEMNIFICATION

14.1 The Sponsor shall indemnify, defend, and hold harmless AHP, its officers, employees, and agents, and DHCS, its officers, employees, and agents, against liabilities to third persons and other losses (not compensated by insurance or otherwise), and for any costs and expenses incurred by AHP and DHCS, including reasonable attorneys' fees, judgments, settlements or penalties, against all liabilities, claims, suits, demands or liens for damages to persons or property ("**Claims**") (unless such Claims arise from the gross negligence or willful misconduct of AHP or DHCS) arising out of, resulting from, or relating to, the Sponsor's performance under this Agreement, and including, but not limited to, the following:

14.1.1 any act, omission, or statement of the Sponsor, or any person employed by or engaged under contract with the Sponsor, that results in injury (including death), loss, or damage to any person or property;

14.1.2 any failure on the part of the Sponsor to comply with applicable Program Requirements and requirements of law;

14.1.3 any failure to maintain the insurance policies required by this Agreement or the work performed, inclusive of intellectual property infringement, if applicable, under this Agreement. Insurance coverage that may be required shall in no way lessen or limit the liability of the Sponsor under the terms of this obligation;

14.1.4 any failure on the part of the Sponsor to satisfy all claims for labor, equipment, materials and other obligations relating to the performance of the work hereunder;

14.1.5 any injury to property or person occurring on or about the Project or the property of the Sponsor; or

14.1.6 any claims related to the use, generation, storage, release, threatened release, discharge, disposal or presence of hazardous materials on, under or about the property upon which the Project is to be constructed or located.

14.2 The Sponsor shall indemnify AHP and DHCS under this clause for any of the above acts attributable to its employees, consultants, agents, and/or lower-tiered subcontractors engaged in performance of the work under this Agreement. AHP or DHCS shall provide timely notice of any Claim describing in reasonable detail such facts and circumstances with respect to such Claim. The Sponsor shall defend AHP and DHCS with counsel reasonably acceptable to AHP and DHCS. AHP and DHCS, each, may, at its option and own expense, engage separate counsel to advise them regarding the Claim and its defense. Such counsel may attend all proceedings

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

and meetings. The Sponsor shall not settle any Claim without the consent of AHP and DHCS, as applicable.

14.3 The Sponsor agrees to indemnify, defend and save harmless AHP and its officers, agents and employees, and DHCS and its officers, agents and employees, from any and all claims, costs (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim, action, or proceeding, commenced or threatened), and losses accruing or resulting to any and all contractors, subcontractors, suppliers, laborers, and any other person, firm or corporation furnishing or supplying work services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims and losses accruing or resulting to any person, firm or corporation who may be injured or damaged by the Sponsor in the performance of this Agreement.

14.4 This indemnification shall survive the expiration or termination of the Agreement.

ARTICLE 15.
PREVAILING WAGE

Any construction work that is part of the Project is subject to state and federal prevailing wage law, including California Labor Code section 1720 *et seq.* The Sponsor is urged to seek professional legal advice about prevailing wage law requirements and the Sponsor's obligations thereunder. Prior to disbursing the Program Funds, Sponsor must sign Certification No. 1 and the Sponsor's general contractor must sign Certification No. 12 certifying compliance with California's prevailing wage law, and all applicable wage and hours laws. Sponsor shall also comply with any other labor requirements applicable to the Project as a result of other funding sources or regulatory requirements.

ARTICLE 16.
ENVIRONMENTAL CONDITIONS

The Sponsor shall provide a Phase I Environmental Site Assessment ("**ESA**") for the Project, in conformance with ASTM Standard Practice E 1527, evaluating whether the Project is affected by any recognized environmental conditions. If the Phase I ESA discloses evidence of recognized environmental conditions and the Sponsor desires to proceed with the Project, the Sponsor shall provide AHP with a Phase II report and any additional reports as required by the AHP and in a form acceptable to AHP. The Sponsor shall also provide an asbestos assessment and a lead-based paint report for AHP's approval if the Project involves rehabilitation or demolition of existing improvements. Prior to disbursement of Program Funds for real property acquisition, AHP shall require the Sponsor to sign Certification No. 8 certifying that all recommendations of the Phase I or Phase II ESA have been complied with or shall be complied with prior to commencement of construction. Prior to disbursement of Program Funds for any rehabilitation work, AHP shall require the Sponsor to sign Certification No. 8 certifying that all asbestos and/or lead-based paint

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

has been abated or shall be abated prior to or during the performance of any such rehabilitation work.

ARTICLE 17.
RELOCATION

The Sponsor must comply with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. section 4601 *et seq.*), the California Relocation Assistance Law (California Government Code section 7260 *et seq.*) and their implementing regulations ("**Relocation Laws**") if the Project will result in the displacement, as that term is defined in the Relocation Laws, of any persons, businesses, or farm operations. Pursuant to the Relocation Laws, the Sponsor must have a relocation plan prior to proceeding with any phase of a Project or other activity that will result in the displacement of persons, businesses, or farm operations. The Sponsor shall provide any required notices and relocation benefits in accordance with the Relocation Laws. The Sponsor shall provide AHP with Certification No. 8 that all applicable Relocation Laws have been complied with.

ARTICLE 18.
INSPECTIONS, AUDITS, AND RECORD RETENTION

18.1 AHP or any of its authorized representatives shall have the right to access any documents, papers, or other records of the Sponsor which are pertinent to the Program Funds, for the purpose of performing audits, examinations, and/or review regarding compliance with the provisions of this Agreement and the Program Requirements. Such monitoring activities shall include, but are not limited to, inspection of the Sponsor's, books and records, in addition to site inspections, as AHP deems appropriate.

18.2 AHP may perform compliance reviews, review procedures and documents pertaining to the SOW and other elements of this Agreement, perform onsite visits, and desk reviews in order to ensure the Sponsor's compliance with this Agreement, as well as protect against fraud, waste and abuse.

18.3 The right to access records also includes timely and reasonable access to the Sponsor's personnel for the purpose of interview and discussion related to the requested documents and/or information.

18.4 The right to access records is not limited to the required retention period but lasts as long as the records are retained by the Sponsor.

18.5 The Sponsor shall retain all financial records, supporting documents, statistical records, and all other records pertinent to the Project and the Program Funds.

18.6 The Parties recognize and acknowledge that DHCS and the Sponsor are public entities subject to the Public Records Act and information exchanged may be subject to public disclosure and the Parties have no right to assume that such information shall be kept confidential.

18.7 Any review or inspection undertaken by AHP or its designee with reference to the Project is solely for the purpose of determining whether the Sponsor is properly discharging its obligations to DHCS and should not be relied upon by the Sponsor

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

or by any third parties as a warranty or representation by AHP or DHCS as to the quality of the design or construction of the Project.

18.8 The Sponsor agrees that claims based upon an audit finding, and/or an audit finding that is appealed and upheld, shall be recovered by AHP by one of the following options:

18.8.1 the Sponsor's remittance to AHP of the full amount of the audit exception within thirty (30) days following AHP's request for payment; or

18.8.2 a repayment schedule which is agreeable to both AHP and the Sponsor.

AHP reserves the right to select which option described above shall be employed, and AHP shall notify the Sponsor in writing of the claim procedure to be utilized. Interest on the unpaid balance of the audit finding or debt shall accrue at a rate equal to maximum allowed by applicable law.

18.9 Sponsor shall provide to AHP an executed Facility Access Certification "Execution of Facility Access Agreement with State of California, Department of Health Care Services" in connection with DHCS's right to inspect, audit and review Sponsor's compliance with this Agreement and the Program Requirements within forty-five (45) days of Sponsor's receipt of the Contract with the State of California Department of Health Care Services.

ARTICLE 19.
THIRD-PARTY BENEFICIARIES

The State, represented by DHCS in this Agreement, is a third-party beneficiary of this Agreement. The Agreement shall not be construed so as to give any other person or entity, other than the Parties and DHCS, any legal or equitable claim or right. DHCS or another authorized department or agency representing the State may enforce any provision of this Agreement to the full extent permitted in law or equity as a third-party beneficiary of this Agreement. The State may take any and all remedies available in law and equity. In the event of litigation, the State may choose to seek any type of damages available in law or equity, up to the full amount of Program Funds awarded to the Sponsor.

ARTICLE 20.
MISCELLANEOUS

20.1 Dispute Resolution.

20.1.1 In the event of a dispute, the Parties shall first try to resolve the dispute by escalating it to higher levels of management to negotiate in good faith. If negotiations are unsuccessful, any controversy, dispute or disagreement arising out of or relating to this Agreement, its breach, or its subject matter, shall be conducted in a court of competent jurisdiction in Santa Barbara County, California. Any Party bringing an action must comply with all applicable laws relating to claims against public entities, including the time limitations and manner of claim presentation prescribed by Chapter 2, commencing with section 910 of Part 3 (Claims Against Public Entities) of Division 3.6 of Title 1 of the California Government Claims Act.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

20.1.2 The Sponsor shall be obligated to continue to perform pursuant to this Agreement while any dispute is pending.

20.1.3 Dispute Resolution provisions do not apply to the State.

20.2 Attorneys' Fees. If a dispute arising out of this Agreement is finally adjudicated, the non-prevailing party shall pay the prevailing party's reasonable expenses incurred in connection therewith, including reasonable arbitration costs and reasonable attorneys' fees. If multiple items are disputed and the final decision is split, then the Parties shall allocate such expenses pro rata as to each item. This Section 20.2 Attorney's Fees provisions does not apply to the State.

20.3 Waiver. AHP's failure to notify the Sponsor of a breach or to insist on strict performance of any provision of this Agreement shall not constitute waiver of such breach or provision.

20.4 Remedies. No remedy in this Agreement is exclusive of any other remedy available under this Agreement, at law or in equity. AHP or DHCS may seek equitable relief, including an injunction, against the Sponsor in connection with any breach or threatened breach of this Agreement.

20.5 Limitation of Liability. Except as otherwise provided in this Agreement, or by applicable law, the Sponsor waives any right to seek, and AHP and DHCS shall not be liable for, any special, consequential, or punitive damages; indirect, or incidental damages; or for any loss of goodwill, profits, data, or loss of use arising out of, resulting from, or in any way connected with the performance or breach of this Agreement, even if the Sponsor advises AHP or DHCS of the possibility of any such damages.

20.6 Relationship. The Sponsor is an independent contractor with respect to AHP. This Agreement is not intended to create a partnership, joint venture, employment, or fiduciary relationship between the Parties or between any Party hereto and DHCS.

20.7 Notices. Notices under this Agreement must be (i) in writing, (ii) addressed to the receiving Party at the address described in the Summary Cover Sheet (unless notice of a different address is given), and (iii) (A) if personally delivered to the recipient, notice is effective upon delivery, (B) if sent by a nationally recognized overnight courier service, notice is effective on the first business day following its timely deposit with such courier service, delivery fees for next business day delivery prepaid; no signature affirming receipt by the receiving Party is required, the internal records of the courier service shall be accepted as sufficient evidence of the date of the deposit of the notice with the courier service, or (C) if sent by certified U.S. mail, notice is effective three (3) days after deposit thereof in the U.S. mail, postage prepaid, certified, return receipt requested. Counsel for a Party may send notice on behalf of its client.

20.7.1 Notwithstanding the foregoing, the Parties may deliver any approval, disapproval, or request therefor via email. Such email notices and deliveries shall be valid and binding on the Parties, subject to the following:

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

20.7.1.1 Such email must be properly addressed to the other Party's Designated Representatives. For purposes of this Agreement, "**Designated Representative**" means initially: (i) for AHP, Mark Faucette at: mfaucette@ahpnet.com and Euna Ra-Smith at: era-smith@ahpnet.com, (ii) for the Sponsor, Evelyn Zuroske, Housing & Grants Management at: ezuroske@sbcbwell.org. A Party may change a Designated Representative only upon notice to the other Party pursuant to the requirements of Section 20.7(iii) (A), (B) or (C).

20.7.1.2 If the sender receives a bounce back, out-of-office or other automated response indicating non-receipt, the sender shall (i) re-attempt delivery until the other Party confirms receipt, or (ii) deliver the item in accordance with Section 20.7(iii) (A), (B) or (C).

20.8 Governing Law. The place of performance of this Agreement is California and the laws of the State of California shall govern the validity, performance, enforcement, and interpretation of this Agreement. Any litigation or enforcement of an award must be brought in the appropriate federal or state court in the State of California, County of Sacramento. Each Party consents to personal and subject matter jurisdiction and venue in such courts and waives the right to change venue with respect to any such proceeding. The Parties acknowledge that all directions issued by the forum court, including injunctions and other decrees, shall be binding and enforceable in all jurisdictions and countries.

20.9 Assignment. The Sponsor shall not assign, delegate, or otherwise transfer this Agreement, or its duties or obligations in connection therewith, in whole or in part without the prior approval of AHP and DHCS. AHP's obligations under this Agreement shall be assignable to DHCS or DHCS's designee upon DHCS's request without the Sponsor's consent. In the event that AHP assigns its obligations under this Agreement to DHCS, AHP shall make commercially reasonable efforts to transition any reasonably necessary documentation related to this Agreement to DHCS or its designee; provided, however, that AHP shall have no obligation to incur any liability, pay fees, charges, or reimbursement in connection with any assignment, wind-down, or transition services.

20.10 Entire Agreement; Amendments. This Agreement constitutes the entire agreement of the Parties with respect to its subject matter. It supersedes all oral or written agreements or communications between the Parties. No understanding, agreement, modification, change order, or other matter affecting this Agreement shall be binding, unless in writing, signed by both Parties. No handwritten changes shall be effective unless initialed by each Party.

20.11 Independent Legal and Tax Advice. AHP and the Sponsor, each, have reviewed and negotiated this Agreement using such independent legal and tax counsel as each has deemed appropriate. The Sponsor further acknowledges that it has been afforded the opportunity to obtain legal and tax advice concerning its legal and financial duties and obligations, including its state and federal tax liabilities related to its receipt of Program Funds, and hereby confirms by the execution and delivery

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

of this Agreement that it has either done so or waived its right to do so in connection with the entering into this Agreement. For the avoidance of doubt, the Sponsor shall be solely responsible for its tax liabilities related to its receipt of Program Funds.

20.12 Exhibits. The Attachments, Schedules, and Addenda attached to this Agreement are a part of this Agreement and incorporated into this Agreement by reference.

20.13 Partial Invalidity. If any part of this Agreement is unenforceable, the remainder of this Agreement and, if applicable, the application of the affected provision to any other circumstance, shall be fully enforceable.

20.14 Captions. The headings contained herein are for convenience only and are not intended to define, limit, or describe the scope or intent of any provision of this Agreement.

20.15 Force Majeure. Neither Party shall be liable to the other for loss or damages due to failure or delay in rendering performance caused by circumstances beyond its reasonable control, if such failure could not have been overcome by the exercise of due diligence, due care, or foresight. Such circumstances may include, but are not limited to, acts of God or a public enemy; wars; acts of terrorism; riots; fires; floods; epidemics; quarantine restrictions; labor disputes; strikes; defaults of subcontractors/vendors; failure/delays in transportation; unforeseen freight embargoes; unusually severe weather; or any law/order/regulation/request of a state or local government entity, the U.S. Government, or of any agency, court, commission, or other instrumentality of any such governments. Times of performance under this Agreement may be appropriately extended for excused delays if the Party whose performance is affected promptly notifies the other of the existence and nature of such delay.

20.16 Publicity. Without prior written approval of the other, neither Party shall use the other's name or make reference to the other Party or any of its employees in publications, news releases, advertising, speeches, technical papers, photographs, sales promotions, or publicity purposes of any form related to this work or data developed hereunder, unless disclosure of such materials is required by legal, accounting, or regulatory requirements beyond the disclosing Party's reasonable control. Use of either Party's name may be made in internal documents, annual reports, and proposals. This Section shall survive expiration/termination of this Agreement. Notwithstanding the foregoing, the Sponsor agrees that the State may use and refer to the Sponsor and the Project in any publication, news release, advertising, speech, technical paper, or for any other purposes.

20.17 Notice of Litigation. Promptly, and in any event within five (5) business days after an officer or other authorized representative of the Sponsor obtains knowledge thereof, the Sponsor shall provide written notice to AHP of (i) any litigation or governmental proceeding pending against the Sponsor which could materially adversely affect the business, operations, property, assets, condition (financial or otherwise) or prospects of the Sponsor, and (ii) any other event which is likely to materially adversely affect the business, operations, property, assets, condition (financial or otherwise) or prospects of the Sponsor.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

20.18 Survival. Except as otherwise stated, sections that by their terms impose continuing obligations or establish continuing rights shall be deemed to survive the expiration or termination of this Agreement.

20.19 Successors. This Agreement shall be binding upon the Parties, their successors, and assigns.

20.20 Approvals. Whenever this Agreement calls for approval by either (i) a Party, or (ii) DHCS, approval shall mean prior written approval (including via email), not to be unreasonably conditioned, delayed, or withheld, unless sole discretion is expressly noted.

20.21 Timeliness. Time is of the essence in this Agreement.

20.22 Counterparts; Electronic Signatures. The Parties may sign this Agreement in several counterparts, each of which constitutes an original, but all of which together constitute one instrument. Electronic signatures are valid and shall bind the Party delivering such signature.

ATTACHMENT A

STATE REQUIREMENTS

Only the State Requirements applicable to the Sponsor's Program Funding are included in this Attachment and inapplicable provisions have been intentionally omitted.

1. Federal Equal Opportunity Requirements.

a. The Sponsor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era. The Sponsor will take affirmative action to ensure that qualified applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, national origin, physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and career development opportunities and selection for training, including apprenticeship. The Sponsor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Federal Government or AHP, setting forth the provisions of the Equal Opportunity clause, section 503 of the Rehabilitation Act of 1973 and the affirmative action clause required by the Vietnam Era Veterans' Readjustment Assistance Act of 1974 (38 U.S.C. 4212). Such notices shall state the Sponsor's obligation under the law to take affirmative action to employ and advance in employment qualified applicants without discrimination based on their race, color, religion, sex, national origin physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era and the rights of applicants and employees.

b. The Sponsor will, in all solicitations or advancements for employees placed by or on behalf of the Sponsor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era.

c. The Sponsor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding a notice, to be provided by the Federal Government or the State, advising the labor union or workers' representative of the Sponsor's commitments under the provisions herein and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

d. The Sponsor will comply with all provisions of and furnish all information and reports required by section 503 of the Rehabilitation Act of 1973, as amended, the Vietnam Era Veterans' Readjustment Assistance Act of 1974 (38 U.S.C. 4212) and of the Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of the Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," and of the rules, regulations, and relevant orders of the Secretary of Labor.

e. The Sponsor will furnish all information and reports required by Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," and the Rehabilitation Act of 1973, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the State and its designated representatives and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

f. In the event of the Sponsor's noncompliance with the requirements of the provisions herein or with any federal rules, regulations, or orders which are referenced herein, this Agreement may be cancelled, terminated, or suspended in whole or in part and the Sponsor may be declared ineligible for further federal and state contracts in accordance with procedures authorized in Federal Executive Order No. 11246 as amended and such other sanctions may be imposed and remedies invoked as provided in Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

g. The Sponsor will include the provisions of Paragraphs a through g in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," or section 503 of the Rehabilitation Act of 1973 or (38 U.S.C. 4212) of the Vietnam Era Veteran's Readjustment Assistance Act, so that such provisions will be binding upon each Sponsor or vendor. The Sponsor will take such action with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs or AHP may direct as a means of enforcing such provisions including sanctions for noncompliance provided, however, that in the event the Sponsor becomes involved in, or is threatened with litigation by a subcontractor or vendor as a result of such direction by AHP, the Sponsor may request in writing to AHP, who, in turn, may request the United States to enter into such litigation to protect the interests of the State and of the United States.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

2. Travel and Per Diem Reimbursement.

(Applicable if travel and/or per diem expenses are authorized to be reimbursed with Agreement funds.)

Reimbursement for travel and/or per diem expenses from AHP under this Agreement shall, unless otherwise specified in this Agreement, be at the rates currently in effect, as established by the California Department of Human Resources (CalHR), for nonrepresented state employees as stipulated in DHCS's Travel Reimbursement Information Exhibit in Attachment A-State Requirements. If the CalHR rates change during the term of the Agreement, the new rates shall apply upon their effective date and no amendment to this Agreement shall be necessary. Exceptions to California Department of Human Resources (CalHR) lodging rates may be approved by AHP upon the submission of a statement by the Sponsor indicating that such rates are not available to the Sponsor. No travel outside the State of California shall be reimbursed without prior authorization from DHCS. Verbal authorization should be confirmed in writing. Written authorization may be in a form including fax or email confirmation.

3. Procurement Rules.

Applicable to agreements in which equipment/property, commodities and/or supplies are furnished by AHP or DHCS or expenses for said items are reimbursed by funds with state or federal funds provided under this Agreement.

a. Equipment/Property Definitions.

Wherever the term equipment and/or property is used, the following definitions shall apply:

Major equipment/property: A tangible or intangible item having a base unit cost of Five Thousand Dollars ($5,000) or more with a life expectancy of one (1) year or more and is either furnished by DHCS or the cost is reimbursed through this Agreement. Software and videos are examples of intangible items that meet this definition.

Minor equipment/property: A tangible item having a base unit cost of less than Five Thousand Dollars ($5,000) with a life expectancy of one (1) year or more and is either furnished by DHCS or the cost is reimbursed through this Agreement.

b. Government and public entities (including state colleges/universities and auxiliary organizations), whether acting as a contractor and/or subcontractor, may secure all commodities, supplies, equipment and services related to such purchases that are required in performance of this Agreement. Said procurements are subject to Paragraphs d through h of Provision 3. Paragraph c of Provision 3 shall also apply, if equipment/property purchases are delegated to subcontractors that are nonprofit organizations or commercial businesses.

c. Intentionally omitted.

d. Intentionally omitted.

e. In AHP's sole discretion (e.g., when AHP has a need to monitor certain purchases, etc.), AHP may require prior written authorization and/or the submission of paid

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

vendor receipts for any purchase, regardless of dollar amount. AHP reserves the right to either deny claims for reimbursement or to request repayment for any Sponsor purchase that AHP determines to be unnecessary in carrying out performance under this Agreement.

f. The Sponsor must maintain a copy or narrative description of the procurement system, guidelines, rules, or regulations that will be used to make purchases under this Agreement. AHP and the State reserves the right to request a copy of these documents and to inspect the purchasing practices of the Sponsor at any time.

g. For all purchases, the Sponsor must maintain copies of all paid vendor invoices, documents, bids and other information used in vendor selection, for inspection or audit. Justifications supporting the absence of bidding (i.e., sole source purchases) shall also be maintained on file by the Sponsor for inspection or audit.

h. AHP may, with cause (e.g., with reasonable suspicion of unnecessary purchases or use of inappropriate purchase practices, etc.), withhold, cancel, modify, or retract the delegated purchase authority granted under Paragraphs b and/or c of Provision 3 by giving the Sponsor no less than thirty (30) calendar days written notice.

4. Equipment/Property Ownership/Inventory/Disposition.

(Applicable to agreements in which equipment/property is furnished by DHCS and/or AHP when said items are purchased or reimbursed by DHCS with state or federal funds provided under this Agreement.)

a. Wherever the term equipment and/or property is used in Provision 4, the definitions in Paragraph a of Provision 3 shall apply.

Unless otherwise stipulated in this Agreement, all equipment and/or property that is purchased/reimbursed with Agreement funds or furnished by AHP under the terms of this Agreement shall be considered state equipment and the property of DHCS, unless a waiver is granted.

(1) Reporting of Equipment/Property Receipt - DHCS requires the reporting, tagging and annual inventorying of all equipment and/or property that is furnished by AHP/DHCS or purchased/reimbursed with funds provided through this Agreement.

Upon receipt of equipment and/or property, the Sponsor shall report the receipt to the AHP. To report the receipt of said items and to receive property tags, the Sponsor shall use a form or format designated by AHP. If the appropriate form does not accompany this Agreement, the Sponsor shall request a copy from AHP.

(2) Annual Equipment/Property Inventory - If the Sponsor enters into an agreement with a term of more than twelve months, the Sponsor shall submit an annual inventory of state equipment and/or property to the AHP using a form or format designated by AHP. If an inventory report form does not accompany this Agreement, the Sponsor shall request a copy from AHP. The Sponsor shall:

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

(a) Include in the inventory report, equipment and/or property in the Sponsor's possession and/or in the possession of a subcontractor (including independent consultants).

(b) Submit the inventory report to AHP according to the instructions appearing on the inventory form or issued by AHP.

(c) Contact AHP to learn how to remove, trade-in, sell, transfer or survey off, from the inventory report, expired equipment and/or property that is no longer wanted, usable or has passed its life expectancy. Instructions will be supplied by AHP.

b. Title to state equipment and/or property shall not be affected by its incorporation or attachment to any property not owned by the State.

c. Unless otherwise stipulated, AHP or DHCS shall be under no obligation to pay the cost of restoration, or rehabilitation of the Sponsor's facility which may be affected by the removal of any state equipment and/or property.

d. The Sponsor shall maintain and administer a sound business program for ensuring the proper use, maintenance, repair, protection, insurance and preservation of state equipment and/or property.

(1) In administering this provision, AHP may require the Sponsor to repair or replace, to AHP's satisfaction, any damaged, lost or stolen state equipment and/or property. In the event of state equipment and/or miscellaneous property theft, the Sponsor shall immediately file a theft report with the appropriate police agency, or the California Highway Patrol and the Sponsor shall promptly submit one copy of the theft report to AHP.

e. Unless otherwise stipulated by the Program funding this Agreement, equipment and/or property purchased/reimbursed with agreement funds or furnished by AHP under the terms of this Agreement, shall only be used for performance of this Agreement or another DHCS agreement, with prior approval only.

f. Within sixty (60) calendar days prior to the termination or end of this Agreement, the Sponsor shall provide a final inventory report of equipment and/or property to AHP and shall, at that time, query DHCS as to the requirements, including the manner and method, of returning state equipment and/or property to AHP. Final disposition of equipment and/or property shall be at AHP's expense and according to AHP's instructions. Equipment and/or property disposition instructions shall be issued by AHP immediately after receipt of the final inventory report. At the termination or conclusion of this Agreement, AHP OR DHCS may at its discretion, authorize the continued use of state equipment and/or property for performance of work under a different DHCS agreement.

5. Subcontract Requirements.

a. Intentionally Omitted.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

b. AHP reserves the right to approve or disapprove the selection of subcontractors and with advance written notice, require the substitution of subcontractors and require the Sponsor to terminate subcontracts entered into in support of this Agreement.

(1) Upon receipt of a written notice from AHP requiring the substitution and/or termination of a subcontract, the Sponsor shall take steps to ensure the completion of any work in progress and select a replacement, if applicable, within thirty (30) calendar days, unless a longer period is agreed to by DHCS.

c. Actual subcontracts (i.e., written agreement between the Sponsor and a subcontractor) of Five Thousand Dollars ($5,000) or more are subject to the prior review and written approval of DHCS. DHCS may, in its discretion elect to waive this right. All such waivers shall be confirmed in writing by DHCS.

d. The Sponsor shall maintain a copy of each subcontract entered into in support of this Agreement and shall, upon request by AHP, make copies available for approval, inspection, or audit.

e. AHP assumes no responsibility for the payment of subcontractors used in the performance of this Agreement. The Sponsor accepts sole responsibility for the payment of subcontractors used in the performance of this Agreement.

f. The Sponsor is responsible for all performance requirements under this Agreement even though performance may be carried out through a subcontract.

g. The Sponsor shall ensure that all subcontracts for services include provision(s) requiring compliance with applicable terms and conditions specified in this Agreement.

h. The Sponsor agrees to include the following clause, relevant to record retention, in all subcontracts for services:

> The Sponsor agrees to maintain and preserve, until three years after termination of this Agreement and final payment from AHP, to permit AHP or DHCS or any duly authorized representative, to have access to, examine or audit any pertinent books, documents, papers and records related to this subcontract and to allow interviews of any employees who might reasonably have information related to such records.

i. Unless otherwise stipulated in writing by AHP, AHP shall be the Sponsor's sole point of contact for all matters related to performance and payment under this Agreement.

j. Sponsor shall, as applicable, advise all subcontractors of their obligations to comply with this Attachment.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

6. Income Restrictions.

Unless otherwise stipulated in this Agreement, the Sponsor agrees that any refunds income, rebates, credits, or other amounts (including any interest thereon) accruing to or received by the Sponsor under this Agreement are subject to the provisions of 2 C.F.R. section 200.307 and U.S. Department of the Treasury guidance. Income shall be paid by the Sponsor to AHP so that AHP can pay DHCS, to the extent that they are properly allocable to costs for which the Contractor has been reimbursed by AHP under this Agreement.

7. Audit and Record Retention.

a. The Sponsor shall maintain books, records, documents, and other evidence, accounting procedures and practices, sufficient to properly reflect all direct and indirect costs of whatever nature claimed to have been incurred in the performance of this Agreement, including any matching costs and expenses. The foregoing constitutes "records" for the purpose of this provision.

b. The Sponsor's facility or office or such part thereof as may be engaged in the performance of this Agreement and his/her records shall be subject at all reasonable times to inspection, audit, and reproduction.

c. Sponsor agrees that AHP, DHCS, the Department of General Services, the Bureau of State Audits, or their designated representatives including the Comptroller General of the United States shall have the right to review and to copy any records and supporting documentation pertaining to the performance of this Agreement. Sponsor agrees to allow the auditor(s) access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. Further, the Sponsor agrees to include a similar right of the State to audit records and interview staff in any subcontract related to performance of this Agreement. (GC 8546.7, CCR Title 2, section 1896.77)

d. The Sponsor shall preserve and make available his/her records (1) for a period of three years from the date of final payment under this Agreement, and (2) for such longer period, if any, as is required by applicable statute, by any other provision of this Agreement, or by subparagraphs (1) or (2) below.

(1) If this Agreement is completely or partially terminated, the records relating to the work terminated shall be preserved and made available for a period of three years from the date of any resulting final settlement.

(2) If any litigation, claim, negotiation, audit, or other action involving the records has been started before the expiration of the three-year period, the records shall be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular three-year period, whichever is later.

e. The Sponsor may, at its discretion, following receipt of final payment under this Agreement, reduce its accounts, books and records related to this Agreement to microfilm, computer disk, CD ROM, DVD, or other data storage medium. Upon

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

request by an authorized representative to inspect, audit or obtain copies of said records, the Sponsor must supply or make available applicable devices, hardware, and/or software necessary to view, copy and/or print said records. Applicable devices may include, but are not limited to, microfilm readers and microfilm printers, etc.

f. The Sponsor shall, if applicable, comply with the Single Audit Act and the audit requirements set forth in 2 C.F.R. § 200.501 (2014).

8. Site Inspection.

The State has the right at all reasonable times to inspect or otherwise evaluate the work performed or being performed hereunder including subcontract supported activities and the premises in which it is being performed. If any inspection or evaluation is made of the premises of the Sponsor, the Sponsor shall provide and shall require Sponsors to provide all reasonable facilities and assistance for the safety and convenience of the authorized representatives in the performance of their duties. All inspections and evaluations shall be performed in such a manner as will not unduly delay the work**.**

9. Intentionally Omitted.

10. Intentionally Omitted.

11. Warranties.

The Sponsor represents and warrants that:

a. It is free to enter into and fully perform this Agreement.

b. It has secured and will secure all rights and licenses necessary for its performance of this Agreement.

c. It has not granted and shall not grant to any person or entity any right that would or might derogate, encumber, or interfere with any of the rights granted to AHP or DHCS in this Agreement.

d. It has appropriate systems and controls in place to ensure that State funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

e. It has no knowledge of any outstanding claims, licenses or other charges, liens, or encumbrances of any kind or nature whatsoever that could affect in any way the Sponsor's performance of this Agreement.

f. All materials and equipment furnished with respect to the Project and all work performed by the Sponsor will be of good and workmanlike quality, free from faults and defects, and in conformance with the Agreement.

g. It shall comply with all applicable laws in connection with its performance of its obligations under this Agreement.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

h. It has disclosed to AHP and/or DHCS, the composition of the Sponsor, including any entity, member, manager, partner, or person that directly or indirectly owns or controls, is owned or controlled by, or is under common ownership or common control with the Sponsor ("**Related Party**" or "**Related Parties**") and shall promptly disclose to AHP and/or DHCS, during the Term of this Agreement, any change in ownership or control of the Sponsor or any merger or acquisition that changes the control of the Sponsor. For purposes of this Agreement, "control" shall mean any entity that has an ownership interest of greater than twenty percent (20%) in the Sponsor, or, has the authority to direct or cause the direction of the affairs or management of the Sponsor.

i. It shall disclose to AHP and/or DHCS, during the Term of this Agreement, promptly upon the existence or discovery of the existence of an actual or potential transaction, agreement, or settlement with a Related Party in connection with the Project ("**Related Party Transaction**").

j. It shall disclose to AHP and/or DHCS, during the Term of this Agreement, promptly upon the existence or discovery of the existence of a Related Party or a Related Party Transaction: (1) the nature of the relationship, (2) the nature of the potential or actual transaction, agreement, or settlement, (3) the dollar amounts of any such transaction, agreement, or settlement, (4) the dollar amounts due to or from a Related Party, and (5) documents and any additional information, as may be required by AHP and/or DHCS in their sole discretion.

k. The provisions set forth herein shall survive any termination or expiration of this Agreement or any Project schedule.

12. Air or Water Pollution Requirements.

Any federally funded agreement and/or subcontract in excess of One Hundred Thousand Dollars ($100,000.00) must comply with the following provisions unless said agreement is exempt by law.

a. Government contractors agree to comply with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 USC 7606) section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations.

b. Institutions of higher education, hospitals, nonprofit organizations and commercial businesses agree to comply with all applicable standards, orders, or requirements issued under the Clean Air Act (42 U.S.C. 7401 *et seq.*), as amended, and the Clean Water Act (33 U.S.C. 1251 *et seq.*), as amended**.**

13. Prior Approval of Training Seminars, Workshops or Conferences.

The Sponsor shall obtain prior AHP approval of the location, costs, dates, agenda, instructors, instructional materials, and attendees at any reimbursable training seminar, workshop, or conference conducted pursuant to this Agreement and of any reimbursable publicity or educational materials to be made available for distribution. The Sponsor shall acknowledge the support of the State whenever publicizing the work under this Agreement in any media. This provision does not

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

apply to necessary staff meetings or training sessions held for the staff of the Sponsor to conduct routine business matters.

14. Confidentiality of Information.

a. The Sponsor and its employees, agents, or subcontractors shall protect from unauthorized disclosure names and other identifying information concerning persons either receiving services pursuant to this Agreement or persons whose names or identifying information become available or are disclosed to the subcontractors as a result of services performed under this Agreement, except for statistical information not identifying any such person.

b. The Sponsor and its employees, agents shall not use such identifying information for any purpose other than carrying out the Sponsor's obligations under this Agreement.

c. The Sponsor and its employees, agents shall promptly transmit to the AHP Contract Office or Project Manager all requests for disclosure of such identifying information not emanating from the client or person.

d. The Sponsor shall not disclose, except as otherwise specifically permitted by this Agreement or authorized by the client, any such identifying information to anyone other than AHP without prior written authorization from the AHP Contract Office or Project Manager, except if disclosure is required by State or Federal law.

e. For purposes of this provision, "identity" shall include, but not be limited to name, identifying number, symbol, or other identifying particular assigned to the individual, such as finger or voice print or a photograph.

f. As deemed applicable by AHP/DHCS, this provision may be supplemented by additional terms and conditions covering personal health information (PHI) or personal, sensitive, and/or confidential information (PSCI). Said terms and conditions will be outlined in one or more exhibits that will either be attached to this Agreement or incorporated into this Agreement by reference.

15. Intentionally Omitted.

16. Intentionally Omitted.

17. Intentionally Omitted.

18. Intentionally Omitted.

19. Novation.

If the Contractor proposes any novation agreement, DHCS shall act upon the proposal within sixty (60) days after receipt of the written proposal. DHCS may review and consider the proposal, consult and negotiate with the Contractor, and accept or reject all or part of the proposal. Acceptance or rejection of the proposal may be made orally within the sixty (60)-day period and confirmed in writing within five (5) days of said decision. Upon written acceptance of the

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

proposal, DHCS will initiate an amendment to this Agreement to formally implement the approved proposal.

20. Debarment and Suspension Certification.

(Applicable to all agreements funded in part or whole with federal funds.)

a. By signing this Agreement, the Sponsor agrees to comply with applicable federal suspension and debarment regulations including, but not limited to 2 CFR 180, 2 CFR 376.

b. By signing this Agreement, the Sponsor certifies to the best of its knowledge and belief, that it and its principals:

(1) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any federal department or agency;

(2) Have not within a three-year period preceding this application/proposal/agreement been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) violation of Federal or State antitrust statutes; commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, receiving stolen property, making false claims, obstruction of justice, or the commission of any other offense indicating a lack of business integrity or business honesty that seriously affects its business honesty;

(3) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in Paragraph b(2) herein; and

(4) Have not within a three-year period preceding this application/proposal/agreement had one or more public transactions (Federal, State or local) terminated for cause or default.

(5) Have not, within a three-year period preceding this application/proposal/agreement, engaged in any of the violations listed under 2 CFR Part 180, Subpart C as supplemented by 2 CFR Part 376.

(6) Shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under federal regulations (i.e., 48 CFR part 9, subpart 9.4), debarred, suspended, declared ineligible, or voluntarily excluded from participation in such transaction, unless authorized by the State.

(7) Will include a clause entitled, “Debarment and Suspension Certification” that essentially sets forth the provisions herein, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

c. If the Sponsor is unable to certify to any of the statements in this certification, the Sponsor shall submit an explanation to AHP and the DHCS Program Contract Manager.

d. The terms and definitions herein have the meanings set out in 2 CFR Part 180 as supplemented by 2 CFR Part 376.

e. If the Sponsor knowingly violates this certification, in addition to other remedies available to the Federal Government, DHCS may terminate this Agreement for cause or default.

21. Intentionally Omitted.

22. Intentionally Omitted.

23. Intentionally Omitted.

24. Intentionally Omitted.

25. Officials Not to Benefit.

No members of or delegate of Congress or the State Legislature shall be admitted to any share or part of this Agreement or to any benefit that may arise therefrom. This provision shall not be construed to extend to this Agreement if made with a corporation for its general benefits.

26. Intentionally Omitted.

27. Intentionally Omitted.

28. Use of Small, Minority Owned and Women's Businesses.

(Applicable to that portion of an agreement that is federally funded and entered into with institutions of higher education, hospitals, nonprofit organizations or commercial businesses.)

Positive efforts shall be made to use small businesses, minority-owned firms and women's business enterprise, whenever possible (i.e., procurement of goods and/or services). Subcontractors shall take all of the following steps to further this goal.

1. Ensure that small businesses, minority-owned firms, and women's business enterprises are used to the fullest extent practicable.

2. Make information on forthcoming purchasing and contracting opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women's business enterprises.

3. Consider in the contract process whether firms competing for larger contracts intended to subcontract with small businesses, minority-owned firms, and women's business enterprises.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

4. Encourage contracting with consortiums of small businesses, minority-owned firms, and women's business enterprises when a contract is too large for one of these firms to handle individually.

5. Use the services and assistance, as appropriate, of such organizations as the Federal Small Business Administration and the U.S. Department of Commerce's Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms, and women's business enterprises.

29. Intentionally Omitted.

30. Intentionally Omitted.

31. Intentionally Omitted.

32. Suspension or Stop Work Notification.

a. AHP may, at any time, issue a notice to suspend performance or stop work under this Agreement. The initial notification may be a verbal or written directive issued by the funding Program's Contract Manager. Upon receipt of said notice, the Sponsor is to suspend and/or stop all, or any part, of the work called for by this Agreement.

b. Written confirmation of the suspension or stop work notification with directions as to what work (if not all) is to be suspended and how to proceed will be provided within thirty (30) working days of the verbal notification. The suspension or stop work notification shall remain in effect until further written notice is received from AHP. The resumption of work (in whole or part) will be at AHP's discretion and upon receipt of written confirmation.

(1) Upon receipt of a suspension or stop work notification, the Sponsor shall immediately comply with its terms and take all reasonable steps to minimize or halt the incurrence of costs allocable to the performance covered by the notification during the period of work suspension or stoppage.

(2) Within ninety (90) days of the issuance of a suspension or stop work notification, AHP shall either:

(a) Cancel, extend, or modify the suspension or stop work notification; or

(b) Terminate the Agreement as provided for in the Cancellation / Termination clause of the Agreement.

c. If a suspension or stop work notification issued under this clause is canceled or the period of suspension or any extension thereof is modified or expires, the Sponsor may resume work only upon written concurrence of AHP.

d. If the suspension or stop work notification is cancelled and the Agreement resumes, changes to the services, deliverables, performance dates, and/or agreement terms

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

resulting from the suspension or stop work notification shall require an amendment to the Agreement.

e. If a suspension or stop work notification is not canceled and the Agreement is cancelled or terminated pursuant to the provision entitled Cancellation/ Termination, AHP shall allow reasonable costs resulting from the suspension or stop work notification in arriving at the settlement costs.

f. AHP shall not be liable to the Sponsor for loss of profits because of any suspension or stop work notification issued under this clause.

33. Intentionally Omitted.

34. Compliance with Statutes and Regulations.

a. The Sponsor shall comply with all California and federal law, regulations, and published guidelines, to the extent that these authorities contain requirements applicable to the Sponsor's performance under the Agreement.

b. These authorities include, but are not limited to, Title 2, Code of Federal Regulations (CFR) Part 200, subparts D, E, and F, Appendix II; Title 42 CFR Part 431; subpart F; Title 42 CFR Part 433, subpart D; Title 42 CFR 434; Title 45 CFR Part 75, subpart D; and title 45 CFR Part 95, subpart F. To the extent applicable under federal law, this Agreement shall incorporate the contractual provisions in these federal regulations and they shall supersede any conflicting provisions in this Agreement.

35. Intentionally Omitted.

DEPARTMENT OF HEALTH CARE SERVICES

CERTIFICATION REGARDING LOBBYING

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer of employee of Congress, or an employee of a Member of Congress in connection with the making, awarding, or entering into of this Federal contract, Federal grant, or cooperative agreement, and the extension, continuation, renewal, amendment, or modification of this Federal contract, grant or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency of the United States Government, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant or cooperative agreement, the undersigned shall complete and submit Standard Form LLL, "Disclosure of Lobbying Activities" in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontractors, subgrants, and contracts under grants and cooperative agreements) of One Hundred Thousand Dollars ($100,000.00) or more, and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, Title 31, U.S.C., any person who fails to file the required certification shall be subject to a civil penalty of not less than Ten Thousand Dollars ($10,000.00) and not more than One Hundred Thousand Dollars ($100,000.00) for each such failure.

INSTRUCTIONS FOR COMPLETION OF SF-LLL, DISCLOSURE OF LOBBYING ACTIVITIES

This disclosure form shall be completed by the reporting entity, whether subawardee or prime Federal recipient, at the initiation or receipt of a covered Federal action, or a material change to a previous filing, pursuant to U.S.C. section 1352. The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a covered Federal action. Complete all items that apply for both the initial filing and material change report. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

1. Identify the type of covered Federal action for which lobbying activity is and/or has been secured to influence the outcome of a covered Federal action.

2. Identify the status of the covered Federal action.

3. Identify the appropriate classification of this report. If this is a follow-up report caused by a material change to the information previously reported, enter the year and quarter in which the

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

change occurred. Enter the date and of the last previously submitted report by this reporting entity for this covered Federal action.

4. Enter the full name, address, city, State and zip code of the reporting entity. Include Congressional District, if known. Check the appropriate classification of the reporting entity that designates if it is, or expects to be a prime or subaward recipient. Identify the tier of the subawardee, e.g., the first subawardee of the prime is the first tier. Subawards include but are not limited to subcontracts, subgrants and contract awards under grants.

5. If the organization filing the report in item 4 checks "Subawardee," then enter the full name, address, city, State and zip code of the prime Federal recipient. Include Congressional District, if known.

6. Enter the name of the Federal agency making the award or loan commitment. Include at least one organizational level below agency name, in known. For example, Department of Transportation, United States Coast Guard.

7. Enter the Federal program name or description for the covered Federal action (item 1). If known, enter the full Catalog of Federal Domestic Assistance (CFDA) number for grants, cooperative agreements, loans, and loan commitments.

8. Enter the most appropriate Federal identifying number available for the Federal action identified in Item 1 (e.g., Request for Proposal (RFP) number; Invitation for Bid (IFB); grant announcement number; the contract, grant or loan award number; the application/proposal control number assigned by the Federal agency). Include prefixes, e.g., "RFP-DE-90-001."

9. For a covered Federal action where there has been an award or loan commitment by the Federal agency, enter the Federal amount of the award/loan commitment for the prime entity identified in item 4 or 5.

10. **(a)** Enter the full name, address, city, State and zip code of the lobbying registrant under the Lobbying Disclosure Act of 1995 engaged by the reporting entity identified in item 4 to influence the covered Federal action.

(b) Enter the full names of the individual(s) performing services, and include full address if different from 10(a). Enter Last Name, First Name, and Middle Initial (MI).

11. The certifying official shall sign and date the form, print his/her name, title and telephone number.

According to the Paperwork Reduction Act, as amended, no persons are required to respond to a collection of information unless it displays a valid OMB Control Number. The valid OMB control number for this information collection is OMN No. 0348-0046. Public reporting burden for this collection of information is estimated to average 10 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0046), Washington, DC 20503.

Date Executed	Executed inthe County of
6/24/2024	Santa Barbara

SPONSOR CERTIFICATION CLAUSES

ARTICLE 1. STATEMENT OF COMPLIANCE:

The Sponsor has, unless exempted, complied with the nondiscrimination program requirements. (GC 12990 (a-f) and CCR, Title 2, section 11102) (Not applicable to public entities.)

ARTICLE 2. DRUG-FREE WORKPLACE REQUIREMENTS:

The Sponsor will comply with the requirements of the Drug-Free Workplace Act of 1990 and will provide a drug-free workplace by taking the following actions:

a) Publish a statement notifying employees that unlawful manufacture, distribution, dispensation, possession or use of a controlled substance is prohibited and specifying actions to be taken against employees for violations.

b) Establish a Drug-Free Awareness Program to inform employees about:

1. the dangers of drug abuse in the workplace;

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

2. the person's or organization's policy of maintaining a drug-free workplace;

3. any available counseling, rehabilitation and employee assistance programs; and,

4. penalties that may be imposed upon employees for drug abuse violations.

c) Every employee who works on the proposed Agreement will:

1. receive a copy of the company's drug-free policy statement; and

2. agree to abide by the terms of the company's statement as a condition of employment on the Agreement.

Failure to comply with these requirements may result in suspension of payments under the Agreement or termination of the Agreement or both and the Sponsor may be ineligible for award of any future State agreements if the department determines that any of the following has occurred: (1) the Sponsor has made false certification, or (2) violated the certification by failing to carry out the requirements as noted above. (GC 8350 *et seq.*)

ARTICLE 3. NATIONAL LABOR RELATIONS BOARD CERTIFICATION:

The Sponsor certifies that no more than one (1) final unappealable finding of contempt of court by a Federal court has been issued against the Sponsor within the immediately preceding two-year period because of the Sponsor's failure to comply with an order of a Federal court which orders the Sponsor to comply with an order of the National Labor Relations Board. (PCC 10296) (Not applicable to public entities.)

ARTICLE 4. SUBCONTRACTS FOR LEGAL SERVICES $50,000 OR MORE-PRO BONO REQUIREMENT

The Sponsor hereby certifies that the Sponsor will comply with the requirements of section 6072 of the Business and Professions Code, effective January 1, 2003.

The Sponsor agrees to make a good faith effort to provide a minimum number of hours of pro bono legal services during each year of the Agreement equal to the lessor of 30 multiplied by the number of full-time attorneys in the firm's offices in the State, with the number of hours prorated on an actual day basis for any Agreement period of less than a full year or 10% of its Agreement with the State.

Failure to make a good faith effort may be cause for non-renewal of a state contract for legal services and may be taken into account when determining the award of future contracts with the State for legal services.

ARTICLE 5. SWEATFREE CODE OF CONDUCT

a) All Sponsors contracting for the procurement or laundering of apparel, garments or corresponding accessories, or the procurement of equipment,

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

materials, or supplies, other than procurement related to a public works Agreement, declare under penalty of perjury that no apparel, garments or corresponding accessories, equipment, materials, or supplies furnished to the state pursuant to the Agreement have been laundered or produced in whole or in part by sweatshop labor, forced labor, convict labor, indentured labor under penal sanction, abusive forms of child labor or exploitation of children in sweatshop labor, or with the benefit of sweatshop labor, forced labor, convict labor, indentured labor under penal sanction, abusive forms of child labor or exploitation of children in sweatshop labor. The Sponsor further declares under penalty of perjury that they adhere to the Sweatfree Code of Conduct as set forth on the California Department of Industrial Relations website located at www.dir.ca.gov and Public Contract Code section 6108.

b) The Sponsor agrees to cooperate fully in providing reasonable access to the Sponsor's records, documents, agents or employees, or premises if reasonably required by authorized officials of the contracting agency, the Department of Industrial Relations, or the Department of Justice to determine the Sponsor's compliance with the requirements under paragraph (a).

ARTICLE 6. DOING BUSINESS WITH THE STATE OF CALIFORNIA

The following laws apply to persons or entities doing business with the State of California.

6.1 LABOR CODE/WORKERS COMPENSATION:

The Sponsor needs to be aware of the provisions which require every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions, and the Sponsor affirms to comply with such provisions before commencing the performance of the work of this Agreement. (Labor Code section 3700.)

It is hereby mutually agreed that the Sponsor shall forfeit to the State a monetary penalty as determined in Labor Code section 1775 for each calendar day, or portion thereof, for each worker paid by him or her, or subcontractor under him or her, less than the prevailing wage so stipulated and in addition the contractor further agrees to pay to each worker the difference between the actual amount paid for each calendar day, or portion thereof, and the stipulated prevailing wage rate for the same. This provision shall not apply to properly, registered apprentices.

It is further agreed that the maximum hours a worker is to be employed is limited to eight (8) hours a day and forty (40) hours a week and the contractor shall forfeit, as a penalty to the State, Twenty-Five Dollars ($25.00) for each worker employed in the execution of the contract for each calendar day during which a worker is required or permitted to labor more than eight hours in any calendar day or more than forty (40) hours in any calendar week, in violation of Labor Code sections 1810-1815, inclusive.

Properly registered apprentices may be employed in the prosecution of the work. Every such apprentice shall be paid the standard wage paid to apprentices under the regulations of the craft or trade at which he or she is employed and shall be employed only at the work of the craft or trade to which he or she is registered. The contractor and each subcontractor must comply with the

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

requirements of Labor Code section 1777.5 and any related regulations regarding the employment of registered apprentices.

Each contractor and subcontractor shall comply with Labor Code section 1776 regarding record keeping.

6.2 AMERICANS WITH DISABILITIES ACT:

The Sponsor assures the State that it complies with the Americans with Disabilities Act (ADA) of 1990, which prohibits discrimination on the basis of disability, as well as all applicable regulations and guidelines issued pursuant to the ADA. (42 U.S.C. 12101 *et seq.*)

6.3 THE SPONSOR'S NAME CHANGE:

An amendment is required to change the Sponsor's name as listed on this Agreement. Upon receipt of legal documentation of the name change the State will process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

6.4 CORPORATE QUALIFICATION TO DO BUSINESS IN CALIFORNIA:

a) When agreements are to be performed in the state by corporations, the contracting agencies will be verifying that the Sponsor is currently qualified to do business in California in order to ensure that all obligations due to the state are fulfilled.

b) "Doing business" is defined in R&TC section 23101 as actively engaging in any transaction for the purpose of financial or pecuniary gain or profit. Although there are some statutory exceptions to taxation, rarely will a corporate Sponsor performing within the state not be subject to the franchise tax.

c) Both domestic and foreign corporations (those incorporated outside of California) must be in good standing in order to be qualified to do business in California. Agencies will determine whether a corporation is in good standing by calling the Office of the Secretary of State.

6.5 RESOLUTION:

A county, city, district, or other local public body must provide the State with a copy of a resolution, order, motion, or ordinance of the local governing body which by law has authority to enter into an agreement, authorizing execution of the agreement.

6.6 AIR OR WATER POLLUTION VIOLATION:

Under the State laws, the Sponsor shall not be:(1) in violation of any order or resolution not subject to review promulgated by the State Air Resources Board or an air pollution control district; (2) subject to cease and desist order not subject to review issued pursuant to section 13301 of the Water Code for violation of waste discharge requirements or discharge prohibitions; or (3) finally determined to be in violation of provisions of federal law relating to air or water pollution.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

6.7 PAYEE DATA RECORD FORM STD. 204:

This form must be completed by all Sponsors that are not another state agency or other government entity.

6.8 CALIFORNIA CIVIL RIGHTS LAWS:

For Agreement executed or renewed after January 1, 2017, the Sponsor certifies compliance with the Unruh Civil Rights Act (section 51 of the Civil Code) and the Fair Employment and Housing Act (section 12960 of the Government Code).

6.9 EMPLOYER DISCRIMINATION POLICIES:

For Agreements executed or renewed after January 1, 2017, if the Sponsor has an internal policy against a sovereign nation or peoples recognized by the United States government, the Sponsor certifies that such policies are not used in violation of the Unruh Civil Rights Act (section 51 of the Civil Code) and the Fair Employment and Housing Act (section 12960 of the Government Code).

6.10 ANTITRUST CLAIMS:

The Sponsor offers and agrees and will require all of its contractors and subcontractors and suppliers to agree to assign to the awarding body all rights, title, and interest in and to all causes of action they may have under section 4 of the Clayton Act (Title 15, U.S.C. section 15) or under the Cartwright Act (Chapter 2 [commencing with section 16700] of Part 2 of Division 7 of the Business and Professions Code) arising from purchases of goods, services, or materials pursuant to the public works contract or subcontract. The assignment made by the contractor and all additional assignments made by the subcontractors and suppliers shall be deemed to have been made and will become effective at the time the awarding body tenders final payment to the contractor without further acknowledgment or the necessity of tendering to the awarding body any written assignments.

If an awarding body receives, either through judgment or settlement, a monetary recovery for a cause of action assigned under Government Code sections 4550 to 4554, the assignor shall be entitled to receive reimbursement for actual legal costs incurred and may, on demand, recover from the public body any portion of the recovery, including treble damages, and attributable overcharges that were paid by the assignor but were not paid by the public body as a part of the bid price, less the expenses incurred in obtaining that portion of the recovery. On demand in writing by the assignor, the assignee shall, within one year from such demand, reassign the cause of action assigned under Government Code sections 4550 to 4554 if the assignor has been or may have been injured by the violation of law for which the cause of action arose and (a) the assignee has not been injured thereby, or (b) the assignee declines to file a court action for the cause of action.

D: PROJECT NARRATIVE	
Founded in 1962, the Santa Barbara County Department of Behavioral Wellness provides a comprehensive system of mental health and substance use care for the county's most vulnerable population including children, youth, adults. Our clients are generally low-income and Medi-Cal eligible and may be justice-involved, foster engaged, and/or may be at-risk of or are experiencing homelessness. The Haley St. project will serve children, youth to age 25, and their families with an integrative approach that includes prevention and early intervention mental health and substance use services along with access to higher levels of behavioral wellness services, including inpatient treatment; social services; and homeless resources, as needed. This model will help increase knowledge of and access to resources necessary for successful outcomes.

  - Phase 2 Environmental Report, if necessary
  - Asbestos Assessment and Lead Based Paint Report, if necessary
  - Estimated Total Plan Check Fees from Building Dept.
  - Approvals and Written Utility Service Commitments (will serve letters) from all Local Agencies, as required
  - Complete Draw Request for Program Funds, submitted every thirty (30) days as needed

- **Certifications as provided by AHP:**
  - Certification # 7 - Planning Agency Review, if NOT completed for Task 2.
  - Certification # 8 - Due Diligence Completed, if NOT completed for Task 2.
  - Certification # 9 - Design Development Drawings (DDs) 100% Complete
  - Certification # 10 - Construction Drawings (CDs) for First Submittal to Building Dept.

Future Project funding is dependent on successful completion of Deliverables and Certifications of this Task 3. If any of these Deliverables or Certifications are submitted at Task 2, these Deliverables and Certifications are not required to be submitted pursuant to this Task 3, unless otherwise required by AHP in its sole discretion.

TASK 4: REHABILITATION/NEW CONSTRUCTION

Description/Deliverables

A. Sponsor shall submit to AHP the following prior to the disbursement of any Program Funds for Task 4:

- **Deliverables:**
  - Evidence of Builders Risk, General Liability, Worker's Compensation and Automobile Insurance
  - Payment and/or Performance Bond by Contractor
  - Complete Set of Approved/Stamped Construction Drawings (digital format)

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

- Executed Construction Contract with Construction Contract Addendum Attached
- Evidence of Project registration with the California Department of Industrial Relations (DIR)
- Complete Draw Request for Program Funds, submitted every thirty (30) days as necessary
- Planning Agency Review Narrative, if necessary
- Phase 1 Environmental Report, if necessary
- Phase 2 Environmental Report, if necessary
- Asbestos Assessment and Lead Based Paint Report, if necessary

- **Certifications as provided by AHP:**
  - Certification # 7 - Planning Agency Review, if NOT completed for Task 2.
  - Certification # 8 - Due Diligence Completed, if NOT completed for Task 2.
  - Certification # 9 - Design Development Drawings (DDs) 100% Complete, if NOT completed for Task 3.
  - Certification # 10 - Construction Drawings (CDs) for First Submittal to Building Department, if NOT completed for Task 3.
  - Certification # 11 - Construction Contract with Construction Contract Addendum Attached
  - Certification # 12 - Prevailing Wage Compliance (GC)

B. Sponsor shall submit to AHP the following during the course of Task 4:

- **Deliverables:**
  - Evidence of Remediation or Abatement, if necessary
  - Site Inspections Reports, as necessary
  - Building Permits, as necessary
  - Updated Construction Contract Budget & Schedule prior to Issuance of Notice to Proceed
  - Updated Construction Contract Budget & Schedule at Expenditure of 50% of the Costs of Construction
  - Notice to Proceed
  - Temporary Certificate of Occupancy, if necessary
  - Certificate of Occupancy, if necessary
  - Notice of Completion
  - Complete Facility, Ready for Licensing and Operations
  - Building Permit signed off by Local Building Department or Equivalent

- **Certifications as provided by AHP:**
  - Certification # 13 - Building Permit Receipt and Notice of Exemption Filed (CEQA)
  - Certification # 14 - Required Insurance & Notice to Proceed
  - Certification # 15 - Project Construction is 50% Complete
  - Certification # 16 - Receipt of Certificate of Occupancy ("CoO")
  - Certification # 17 - Notice of Completion and Receipt of Conditional/Unconditional Final Releases of Liens
  - Certification # 18 - Receipt of Business License and Operational

Future Project funding is dependent on successful completion of Deliverables and Certifications of this Task 4. If any of these Deliverables or Certifications are submitted at Task 2, these Deliverables and Certifications are not required to be submitted pursuant to this Task 4, unless otherwise required by AHP in its sole discretion.

TASK 5: OTHER PROJECT COSTS

Description/Deliverables

Sponsor shall submit to AHP the following prior to the disbursement of any Program Funds for Task 5:

- **Deliverables:**
  - Complete Draw Request for Program Funds
  - Detailed Description of "Other Project Costs" needs/uses

TASK 6: RESERVES

Description/Deliverables

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

To be used **as needed** for administrative costs, operating costs during rehabilitation, and/or move-in costs after construction is completed.

Sponsor shall submit to AHP the following prior to the disbursement of any Program Funds for Task 6:

- **Deliverables:**
  - Complete Draw Request for Program Funds
  - Detailed Description of "Reserves" needs/uses

TASK 7: DEVELOPER COSTS

Description/Deliverables

A. Sponsor shall submit to AHP the following prior to the disbursement of any Program Funds for Task 7:

- **Deliverables:**
  - Complete Draw Request for Program Funds, submitted every thirty (30) days as needed
  - Detailed Description of "Developer Costs" needs/uses

Future Project funding is dependent on successful completion of Deliverables and Certifications of this Task 7.

TASK 8: RELEASE OF RETENTION

Description/Deliverables

A. Sponsor shall submit to AHP the following prior to the disbursement of any Program Funds for Task 8:

- **Deliverables:**
  - Complete Draw Request for Program Funds, submitted every thirty (30) days as needed
  - Detailed Description of "Release of Retention" needs/uses
  - Complete AHP Close Out and Transition to State Oversight Procedures

- **Certifications as provided by AHP:**
  - Certification # 17 - Notice of Completion and Receipt of Conditional/Unconditional Final Releases of Liens, if NOT completed for Task 4.

B. Sponsor shall submit to AHP the following during the course of Task 8:

- **Certifications as provided by AHP:**
  - Certification # 18 - Receipt of Business License & Operational, if NOT completed for Task 4.

Future Project funding is dependent on successful completion of Deliverables and Certifications of this Task 8. If any of these Certifications are submitted at Task 4, these Certifications are not required to be submitted pursuant to this Task, unless otherwise required by AHP in its sole discretion.

Task 9: ROLLOVER ACCOUNT

Description/Deliverables

In order to access funds from "Rollover Account" Sponsor shall submit to AHP the following: • **Deliverables:** o Complete Draw Request for Program Funds, submitted every thirty (30) days as needed o Detailed Description of "Contingency Costs" needs/uses		Amount of unused contingency from each phase = Roll Over Account
TOTAL:	**TOTAL FUNDING AMOUNT = PROGRAM FUNDS + CASH MATCH**	**$6,489,399.00**

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

SPONSOR'S CERTIFICATION NO. 1

BUDGET PREVAILING WAGE COMPLIANCE

I, Antonette Navarro, as an authorized representative of the **County of Santa Barbara, a political subdivision of the State of California, acting through its Department of Behavioral Wellness** ("**Sponsor**"), hereby certify that:

1. I possess the legal authority to submit this certification on behalf of the Sponsor and the information and statements set forth below are, to the best of my knowledge and belief, true and correct.

2. I am providing this information in connection with an application for funding from the State of California (the "**State**") pursuant to the Behavioral Health Continuum Infrastructure Program for the Haley St Youth and Family Services ("**Project**") and acknowledge that the State and its contract manager, Advocates for Human Potential, Inc. ("**AHP**") are relying on this information in awarding and disbursing Program Funds.

3. As part of the application, the Sponsor has submitted a construction budget for the Project. The construction budget was prepared with the assistance and/or consultation of a licensed contractor, architect, or experienced construction manager, the licensed contractor, architect, or construction manager was informed that the Project is a Public Works project as that term is defined in the California Labor Code section 1720 et. seq. and was prepared using the applicable prevailing wages for all construction work to be performed as part of the Project in accordance with California Labor Code section 1720 *et seq.*

4. Sponsor (i) has been provided with copies of California Labor Code sections 1771, 1775, 1776, 1777.5, 1813 and 1815, attached hereto as Schedule 1; (ii) has included, or shall include, those California Labor Code provisions in the construction contract with the licensed contractor; and (iii) has notified, or shall notify, the licensed contractor that such Labor Code provisions must be included in any subcontracts.

5. Sponsor acknowledges and agrees to periodically review the licensed contractors' payroll records to monitor compliance with California prevailing wage requirements and to take diligent action if Sponsor discovers any failure by the licensed contractor or any of its subcontractors to pay prevailing wages or to otherwise comply with the requirements of the California Labor Code.

6. Sponsor agrees, in accordance with California Labor Code section 1773.3, to provide notice to the California Department of Industrial Relations ("**DIR**") of the construction contract within thirty (30) days of the award of such construction contract.

7. Sponsor shall require the licensed contractor to keep accurate payroll records in compliance with California Labor Code section 1776 and shall require the licensed contractor to make such records available to the DIR in accordance with California Labor Code section 1771.4(a)(3).

8. Sponsor shall and shall require its licensed contractor to comply with any and all other requirements of the California Labor Code related to prevailing wages, all California wage and hours laws, and any applicable federal labor and wage and hour requirements for the duration of the Project.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

I certify under penalty of perjury that the above information is true and correct and that Sponsor shall comply with all requirements set forth above, in Sponsor's Certification No. 1 Budget Prevailing Wage Compliance, as a condition of receiving the Program Funds.

Schedule 1
Copies of California Labor Code Sections 1771, 1775, 1776, 1777.5, 1813, and 1815 Attached

STATE PREVAILING WAGES STATUTES

The provisions of California Labor Code sections 1771, 1775, 1776, 1777.5, 1813, and 1815, as set out below and as may be amended, must be incorporated into all construction contracts All references to sections are to sections of the California Labor Code.

(i) Section 1771:

"Except for public works projects of one thousand dollars ($1,000) or less, not less than the general prevailing rate of per diem wages for work of a similar character in the locality in which the public work is performed, and not less than the general prevailing rate of per diem wages for holiday and overtime work fixed as provided in this chapter, shall be paid to all workers employed on public works.

This section is applicable only to work performed under contract and is not applicable to work carried out by a public agency with its own forces. This section is applicable to contracts let for maintenance work."

(ii) Section 1775:

"(a) (1) The contractor and any subcontractor under the contractor shall, as a penalty to the state or political subdivision on whose behalf the contract is made or awarded, forfeit not more than two hundred dollars ($200) for each calendar day, or portion thereof, for each worker paid less than the prevailing wage rates as determined by the director for the work or craft in which the worker is employed for any public work done under the contract by the contractor or, except as provided in subdivision (b), by any subcontractor under the contractor.

(2) (A) The amount of the penalty shall be determined by the Labor Commissioner based on consideration of both of the following:

(i) Whether the failure of the contractor or subcontractor to pay the correct rate of per diem wages was a good faith mistake and, if so, the error was promptly and voluntarily corrected when brought to the attention of the contractor or subcontractor.

(ii) Whether the contractor or subcontractor has a prior record of failing to meet its prevailing wage obligations.

(B) (i) The penalty may not be less than forty dollars ($40) for each calendar day, or portion thereof, for each worker paid less than the prevailing wage rate, unless the failure of the contractor or subcontractor to pay the correct rate of per diem wages was a good faith mistake and, if so, the error was promptly and voluntarily corrected when brought to the attention of the contractor or subcontractor.

(ii) The penalty may not be less than eighty dollars ($80) for each calendar day, or portion thereof, for each worker paid less than the prevailing wage rate, if the contractor or subcontractor has been assessed penalties within the previous three years for failing to meet

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

its prevailing wage obligations on a separate contract, unless those penalties were subsequently withdrawn or overturned.

(iii) The penalty may not be less than one hundred twenty dollars ($120) for each calendar day, or portion thereof, for each worker paid less than the prevailing wage rate, if the Labor Commissioner determines that the violation was willful, as defined in subdivision (c) of Section 1777.1.

(C) If the amount due under this section is collected from the contractor or subcontractor, any outstanding wage claim under Chapter 1 (commencing with Section 1720) of Part 7 of Division 2 against that contractor or subcontractor shall be satisfied before applying that amount to the penalty imposed on that contractor or subcontractor pursuant to this section.

(D) The determination of the Labor Commissioner as to the amount of the penalty shall be reviewable only for abuse of discretion.

(E) The difference between the prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the prevailing wage rate shall be paid to each worker by the contractor or subcontractor, and the body awarding the contract shall cause to be inserted in the contract a stipulation that this section will be complied with.

(b) If a worker employed by a subcontractor on a public works project is not paid the general prevailing rate of per diem wages by the subcontractor, the prime contractor of the project is not liable for any penalties under subdivision (a) unless the prime contractor had knowledge of that failure of the subcontractor to pay the specified prevailing rate of wages to those workers or unless the prime contractor fails to comply with all of the following requirements:

(1) The contract executed between the contractor and the subcontractor for the performance of work on the public works project shall include a copy of the provisions of this section and Sections 1771, 1776, 1777.5, 1813, and 1815.

(2) The contractor shall monitor the payment of the specified general prevailing rate of per diem wages by the subcontractor to the employees, by periodic review of the certified payroll records of the subcontractor.

(3) Upon becoming aware of the failure of the subcontractor to pay his or her workers the specified prevailing rate of wages, the contractor shall diligently take corrective action to halt or rectify the failure, including, but not limited to, retaining sufficient funds due the subcontractor for work performed on the public works project.

(4) Prior to making final payment to the subcontractor for work performed on the public works project, the contractor shall obtain an affidavit signed under penalty of perjury from the subcontractor that the subcontractor has paid the specified general prevailing rate of per diem wages to his or her employees on the public works project and any amounts due pursuant to Section 1813.

(c) The Division of Labor Standards Enforcement shall notify the contractor on a public works project within 15 days of the receipt by the Division of Labor Standards

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Enforcement of a complaint of the failure of a subcontractor on that public works project to pay workers the general prevailing rate of per diem wages."

(iii) Section 1776:

"(a) Each contractor and subcontractor shall keep accurate payroll records, showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by the contractor of subcontractor in connection with the public work. Each payroll record shall contain or be verified by a written declaration that it is made under penalty of perjury, stating both of the following:

(1) The information contained in the payroll record is true and correct.

(2) The employer has complied with the requirements of Sections 1771, 1811, and 1815 for any work performed by that person on the public works project.

(b) The payroll records enumerated under subdivision (a) shall be certified and shall be available for inspection at all reasonable hours at the principal office of the contractor on the following basis:

(1) A certified copy of an employee's payroll record shall be made available for inspection or furnished to the employee or the employee's authorized representative on request.

(2) A certified copy of all payroll records enumerated in subdivision (a) shall be made available for inspection or furnished upon request to a representative of the body awarding the contract and the Division of Labor Standards Enforcement of the Department of Industrial Relations.

(3) A certified copy of all payroll records enumerated in subdivision (a) shall be made available upon request by the public for inspection or for copies thereof. However, a request by the public shall be made through either the body awarding the contract or the Division of Labor Standards Enforcement. If the requested payroll records have not been provided pursuant to paragraph (2), the requesting party shall, prior to being provided the records, reimburse the costs of preparation by the contractor, subcontractors, and the entity through which the request was made. The public may not be given access to the records at the principal office of the contractor.

(c) Unless required to be furnished directly to the Labor Commissioner in accordance with paragraph (3) of subdivision (a) of Section 1771.4, the certified payroll records shall be on forms provided by the Division of Labor Standards Enforcement or shall contain the same information as the forms provided by the division. The payroll records may consist of printouts of payroll data that are maintained as computer records, if the printouts contain the same information as the forms provided by the division and the printouts are verified in the manner specified in subdivision (a).

(d) A contractor or subcontractor shall file a certified copy of the records enumerated in subdivision (a) with the entity that requested the records within 10 days after receipt of a written request.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

(e) Except as provided in subdivision (f), any copy of records made available for inspection as copies and furnished upon request to the public or any public agency by the awarding body or the Division of Labor Standards Enforcement shall be marked or obliterated to prevent disclosure of an individual's name, address, and social security number. The name and address of the contractor awarded the contract or the subcontractor performing the contract shall not be marked or obliterated. Any copy of records made available for inspection by, or furnished to, a multiemployer Taft-Hartley trust fund (29 U.S.C. Sec. 186(c)(5)) that requests the records for the purposes of allocating contributions to participants shall be marked or obliterated only to prevent disclosure of an individual's full social security number, but shall provide the last four digits of the social security number. Any copy of records made available for inspection by, or furnished to, a joint labor-management committee established pursuant to the federal Labor Management Cooperation Act of 1978 (29 U.S.C. Sec. 175a) shall be marked or obliterated only to prevent disclosure of an individual's social security number.

(f) (1) Notwithstanding any other provision of law, agencies that are included in the Joint Enforcement Strike Force on the Underground Economy established pursuant to Section 329 of the Unemployment Insurance Code and other law enforcement agencies investigating violations of law shall, upon request, be provided nonredacted copies of certified payroll records. Any copies of records or certified payroll made available for inspection and furnished upon request to the public by an agency included in the Joint Enforcement Strike Force on the Underground Economy or to a law enforcement agency investigating a violation of law shall be marked or redacted to prevent disclosure of an individual's name, address, and social security number.

(2) An employer shall not be liable for damages in a civil action for any reasonable act or omission taken in good faith in compliance with this subdivision.

(g) The contractor shall inform the body awarding the contract of the location of the records enumerated under subdivision (a), including the street address, city, and county, and shall, within five working days, provide a notice of a change of location and address.

(h) The contractor or subcontractor has 10 days in which to comply subsequent to receipt of a written notice requesting the records enumerated in subdivision (a). In the event that the contractor or subcontractor fails to comply within the 10-day period, the contractor or subcontractor shall, as a penalty to the state or political subdivision on whose behalf the contract is made or awarded, forfeit one hundred dollars ($100) for each calendar day, or portion thereof, for each worker, until strict compliance is effectuated. Upon the request of the Division of Labor Standards Enforcement, these penalties shall be withheld from progress payments then due. A contractor is not subject to a penalty assessment pursuant to this section due to the failure of a subcontractor to comply with this section.

(i) The body awarding the contract shall cause to be inserted in the contract stipulations to effectuate this section.

(j) The director shall adopt rules consistent with the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1 of the Government Code) and the Information Practices Act of 1977 (Title 1.8 (commencing with Section 1798) of Part 4 of Division 3 of the Civil Code) governing the release of these records, including the

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

establishment of reasonable fees to be charged for reproducing copies of records required by this section."

(iv) Section 1777.5:

"(a) (1) This chapter does not prevent the employment upon public works of properly registered apprentices who are active participants in an approved apprenticeship program.

(2) For purposes of this chapter, "apprenticeship program" means a program under the jurisdiction of the California Apprenticeship Council established pursuant to Section 3070.

(b) (1) Every apprentice employed upon public works shall be paid the prevailing rate of per diem wages for apprentices in the trade to which he or she is registered and shall be employed only at the work of the craft or trade to which he or she is registered.

(2) Unless otherwise provided by a collective bargaining agreement, when a contractor requests the dispatch of an apprentice pursuant to this section to perform work on a public works project and requires the apprentice to fill out an application or undergo testing, training, an examination, or other preemployment process as a condition of employment, the apprentice shall be paid for the time spent on the required preemployment activity, including travel time to and from the required activity, if any, at the prevailing rate of per diem wages for apprentices in the trade to which he or she is registered. Unless otherwise provided by a collective bargaining agreement, a contractor is not required to compensate an apprentice for the time spent on preemployment activities if the apprentice is required to take a preemployment drug or alcohol test and he or she fails to pass that test.

(c) Only apprentices, as defined in Section 3077, who are in training under apprenticeship standards that have been approved by the Chief of the Division of Apprenticeship Standards and who are parties to written apprentice agreements under Chapter 4 (commencing with Section 3070) of Division 3 are eligible to be employed at the apprentice wage rate on public works. The employment and training of each apprentice shall be in accordance with either of the following:

(1) The apprenticeship standards and apprentice agreements under which he or she is training.

(2) The rules and regulations of the California Apprenticeship Council.

(d) If the contractor to whom the contract is awarded by the state or any political subdivision, in performing any of the work under the contract, employs workers in any apprenticeable craft or trade, the contractor shall employ apprentices in at least the ratio set forth in this section and may apply to any apprenticeship program in the craft or trade that can provide apprentices to the site of the public work for a certificate approving the contractor under the apprenticeship standards for the employment and training of apprentices in the area or industry affected. However, the decision of the apprenticeship program to approve or deny a certificate shall be subject to review by the Administrator of Apprenticeship. The apprenticeship program or programs, upon approving the contractor, shall arrange for the dispatch of apprentices to the contractor. A contractor covered by an apprenticeship program's standards shall not be required to submit any additional

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

application in order to include additional public works contracts under that program. "Apprenticeable craft or trade," as used in this section, means a craft or trade determined as an apprenticeable occupation in accordance with rules and regulations prescribed by the California Apprenticeship Council. As used in this section, "contractor" includes any subcontractor under a contractor who performs any public works not excluded by subdivision (o).

(e) Before commencing work on a contract for public works, every contractor shall submit contract award information to an applicable apprenticeship program that can supply apprentices to the site of the public work. The information submitted shall include an estimate of journeyman hours to be performed under the contract, the number of apprentices proposed to be employed, and the approximate dates the apprentices would be employed. A copy of this information shall also be submitted to the awarding body, if requested by the awarding body. Within 60 days after concluding work on the contract, each contractor and subcontractor shall submit to the awarding body, if requested, and to the apprenticeship program a verified statement of the journeyman and apprentice hours performed on the contract. The information under this subdivision shall be public. The apprenticeship programs shall retain this information for 12 months.

(f) The apprenticeship program supplying apprentices to the area of the site of the public work shall ensure equal employment and affirmative action in apprenticeship for women and minorities.

(g) The ratio of work performed by apprentices to journeymen employed in a particular craft or trade on the public work may be no higher than the ratio stipulated in the apprenticeship standards under which the apprenticeship program operates if the contractor agrees to be bound by those standards. However, except as otherwise provided in this section, in no case shall the ratio be less than one hour of apprentice work for every five hours of journeyman work.

(h) This ratio of apprentice work to journeyman work shall apply during any day or portion of a day when any journeyman is employed at the jobsite and shall be computed on the basis of the hours worked during the day by journeymen so employed. Any work performed by a journeyman in excess of eight hours per day or 40 hours per week shall not be used to calculate the ratio. The contractor shall employ apprentices for the number of hours computed as above before the end of the contract or, in the case of a subcontractor, before the end of the subcontract. However, the contractor shall endeavor, to the greatest extent possible, to employ apprentices during the same time period that the journeymen in the same craft or trade are employed at the jobsite. When an hourly apprenticeship ratio is not feasible for a particular craft or trade, the Administrator of Apprenticeship, upon application of an apprenticeship program, may order a minimum ratio of not less than one apprentice for each five journeymen in a craft or trade classification.

(i) A contractor covered by this section who has agreed to be covered by an apprenticeship program's standards upon the issuance of the approval certificate, or who has been previously approved for an apprenticeship program in the craft or trade, shall employ the number of apprentices or the ratio of apprentices to journeymen stipulated in the applicable apprenticeship standards, but in no event less than the 1-to-5 ratio required by subdivision (g).

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

(j) Upon proper showing by a contractor that he or she employs apprentices in a particular craft or trade in the state on all of his or her contracts on an annual average of not less than one hour of apprentice work for every five hours of labor performed by journeymen, the Administrator of Apprenticeship may grant a certificate exempting the contractor from the 1-to-5 hourly ratio, as set forth in this section for that craft or trade.

(k) An apprenticeship program has the discretion to grant to a participating contractor or contractor association a certificate, which shall be subject to the approval of the Administrator of Apprenticeship, exempting the contractor from the 1-to-5 ratio set forth in this section when it finds that any one of the following conditions is met:

(1) Unemployment for the previous three-month period in the area exceeds an average of 15 percent.

(2) The number of apprentices in training in the area exceeds a ratio of 1 to 5.

(3) There is a showing that the apprenticeable craft or trade is replacing at least one-thirtieth of its journeymen annually through apprenticeship training, either on a statewide basis or on a local basis.

(4) Assignment of an apprentice to any work performed under a public works contract would create a condition that would jeopardize his or her life or the life, safety, or property of fellow employees or the public at large, or the specific task to which the apprentice is to be assigned is of a nature that training cannot be provided by a journeyman.

(l) If an exemption is granted pursuant to subdivision (k) to an organization that represents contractors in a specific trade from the 1-to-5 ratio on a local or statewide basis, the member contractors shall not be required to submit individual applications for approval to local joint apprenticeship committees, if they are already covered by the local apprenticeship standards.

(m) (1) A contractor to whom a contract is awarded, who, in performing any of the work under the contract, employs journeymen or apprentices in any apprenticeable craft or trade shall contribute to the California Apprenticeship Council the same amount that the director determines is the prevailing amount of apprenticeship training contributions in the area of the public works site. A contractor may take as a credit for payments to the council any amounts paid by the contractor to an approved apprenticeship program that can supply apprentices to the site of the public works project. The contractor may add the amount of the contributions in computing his or her bid for the contract.

(2) (A) At the conclusion of the 2002–03 fiscal year and each fiscal year thereafter, the California Apprenticeship Council shall distribute training contributions received by the council under this subdivision, less the expenses of the Department of Industrial Relations for administering this subdivision, by making grants to approved apprenticeship programs for the purpose of training apprentices. The grant funds shall be distributed as follows:

(i) If there is an approved multiemployer apprenticeship program serving the same craft or trade and geographic area for which the training contributions were made to the council, a grant to that program shall be made.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

(ii) If there are two or more approved multiemployer apprenticeship programs serving the same craft or trade and county for which the training contributions were made to the council, the grant shall be divided among those programs based on the number of apprentices from that county registered in each program.

(iii) All training contributions not distributed under clauses (i) and (ii) shall be used to defray the future expenses of the Department of Industrial Relations for the administration and enforcement of apprenticeship and preapprenticeship standards and requirements under this code.

(B) An apprenticeship program shall only be eligible to receive grant funds pursuant to this subdivision if the apprenticeship program agrees, prior to the receipt of any grant funds, to keep adequate records that document the expenditure of grant funds and to make all records available to the Department of Industrial Relations so that the Department of Industrial Relations is able to verify that grant funds were used solely for training apprentices. For purposes of this subparagraph, adequate records include, but are not limited to, invoices, receipts, and canceled checks that account for the expenditure of grant funds. This subparagraph shall not be deemed to require an apprenticeship program to provide the Department of Industrial Relations with more documentation than is necessary to verify the appropriate expenditure of grant funds made pursuant to this subdivision.

(C) The Department of Industrial Relations shall verify that grants made pursuant to this subdivision are used solely to fund training apprentices. If an apprenticeship program is unable to demonstrate how grant funds are expended or if an apprenticeship program is found to be using grant funds for purposes other than training apprentices, then the apprenticeship program shall not be eligible to receive any future grant pursuant to this subdivision and the Department of Industrial Relations may initiate the process to rescind the registration of the apprenticeship program.

(3) All training contributions received pursuant to this subdivision shall be deposited in the Apprenticeship Training Contribution Fund, which is hereby created in the State Treasury. Upon appropriation by the Legislature, all moneys in the Apprenticeship Training Contribution Fund shall be used for the purpose of carrying out this subdivision and to pay the expenses of the Department of Industrial Relations.

(n) The body awarding the contract shall cause to be inserted in the contract stipulations to effectuate this section. The stipulations shall fix the responsibility of compliance with this section for all apprenticeable occupations with the prime contractor.

(o) This section does not apply to contracts of general contractors or to contracts of specialty contractors not bidding for work through a general or prime contractor when the contracts of general contractors or those specialty contractors involve less than thirty thousand dollars ($30,000).

(p) An awarding body that implements an approved labor compliance program in accordance with subdivision (b) of Section 1771.5 may, with the approval of the director, assist in the enforcement of this section under the terms and conditions prescribed by the director.”

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

(v) Section 1813:

"The contractor or subcontractor shall, as a penalty to the state or political subdivision on whose behalf the contract is made or awarded, forfeit twenty-five dollars ($25) for each worker employed in the execution of the contract by the respective contractor or subcontractor for each calendar day during which the worker is required or permitted to work more than 8 hours in any one calendar day and 40 hours in any one calendar week in violation of the provisions of this article. In awarding any contract for public work, the awarding body shall cause to be inserted in the contract a stipulation to this effect. The awarding body shall take cognizance of all violations of this article committed in the course of the execution of the contract, and shall report them to the Division of Labor Standards Enforcement."

(vi) Section 1815:

"Notwithstanding the provisions of Sections 1810 to 1814, inclusive, of this code, and notwithstanding any stipulation inserted in any contract pursuant to the requirements of said sections, work performed by employees of contractors in excess of 8 hours per day, and 40 hours during any one week, shall be permitted upon public work upon compensation for all hours worked in excess of 8 hours per day at not less than 1 ½ times the basic rate of pay."

SPONSOR'S CERTIFICATION NO. 2

RELATED PARTY & RELATED PARTY TRANSACTION DISCLOSURE

I, Antonette Navarro, as an authorized representative of the **County of Santa Barbara, a political subdivision of the State of California, acting through its Department of Behavioral Wellness** ("**Sponsor**"), hereby certify that:

1. I possess the legal authority to submit this certification on behalf of the Sponsor and the information and statements set forth below are, to the best of my knowledge and belief, true and correct.

2. I am providing this information in connection with an application for funding from the State of California ("**State**") pursuant to the Behavioral Health Continuum Infrastructure Program for the Haley St Youth and Family Services ("**Project**") and acknowledge that the State and its contract manager, Advocates for Human Potential, Inc. ("**AHP**") are relying on this information in awarding and disbursing Program Funds.

3. Sponsor has disclosed to AHP and/or the State the composition of the Sponsor including any entity, member, manager, partner, or person that directly or indirectly owns or controls, is owned or controlled by, or is under common ownership or common control with the Sponsor ("**Related Party**" or "**Related Parties**").

4. Sponsor shall disclose to AHP and/or the State, promptly, any change in ownership or control of the Sponsor or any merger or acquisition that changes the control of Sponsor. For purposes herein, "control" shall mean any entity that has an ownership interest of greater than twenty percent (20%) in Sponsor, or, has the authority to direct or cause the direction of the affairs or management of the Sponsor.

5. Sponsor shall disclose to AHP and/or the State, promptly, upon the existence or discovery of an actual or potential transaction, agreement, or settlement with a Related Party in connection with the Project ("**Related Party Transaction**").

6. Sponsor shall disclose to AHP and/or the State: (1) the nature of the relationship, (2) the nature of the potential or actual transaction, agreement, or settlement, (3) the dollar amounts of any such transaction, agreement, or settlement, (4) the dollar amounts due to or from any Related Party, and (5) documents and any additional information, as may be required by AHP and/or the State in their sole discretion.

SIGNATURE ON THE FOLLOWING PAGE.

SPONSOR'S CERTIFICATION NO. 3

EXECUTION OF PROGRAM FUNDING AGREEMENT

I, Antonette Navarro, as an authorized representative of the **County of Santa Barbara, a political subdivision of the State of California, acting through its Department of Behavioral Wellness** ("**Sponsor**"), hereby certify that:

1. I possess the legal authority to submit this certification on behalf of the Sponsor and the information and statements set forth below are, to the best of my knowledge and belief, true and correct.

2. I am providing this information in connection with an application for funding from the State of California ("**State**") pursuant to the Behavioral Health Continuum Infrastructure Program for the Haley St Youth and Family Services ("**Project**") and acknowledge that the State and its contract manager, Advocates for Human Potential, Inc. ("**AHP**") are relying on this information in awarding and disbursing Program Funds.

3. Sponsor has executed a contract with AHP entitled "**Program Funding Agreement**," and, that the Sponsor has provided a true and correct copy of the mutually executed Program Funding Agreement, including all Attachments, to AHP.

I certify that the above information is true and correct and that Sponsor shall comply with all requirements set forth above, in Sponsor's Certification No. 3, Execution of Program Funding Agreement, as a condition of receiving the Program Funds.

SPONSOR'S CERTIFICATION NO. 4

MATCH FUNDS, PROPERTY EQUITY, OR IN-KIND MATCH

I, Antonette Navarro, as an authorized representative of the **County of Santa Barbara, a political subdivision of the State of California, acting through its Department of Behavioral Wellness** ("**Sponsor**"), hereby certify that:

1. I possess the legal authority to submit this certification on behalf of the Sponsor and the information and statements set forth below are, to the best of my knowledge and belief, true and correct.

2. I am providing this information in connection with an application for funding from the State of California ("**State**") pursuant to the Behavioral Health Continuum Infrastructure Program for the Haley St Youth and Family Services ("**Project**") and acknowledge that the State and its contract manager, Advocates for Human Potential, Inc. ("**AHP**") are relying on this information in awarding and disbursing Program Funds.

3. If, and as required, by the terms of the Program, the Sponsor is required to provide a match for the Program Funds, and the Sponsor's match is in the form of cash, the Sponsor has, as required by the terms of the Program Funding Agreement, deposited into the AHP designated Match Funds bank account, the amount of Five Hundred Forty-Nine Thousand Nine Hundred Forty-Six Dollars ($549,946.00) ("**Match Funds**") as evidenced by a current bank statement provided to AHP.

4. If, and as required, by the terms of the Program, the Sponsor is required to provide a match for the Program Funds, and the Sponsor's match is in the form of equity in real property upon which the Project is to be constructed located at 315 W. Haley St., Santa Barbara, CA 93101 (the "**Project Property**"), the Sponsor has provided to AHP: (i) the assessed value of the Project Property on the property tax assessment rolls or a written appraisal report setting forth an opinion of fair market value prepared by a certified general appraiser licensed in the State of California, and (ii) all current loan statements reflecting any outstanding loan balances secured by the Project Property.

5. If, and as required by the terms of the Program, the Sponsor is required to provide an in-kind match for Program Funds, and the Sponsor's match is in the form of expenditures incurred directly for the improvement of the Project Property prior to the Effective Date of the Program Funding Agreement, ("**Sunk Costs**"), such expenditures incurred were in the amount of not less than Zero Dollars ($0.00), as evidenced by Project specific documents, including but not limited to, invoices with attached proof of payment for work completed, materials purchased, professional, design-build, or other services rendered and paid for by the Sponsor in connection with the Project.

6. At AHP's request, the Sponsor agrees to submit to AHP, promptly, documentation that verifies Sponsor's statements contained in Sections 2, 3, or 4, prior to disbursement of any Program Funds, including, but not limited to, bank account statements and title documents.

DUE DILIGENCE COMPLETED

I, _____, as an authorized representative of the **County of Santa Barbara, a political subdivision of the State of California, acting through its Department of Behavioral Wellness** ("**Sponsor**"), hereby certify that:

1. I possess the legal authority to submit this certification on behalf of the Sponsor and the information and statements set forth below are, to the best of my knowledge and belief, true and correct.

2. I am providing this information in connection with an application for funding from the State of California ("**State**") pursuant to the Behavioral Health Continuum Infrastructure Program for the Haley St Youth and Family Services ("**Project**") and acknowledge that the State and its contract manager, Advocates for Human Potential, Inc. ("**AHP**") are relying on this information in awarding and disbursing Program Funds.

3. The Sponsor has obtained a Certified Appraisal Report, setting forth an opinion of fair market value of the real property upon which the Project is to be constructed or operated, prepared by a certified appraiser licensed in the State of California, in a form acceptable to AHP; and the Sponsor has provided copies of the Certified Appraisal Report to AHP.

4. The Sponsor has obtained a Phase 1 environmental site assessment of the Project in conformance with ASTM Standard Practice E-1527, and if necessary, a Phase II environmental site assessment and that Sponsor has or shall comply with all recommendations in those assessments as part of the Project. Sponsor shall provide AHP with copies of all environmental reports and to the extent applicable, evidence of completion of any recommended environmental remediation.

5. In the event that the Project involves rehabilitation or renovation of an existing structure, the Sponsor certifies that it has obtained an asbestos assessment and lead based paint report for the Project and has or shall comply with all abatement requirements identified therein; and that Sponsor has provided AHP with copies of all asbestos and lead based paint reports and to the extent applicable, evidence of completion of any recommended asbestos or lead based paint abatement.

6. The Sponsor has complied with all applicable federal, state, and local relocation requirements related to the Project including under the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. Section 4601 *et seq.*), and the California Relocation Assistance Law (California Government Code section 7260 *et seq.*); and that the Sponsor has complied with all applicable state laws and corresponding regulations for the safe transfer and relocation of residents in residential care facilities licensed by the State and agrees to obtain a State-approved relocation plan for each resident in care.

7. The above certifications are solely for the purpose of confirming that the Sponsor has properly discharged their obligations under the Program Funding Agreement, and AHP's receipt of these certifications should not be relied upon by the Sponsor or any third parties as a warranty or representation by AHP or DHCS as to the quality of the design or construction of the Project.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

8. The Sponsor agrees that it is solely responsible and liable for compliance with requirements and recommendations pertaining to asbestos, lead, environmental assessment, local planning, and relocation requirements for the Project, and shall indemnify AHP and the State consistent with the terms of the Sponsor's Agreement with AHP and the State.

I certify under penalty of perjury that the above information is true and correct and that Sponsor shall comply with all requirements set forth above, in Sponsor's Certification No. 8, Due Diligence Completed, as a condition of receiving the Program Funds.

SPONSOR'S AND ARCHITECT'S CERTIFICATION NO. 10

CONSTRUCTION DRAWINGS FOR
FIRST SUBMITTAL TO BUILDING DEPARTMENT
(to be completed by the Sponsor and the Sponsor's Architect)

I _____, as an authorized representative of the **County of Santa Barbara, a political subdivision of the State of California, acting through its Department of Behavioral Wellness** ("**Sponsor**"), and I, _____, as an authorized representative of _____, (the "**Architect**"), each, respectively, hereby certify that:

1. I possess the legal authority to submit this certification on behalf of the Sponsor, and the Architect, respectively, and the information and statements set forth below are, to the best of their knowledge and belief, true and correct.

2. I am providing this information in connection with an application for funding from the State of California ("**State**") pursuant to the Behavioral Health Continuum Infrastructure Program for the Haley St Youth and Family Services ("**Project**") and acknowledge that the State and its contract manager, Advocates for Human Potential, Inc. ("**AHP**") are relying on this information in awarding and disbursing Program Funds.

3. The Sponsor has obtained updated estimates of all applicable fees and charges due to the local jurisdiction with permitting authority over the Project, including, but not limited to, fees for plan checks, building permits, schools, special assessments, impact fees, and fire permits, among others, as may be applicable to the Project, depending on the jurisdiction, and Sponsor has sent copies of all such fee estimates to AHP.

4. The Sponsor has construction drawings for the Project that are ready for first submittal to the building department, or its equivalent, in the jurisdiction where the Project is located; and that the Sponsor shall provide AHP with copies of all such drawings upon request.

5. The Sponsor is prepared to submit complete applications and pay required fees to the applicable government authorities for building permits and approvals necessary to construct the Project.

6. The Sponsor's lead architect shall attest by its signature below that the construction drawings for the Project are ready for first submittal to the building department, or its equivalent, in the jurisdiction where the Project is located, within thirty (30) days of the date of execution of this Certification No. 10.

SIGNATURES ON THE FOLLOWING PAGE.

SPONSOR'S CERTIFICATION NO. 11

CONSTRUCTION CONTRACT WITH
CONSTRUCTION CONTRACT ADDENDUM

I, _____, as an authorized representative of the **County of Santa Barbara, a political subdivision of the State of California, acting through its Department of Behavioral Wellness** ("**Sponsor**"), hereby certify that:

1. I possess the legal authority to submit this certification on behalf of the Sponsor and the information and statements set forth below are, to the best of my knowledge and belief, true and correct.

2. I am providing this information in connection with an application for funding from the State of California ("**State**") pursuant to the Behavioral Health Continuum Infrastructure Program for the Haley St Youth and Family Services ("**Project**") and acknowledge that the State and its contract manager, Advocates for Human Potential, Inc. ("**AHP**") are relying on this information in awarding and disbursing Program Funds.

3. The Sponsor has negotiated and attached to this Certification a construction contract for the Project as mutually agreed upon by the Sponsor and the general contractor ("**Construction Contract**"), which includes a total cost of construction that does not exceed the amount set forth in the application for Program Funds for construction costs of the Project, unless otherwise approved by AHP or the State, in their sole discretion.

4. The Construction Contract includes an attachment thereto, in the form attached to the Program Funding Agreement as **Attachment I** (the "**Construction Contract Addendum**"), which shall contain certain required additional details, conditions, or terms to be agreed upon by and between the Sponsor and the general contractor.

5. Upon full execution of the Construction Contract, or any amendment thereof, the Sponsor promptly shall provide AHP a copy of the fully executed Construction Contract, with the Construction Contact Addendum attached thereto and incorporated by reference.

6. The Construction Contract Addendum as incorporated into the Construction Contract shall not be amended or modified in any manner, at any time, without prior approval by AHP, or the State, in their sole discretion.

7. The final Construction Contract for the full course of construction of the Project is based on the fully permitted set of construction drawings which constitute the full scope of the construction for the Project.

8. The General Contractor is registered with the California Department of Industrial Relations ("**DIR**") as required by California Labor Code section 1725.5. Sponsor further certifies that the Construction Contract and any subcontracts entered into by the general contractor shall require the general contractor and all subcontractors to comply with California Labor Code section 1720 *et seq.* for all work performed for the Project, including, but not limited to, the payment of prevailing wages for all work performed on the Project.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

I certify under penalty of perjury that the above information is true and correct and that Sponsor shall comply with all requirements set forth above, in Sponsor's Certification No. 11, Construction Contract with Construction Contract Addendum, as a condition of receiving the Program Funds.

GENERAL CONTRACTOR'S CERTIFICATION NO. 12

PREVAILING WAGE COMPLIANCE
(to be completed by the Sponsor's General Contractor)

I, _____, as an authorized representative of **[insert name of General Contractor]** ("**General Contractor**"), hereby certify that:

1. I possess the legal authority to submit this certification on behalf of the General Contractor and the information and statements set forth below are, to the best of my knowledge and belief, true and correct.

2. I am providing this information in connection with an application for funding from the State of California ("**State**") pursuant to the Behavioral Health Continuum Infrastructure Program for the Haley St Youth and Family Services ("**Project**") and acknowledge that the State and its contract manager, Advocates for Human Potential, Inc. ("**AHP**") are relying on this information in awarding and disbursing Program Funds.

3. All construction work performed on the Project shall comply with California Labor Code section 1720 *et seq.* and require the payment of prevailing wages.

4. The Sponsor has provided General Contractor with copies of California Labor Code sections 1771, 1775, 1776, 1777.5, 1813 and 1815, that the construction contract includes those California Labor Code provisions, and that such California Labor Code provisions shall be included in all subcontracts entered into by General Contractor for the Project.

5. General Contractor agrees to periodically review its subcontractors' payroll records to monitor compliance with California prevailing wage requirements and to take diligent action if General Contractor discovers any failure by a subcontractor to pay prevailing wages and to otherwise comply with the requirements of the California Labor Code.

6. General Contractor shall not release final payment to any subcontractors for work performed on the Project until the General Contractor has obtained an affidavit signed under penalty of perjury from the subcontractor that the subcontractor has paid the specified general prevailing wage for all work performed on the Project as well as any other amounts due under the California Labor Code.

7. General Contractor agrees to keep accurate payroll records in compliance with California Labor Code section 1776 and shall require all of its subcontractors to keep such records and to make such records available to the California Department of Industrial Relations ("**DIR**") in accordance with California Labor Code section 1771.4(a)(3).

8. General Contractor agrees to comply with any and all other requirements of the California Labor Code related to prevailing wages, all California wage and hours laws, and any applicable federal labor and wage and hours requirements for the duration of the Project.

9. General Contractor acknowledges that neither the State nor AHP shall be liable for any penalties or damages resulting from General Contractor's failure to comply with all requirements related to public works projects applicable to the Project.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

I certify that the above information is true and correct and that General Contractor shall comply with all requirements set forth above in General Contractor's Certification No. 12, Prevailing Wage Compliance, as a condition of receiving the Program Funds.

**REGULATORY AGREEMENT AND
DECLARATION OF RESTRICTIONS**

This Regulatory Agreement and Declaration of Restrictions (the "**Declaration**"), dated _____, 202__ for reference purposes, is by and between **COUNTY OF SANTA BARBARA**, a political subdivision of the State of California, acting through its Department of Behavioral Wellness (the "**Owner**") and the State of California ("**State**"), represented by the **DEPARTMENT OF HEALTH CARE SERVICES**, a public agency of the State of California ("**DHCS**").

RECITALS

A. DHCS oversees the Behavioral Health Continuum Infrastructure Program ("**BHCIP**"), which was established by California Assembly Bill No. 133 (Chapter 143, Statutes of 2021), and which is governed by Welfare and Institutions Code section 5960-5960.45. Under BHCIP, DHCS awards competitive grants to qualified entities to construct, acquire, and rehabilitate real estate assets to build new capacity or expand existing capacity for facilities that will operate for a minimum of thirty (30) years to provide short-term crisis stabilization, acute and subacute care, crisis residential, community-based mental health residential, substance use disorder residential, peer respite, community and outpatient behavioral health services, and other clinically enriched longer term treatment and rehabilitation options for persons with behavioral health disorders in the least restrictive and least costly settings;

B. On June 1, 2022, DHCS issued a Request for Applications ("**RFA**") for BHCIP grant awards and selected Owner's Project (as defined below) as a recipient of a BHCIP grant award. Advocates for Human Potential, Inc., a Massachusetts corporation ("**AHP**"), acting as the initial program administrator for the initial five (5)-year building phase of BHCIP, entered into a Program Funding Agreement effective as of _____, 202__ (the "**Program Funding Agreement**"), with Owner for the distribution of BHCIP funds in an amount not to exceed Five Million Nine Hundred Thirty-Nine Thousand Four Hundred Fifty-Three Dollars ($5,939,453.00) (the "**Program Funds**") over the above-mentioned five (5)-year building phase for Owner to acquire, expand, or construct certain improvements more particularly described in the RFA ("**Owner's Project**") on that certain real property commonly known as 315 W. Haley St., located in the City of Santa Barbara ("**City**"), County of Santa Barbara ("**County**"), State of California, and the improvements thereon (the "**Property**"); as more particularly described and

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

shown on **Exhibit A**, attached hereto and incorporated herein by this reference.

C. As an award recipient, in consideration for the Program Funds, and in order to comply with the policies, programs, and applicable legislation, including the RFA, the Program Funding Agreement, the Facility Access Agreement between DHCS and the Owner, and the Behavioral Health Continuum Infrastructure Program, authorized under Welfare and Institutions Code section 5960-5960.45, established by California Assembly Bill No. 133 (Chapter 143, Statutes of 2021), the Property and the owner thereof are subject to certain requirements and restrictions, including, without limitation, the obligation to ensure that the Property shall be used for outpatient services (the "**Permitted Use**") for the Restriction Period (defined below), subject to change or modification to another use set forth in **Exhibit B**, attached hereto and incorporated herein by this reference with DHCS approval, which must accept and provide services to Medi-Cal beneficiaries as patients;

D. The Property shall be owned, held, used, maintained, and transferred pursuant to the covenants, conditions, restrictions, and limitations as further described herein; and

E. Owner and DHCS have agreed to enter into this Declaration to memorialize some of the aforementioned requirements and restrictions in the public record that will survive the expiration of Program Funding Agreement to ensure compliance with the same.

NOW, THEREFORE, in consideration of the Program Funds paid to the Owner under the Program Funding Agreement and for other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Owner hereby enters into this Declaration and hereby covenants, agrees and declares the following:

AGREEMENT

1. **Use of Property.** Owner, for itself, and for its successors and assigns, hereby declares and covenants that for the Restriction Period, the use of the Property, or in the event only a portion thereof has been improved with the use of Program Funds, then only that portion that has been so improved shall be restricted to the Permitted Use. Any change to another use described in Exhibit B, attached hereto and incorporated herein by this reference, shall require the express prior written approval of DHCS in its sole and absolute discretion, which modification and consent may be recorded in the official records of the County.

2. **Use, Maintenance, Repair, and Improvement of the Property.** Owner agrees:

2.1. To use the Property, or that portion of the Property constructed or improved with Program Funds, continuously for the Permitted Use;

2.2. To maintain the Property in conformity with the habitability and fire codes of the City or County where the Property is located in decent, safe, and sanitary condition and repair, and to permit no waste thereof;

2.3. Not to commit or suffer to be done or exist on or about the Property any condition causing the Property to become less valuable, except in accordance with this Declaration;

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

2.4. Not apply for any permits or construct any buildings or improvements on the Property, other than the permits, buildings and improvements contemplated as part of this Declaration, that would detrimentally affect the Property, including without limitation, the value of the Property, the structural integrity of the Property, or the contemplated uses of the Property set forth in Exhibit B, attached hereto and incorporated herein by this reference; or add to, remove, demolish or structurally alter any buildings or improvements included as part of the Property purchased or improved with Program Funds, without DHCS's consent;

2.5. To comply with all applicable laws affecting the Property including, but not limited to, the Behavioral Health Continuum Infrastructure Program, authorized under Welfare and Institutions Code section 5960-5960.45, and not to suffer or permit any violations of any such applicable law, nor of any covenant, condition or restriction affecting the Property. To the extent an amendment to the foregoing imposes requirements upon the ownership or operation of the Project more restrictive than those imposed by this Declaration, this Declaration shall be deemed automatically amended, without consent or approval of any other person, to impose such additional or more restrictive requirements; however, Owner hereby agrees to execute such amendment upon request by DHCS;

2.6. To construct and maintain the deliverables developed and produced pursuant to the Program Funding Agreement in compliance with the accessibility requirements of sections 7405 and 11135 of the California Government Code, section 508 of the Rehabilitation Act of 1973 as amended (29 U.S.C. § 794d), regulations implementing the Rehabilitation Act of 1973 as set forth in Part 1194 of Title 36 of the Code of Federal Regulations, and the Americans with Disabilities Act of 1990 (42 U.S.C. § 12101 *et seq.*);

2.7. Not to initiate or acquiesce in any change in any zoning or other land use or legal classification which affects any of the Property without DHCS's prior written consent, which may be granted or withheld at DHCS's sole discretion;

2.8. Not to alter the use of all or any part of the Property constructed or improved with Program Funds without DHCS's prior written consent;

2.9. To maintain all licenses, certifications, or designations required to continue operating for the use specified in the Program Funding Agreement, or other use approved in writing by DHCS;

2.10. Pay to DHCS its then-current fees in connection with any consent, approval, transfer, amendment, or waiver requested by Owner, together with any expenses incurred by DHCS in connection therewith;

2.11. Submit to DHCS such periodic reports, updates, and information deemed necessary by DHCS to monitor compliance and/or perform program evaluation. Any requested data or information shall be submitted in electronic format in a manner specified by DHCS;

2.12. Pay all taxes, assessments, and other charges, liens, fines and impositions attributable to or encumbering the Property, by making payment, prior to delinquency, directly to the payee thereof. Owner shall, upon request by DHCS or its agent, promptly furnish to DHCS or

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

its agent all notices of amounts due under this subsection and receipts evidencing such payments. Owner shall have the right to contest in good faith any claim or lien, or payment due thereunder, so long as Owner does so diligently, without prejudice to DHCS, and provided that Owner has established on Owner's books adequate reserves with respect to such contested assessment, tax, charge, lien, or claim; and

2.13 Owner shall defend (with counsel satisfactory to DHCS), indemnify and hold harmless DHCS and its respective officers, members, supervisors, directors, officials, and employees, counsel, attorneys, and agents, past, present and future of each of them (collectively, the "**Indemnified Parties**") against all loss, costs, damages, expenses, suits, judgments, actions and liabilities of whatever nature (including, without limitation, reasonable attorneys' fees, litigation and court costs, and amounts paid in settlement) directly or indirectly resulting from or arising out of or related to (a) the operation, use, occupancy, maintenance, financing or ownership of the Owner's Project, and (b) any breach of the foregoing obligations. Owner shall pay upon demand all of the reasonable fees and expenses paid or incurred by DHCS in enforcing the provisions hereof against Owner.

3. **Restrictions on Sale, Encumbrance, and Other Acts.**

3.1. Owner shall not voluntarily (which term shall not be interpreted to include a foreclosure of any security for a loan or deed-in lieu) sell, encumber (including recordation of deeds of trust), hypothecate, assign, pledge, convey, or transfer the Property, or any portion thereof, or any of its interests therein, equity interest in Owner or any general partner interest in the Owner, without obtaining DHCS's prior written consent, which shall not be unreasonably withheld by DHCS if (a) the Owner is not in default hereunder or under the Program Funding Agreement and delivers a certificate to DHCS certifying to the same, (b) the purchaser or assignee is not in default under any obligations it may have to DHCS and is not the subject of any legal or enforcement actions by DHCS, (c) evidence reasonably satisfactory to DHCS presented to establish that the purchaser or assignee has prior experience in the successful development, ownership and/or operation of a facility described in **Exhibit B**, attached hereto and incorporated herein by this reference for individuals who qualify as members of the target population, or has a partner with said relevant experience, (d) DHCS shall have received reasonable evidence satisfactory to DHCS that the Owner's purchaser or transferee has assumed in writing the restrictions on the Property, and Owner's duties and obligations, under this Declaration and the Program Funding Agreement, (e) evidence satisfactory to DHCS that the purchaser or assignee does not have pending against it, nor does it have a history of, building or fire code violations as identified by any department of DHCS; and (f) such other conditions as the State may reasonably impose to assure compliance by the assignee or purchaser and Property with the requirements of this Declaration and Program Funding Agreement. It is expressly stipulated and agreed that, except for any such sale, transfer or disposition agreed to by DHCS in a separate writing, any sale, transfer or other disposition of the Property in violation of this Section 3 shall be null, void and shall not relieve the Owner of its obligations under this Declaration. Upon any sale or transfer which complies with this Declaration, the Owner shall be fully released from any obligations arising after said sale or transfer, but only to the extent such obligations have been assumed by the transferee of the Property. Any transfer of the Property to any entity, whether or not affiliated with the Owner, shall be subject to the provisions of this Section 3.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

3.2. If DHCS determines, in its reasonable discretion, to grant its prior written consent for a sale, transfer or conveyance of the Property, such consent may impose additional terms and conditions, as necessary, to preserve or establish the fiscal integrity of the Property or to ensure compliance with this Declaration.

3.3. If a trustee under a loan acquires title to the Property by foreclosure or deed in lieu of foreclosure, no consent of the State shall be required to such transfer under this Declaration; however, the consent of DHCS and delivery of items (a) through (f) above shall be required for any transfer of the Property subsequent to the trustee's acquisition of the Property by foreclosure or deed in lieu of foreclosure.

4. **Insurance, Casualty and Condemnation.**

4.1. During the Restriction Period, Owner shall obtain and maintain (i) property insurance insuring against, among other things, loss of the Property, or any portion thereof, and Owner's personal property and fixtures by fire and such other hazards and casualties; (ii) commercial liability insurance insuring against liabilities arising out of the ownership, use, occupancy, condition or maintenance of, or the operations, use and activities in, on, or about, the Property; and (iii) other such insurance required by DHCS, and in such amounts as required by DHCS, which policies shall include DHCS as an additional insured upon request by DHCS. All insurance policies and renewals thereof shall be issued by a carrier and in a form acceptable to DHCS. Owner may choose to self-insure to comply with these requirements and agrees to provide written evidence of such insurance coverage within three (3) days of such request by DHCS or AHP.

4.2. In the event of any fire or other casualty to the Property or any part thereof, Owner shall immediately notify DHCS and seek direction from DHCS on how to proceed. DHCS, in its sole and absolute discretion, shall determine whether to instruct the Owner to apply the insurance proceeds to the repair and restoration of the Property to a condition equal to or better than the Property was in immediately prior to such casualty. DHCS has the right but not the obligation to approve the plans and specifications for any repair and restoration, as well as the right but not the obligation to approve disbursements of insurance proceeds for repair and restoration under a construction escrow or similar arrangement.

5. **Covenants Run with the Land.** The Property is held and hereafter shall be held, conveyed, hypothecated, encumbered, leased, rented, used, and occupied subject to this Declaration. Notwithstanding section 1460 *et seq.* of the California Civil Code, the provisions hereof shall run with the land and may be enforced either in law or in equity by any State agency. DHCS and Owner hereby declare their express intent that the covenants, reservations and restrictions contained herein shall be deemed both equitable servitudes and covenants running with the land and shall pass to and be binding upon the Owner's successors in title to the Property; provided, however, that upon the expiration of the Restriction Period said covenants, reservations and restrictions shall expire. Owner expressly acknowledges and agrees that the Declaration is a reasonable restraint on Owner's right to own, use, maintain, and transfer the Property and any estate or interest therein and is not and shall not be construed to be an unreasonable restraint on alienation. Each and every contract, deed or other instrument hereafter executed covering or conveying the Property, or any portion thereof, shall be held conclusively to have been executed, delivered, and accepted subject to this Declaration, regardless of whether this Declaration is set

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

forth in such contract, deed, or other instrument.

6. **Term of Declaration.** The covenants in this Declaration shall be binding, effective, and enforceable commencing upon the recordation of this Declaration on the fee estate in land in the official records of the County, and they shall continue in full force and effect for a period of at least thirty (30) years after the date of either of the following: (i) the date of issuance of a Certificate of Occupancy, if the Owner's Project is for construction of a new facility, or (ii) the date of recordation of a Notice of Completion, in the official records of the County, if the Project is for the rehabilitation, or expansion of an existing facility on the Property (the "**Restriction Period**"), regardless of any sale, assignment, transfer, or conveyance (including, without limitation, by foreclosure sale) of the Property or any portion thereof to any other person or entity.

7. **Default, Remedies.** If Owner defaults in the performance or observance of any covenant, agreement, restriction or obligation of Owner set forth in this Declaration, and if such default remains uncured for a period of thirty (30) days after notice therefore shall have been given by DHCS to the Owner, then DHCS shall declare an "**Event of Default**" to have occurred hereunder. An Event of Default under this Declaration shall entitle DHCS to any rights, remedies, or damages available at law or in equity, including, but not limited to, those that are specified in Section 7.1-7.4 below. DHCS's failure to exercise any specific right or remedy shall not be construed as a waiver of that or any other right or remedy. An Event of Default under this Declaration shall also constitute a default under the Program Funding Agreement, in the event the same has not expired by its terms.

7.1. Specific Performance. The use, repair, and maintenance of the Property is of a special and unique kind and character, so that a breach of any material provision of this Declaration by Owner would not have an adequate remedy at law. Therefore, DHCS's rights may be enforced by an action for specific performance and such other equitable relief as is provided by the laws of the State of California.

7.2. Injunctive Relief. In pursuing specific performance of the Declaration, DHCS shall be entitled to petition the court for injunctive relief to enjoin any acts or things which may be in violation of this Declaration or the Program Funding Agreement. Such injunctive relief may include a court order restraining any development of the Property that is inconsistent with the foregoing Declaration.

7.3. Appointment of Receiver. In addition to or in conjunction with any other remedy available at law or in equity, DHCS may apply to a court of competent jurisdiction for the appointment of a receiver to take over and operate the Property in accordance with the requirements of the Program Funding Agreement and this Declaration. The receiver shall have all powers which shall be necessary or are usual in such cases for the protection, possession, control, management and operation of the Property.

7.4. Right to Cure Defaults. Upon the occurrence and during the continuance of any Event of Default, State may, but without any obligation to do so and without notice to or demand on Owner and without releasing Owner from any obligation hereunder, take such actions to cure the event of default in such manner and to such extent as State may deem necessary to protect the security hereof. The cost and expense of any cure hereunder (including reasonable

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

attorneys' fees to the extent permitted by law) shall be due and payable to State upon demand plus an administration fee of ten percent (10%).

7.5. Intentionally omitted.

8. **DHCS Review and Inspection.**

8.1. At any time during the term of this Declaration and upon reasonable notice, DHCS or its designee may, but is not obligated to, enter and inspect the Property, and inspect all records pertaining to the operation, repair, and maintenance of the Property. Upon request by DHCS, Owner shall notify occupants of upcoming inspections in accordance with state law.

8.2. DHCS or its designee may, but is not obligated to, request any other information that it deems necessary to confirm compliance with this Declaration. Owner shall provide such requested information within fourteen (14) calendar days of DHCS's or its designee's written request for the information.

8.3. DHCS or its designee shall not, by the fact of making or not making any entries or inspections, or by taking or failing to take any action in response thereto: (i) incur or undertake, or be deemed to incur or undertake, any obligation, duty, or liability whatsoever, whether to Owner, or to any other person or entity; (ii) be deemed as approving or disapproving any matter, action, incident, or condition related to the Property; or (iii) be deemed as approving or disapproving any matter related to the compliance of the Property with this Declaration or other applicable laws. In no event or circumstance shall DHCS's or its designee's exercise or non-exercise of its discretion under this subsection constitute, or be deemed or interpreted as constituting, any termination, limitation, alteration, or waiver by DHCS or its designee of any right, benefit, or remedies under or with respect to this Declaration.

9. **Owner Representations.** Owner represents and warrants to DHCS that: (1) Owner has sufficient interest in the Property to support the operation of the Property in accordance with this Declaration; (2) to Owner's actual knowledge and belief, there are no agreements, contracts, covenants, conditions, or exclusions to which Owner (or its predecessor in interest) is a party which would, if enforced, prohibit or restrict the use of the Property in accordance with the terms of this Declaration; (3) Owner has the full right and authority to enter into this Declaration; (4) this Declaration constitutes a valid and legally binding obligation on Owner, enforceable in accordance with its terms; and (5) Owner is duly organized and authorized to do business in the State of California.

10. **Amendment, Modification.** This Declaration shall be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the official records of the County.

11. **Severability.** Every provision of this Declaration is intended to be severable. If any provision of this Declaration is held invalid, illegal, or unenforceable by a court of competent jurisdiction, the validity, legality, and enforceability of the remaining provisions shall not be affected or impaired.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

12. **Governing Law.** This Declaration shall be governed by and interpreted under the laws of the State of California and applicable federal laws.

13. **Recordation of Agreement.** This Declaration shall be recorded on the fee estate in land in the official records of the County no later than December 31, 2024. The Declaration shall be recorded, and shall remain, as a lien against the Property.

ATTACHMENT I

CONSTRUCTION CONTRACT ADDENDUM

This Construction Contract Addendum (this "**Addendum**") is made this _____ day of _____, 202__, by and between _____ ("**Owner**"), and _____ ("**Contractor**").

RECITALS

A. The Owner and Advocates for Human Potential, Inc., a Massachusetts corporation ("**AHP**"), acting as program administrator for the California Department of Health Care Services, a public agency of the State of California ("**DHCS**"), have entered into that certain Program Funding Agreement with an Effective Date of _____, 202_ ("**Agreement**"), pursuant to which Owner was allocated funds pursuant to the Behavioral Health Continuum Infrastructure Program ("**Program Funds**") for the purposes of developing the project located at 315 W. Haley St., Santa Barbara, CA 93101 (the "**Project**").

B. Owner and Contractor have entered into a Construction Agreement dated _____, 202__ under which Contractor has agreed to undertake construction work on the Project (the "**Contract**").

C. Owner and Contractor wish to modify and add to the terms of the Contract as set forth in this Addendum, and Contractor agrees to be bound by the following provisions in the construction of said Project, in order to provide for certain terms required by AHP as a condition of providing the Program Funds for the Project. It is a condition to AHP providing the Program Funds that the Contractor agrees to be bound by the terms hereof.

NOW, THEREFORE, Owner and Contractor hereby agree as follows:

1. OWNER'S OBLIGATIONS. Owner agrees that any obligation imposed on Contractor by this Addendum does not waive, diminish, or alter any of Owner's obligations to AHP under the Agreement, and that the obligations of Contractor to AHP contained herein are in addition to those obligations of Owner to AHP or DHCS contained in the Agreement. Owner shall be solely responsible for satisfying its obligations to Contractor under the Contract.

2. CONSENT TO ASSIGNMENT OF DEVELOPMENT RIGHTS. Contractor consents to the assignment of its Contract with Owner to AHP, upon demand by AHP, and to any subsequent assignment of the Contract by AHP at the election of AHP. Contractor agrees that if there is a breach of the Agreement or any other Event of Default (as the term may be defined in the Agreement), AHP may elect to enforce the assignment and take over the Contract. Contractor agrees to continue to perform its obligations under the Contract and this Addendum for the benefit and account of AHP in the same manner as if performed for the benefit and account of Owner in the absence of the assignment at no additional cost to AHP, as long as Contractor continues to receive the compensation called for under the Contract. Contractor agrees that AHP shall not have any obligation under the Contract until AHP notifies it in writing of AHP's election to accept the assignment.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

3. ASSIGNMENT OF SUBCONTRACTS. Contractor hereby consents to the assignment to AHP of all its interest in all subcontracts and agreements now or hereafter entered into by Contractor for performance of any part of the construction work required to be performed under the Contract. The assignment will be effective upon acceptance by AHP in writing and only as to those subcontracts and agreements, which AHP designates in writing. AHP may accept said assignment at any time during the course of the construction work required to be performed under the Contract and prior to final completion of construction work required to be performed under the Contract in the event of a suspension, or termination of Contractor's rights under the Contract. Such assignment is part of the consideration to Owner for entering into the Contract with Contractor and may not be withdrawn prior to final completion of construction work required to be performed under the Contract. Contractor agrees that any subcontract entered by and between Contractor and a subcontractor in connection with the Contract or performance of the construction work required to be performed under the Contract shall expressly provide that such subcontract shall be assignable to AHP and that AHP subsequently may assign such subcontract.

4. COMMENCEMENT AND COMPLETION OF CONSTRUCTION. Contractor must begin construction of the Project by the date set for the commencement of construction in the Contract. Contractor must diligently prosecute construction of the Project to completion and must complete construction of the Project by the completion date set forth in the Agreement. Incorporated herein are the Scope of Work, Performance Milestones and Payment Schedule from the Agreement.

5. CONSTRUCTION BONDS. Upon execution of the Contract and prior to commencement of construction, unless otherwise approved by AHP, or DHCS each in their sole discretion, Contractor must obtain a labor and material (payment) bond and a performance bond, or a dual bond which covers both payment and performance obligations, with respect to the construction of the Project in a penal sum each of not less than one hundred percent (100%) of the scheduled cost of construction. Such bonds must be issued by a company which is authorized to transact surety insurance in California, and which has assets exceeding its liabilities in an amount equal to or in excess of the bond amount. The bonds must name AHP and DHCS as obligees. Owner shall provide to AHP a copy of any and all such payment and performance bonds prior to commencement of construction of the construction work required to be performed under the Contract.

6. CONTRACT WORK. Contractor warrants and represents that it is licensed or otherwise authorized to perform the construction work specified in the Contract in the State of California. All construction work must be performed by persons or entities licensed or otherwise authorized to perform the applicable construction work in the State of California. Contractor shall insert similar provisions in all subcontracts for work for the Project.

7. QUALITY OF WORK. Contractor must construct the Project in conformance with the plans and specifications and any modifications thereto approved by AHP. Contractor must construct the Project according to general industry standards and shall employ building materials of a quality suitable for the requirements of the Project and conforming to general industry standards. Contractor must construct the Project in full conformance with applicable local, state, and federal statutes, regulations, and building and housing codes.

The parties acknowledge that AHP and DHCS are under no duty to review the Plans and Specifications or to inspect construction of the Project. Any review or inspection undertaken by

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

AHP or DHCS of the Project is solely for the purpose of determining whether Owner and Contractor are properly discharging their obligations, and should not be relied upon by Owner, Contractor, or any third parties as a warranty or representation by AHP or DHCS as to the quality of the design or construction of the Project.

8. ADDITIONS OR CHANGES IN WORK. AHP must be notified no later than thirty (30) days of the execution of a change order by and between Owner and Contractor, of any changes in the work required to be performed under the Contract or this Addendum, including any substantial additions, changes, or deletions to the approved plans and specifications, which exceeds Twenty-Five Thousand Dollars ($25,000.00). Contractor shall not allow subcontractors to mark-up any change order by more than fifteen percent (15%). Contractor shall provide AHP and Owner with an updated budget and schedule prior to the commencement of construction at the Project and at fifty percent (50%) completion of the Project showing all changes from the budget and schedule prepared prior to the issuance of the notice to proceed to Contractor.

9. SITE INSPECTIONS. Contractor shall permit and facilitate in person and remote observation and inspection of work at the job site by AHP and DHCS and their agents and by public authorities during reasonable business hours.

10. AUDITS. Contractor must make available for examination at reasonable intervals and during normal business hours to AHP and DHCS's representatives all books, accounts, reports, files, and other papers or property with respect to all matters covered by the Contract and this Addendum, and must permit these representatives to audit, examine, and make copies, excerpts, or transcripts from such records.

11. NONDISCRIMINATION. Contractor may not discriminate against any employee or applicant for employment on the basis of race, color, religion, sex, sexual preference, national origin, AIDS or AIDS-related conditions, or disability in any phase of employment during construction. Contractor agrees to post in conspicuous places available to all employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

12. PREVAILING WAGES. All workers performing construction work for the Project employed by Contractor and by any of its subcontractors must be compensated in an amount no less than the general prevailing rate of per diem wages as determined by the California Department of Industrial Relations under California Labor Code sections 1770 *et seq.*, and implementing rules and regulations. Contractor must comply with, and must ensure that its subcontractors comply with, all reporting and recordkeeping requirements of the applicable prevailing wage statutes and regulations.

In the event of underpayment of wages by Contractor or by any subcontractor employed on the Project, AHP, in addition to other rights and remedies afforded by this Agreement, may: (1) demand that any underpaying employer comply with these requirements; (2) demand that the underpaying employer pay the difference between the prevailing wage rate and the amount actually paid to workers; (3) withhold and/or pay any Program Funds as necessary to compensate workers the full wages required under this Agreement; and/or (4) pursue any lawful administrative or court remedy to enforce these requirements against the underpaying employer. Any underpaying employer shall comply with a demand to pay any amounts due under this section within ten calendar days of the demand.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Contractor must include the prevailing wage requirement in all subcontracts for work on this Project and must specify that AHP and DHCS are intended third party beneficiary of such provisions. Contractor must take reasonable measures to monitor and enforce the prevailing wage requirements imposed on its subcontractors, including withholding payments to those subcontractors who violate these requirements. In the event that Contractor fails to take the above measures, Contractor shall be liable for the full amount of any underpayment of wages, plus costs and attorneys' fees, as if Contractor was the actual employer.

13. INSURANCE COVERAGE. Contractor must have in full force and effect during the complete course of construction of the Project, insurance, providing coverage in the types and amounts set forth below:

13.1 Worker's compensation insurance as required by the State of California.

13.2 Comprehensive automobile and vehicle liability insurance covering claims for injuries to members of the public and/or damages to property of others arising from use of motor vehicles, including on-site and off-site operations, and owned, non-owned, or hired vehicles, with One Million Dollars ($1,000,000.00) combined single limits.

13.3 Commercial general liability insurance of not less than One Million Dollars ($1,000,000.00) per occurrence with an annual aggregate limit of Five Million Dollars ($5,000,000.00) for bodily injury and property damage liability combined. Such insurance can be provided pursuant to an umbrella policy. The commercial general liability insurance policy shall cover liabilities arising out of premises, operations, independent contractors, products, completed operations, personal and advertising injury, and liability assumed under an insured agreement. The commercial general liability insurance shall apply to each insured against whom claim is made or suit is brought subject to the Sponsor's limit of liability.

14. NON-LIABILITY OF OFFICIALS, EMPLOYEES AND AGENTS. No member, official, employee, or agent of AHP or DHCS shall be personally liable to Contractor for any obligation created under the terms of the Contract or this Addendum except in the case of actual fraud or willful misconduct by such person.

15. INDEMNITY. Notwithstanding the insurance requirements herein, Contractor hereby indemnifies, defends and holds, AHP and DHCS and their respective members, officers, officials, employees, and agents, (collectively, the "**Indemnified Parties**"), harmless against any losses, damages, liabilities, claims, demands, judgments, actions, court costs, and legal or other expenses (including attorneys' fees) which an Indemnified Party may incur as a consequence of Contractor's failure to perform any obligations as and when required by the Contract or this Addendum, any act or omission by Contractor or its subcontractors with respect to the Project, or any failure of any of Contractor's representations or warranties to be true and complete, except to the extent such losses are caused by the negligence or willful misconduct of the Indemnified Party. Contractor shall pay immediately upon the Indemnified Party's demand any amounts owing under this indemnity. The duty of Contractor to indemnify includes the duty to defend the Indemnified Party in any court action, administrative action, or other proceeding brought by any third party arising from the Project. Contractor's duty to indemnify the Indemnified Party shall survive the term of the Contract.

16. HAZARDOUS MATERIALS. Neither Contractor nor any of its subcontractors may use the real property upon which the Project is to be constructed (the "**Project Property**") or

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

allow the Project Property to be used for the generation, manufacture, storage, disposal, or release of Hazardous Materials. Contractor shall immediately notify AHP and Owner in writing of: (a) the discovery of any concentration or amount of Hazardous Materials on or under the Project Property requiring notice to be given to any governmental agency under Hazardous Materials Laws; (b) any knowledge by Contractor that the Project Property does not comply with any Hazardous Materials Laws; (c) the receipt by Contractor of written notice of any Hazardous Materials claims; and (d) the discovery by Contractor of any occurrence or condition on the Project Property or on any real property located within 2,000 feet of the Project Property that could cause the Project Property to be designated as a "hazardous waste property."

17. NOTICES; NOTICE OF DEFAULT TO AHP. If at any time after the execution of the Contract it shall become necessary or convenient for Contractor to serve any notice, demand, or communication upon AHP, such notice, demand or communication shall be in writing provided in accordance with the notice requirements of the Agreement. Contractor shall give AHP prior or concurrent written notice of any default or breach claimed by Contractor against Owner or any other party under the Contract. The notice shall describe the default and give AHP the option to cure said default within thirty (30) calendar days. No termination of the Contract by Contractor shall be binding unless AHP has been given the required notice and has not cured the default within thirty (30) calendar days.

18. REMEDIES. The parties hereto agree that AHP, while not a party to the Contract, is an intended third-party beneficiary of the obligations imposed on Contractor in this Addendum. In the event of any breach or violation of any agreement or obligation of Contractor under the Contract or this Addendum, AHP may proceed with any of the following remedies:

18.1 Bring an action in equitable relief seeking the specific performance by Contractor of the terms and conditions of the Contract or this Addendum, and/or enjoining, abating, or preventing any violation of said terms and conditions;

18.2 Order immediate stoppage of construction and demand that any condition leading to the default be corrected before construction may continue;

18.3 Enter the Project Property and take any actions necessary in its judgment to complete construction of the Project as permitted under the assignment of development rights;

18.4 Suspend disbursement of Program Funds for the Project until the breach or violation is corrected, or, if Owner had any concurrent obligation to perform on or ensure performance on the breached obligation, cancel the Program Funds commitment made to Owner and terminate AHP's obligation to disburse Program Funds to Owner;

18.5 Terminate the Contract; or

18.6 Pursue any other remedy allowed at law or in equity.

19. GOVERNING LAW. This Addendum shall be interpreted under and be governed by the laws of the State of California, except for those provisions relating to choice of law and those provisions preempted by federal law.

20. DEFINITIONS. Capitalized terms not defined in this Addendum shall have the same meaning as defined in the Agreement.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

21. ATTORNEYS' FEES AND COSTS. In the event any legal action is commenced to interpret or to enforce the terms of this Addendum, the prevailing party in any such action shall be entitled to recover all reasonable attorneys' fees and costs incurred in such action.

22. TIME. Time is of the essence in the performance of this Addendum by Contractor.

23. CONSENTS AND APPROVALS. Any consent or approval required under this Addendum shall not be unreasonably withheld, delayed, or conditioned.

24. BINDING UPON SUCCESSORS. All provisions of this Addendum shall be binding upon and inure to the benefit of the heirs, administrators, executors, successors-in-interest, transferees, and assigns of each of the parties; provided, however, that this section does not waive the prohibition on assignment of this Addendum by Contractor without AHP's consent.

25. RELATIONSHIP OF CONTRACTOR AND AHP. Contractor understands that neither AHP nor DHCS undertakes or assumes any responsibility or duty to Contractor or to any third party. The relationship of Contractor and AHP/DHCS for this Project shall not be construed as a joint venture, equity venture, or partnership. AHP shall have no obligation to any party under the Contract but is an intended third-party beneficiary of the obligations under this Addendum. Contractor shall have no authority to act as an agent of AHP or DHCS or to bind AHP or DHCS to any obligation.

26. ASSIGNMENT. Contractor may not assign any of its interests under the Contract or the Addendum to any other party, except with the prior written consent of AHP. Any unauthorized assignment shall be void.

27. AMENDMENTS AND MODIFICATIONS. Any amendments or modifications to this **Addendum** must be in writing and shall be made only if executed by Owner and Contractor and consented to in writing by AHP.

28. SEVERABILITY. Every provision of this Addendum is intended to be severable. If any provision of this Addendum is held invalid, illegal, or unenforceable by a court of competent jurisdiction, the validity, legality, and enforceability of the remaining provisions shall not be affected or impaired.

29. ADDENDUM CONTROLS. In the event that any provisions of this Addendum and the Contract conflict, the terms of this Addendum shall control.

PART ONE: OVERVIEW

1.1. INTRODUCTION TO THE GRANT OPPORTUNITY AND STATE PRIORITIES

The California Department of Health Care Services (DHCS) has launched the Behavioral Health Continuum Infrastructure Program (BHCIP) to address historic gaps in the state's behavioral health and long-term care continuum and meet the growing demand for services and supports across the life span. DHCS was authorized through 2021 legislation to establish BHCIP and award approximately $2.1 billion to construct, acquire, and expand properties and invest in mobile crisis infrastructure related to behavioral health.

BHCIP is designed to address the following State Priorities:

- Invest in behavioral health and community care options that advance racial equity
- Seek geographic equity of behavioral health and community care options
- Address urgent gaps in the care continuum for people with behavioral health conditions, including seniors, adults with disabilities, and children and youth
- Increase options across the life span that serve as an alternative to incarceration, hospitalization, homelessness, and institutionalization
- Meet the needs of vulnerable populations with the greatest barriers to access, including people experiencing homelessness and justice involvement
- Ensure care can be provided in the least restrictive settings to support community integration, choice, and autonomy
- Leverage county and Medi-Cal investments to support ongoing sustainability
- Leverage the historic state investments in housing and homelessness

1.2. PURPOSE

DHCS is releasing BHCIP funds through six grant rounds targeting various gaps in the state's behavioral health facility infrastructure.

BHCIP Rounds 1, 2, and 3 were released in 2021 and early 2022:

- Round 1: Crisis Care Mobile Units, $205M (including $55M Substance Abuse and Mental Health Services Administration grant funding)
- Round 2: County and Tribal Planning, $16M
- Round 3: Launch Ready, $518.5M

The remaining BHCIP rounds will be released in 2022 and 2023:

- Round 4: Children and Youth, $480.5M (the current round)
- Round 5: Behavioral Health Needs Assessment Phase One, $480M
- Round 6: Behavioral Health Needs Assessment Phase Two, $480.7M

The purpose of Round 4: Children and Youth is to address the significant gaps in behavioral health (mental health and substance use disorders) facilities for children and youth in California. According to the 2021 statewide needs assessment, Assessing the Continuum of Care for

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Behavioral Health Services in California, the mental health and well-being of California's children and youth (25 years and younger) are areas of concern for the state.[1] Amid rising rates of children and youth experiencing behavioral health conditions, youth emergency department visits for mental health concerns, and youth suicides, there are limited treatment options available to children with significant mental health and substance use disorders. Across the state, there are regions and counties with limited or no treatment options for children and youth. The 2021 needs assessment identifies seven of the highest priorities, two of which focus on children and youth specifically:

- More treatment options are vital for children and youth living with significant mental health and substance use disorders.
- Prevention and early intervention provided through schools and other community-based organizations are critical for children and youth, especially those who are at high risk.

The needs assessment also demonstrates that investment in infrastructure is required to support expansion of services and programs for children and youth. Stakeholders surveyed for the needs assessment repeatedly commented on the lack of both facilities to provide services and the means to renovate facilities to expand services.

BHCIP Round 4: Children and Youth will provide funding to construct, acquire, and rehabilitate real estate assets to expand the behavioral health continuum of treatment and service resources in settings that serve children and youth ages 25 and younger, including pregnant/postpartum women and their children, transition-age youth (ages 18–25), and their families. Round 4 will also fund facilities that serve Medi-Cal beneficiaries. Applications will only be accepted from projects that will use infrastructure funds to expand services in the identified eligible facilities (Section 3.3) for children, youth, and pregnant and postpartum women and their children. Awarded grant funds for Round 4 must be fully expended by 2027.

1.3. AUTHORIZING AND APPLICABLE LAW

BHCIP: Welfare and Institutions Code, Division 5, Part 7

1.4. TIMELINE

[1] *Assessing the Continuum of Care for Behavioral Health Services in California* (January 10, 2022). This report was prepared for DHCS by Manatt Health with support from Dr. Anton Nigusse Bland.

Deadline to request a required pre-application consultation	August 10, 2022
Application due date	August 31, 2022
Award announcements	September 30, 2022

PART TWO: APPLICATION PROCESS AND SUBMISSION

2.1. TOTAL GRANT AMOUNTS

Round 4: BHCIP Children and Youth: $480,500,000 is available to construct, acquire, and rehabilitate real estate assets to expand the behavioral health continuum of treatment and service resources in settings that serve Californians ages 25 and younger, including pregnant/postpartum women and their children, transition-age youth, and their families. The Round 4: BHCIP Children and Youth will also fund facilities that serve Medi-Cal beneficiaries.

2.2. APPLICATION PROCESS

Applications will be accepted electronically beginning **June 1, 2022**. Applications may not be hand delivered or mailed. The application and attachments, along with instructions for submission of the online application, can be found on the Improving California's Infrastructure website. No modified formats will be accepted. The deadline for applications will be **August 31, 2022**, at 5:00 p.m. PT. It is the applicant's responsibility to ensure that the submitted application is accurate. Reviewers may request additional clarifying information from the applicant.

The application is a public record that is available for public review pursuant to the California Public Records Act (CPRA, Chapter 3.5 [commencing with Section 6250] of Division 7 of Title 1 of the Government Code). After final awards have been issued, DHCS may disclose any materials provided by the applicant to any person making a request under the CPRA. Applicants are cautioned to use discretion in providing information not specifically requested, such as personal phone numbers and home addresses. If the applicant does provide such information, they will be waiving any claim of confidentiality and will have consented to the disclosure of submitted material upon request.

Reasonable Accommodations for BHCIP

For individuals with disabilities, DHCS will provide assistive services such as reading or writing assistance and conversion of the RFA, questions/answers, RFA addenda, or other Administrative Notices in Braille, large print, audiocassette, or computer disk. To request copies of written

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

materials in an alternate format, please send an email to BHCIP@dhcs.ca.gov or call (323) 545-6202.

Regional Funding Reserve Methodology

DHCS will prioritize completed applications by geographic distribution to ensure the equitable and fair distribution of funds (see Table 2). BHCIP Round 4: Children and Youth will adopt a regional funding approach, similar to models used in other state-funded capital programs (for example, BHCIP Round 3: Launch Ready and Homekey). Counties are assigned to one of seven geographic regions, each with a specific funding amount reserved. The funding amounts for each region, along with the tribal set-aside and discretionary reserves, are listed below. Applicants within each region will compete against other applicants in that same region, thereby supporting geographic equity and funding disbursement across the state. If there are an insufficient number of competitive applications received from a region, this funding will be awarded at the DHCS's discretion. DHCS will reserve up to 20 percent of the BHCIP Round 4: Children and Youth funds to ensure funding is effectively used to address and support the needs of vulnerable populations and gaps within the care continuum, consistent with the State Priorities. For example, this discretionary set-aside may be used to fund high-scoring projects in regions that have met their funding reserve.

For BHCIP funding reserves, a ratio of available Children and Youth funding to the Behavioral Health Subaccount County allocations has been used, with 5 percent set aside for tribal entities.

Table 2: Regions and Counties

Counties by Geographic Distribution	**Estimated Targeted Funding Levels** (less 20% discretionary and 5% tribal set-asides) (Total available: $480,500,000)
Los Angeles County	$127,917,169
Bay Area: Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, Santa Clara, Solano, Sonoma	$74,239,434
Southern California: Imperial, Orange, Riverside, San Bernardino, San Diego, Ventura	$70,387,994
San Joaquin Valley: Fresno, Kern, Kings, Madera, Merced, San Joaquin, Stanislaus, Tulare	$41,287,303
Sacramento Area: El Dorado, Placer, Sacramento, Sutter, Yolo, Yuba	$21,827,664

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Central Coast: Monterey, San Benito, San Luis Obispo, Santa Barbara, Santa Cruz	$13,819,998
Balance of State: Alpine, Amador, Butte, Calaveras, Colusa, Del Norte, Glenn, Humboldt, Inyo, Lake, Lassen, Mariposa, Mendocino, Modoc, Mono, Nevada, Plumas, Shasta, Sierra, Siskiyou, Tehama, Trinity, Tuolumne	$15,700,438
Tribal	$24,025,000
Discretionary: The discretionary set-aside may also be used to fund high-scoring projects in regions that have met their funding reserve.	$91,295,000

2.3. PRE-APPLICATION CONSULTATIONS AND TECHNICAL ASSISTANCE

Advocates for Human Potential, Inc. (AHP), a consulting and research firm focused on improving health and human services systems, is serving as the administrative entity for BHCIP. AHP assists state and local organizations to implement and evaluate a wide range of services focusing on mental health treatment and recovery, substance use disorder treatment and prevention, workforce development, homelessness, housing, long-term services and supports, and criminal justice.

Beginning in June 2022, and as part of the RFA process, AHP will provide pre-application consultations and individual agency/county technical assistance (TA) and will offer ongoing general training and TA throughout the life of the project. The deadline to request a pre-application consultation is three weeks prior to the application due date: **August 10, 2022**. Applicants are required to submit a request for a pre-application consultation and complete a survey to determine their understanding of the RFA requirements.

In addition, applicants will be required to discuss how the proposed project meets local and/or regional gaps identified in *Assessing the Continuum of Care for Behavioral Health Services*, as well as how it addresses the State Priorities. AHP implementation specialists will work with applicants to support them in these areas by connecting them with subject matter experts in real estate, financing, and programmatic best practices serving Californians ages 25 and younger, including pregnant and postpartum women and their children, and transition-age youth, along with their families. Additional information related to pre-application consultations and TA throughout the grant period can be found online.

PART THREE: PROJECT REQUIREMENTS

3.1. ELIGIBLITY REQUIREMENTS

The population of focus for Round 4: Children and Youth is children and youth ages 25 and younger, including pregnant and postpartum women and their children, and transition-age youth,

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

along with their families. All applicants must demonstrate how their infrastructure project will expand services for this population. Applicants can provide services for any of the subpopulations in this age group and are encouraged to provide family-based clinical services and supports that are culturally and linguistically appropriate for the target population. Regional models or collaborative partnerships to construct, renovate, or expand behavioral health facilities are encouraged to apply.

Eligible applicants for Round 4: Children and Youth funds include counties, cities, tribal entities ("tribal entity" shall mean a federally recognized Indian tribe, tribal organization, or urban Indian organization, as defined in Section 1603 of Title 25 of the United States Code), nonprofit organizations, and for-profit organizations whose projects implement and expand the State Priorities. Eligible entities may apply independently or may submit applications with partners or co-applicants to encourage innovative, comprehensive local and regional approaches.

For joint applications, the co-applicant(s) must be named in the grant application and must submit a letter(s) of commitment with the application. For purposes of this RFA, upon receiving an award, the eligible applicant and any co-applicant(s) will be referred to as the "grantee," both individually and collectively.

For-profit organizations that do not have prior behavioral health experience must apply with a partner, such as a nonprofit organization, tribal entity, city, or county, with the requirement that the partner organization has related prior experience, reflected in the successful development, ownership, or operation of a relevant project for the target population. A memorandum of understanding (MOU) or other agreement with the nonprofit organization, tribal entity, city, or county to confirm the organization's role in the project, including that they are working on behalf of the service provider, is also required.

Applicants must describe the payor mix for how behavioral health services will be paid for and sustained once the project construction is complete. Examples of payors include private health insurance, Medi- Cal, private pay, grants, and county funds.

Applicants must also indicate the applicable behavioral health licensing, certifications, and accreditations required by the state and/or local level to operate their program. Applicants with facilities that do not require licenses or certifications, such as community wellness centers and youth prevention centers, need to indicate this in their application. Tribal entities that are exempt from state licensing and/or requirements must describe the basis for their exemption and their plan for meeting programmatic requirements. As part of the TA that will be made available, applicants may receive information and guidance about the licensure and certification process.

A commitment to provision of behavioral health services and building use restriction for a 30-year period through a deed restriction placed on the property title is required.

Projects must advance racial equity and meet the needs of individuals from diverse backgrounds. Applicants must affirm that they will not exclude certain children and youth populations, such as those who are justice involved or in foster care.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Applicants that offer Medi-Cal behavioral health services will be expected to have a contract in place with their county to ensure the provision of Medi-Cal services once the funded facility's expansion or construction is complete. Community wellness centers and youth behavioral health prevention centers are not required to have a contract to provide Medi-Cal behavioral health services; however, they must provide services to Medi-Cal beneficiaries.

Organizational support and community engagement, including the active involvement of youth in the design of the project, is required. Insights from youth voices and the community should be included in project planning, design, implementation, and evaluation. For all applicants, organizational support and community engagement should be demonstrated by the following:

- Completion of application Form 7: Community and Youth Engagement Tracking and
- A letter of support by any of the following: county board of supervisors, county behavioral health director, county executive, city council, tribal council resolution, community stakeholders, and/or other community-based organizations as applicable.

City, nonprofit, or for-profit applicants must include a letter of support from their county behavioral health agency or, if a tribal entity, the tribal board at the time of application. The letter must indicate that grantees that operate Medi-Cal behavioral health services will have in place a contract with their county to ensure the provision of Medi-Cal services once the financed facility's expansion or construction is complete.

School-linked health centers must submit a letter of support from the school district or county office of education and a demonstrated history of providing behavioral health services for students.

If applicable, a letter of support from the applicant's CEO and/or board must be provided.

3.2. PROJECT PHASES AND ALLOWABLE COSTS

For Round 4: Children and Youth funding, three phases of project development leading up to the final phase of construction will be considered during the evaluation of each application. Applicants must be in one of the three phases; applicants in later phases of development will be scored higher. All projects must meet the minimum threshold of project readiness to be awarded grant funds. Applicant projects are considered to be in a given phase of development only after they have met all the requirements in the previous phase. Required documentation will be reviewed with each applicant during the pre- application consultation process and must be submitted as part of the application.

To be eligible for Round 4: Children and Youth funding, a project must demonstrate "project readiness." The **minimum threshold requirements** for "project readiness" are

- A sustainable business plan with (pro forma) projections of future objectives and strategies for achieving them,
- A conceptual site plan with a forecast of the developmental potential of the property,
- Stakeholder support as demonstrated by letters of support from internal boards of directors and professional/community partners,
- A demonstration of county and Medi-Cal investments to support ongoing sustainability

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

of the behavioral health program,
- An identified match amount, and
- An initial budget—one for each phase and a total budget for acquisition and construction.

These phases are the pre-construction activities and are allowable costs. Applicants must submit documentation demonstrating the completion of each phase below in order to move ahead to the subsequent phase.

- Phase 1: Planning and pre-development
  - Development team established; to include attorney, architect, and/or design-build team;
  - Basis of design outlined, includes architectural and engineering narratives;
  - Property-specific Site Investigation Report and due diligence done; and
  - Budget with cost estimates based on site plan/drawings completed.
- Phase 2: Design development
  - Site control established with deed, purchase and sale agreement (PSA), option contract, letter of intent, or leasehold;
  - Site plan established with a schematic plan with architectural and engineering specifications;
  - Stakeholder support established as demonstrated by a letter from city/county/board of directors/tribal entity;
  - Able to gain building permits within 6 months of funding;
  - Able to close on land, after gaining building permits, within 6 months of funding; and
  - Able to start construction within 6 months of funding.

- Phase 3: Shovel ready
  - Ownership of real estate site;
  - Preliminary plan review completed, with comments received;
  - Construction drawings complete or near completion;
  - General contractor (builder) selected and ready for hire;
  - Ninety-five percent of construction drawings ready for submission for building permit;
  - Building permit issued; and
  - Able to start construction within no more than 60 days.

- Final Phase: Construction
  - Projects that rehabilitate an existing structure or renovate an existing facility are allowable as long as they result in an expansion of behavioral health services for the target population. Furniture and equipment are not allowable costs.

Full funding of a proposed development project will be contingent upon completion of all three phases of development planning. The planning and pre-development phase must be completed in 90 days.

Grantees must submit construction documents for building permit review within 6 months of grant award.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

BHCIP funding cannot be used for the purchase of an existing behavioral health facility.

3.3. ELIGIBLE FACILITIES

Facility expansion can include building or renovating a separate wing or center that serves the target population. Regional models and collaborative partnerships are strongly encouraged to apply.

The following facility types (Table 3) may be considered for project funding **only** if they are expanding behavioral health services for the population(s) indicated.

Table 3: Eligible Facilities

Type of Facility	Serving Children (birth–18 years)	Serving Transition-Age Youth (TAY; 18–25)	Serving perinatal (pregnant and postpartum women and their children)
Outpatient Services (includes a variety of settings delivering clinical support services, but not overnight residential services)			
Community Mental Health Clinic (outpatient)	X	X	X
Community Wellness/Prevention Centers	X	X	
Crisis Stabilization Unit (CSU)	X	X	
Outpatient Treatment for Substance Use Disorder (SUD)	X	X	X
Partial Hospitalization Program	X	X	
School-Linked Health Centers	X	X	
Residential Clinical Programs (includes a variety of settings focused primarily on delivering clinical services; also provide shelter and support, from overnight to many days, weeks, and months)			
Adolescent Residential Treatment Facilities for Youth with SUD	X	X	
Children's Crisis Residential Programs (CCRPs)	X		
Community Treatment Facility (CTF)	X	X	X
Perinatal Residential SUD Facilities	X	X	X

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Psychiatric Acute Care Hospital	X	X	
Psychiatric Health Facility (PHF)	X	X	
Short-Term Residential Therapeutic Programs (STRTPs)	X		

For purposes of this funding, a community wellness/youth prevention center must focus on serving children and youth with behavioral health conditions (mental health and substance use disorders), commit to serving Medi-Cal beneficiaries, and offer some or all of the following:

A comprehensive program of mental health services in an outpatient setting, including preventive services, screening, diagnosis, and treatment/management of behavioral health conditions

- Community support groups for people with mental health and substance use disorders, including traditional healing activities (talking circles)
- Health education and information, including family psychoeducation, focused on behavioral health
- Service navigation and enabling services such as case management/care coordination, transportation, and translation services
- Wellness classes including meditation, fitness, healthy cooking, relaxation strategies, caregiver support, cultural activities, workforce development, and community wellness events
- Youth development programming and activities
- Mentoring, peer support, and/or parenting/family management services
- Problem identification with referral to treatment if needed
- Vocational opportunities and alternative alcohol- and drug-free activities
- Behavioral health prevention coalitions and/or workgroups

A school-linked health center is a type of school-based health center (SBHC) that is located off campus and has a formal operating agreement with the partnering school. SBHCs offer a wide variety of services including primary care, behavioral health care, dental care, screening and prevention, and youth engagement activities. BHCIP will only provide funding for SBHC facilities that provide expansion of behavioral health services.

Publicly funded perinatal facilities must adhere to DHCS's Perinatal Practice

Guidelines. Facility types that are not eligible for funding:

- Correctional settings
- Schools

3.4. MATCH

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Applicants will be required to provide matching funds as part of the project. Match requirements are set according to applicant type.

- Tribal entities = 5 percent match
- Counties, cities, and nonprofit providers = 10 percent match
- For-profit providers and/or private organizations = 25 percent match

The required match will be determined by the type(s) of applicants. For example, if a for-profit organization has a collaboration with a county, the project qualifies for the county match (10%), as long as supporting documentation is submitted.

Match in the form of cash and real property—such as equity in land or existing structures—to the real costs previously incurred by the project will be allowed. Cash is the strongest form of match. The State must approve the match source.

Cash match may come from

- American Rescue Plan Act (ARPA) funds granted to counties and cities,
- Local funding,
- Mental Health Services Act (MHSA) funds in the 3-year plan (considered "other local"),
- Foundation/philanthropic support,
- Opioid settlement funds for SUD facilities,
- Loans or investments,
- Cash on hand,
- Incentive payments from managed care plans, or
- Other.

Real property appraised value for development is acceptable as match as long as that real property is the actual project sited property and the entire Assessor's Parcel Number (APN) of land is dedicated to the new development project. If an applicant has purchased the property outright and has clear title in hand and plans to construct or develop on it, the appraised value of the property as match to the grant request may be used. Examples include

- Unused government and tribal buildings,
- Buildings originally intended for another purpose,
- Surplus land,
- Government and tribal property, and
- Land trust.

The match may also be in the form of property ownership equity at the specific grant project site. Property equity match value is determined by a recent certified appraisal value (within 6 months of application), minus the outstanding loan amount (bank loan information documents required). The equation to calculate equity for match is:

certified appraisal value – outstanding loan amount = equity value

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Sunk costs directly related to the development project, with documentation of paid invoices for professional services related to pre-development of the specific grant application, may also be approved as match on a case-by-case basis by the State.

All match amounts must be well documented and notarized and will be thoroughly reviewed by the State. Property valuations may or may not be approved by the State. Therefore, cash is the preferred form of match.

Services, Behavioral Health Subaccount funding, and State general funds will not be allowed as match. All match sources will be reviewed by the State prior to the awarding of funds.

3.5. BUDGET DEVELOPMENT

Applicants are required to submit a budget (see application attachment Form 2: Budget Template) with their Round 4: Children and Youth applications. All budgets must contain requested amounts for each phase of funding. If an applicant has a current Negotiated Indirect Cost Rate Agreement (NICRA) established with a federal cognizant agency responsible for reviewing, negotiating, and approving cost allocation plans or indirect cost proposals, then the applicant may use its current NICRA as the basis for indirect costs. Alternatively, if the applicant does not have a NICRA, the applicant may elect to use a rate of 10 percent of the modified total direct costs pursuant to 2 CFR 200.414(f).

3.6. ACCESSIBILITY AND NON-DISCRIMINATION

All developments shall adhere to the accessibility requirements set forth in California Building Code Chapters 11A and 11B and the Americans with Disabilities Act, Title II. In addition, developments shall adhere to either the Uniform Federal Accessibility Standards (UFAS), 24 CFR Part 8, or the U.S. Department of Housing and Urban Development's (HUD) modified version of the 2010 ADA Standards for Accessible Design (Alternative 2010 ADAS), HUD-2014-0042-0001, 79 FR 29671 (5/27/14) (commonly referred to as "the Alternative Standards" or "HUD Deeming Memo"). Accessible units shall, to the maximum extent feasible and subject to reasonable health and safety requirements, be distributed throughout the project and be available in a sufficient range of sizes and amenities consistent with 24 CFR Part 8.26.

Grantees shall adopt a written nondiscrimination policy requiring that no person shall, on the grounds of race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, marital status, national origin, ancestry, familial status, source of income, disability, age, medical condition, genetic information, citizenship, primary language, immigration status (except where explicitly prohibited by federal law), justice system involvement (except where explicitly required by law), or arbitrary characteristics, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any project or activity funded in whole or in part with funds made available pursuant to this RFA. Nor shall all other classes of individuals protected from discrimination under federal or state fair housing laws, individuals perceived to be a member of any of the preceding classes, or any individual or person associated with any of the preceding

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

classes be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any project or activity funded in whole or in part with funds made available pursuant to this RFA.

Grantees shall comply with the requirements of the Americans with Disabilities Act of 1990, the Fair Housing Amendments Act, the California Fair Employment and Housing Act, the Unruh Civil Rights Act, Government Code Section 11135, Section 504 of the Rehabilitation Act of 1973, and all regulations promulgated pursuant to those statutes, including 24 CFR Part 100, 24 CFR Part 8, and 28 CFR Part 35.

3.7. STATE AND FEDERAL PREVAILING WAGE

A project funded by a BHCIP grant is a "public works" project if the applicant intends to use the BHCIP funds for the "[c]onstruction, alteration, demolition, installation, or repair" of a building or structure (Cal. Lab. Code Section 1720(a); Cal. Lab. Code Section 1750(b)(1)). Applicants using BHCIP grants to fund public works are subject to California's prevailing wage and working hours laws (Division 2, Part 7, Chapter 1 of the California Labor Code) and the applicant's project is subject to compliance monitoring and enforcement by the Department of Industrial Relations (Cal. Lab. Code Section 1771.4(a)(1)).

Applicants must complete Form 5: Applicant's Certification of Prevailing Wage as a part of the application process. If DHCS selects an applicant to receive a BHCIP grant and the applicant is using the grant to fund a public works project, then the applicant shall submit a Certification of Compliance that includes an attestation from the contractor certifying that the contractor will comply with California's prevailing wage and working hours laws (including posting job notices, as required by Labor Code Section 1771(a)(2)). The Certification of Compliance shall also state that the contractor will maintain its labor records in compliance with all applicable state laws (Cal. Lab. Code Section 1776) and shall make all labor records available to the Department of Industrial Relations and any other applicable enforcement agencies upon request (Cal. Lab. Code Section 1771.4(a)(3)). The Certification of Compliance shall be signed by the general contractor(s) and the applicant.

If DHCS selects an applicant to receive a BHCIP grant and the applicant is not using the grant to fund a public work, then the applicant shall submit a Certification of Inapplicability to DHCS explaining why the project is not a public work as defined by California Labor Code Section 1720. The Certification of Inapplicability shall be signed by the general contractor(s) and the applicant.

3.8. EXEMPTIONS

In accordance with California Welfare and Institutions Code sections 5960.3 and 18997.97(l), projects funded by a BHCIP grant are

1. Deemed to be consistent with and in conformity with any applicable local plan,

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

standard, or requirement;
2. Deemed to be allowed as a permitted use within the zone in which the structure is located; and
3. Not subject to a conditional use permit, discretionary permit, or any other discretionary reviews or approvals.

3.9. CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA) EXEMPTION

CEQA shall not apply to a project funded by BHCIP if that project meets the requirements outlined in California Welfare and Institutions Code Section 5960.3(b). Applicants shall determine if they meet the requirements outlined in Section 5960.3(b) to qualify for the exemption from CEQA. And, in accordance with Section 5960.3(c), if an applicant determines that it qualifies for the exemption from CEQA, then the applicant shall file a Notice of Exemption with the Office of Planning and Research and the clerk of the county in which the project is located in the manner specified in subdivisions (b) and (c) of Section 21152 of the Public Resources Code, and the applicant shall provide DHCS with a copy of the filed Notice of Exemption. If the applicant determines that CEQA applies to its project, the applicant shall provide DHCS with copies of all appropriate documentation demonstrating the project's compliance with CEQA once the applicant has received project approval.

DHCS is not responsible for determining if applicants meet the CEQA exemption requirements set forth in Section 5960.3(b). Furthermore, DHCS is not responsible for filing a Section 5960.3(c) Notice of Exemption on behalf of an applicant.

3.10 LOW-RENT HOUSING PROJECT EXEMPTION

In accordance with California Welfare and Institutions Code sections 5960.35(b)(1) and 18999.98, a project funded with a BHCIP grant shall not be considered a "low-rent housing project," as defined in Section 1 of Article XXXIV of the California Constitution, if the project meets any one of the following criteria:

1. The project is privately owned housing, receiving no ad valorem property tax exemption, other than exemptions granted pursuant to subdivision (f) or (g) of Section 214 of the Revenue and Taxation Code, not fully reimbursed to all taxing entities, and not more than 49 percent of the dwellings, apartments, or other living accommodations of the project may be occupied by persons of low income;
2. The project is privately owned housing, is not exempt from ad valorem taxation by reason of any public ownership, and is not financed with direct long-term financing from a public body;
3. The project is intended for owner-occupancy, which may include a limited-equity housing cooperative as defined in Section 50076.5 of the Health and Safety Code, or cooperative or condominium ownership, rather than for rental-occupancy;
4. The project consists of newly constructed, privately owned, one-to-four-family dwellings not located on adjoining sites;
5. The project consists of existing dwelling units leased by the state public body from the

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

private owner of these dwelling units;

6. The project consists of the rehabilitation, reconstruction, improvement or addition to, or replacement of, dwelling units of a previously existing low-rent housing project, or a project previously or currently occupied by lower-income households, as defined in Section 50079.5 of the Health and Safety Code; or
7. The project consists of the acquisition, rehabilitation, reconstruction, improvement, or any combination thereof, of a project which, prior to the date of the transaction to acquire, rehabilitate, reconstruct, improve, or any combination thereof, was subject to a contract for federal or state public body assistance for the purpose of providing affordable housing for low-income households and maintains, or enters into, a contract for federal or state public body assistance for the purpose of providing affordable housing for low-income households.

If a project funded with a BHCIP grant is a "low-income housing project" as defined by Section 1 of Article XXXIV of the California Constitution but does not meet any of the criteria listed above, then the applicant shall comply with the requirements set forth in that section of the California Constitution.

PART FOUR: AWARD SCORING AND PROCESS

4.1. APPLICATION SCORING CRITERIA

BHCIP is a competitive application process and DHCS will only fund projects from applicants that are in good standing with all local, county, state, and federal laws and requirements. Funding decisions will be based on a variety of factors, including the phase of development at the time of application, the extent to which the project expands behavioral health services for the target population exclusively, and the degree to which the project addresses gaps in services for the population. Applicants who are in later phases of development (see Section 3.2) at the time of application will be scored higher.

At a minimum, applicants must provide a full and complete application and meet the following criteria to be considered for award:

- Demonstrate expansion of services for children and youth ages 25 and younger and pregnant/postpartum women and their children;
- Demonstrate match;
- Request a pre-application consultation by the deadline of August 10, 2022;
- Attest that the project will meet federal, state, and local laws;
- Demonstrate the capacity to complete project development and expend funds on time and on budget;
- Align with the State Priorities described in Section 1.1, above;
- Align with needs and gaps described in the statewide assessment, *Assessing the Continuum of Care for Behavioral Health Services in California*;
- Budget reasonable proposed costs for the facility type and scope of rehabilitation or renovations proposed;
- Demonstrate long-term sustainability for the proposed project; and

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

- Propose an increase in the number of persons to be served by the expansion.

4.2. AWARD PROCESS

Successful applicants will receive a conditional award email with a Standard Agreement Contract from AHP, the BHCIP administrative entity. The agreement must be signed, returned, and fully executed with AHP before initial funding will be awarded. Depending on the applications received, their project locations, allowable expenditures, amounts of funds requested, and funding available, DHCS may choose to fund only part of an application. In that case, DHCS would reach out to the potential awardee to determine their interest in receiving a smaller amount than originally requested.

Funds awarded pursuant to the project must be used to supplement, and not supplant, other funding available from existing local, state, or federal programs or from grants with similar purposes. Funding may not be used for "reimbursement." Only those costs that can be associated with completing the project would be eligible costs as noted in Section 3.2.

Applications that are not funded during Round 4: Children and Youth may be considered for future funding rounds, subject to the requirements and priorities of those rounds. TA will be available to help applicants explore future BHCIP funding rounds, as well as other potential sources of funds to support the proposed projects.

4.3. APPEALS

California law does not provide a protest or appeal process against award decisions made through an informal selection method. Applicants submitting a response to this RFA may not protest or appeal the award. All award decisions made by DHCS shall be final.

Part Five: Project Operations

5.1. PROJECT OVERSIGHT AND REPORTING

As specified by DHCS and upon request, grantees shall provide progress reports in connection with the approved timeline, statement of work (SOW), and budget and any updates to the timeline for completion of the project. The progress reports should include the project's completion milestones and any updates or substantial changes. Grantees shall promptly notify DHCS of any changes in grantee organization, authorization, or capacity. This information will be outlined in the Standard Agreement.

Grantees are required to meet state financial and administrative reporting requirements and submit data through an online grantee portal. Reporting requirements will include quarterly reports and a final report. The annual report will be due no later than January 31 for the prior calendar year of

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

January 1 to December 31. Funding will be contingent upon provision of timely submission of data and reporting.
These requirements will be fully detailed upon award.

In addition to the foregoing, each grantee shall submit to DHCS periodic reports, updates, and information as deemed necessary by DHCS to monitor compliance and/or perform project evaluation. Any requested data or information shall be submitted in electronic format in a format provided by DHCS.

Additional reporting requirements may be required by DHCS for up to 30 years after completion of project construction.

5.2. DISBURSEMENT OF GRANT FUNDS

The Standard Agreement Contract will set forth the general conditions for disbursement. Once the Standard Agreement between the grantee and AHP is fully executed, grantees can authorize work to begin on their project. Disbursement of funds will follow a standard 30-day draw period and 45-day payment cycle for work completed. The grantee will submit to the draw authority invoices for work completed over the previous 30 days. The draw authority will review the draw request, approve the invoices for work completed, and issue approval for disbursement of funds to the grantee. The grantee will then be responsible for paying invoices in a timely manner, and within 45 days of initial submission of invoices to the draw authority. Subsequent funding for construction will be released following site inspections and once draw requests for work completed and invoices have been submitted for the previous 30-day period.

AHP will closely monitor progress on construction and will track and review all schedules, change orders, and contingency expenses. Grantees will be responsible for submitting invoices, revised budgets, and schedules to AHP for approval. Grantees must ensure that expenses are allowable under the contract and will be expected to provide sufficient backup documentation. Grantees are responsible for ensuring that their project is on schedule and on budget and will be responsible for cost overruns. Additional details regarding the funding and disbursement process will be provided upon award.

Part Six: Attachments

Applicants must include all of the following attachments with the application.

Form 1: Application Questions

Description: Application questions and related documents for Round 4: Children and Youth

- Letter(s) of support
- Any preliminary site plans, design drawings, or construction drawings for the proposed project— these may include schematic designs, architectural drawings, construction blueprints, and/or other renderings (please limit each file size to less than 20 MB)

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

- Resumes of the development team that developed the design/construction plans
- A copy of all executed contracts for hire related to your project's development team (lawyer, construction manager, development manager, architect, consultants, contractor, etc.)
- A certified appraisal and a bank loan document, if identifying a real property contribution for match
- A valid Rough Order of Magnitude (ROM) cost estimate, if no construction plan is yet in place
- If applicable, Form 8: Schematic Design Checklist

Form 2: Budget Template
Description: Pre-formatted template for all costs related to the project, including match

Form 3: Development Team Information
Description: Information on development team, including contact information and previous experience

Form 4: Design, Acquisition, and Construction Milestone Schedule
Description: Schedule for achieving design, acquisition, and construction milestones

Form 5: Applicant's Certification of Prevailing Wage (inclusion in estimated budget)
Description: Certification with an attestation from the contractor that the contractor will comply with California's prevailing wage and working hours laws

Form 6: Applicant's Certification of Funding Terms
Description: Certification that the applicant will receive, expend, and administer all funds received under this initiative pursuant to the terms outlined

Form 7: Community and Youth Engagement Tracking
Description: Table to list community and youth engagement activities

Form 8: Schematic Design Checklist

Description: Checklist of start and completion dates for schematic design drawings, including architectural and engineering technical information

Attachment A: Pre-Application Consultation Process
Description: Outline of the pre-application consultation process, including a link to the required survey

Attachment B: Glossary of Terms
Description: Glossary of terms for Round 4: Children and Youth

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

THIS LETTER SENT VIA EMAIL

Evelyn Zuroske
Project Contact
County of Santa Barbara Department of Behavioral Wellness
315 Camino del Remedio
Santa Barbara, California 93110

RE: BEHAVIORAL HEALTH CONTINUUM INFRASTRUCTURE PROGRAM (BHCIP)
ROUND 4: CHILDREN AND YOUTH – CONDITIONAL AWARD

Dear Ms. Zuroske:

Thank you for the submission of your BHCIP Round 4: Children and Youth application for grant funding to the Department of Health Care Services (DHCS). DHCS received a total of 149 applications requesting nearly $1.45 billion in funding, which far exceeded the total amount of funding available for the BHCIP Round 4: Children and Youth grant. DHCS is pleased to announce that County of Santa Barbara Department of Behavioral Wellness has been conditionally selected to receive $5,939,453 in BHCIP funding for the Haley Youth and Family Services.

A mandatory informational webinar to discuss next steps will be held on December 14, 2022, from 10:30 to 11:30 a.m. Pacific Time. Topics will include developing the statement of work and beginning the contracting process. Please register here. The project lead and all development team members are encouraged to attend. A link to the recording will be sent to all awardees after the webinar.

Please note that the information in your application will serve as the basis of the project data, scope of work, and payment schedule to be included in your contract with Advocates for Human Potential, Inc. (AHP), the BHCIP administrative entity. AHP will be in contact with you for any required follow-up or clarification.

As specified in the request for application, awardees will be responsible for any cost overruns and will not have an additional opportunity to request an increase in the project

Behavioral Health

budget. If, for any reason, you are no longer interested in receiving BHCIP Round 4: Children and Youth grant funding or would like to rescind your grant application, please contact DHCS immediately at BHCIP@dhcs.ca.gov.

DHCS is excited to embark on this endeavor with you to expand infrastructure capacity in California's continuum of behavioral health services available for children and youth ages 25 and younger, including pregnant/postpartum women and their children. We are doing lasting work that will benefit some of our state's most vulnerable individuals. If you have any questions, please contact DHCS/AHP at round4@ahpnet.com.

Sincerely,

DocuSigned by:

ATTACHMENT L
Facility Access Agreement
Behavioral Health Continuum Infrastructure Program (BHCIP)
Round 4: Children and Youth

1. STATEMENT OF INTENT

The purpose of this Facility Access Agreement ("**Agreement**") is to provide the Department of Health Care Services, a public agency of the State of California ("**DHCS**") with access to a property and facility owned and operated by the **County of Santa Barbara, a political subdivision of the State of California, acting through its Department of Behavioral Wellness** ("**Sponsor**"), which received an award of grant funding through the Behavioral Health Continuum Infrastructure Program ("**BHCIP**"). The Sponsor further agrees to provide information and documents to DHCS as outlined in this Agreement to enable DHCS to confirm the Sponsor's compliance with BHCIP grant requirements and restrictions and applicable federal regulations. The Sponsor enters into this Agreement as a condition of receipt of BHCIP grant funds and will comply with this Agreement for the term specified herein below.

2. BACKGROUND

DHCS oversees the BHCIP pursuant to Welfare and Institutions Code sections 5960-5960.45. DHCS established the BHCIP Round 4 Children and Youth grants to award competitive grants to qualified entities to construct, acquire, and rehabilitate real estate assets to expand the community continuum of behavioral health treatment resources in settings that serve children and youth, ages twenty-five (25) and younger, including, pregnant and postpartum women and their children; transition-age youth, ages eighteen (18) to twenty-five (25); and their families.

DHCS awarded the Sponsor a BHCIP Round 4 Children and Youth grant to acquire, expand, or construct certain improvements (the "**Sponsor's Project**") on that certain real property commonly known as 315 W. Haley St., located in the City of Santa Barbara, County of Santa Barbara, State of California, and the improvements thereon (the "**Property**"); and, to operate the specific type of behavioral health facility (the "**Facility**") identified in Sponsor's grant application on the Property following the completion of the Sponsor's Project.

As part of DHCS's grant award to the Sponsor, the Sponsor entered into a contract with Advocates for Human Potential, a Massachusetts corporation ("**AHP**"), who is acting as DHCS's program administrator to administer Round 4 Children and Youth grants, to undertake Sponsor's Project.

This Agreement between DHCS and Sponsor provides additional obligations the Sponsor has to DHCS as a condition of receiving all funds under Sponsor's contract with AHP and in order to comply with the requirements of the statutes governing BHCIP.

3. APPLICABILITY OF BHCIP STATUTES

The statutes governing BHCIP are to be repealed by their own terms on January 1, 2027 (see Welfare and Institutions Code §5960.45.) It is the intent of the parties that Sponsor, and any

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Facility Access Agreement
Behavioral Health Continuum Infrastructure Program (BHCIP)
Round 4: Children and Youth

subsequent owners of the Property, continue to be bound by the requirements of the BHCIP statutes and this Agreement for a minimum of thirty (30) years from the date the Sponsor contracts with AHP, notwithstanding the repeal of the BHCIP statutes. The BHCIP statutes, as written on the date of this Agreement, are hereby incorporated by reference into this Agreement.

4. SPONSOR OBLIGATIONS TO DHCS

For a minimum of thirty (30) years, the Sponsor shall:

A. Ensure that the Facility operates in compliance with the requirements set forth in Welfare and Institutions Code sections 5960-5960.45 and Section 8.A of this Agreement;
B. Comply with the change of Facility use requirements contained in Section 8.B. of this Agreement, if applicable;
C. Maintain all books, accounting records, client records, and documents in accordance with the requirements set forth in Section 8.C. of this Agreement;
D. Provide DHCS access to the Property, the Facility, books, accounting records, client records, and documents in accordance with the requirements set forth in Section 8.D. of this Agreement;
E. Provide DHCS with reports in the manner and frequency set forth in Cal. Welfare and Institutions Code sections 5960-5960.45 and Section 8.E. of this Agreement; and
F. Require, as a condition of sale, that any subsequent owners of the Property comply with the terms of this Agreement, if the Sponsor transfers ownership of Facility at any time during the thirty (30) years.

5. SERVICE LOCATION

The services shall be performed at the Property.

6. SERVICE HOURS

The services shall be provided during normal Sponsor working hours and days.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Facility Access Agreement
Behavioral Health Continuum Infrastructure Program (BHCIP)

7. PROJECT REPRESENTATIVES

A. The project representatives during the term of this Agreement will be:

Department of Health Care Services' Designated Representative:	**Sponsor's Designated Representative:**
Holly Clifton, Section Chief Community Services Division / Behavioral Health Continuum Infrastructure Program Section Tel: (916) 345-7468 Email: holly.clifton@dhcs.ca.gov	Evelyn Zuroske, Housing and Grants Management Tel: +1 (805) 865-0592 (c) Email: ezuroske@sbcbwell.org

B. Direct all inquiries to:

Department of Health Care Services:	**County of Santa Barbara, a political subdivision of the State of California, acting through its Department of Behavioral Wellness**
State of California Attention: Behavioral Health Expansion Branch, Community Services Division 1501 Capitol Avenue, MS 2633 Sacramento, CA 95814 Tel: (916) 345-7468 Email: holly.clifton@dhcs.ca.gov	Attention: Evelyn Zuroske 315 Camino del Remedio Santa Barbara, CA 93110 Tel: +1 (805) 865-0592 (c) Email: ezuroske@sbcbwell.org

C. Either party may make changes to the information above by giving written notice to the other party. Said changes shall not require an amendment to this Agreement.

8. SERVICES TO BE PERFORMED

A. Operation of the Facility:

For a minimum of thirty (30) years, the Sponsor shall comply with the following requirements:

1. Operate the Facility in accordance with all applicable requirements in Cal. Welfare and Institutions Code sections 5960-5960.45;
2. Operate the Facility as the type of behavioral health services facility identified in the Sponsor's DHCS approved BHCIP grant application, and to serve the

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Facility Access Agreement
Behavioral Health Continuum Infrastructure Program (BHCIP)
Round 4: Children and Youth

populations identified in Sponsor's DHCS approved BHCIP grant application unless otherwise approved by DHCS in the manner described in Section 4.B below; and

3. Accept Medi-Cal beneficiaries.

B. Change in Facility Use

For a minimum of thirty (30) years, the Sponsor shall not take either of the following actions without DHCS approval: (1) change the type of behavioral health facility that it operates on the Property to something other than what was approved in the Sponsor's BHCIP grant application; or (2) change or expand the populations to be served by the facility.

Prior to making such a change, the Sponsor shall submit a written request to DHCS.

The Sponsor's written request shall:

1. Identify the desired type of behavioral health facility;
2. Identify the populations to be served by the facility;
3. Explain the need for the proposed change;
4. Identify any licenses, certifications, building modifications, staff, or any other requirement that the Sponsor must obtain before being able to make the proposed change; and

DHCS has absolute discretion to permit or deny the request and may require the Sponsor to provide additional information to evaluate the Sponsor's request.

C. Record Retention

1. The Sponsor shall maintain books, accounting records, client records, and other documents, in a manner sufficient to properly reflect all direct and indirect costs of operating the Property during the term of this Agreement, including any matching costs and expenses. The foregoing constitutes "records" for the purpose of this provision.
2. The Sponsor's records and the Property's and Facility's records shall be subject at all reasonable times to inspection, audit, and reproduction by authorized representatives of the State of California, including DHCS or its authorized representatives.
3. The Sponsor agrees that departments authorized to represent the State of California (including DHCS, the Department of Finance or its authorized representatives, the Bureau of State Audits, or their designated representatives) and authorized representatives of the United States (including the Comptroller General) shall have the right to review and to copy any records and supporting documentation pertaining to the performance of this Agreement. The Sponsor agrees to allow these state representatives access to such records during normal business hours and to allow interviews of any employees who might reasonably have information related to such records. Further, the Sponsor agrees to include a similar right of the State to audit records and interview staff in

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Facility Access Agreement
Behavioral Health Continuum Infrastructure Program (BHCIP)
Round 4: Children and Youth

any subcontract related to performance of this Agreement. (Cal. Gov. Code § 8546.7, 2 CCR §1896.77.)

4. The Sponsor shall preserve and make available its records (1) for a period of three years from the expiration of this Agreement, and (2) for such longer period, if any, as is required by applicable statute, by any other provision of this Agreement. If any litigation, claim, negotiation, audit, or other action involving the records has been started before the expiration of the three-year period, the records shall be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular three-year period, whichever is later.

5. The Sponsor may, at its discretion, following the expiration of this Agreement, reduce its accounts, books and records related to this Agreement to microfilm, computer disk, CD ROM, DVD, or other data storage medium. Upon request by DHCS or an authorized DHCS representative to inspect, audit or obtain copies of said records, the Sponsor shall supply or make available applicable devices, hardware, and/or software necessary to view, copy and/or print said records. Applicable devices may include, but are not limited to, microfilm readers and microfilm printers, etc.

D. DHCS Monitoring

DHCS, or its authorized representatives, has the right at all reasonable times to inspect the Property and the Facility. If DHCS exercises this right to inspect, the Sponsor shall provide access to the Property and the Facility and shall provide reasonable assistance for the safety and convenience of the DHCS or its authorized representatives in the performance of their duties. All inspections and evaluations shall be performed in such a manner as will not unduly delay the work.

E. Proof of Insurance

Beginning five (5) years after Sponsor enters into the contract with AHP, the Sponsor shall provide DHCS with proof of insurance for the Property annually or whenever there is a change in coverage. DHCS shall accept evidence of self-insurance, in the amounts and types, sufficient to provide adequate coverage, subject to DHCS approval, in its sole discretion.

F. Assignment of this Agreement Following the Transfer of Ownership of the Facility

If at any time during the thirty (30) year period of this Agreement, the Sponsor sells, gifts, or otherwise transfers ownership of the Property, in whole or in part, the Sponsor shall ensure that, as a condition of the ownership transfer, the subsequent owner of the Property complies with the terms of this Agreement.

Prior to finalizing any transfer of ownership of the Property, the Sponsor shall request that DHCS formally amend this Agreement to assign the Sponsor's obligations under this Agreement to the subsequent owner of the Property.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Facility Access Agreement
Behavioral Health Continuum Infrastructure Program (BHCIP)
Round 4: Children and Youth

This Agreement is not assignable by the Sponsor, either in whole or in part, without the consent of DHCS.

G. Remedies

If the Sponsor violates the terms of this contract, DHCS or another department authorized to represent the State of California, may impose a corrective action plan and/or take any of the following enforcement actions:

1. Direct AHP to temporarily withhold any grant payments pending correction of the deficiency.
2. Disallow all or part of the cost of the activity or action not in compliance.
3. Direct AHP to wholly or partly suspend or terminate the grant award.
4. Withhold or deny further BHCIP awards to the Sponsor.
5. Require the Sponsor to forfeit and return all or part of the grant funds, including any interest, and/or
6. Require the Sponsor to forfeit and return all unused grant funds, including any interest.

DHCS (or another department authorized to represent the State of California) may specify the timeframes and deadlines for the Sponsor's compliance with the above remedies. All remedies required by DHCS shall be final and are not subject to administrative review.

DHCS (or another department authorized to represent the State of California) may take any other permissible remedies available in law and equity to enforce the terms of this Agreement.

9. AMERICANS WITH DISABILITIES ACT

Contractor agrees to ensure that deliverables developed and produced, pursuant, to this Agreement shall comply with the accessibility requirements of sections 7405 and 11135 of the California Government Code, Section 508 of the Rehabilitation Act of 1973 as amended (29 U.S.C. § 794d), regulations implementing the Rehabilitation Act of 1973 as set forth in Part 1194 of Title 36 of the Code of Federal Regulations, and the Americans with Disabilities Act of 1990 (42 U.S.C. § 12101 *et seq.*). In 1998, Congress amended the Rehabilitation Act of 1973 to require Federal agencies to make their electronic and information technology (EIT) accessible to people with disabilities. California Government Code sections 7405 and 11135 codifies Section 508 of the Rehabilitation Act of 1973 requiring accessibility of EIT.

10. AGREEMENT EXECUTION

This Facility Access Agreement shall be signed by the California Department of Health Care Services and by a representative of Sponsor, who by signing warrants that they have the requisite

1.0 INTRODUCTION

The County of Santa Barbara ("County") General Services Department is soliciting qualifications and proposals ("Proposals") from qualified entities ("Proposers") to provide a feasibility study ("Feasibility Study") and design services for the installation of a hydraulic elevator ("Elevator") or a wheelchair lift ("Lift"), as well as for the design of interior and exterior spaces to meet accessibility requirements and needed systems upgrades at the County of Santa Barbara Behavior Wellness Building located at 315 West Haley Street, Santa Barbara, CA 93101 ("Building"). Such design services shall include reviewing the existing Building conditions, preparing the Feasibility Study, a complete design, and construction oversight, as specified in greater detail below (collectively, the "Services" or the "Project").

The selected Proposer ("Consultant") will provide the Services through construction. The County urges all interested proposers to carefully review the requirements of this Request for Qualifications and Proposals ("RFQ/P"). Written Proposals containing the requested information will serve as the primary basis for the County's selection of Proposers to participate in the interview portion of the final selection process. All Proposals will be reviewed by the Selection Committee. The County reserves the right to select a Proposer based on the Proposals submitted in response to this RFQ/P and/or to conduct interviews, in the County's discretion.

It is vital to Project success That the selected Proposer will work closely with the County of Santa Barbara General Services Department and Behavioral Wellness Department on the Project, who will provide current and future programming information that will guide the Project design and implementation. The County intends to award a single design contract ("Contract") for the Services.

2.0 BACKGROUND

The Santa Barbara County Behavioral Wellness Department recently acquired the Building through grant funding for the acquisition and renovation of structures to increase behavioral health treatment capacity. The County intends to use the building to provide outpatient mental health and substance abuse services to children, youth, and families.

The Building is a two-story 8,560 square-foot building on a 10,890 square-foot lot. The County is party to a lease agreement with the City of Santa Barbara for an access and parking easement on the adjacent property located at 319 West Haley Street.

The installation of an elevator/lift in the Building shall provide access to the second floor in compliance with accessibility requirements.

3.0 PROJECT GOAL

The overall goal of this Project is to provide an accessible behavioral health treatment facility that serves the community's youth and families.

This Project is being funded by Behavioral Health Continuum Infrastructure Program ("BHCIP") Round 4 Grant Funding from the California Department of Health Care Services ("DHCS"), and must at all times remain in compliance with BHCIP requirements.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

4.0 SCOPE OF WORK

The Consultant shall:

- Establish an overall Project schedule and work plan acceptable to the County to achieve completion of the Feasibility Study for the installation of the Elevator/Lift in the Building, as well as design of exterior and interior Building spaces to meet accessibility requirements and other Building systems as necessary;
- Provide construction administration support to meet Project goal dates;
- Review available Project documentation;
- Meet County goals, objectives, and expectations;
- Finalize a schedule, acceptable to the County, of program meetings and Building site visits to be held with Building users and stakeholders;
- Review existing Building conditions, conduct all necessary observations and measurements, and decide on and conduct all necessary testing and/or data recording; and
- Review existing Building drawings and potential elevator/lift locations.

Phase 1 – Project Initiation and Feasibility Study: The first phase of the Services will be to identify potential location options for the installation of the Elevator/Lift.

The Services will include the following tasks:

1. Review County-provided drawings and environmental reports. Review existing Building conditions, including exterior, interior and roof, conduct all necessary observations and measurements, and data recording.
2. A minimum of (2) site visits shall be allotted for this phase of the Project. Consultant shall conduct joint meetings with the County of Santa Barbara's General Services and Behavioral Wellness staff to determine all Project requirements and specifications of the current services. These sessions should also be used to verify all required dimensions and spatial calculations used for base plans when assembling the final construction bid documents.
3. Identify all applicable laws, regulations, and BHCIP guidelines and requirements, including, but not limited to, the Americans with Disabilities Act ("ADA"), the California Environmental Quality Act ("CEQA"), and building, mechanical, and fire life & safety codes (collectively, "Applicable Laws"), clarify specific improvements required to comport with all Applicable Laws, including with respect to path of travel from the adjacent roadway and property to the entrances of the Building, and present all such requirements in the final Project programming document.
4. The County of Santa Barbara has an established Net Zero Energy ("NZE") policy that requires all facilities that undergo significant renovation to be assessed for inclusion of energy efficiencies as part of the project scope. The Consultant shall provide an analysis of NZE policy compliance with respect to the completion and confirmed concept of design.
5. Prepare and present proposed installation type and location options with Rough Order of Magnitude ("ROM") cost estimates for each option to County staff.
6. Coordination of CEQA and further entitlement work.
7. Preparation of deliverables to support the proposed options.
8. Establish a preliminary Project schedule and work plan acceptable to the County for both the construction of the Elevator/Lift and all other Project components. This should include all CEQA and National Environmental Policy Act ("NEPA") requirements, as applicable, all applicable permitting agencies including, but not limited to the City of Santa Barbara ("City"), County, State, City Council, County Board of Supervisors approvals.
9. Assembly and submittal of a ROM cost estimate at the conclusion of the Feasibility Study, is required. Please note this process can be achieved through the utilization of a third-party cost-estimating firm. All cost estimates shall follow Construction Specifications Institute ("CSI") division and subsection formatting.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

At the conclusion of the Feasibility Study, the Consultant shall prepare and deliver to Project stakeholders a written report setting forth the results of the Feasibility Study. County selection and approval of design alternatives presented in Feasibility Study shall be required before proceeding to Phase 2.

Phase 2 – Complete Design and Construction Documents: At the conclusion of Phase 2, the Consultant shall deliver to the County a complete and bid-ready set of 100% Construction Documents (plans and specifications and all other Construction Documents specified below. All designs shall comply with ADA design standards and ADA Accessibility Guidelines.

"Construction Documents" include:

1. **Architecture:** Plans, sections, elevations, and other details, as necessary, sufficient to support the new Elevator/Lift and all other interior and exterior Building Project component designs, including patch back, repair, architectural flashing, etc.
2. **Structural:** Plans and all other necessary details sufficient to support the new Elevator/Lift. Load verification is required for any loading changes (positive or negative) on the existing structure.
3. **Mechanical, Electrical, Plumbing, Fire Sprinklers, and Fire Alarm:** Complete plans and details sufficient to define and describe the Project in full. Plans shall be coordinated across disciplines as required for a fully functional system. A complete plan set will address all issues and may include: floor plans, detailed floor plans, roof plans, equipment schedules, controls, sequence of operations, redundancy of systems, mounting (wall, pad, roof, etc.), bracing (regular and/or seismic as required), noise and vibration isolation, and tie-in to existing infrastructure and utilities.
4. **Civil / Site Design:** Plans and necessary details sufficient to tie into the Elevator/Lift design. The Consultant shall ensure ADA compliance, drainage, utilities, traffic, acoustical, site balance and access needs and requirements are addressed in such plans and details, as necessary.
5. **Surveying:** Provide topographic and boundary survey of Building property to adequately support Project design needs.
6. **Landscape:** Landscape design should not be required as part of the Project unless is the County later determines that modifications or restoration work will be needed to existing landscape areas.
7. **Net Zero Energy Design:** The construction drawings shall incorporate all design features required to achieve NZE.
8. **Entitlement:** Ensure that all utility entitlements are included and any modifications needed, including expanding utility service(s), upgrading the system or modifying connections, to the existing utility services must be incorporated in the design.
9. **Specifications:** The preparation of Project specifications to augment the plan set for the Project is required. The Consultant shall prepare technical specifications sufficient to describe the products and requirements of the Project including, but not limited to: basis of design items, identification of acceptable materials and products, coordination requirements, common work results, identification, start-up, test and balance, commissioning, etc. The County utilizes the CSI formatting for all technical specifications; thus, the Consultant will utilize this format within the Construction Documents.
10. **Signage:** Signage that is compliant with all Applicable Laws must be included as part of this deliverable.
11. **Project Schedule:** Develop a detailed Project schedule and submit an independent final cost estimate for to the County for review and approval.
12. **Cost Estimates and Value Engineering:** Cost estimates in CSI format are required at 50%, 95% and 100% deliverables, as well as upon completion of the final bid set. The Consultant shall anticipate that value engineering will be undertaken at each of the Project milestones and may be required upon receipt of the final cost estimate, based on available budget. The County will continue to share budgetary information with the Consultant throughout the design process and will be an active partner in the value engineering process.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

13. **Permitting:** This process will require the Consultant to complete all required permitting forms and respond to all permitting inquiries and requests for clarifications. The Consultant shall respond in a timely manner, with a turnaround of a maximum of seven (7) working days, unless approved by the County's General Services, Capital Division Project Manager.

The Construction Documents package assembled shall be 100% and ready for bid by the County.

Phase 3 - Construction Support and Administration

Consultant shall provide construction administration and support services, which may include, but are not limited to, the following:

Bid Phase:

1. Consultant shall be responsible for timely review and reply to all pre-bid Requests for Information ("RFIs") and all pre-bid product substitution requests to meet County response deadlines. Consultant shall provide to County all required addenda drawings, clarifications, design changes, and design team-required responses for issuance in formal bid addenda.
2. Upon the closing of bidding on the construction of the Project, Consultant shall prepare the final incorporation of all addenda into a conformed set (both plans and specifications) for construction and issuance to the winning bidder.
3. In the event the actual construction bids exceed the 100% design estimate by more than 10%, and the County elects - for any reason whatsoever - not to move forward with award of a construction contract based on the bid results, the Consultant shall provide re-design services at no additional cost to the County to bring the Project back to the 100% Design Budget. Re-design modifications shall be coordinated with and approved by the County prior to plan and specification revisions. The timeline for such revisions shall be three (3) weeks from the date of notification from the County.

Course of Construction:

1. Consultant/Engineer shall be responsible for timely review and responses to RFIs, submittals, and contractor potential change order requests.
2. Architect shall prepare Potential Cost Request for issuance to the construction contractor ("Contractor") for County-initiated changes.
3. Consultant/Engineer shall coordinate with all sub-consultants and issue all additional instructions, bulletins, or other clarification documents as required, to the extent authorized in the Contract.
4. Consultant/Engineer shall perform site visits (3 per month) during construction and prepare site visit reports. Any sub-consultant site visits shall be in sufficient quantity to observe the work in enough detail to sign off on the final installations.
5. Consultant/Engineer shall make special site visits to review unforeseen site conditions as needed to support the construction. These visits do not account towards the three (3) monthly site visits.
6. Consultant/Engineer shall be responsible for coordinating sub-consultant site visits with the County and Contractor, coordinating the punch list development – including sub-consultants - issuance, and sign-off.
7. Architect/Engineer shall review and confirm Contractor's Schedule Of Values and pay requests.
8. Consultant/Engineer will coordinate with Contractor for all required County and utility inspections and approvals.
9. Consultant's/Engineer's attendance at weekly Project meetings, special coordination meetings, and pre-construction meetings is required. Coordination of all sub-consultant responses/communications, and coordination with the County on cost impact clarifications shall be the responsibility of the Consultant.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Project Completion:

1. Consultant/Engineer shall be responsible for preparing record drawings, Project documents and operation and maintenance manuals, field administration, on-site inspections, and completion inspections.

Contractor assembly and submittal of a cost estimate at the conclusion of Phase 3 is required. All estimates shall follow CSI Division and subsection formatting.

Other Project Scope Requirements and Expectations:

1. For all submittals to the County, the Consultant shall, at no additional cost to the County, correct errors, omissions, and unworkable and/or improper design or drafting whether discovered during or after the completion of the review process. Electronic format files will be required for all submittal phases.
2. All deliverables shall be prepared in accordance with the latest County, State and Federal requirements. All deliverables will be in English units. At the conclusion of the Project, electronic transmittal of AutoCAD Civil LT 2023 files for all plan sheets will be required. Reports and specification submittals shall be in Microsoft Word format and cost estimate and quantity calculations shall be in Excel. The County shall be the owner of all work and deliverables produced in connection with this Project and Consultant shall provide the same to the County at the County's request.
3. Coordinate with and inform the County Project Manager in writing regarding all requested or needed Project schedule, design, budget or staffing changes.

5.0 OTHER PROJECT CONSULTANTS

The County may contract with separate consultants as necessary for related work. It is expected that the Consultant will coordinate with the County regarding any related work.

6.0 FEES AND TENTATIVE CONSTRUCTION BUDGET OUTLINE

The Consultant will be required to submit billings monthly, in accordance with the Contract.

Travel time required by the Consultant to reach the designated meeting place or County staff office shall be included in all quoted fees and shall not be billed separately. There shall be no reimbursable expenses in connection with this Project unless approved in writing, in advance, by the County for additional services.

Section 11 (Item 8) outlines the cost proposal requirements for this phase of the project. All cost proposals shall be submitted in a separate sealed envelope clearly marked with the Proposer's name, and the name of the Project, and identified as "Sealed Cost Proposal." All cost proposals shall breakdown the project consistent with the scope of work presented herein and should include all costs associated with the project. All costs shall be not to exceed.

7.0 ANTICIPATED CONSULTANT SELECTION SCHEDULE

The following represents the tentative schedule for this RFQ/P. All dates are subject to change.

RFQ/P Issuance and Evaluation	**June 23, 2025**
RFQ/P Inquiries Deadline	**July 7, 2025**

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Statement of Qualifications and Proposal Submission Deadline by 3:00 PM	**July 24, 2025**
Proposal Evaluations	**July 25 – August 1, 2025**
Interview Sessions (if required)	**August 8, 2025**
Contract Award by Board of Supervisors	**September 9, 2025**
Notice to Proceed to Consultant	**September 12, 2025**

8.0 PRE-PROPOSAL CONFERENCE / VENDOR REGISTRATION

No Pre-Proposal Conference will be held for this RFQ/P.

All Proposers submitting a Proposal must first register with the County Procurement Division prior to submittal. Proof of Department of Industrial Relations ("DIR") registration will be required as part of each Proposal.

9.0 REGISTERING WITH PUBLIC PURCHASE

Entities wishing to submit a proposal in response to this RFQ/P must first register on the County of Santa Barbara Public Purchase website at www.publicpurchase.com, Vendor Registration. Successful registration will allow Proposers to receive email updates to the bid process and the ability to upload their final Proposal package to the site. Entities who want to submit a Proposal are encouraged to register as soon as possible, as it can take 24 to 48 hours for a new account to become active.

To register, follow the steps below:

Step 1) Register as a Supplier with Public Purchase: If you are already registered with Public Purchase, please skip this step and proceed directly to step two below. Once registered you will receive an activation email from notices@publicpurchase.com advising that your account is activated (Note: be sure to add this email address to your contacts to avoid bid notifications being sent to your junk folder rather than your inbox). It can take 24 to 48 hours for your account to become active.

Step 2) Registering as a Supplier with the County: Once you have received your activation email from Public Purchase, log into Santa Barbara County Public Purchase homepage and accept the terms and conditions of use. You will need to register with Santa Barbara County and select the National Institute of Government Procurement ("NIGP") Commodity Codes that relate to your business in order to receive email notifications of future bid opportunities.

It is important to complete Step 2 of the registration process (register with Santa Barbara County) or you will not receive notifications of upcoming bid or proposal opportunities. It is your responsibility to keep your information updated in Public Purchase, particularly your contact information and email address(es).

10.0 PROPOSAL QUESTIONS, CLARIFICATIONS, AND/OR REVISIONS

This RFQ/P establishes the general specifications for the professional Services needed and provides prospective proposers with sufficient information to enable them to provide an acceptable Proposal.

Questions or requests for clarification of this RFQ/P must be submitted in writing through the County's Public Purchase system at www.publicpurchase.com. Questions must be submitted by the RFQ/P inquiries deadline in Section 7.0. The County will publish answers to the questions in an addendum to the RFQ/P on the date listed in the timeline provided. Instructions for Submitting Questions:

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Step 1) Click on the title of the bid.

Step 2) On the right of the bid page, click on "View/Ask Questions" to open a new page that lists all previous questions and answers.

Step 3) Click "Ask a Question" and enter your question here.

Proposers should not contact Santa Barbara County officials, staff or evaluation panel members directly regarding any aspect of this RFQ/P. If such contact is made, the County reserves the right to reject such Proposer's Proposal.

In the event that it becomes necessary to revise any part of this RFQ/P, written addenda will be issued. Any amendment to this RFQ/P is valid only if in writing and issued by the County's General Services Department on the Public Purchase website. Verbal conversations or agreements with any officer, agent, or employee of County regarding purported modification of any provisions of this RFQ/P are invalid.

It is the Proposer's sole responsibility to monitor their email inbox for possible addenda to this RFQ/P. Failure of a Proposer to retrieve addenda shall not relieve such Proposer of the requirements contained therein. Additionally, failure of Proposer to return a signed addendum, when required, may be cause for rejection of their Proposal.

11.0 INSTRUCTIONS FOR PROPOSERS

Each Proposal submitted in response to this RFQ/P shall include the information described in this section. Failure to include all of the elements specified may be cause for rejection. Additional information may be provided but should be succinct and relevant to the goals of this RFQ/P. Excessive information will not be considered favorably.

General: The instructions below provide guidance for the preparation and submission of Proposals. Their purpose is to establish the requirements, format, and content of proposals so, that proposals are complete, contain all essential information, and can be evaluated fairly.

Submission and Content of Proposals: All proposals must be received by the proposal submission deadline as identified in section 7.0 and submitted via Public Purchase.

Proposals shall be formatted so they can be printed in 81/2" x 11" format and drawings may be submitted on 11" x 17" format. Emailed proposals will not be accepted. All written documentation shall be in 11- or 12-point font.

All proposals will be valid for consideration by the County for one hundred eighty (180) days.

Each Proposals shall contain the following elements, **in the order presented below**. Proposals shall be divided into tabbed sections and should not exceed (25) twenty pages.

1. Transmittal/Cover Letter (two pages, if necessary) with the following information:
   - Title of this RFQ/P
   - Name and Mailing Address of Proposer (include physical location if mailing address is a P.O. Box)
   - Year the Proposer's business entity was established and first registered with the California Secretary of State to do business in California.
   - Type of organization of Proposer (partnership, corporation, LLC etc.)

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

- Proposer's organizational structure, its constituent parts, and size variation of staff in the past five (5) years
- Name of Proposer contact person including title, address, email, and telephone. This individual should be available by telephone or email to provide the location of Proposer's office that will be responsible for this project.
- A statement by Proposer requesting protection of proprietary information if necessary. All proposals will be considered public information. Subsequent to the award of the Contract, all or part of any Proposal may be released as a public record to any person m who may request it. A Proposer may request in their Cover Letter that a specified portion of their Proposal be treated as proprietary and not released as public information, provided that such Proposer specifies the reason that such information qualifies as an exception to the California Public Records Act, substantiated with legal citations; provided further that the County may nevertheless reject such request and release all information included in any Proposal as a public record.
- Addenda Acknowledgement

2. Signatory Requirements (one page): In order to be considered by the County, the Cover Letter must be signed by duly authorized representative(s) of the Proposer empowered to such Proposer . **Further, the signing and submission of a Proposal shall indicate the agreement of such Proposer to adhere to the provisions of this RFQ/P and a commitment to enter into a binding Contract** as follows:
   - If the Proposer is a **partnership**, the submittal shall be signed in the firm name by a partner or the Attorney-In-Fact. If signed by the Attorney-In-Fact, there shall be attached to the proposal a Power-Of-Attorney evidencing authority to sign proposals, dated the same date as the proposal and executed by all partners of the firm.
   - If the Proposer is a **corporation**, the submittal shall be in the full legal name of the corporation, as registered with the California Secretary of State to do business in California, by BOTH of the following officers of the corporation, with the full legal name and title of the office held by the person signing on behalf of the corporation:
     - (a) the chairperson of the board, the president, or any vice president, and
     - (b) the secretary, any assistant secretary, the chief financial officer, or any assistant treasurer of such corporation.
   - If the Proposer is an **individual** doing business under a fictitious business name on file with the County of Santa Barbara, the submittal shall be signed in the name of the legal name of the individual.
   - If the Proposer is a **Limited Liability Company,** the proposal shall be signed in the full legal name of the Limited Liability Company, as registered with the California Secretary of State to do business in California, by the Limited Liability Company's manager(s), if manager-managed, or a majority of its members, if member-managed.

3. Proposer Qualifications (five pages): A synopsis of each proposed team member's qualifications and experience with public or government projects of similar type and size as described in this RFQ/P, including length of service with the Proposer and resume. Include an organizational chart of the proposed staff to be assigned to this project. For each sub-consultants to be used in providing the Services, provide the full legal name of such sub-consultant as registered with the California Secretary of State to do business in California, area of expertise, the names of individual staff assigned to this project, and their role on the team.

4. Proposer Experience (five pages): A narrative of the firm's qualifying background and experience with public or government projects of similar type and size as described in this RFQ/P. Individual project descriptions, including scope, project budget, and schedule are encouraged.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

5. Proposed Work Plan, Time Schedule, and Workload (three pages): Provide a work plan description addressing all scope of work tasks along with a proposed timeline schedule reflecting each task and its deliverables and identifying appropriate progress checkpoints along with draft or interim deliverables. Also provide a narrative of Proposer staffing size, current Proposer workload, and with consideration of the Proposer's current projects, confirm the Proposer's ability to perform the scope of work as described herein.

6. References for Past Performance (two pages): Provide a list of past Proposer performance and service. Include three (3) references for whom the Proposer has developed a comparable project. Include project name, contact person, title, address, telephone number, email address as well as the contact person's role in the project and which of the Proposer's staff participated and their roles. For each reference listed, submit a brief summary of the scope of the services provided.

7. Deliverables (one page): Describe Proposer's ability to provide deliverables in the required formats:
   - CADD drawings in AutoCAD (version).
   - Word documents in Microsoft Word.
   - Spreadsheets in Microsoft Excel.
   - Schedules in Microsoft Project.
   - Databases as necessary for compiling, storing, and accessing the Project records in a commonly available format.
   - Bluebeam and BIM

8. Cost Proposal (cost proposal not counted to page count limit): Provide a total cost proposal (in not-to-exceed amounts) for all Services, including a breakdown of costs itemized for each Task as defined in the Scope of Work. This cost proposal shall encompass the complete proposed Project costs for meetings and project expenses for reproduction, postage, mileage, travel time, and all related miscellaneous expenses. Also provide an hourly rate schedule for all assigned team members, including hourly rates for participation in public meetings.

   The Cost Proposal shall be submitted as separate attachment, clearly marked with the name of Proposer, and the name of this Project, and identified as "Sealed Cost Proposal". The Cost Proposals shall be submitted via Public Purchase and must be received by the County before the Proposal submission deadline.

9. Required Statements (one page per statement): Include statements of assurance regarding the following requirements:
   - Non-substitution for the designated members of the proposed staff members and sub-consultants without prior approval by the County.
   - Non-conflict of interest.
   - Non-collusion affidavit.
   - Statement listing of litigation and/or claims related to past projects for the past ten(10) years.
   - Ability to fulfill the indemnification and insurance requirements contained in the Form of Agreement. Please note that actual certificates of insurance are not required as part of your submittal.
   - Insurance certificates (as required in the attached Form of Agreement).
   - Proof of DIR Registration and County Vendor Registration.

Retention of Proposal: All Proposals will become the property of the County. Proposals will not be returned to the Proposer.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

12.0 EVALUATION PROCESS

Proposals will be evaluated by a County selection committee and the Proposers submitting the most highly rated Proposals may be invited for interviews. The following evaluation criteria and rating schedule will be used to determine the Proposer that provides the best value to the County. The County may consider other criteria it deems relevant.

	Evaluation Criteria	**Maximum Possible Points**
A.	Completeness of Summary of Qualifications (SOQs) Submission- SOQs should describe comprehensive services and should respond to each of the items outlined in this RFQ/P.	20
B.	Personnel Experience and Qualification- Evaluation of the list of personnel specifically assigned to the proposed project, including their qualifications, overall experience, and recent experience on projects of similar nature and complexity to the proposed project.	20
C.	Depth and Quality of Respondent's Performance- Qualifying background and relevant experience of firm and sub-consultants on projects of similar nature and complexity as the proposed project; evaluation of client references (whether included in the proposal or not); overall responsiveness to County's solicitation.	20
D.	Technical/Management Approach- Evaluation of Respondent's strategy towards completion of the project (work plan, time schedule, etc.)	15
E.	Availability- Evaluation of the workload of Respondent and the staffing to be assigned to the proposed project; time scheduled of the Respondent in relation to that of the proposed project location of the offices or facilities from which the services are to be provided to County.	15
F.	Ability to integrate sustainable approaches.	10
	TOTAL POSSIBLE POINTS	100

13.0. SELECTION PROCEDURE

County staff will open Proposals following the submittal deadline. The only information that will be made available to the public at that time will be the names of the Proposers submitting Proposals. The contents

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

of all Proposals, or any other medium which discloses any aspect of the Proposal, shall be held in strictest confidence until the County releases a Notice of Intent to Award. Proposals will be reviewed for responsiveness. A selection committee will then evaluate proposals per the above criteria. The Proposer(s) submitting the highest-rated Proposal(s) may be invited for an interview. Interviews will be conducted solely in the County's discretion. The County reserves the right to select the most qualified Proposer solely based on the content of such Proposer's Proposal. If the County chooses to conduct interviews, the Proposer's proposed Project Manager shall represent the Proposer at the interview. After the evaluation of the interviews, the Selection Committee will recommend a Contract with the Proposer with the highest overall value, based on the evaluation score and interview, for approval by the Board of Supervisors.

The County expects to enter into Contract negotiations with the top-ranked Proposer, during which time the County and such Proposer will resolve any necessary issues that need to be addressed prior to entering into the Contract. Upon successful completion of such negotiations and discussions, the County and the selected Proposer shall enter into the Contract. If, in the sole judgment of the County, such negotiations are not successful, the County reserves the right to enter into negotiations with other Proposers, proceeding in the order of their ranking.

The County reserves the right to select a Proposer without further discussion of such Proposer's Proposal. Therefore, each Proposal should be submitted initially on the most favorable terms that the Proposer may propose.

The County reserves the right to award a Contract to the Proposer who, in the sole judgment of the County, presents the most favorable response to this RFQ/P pursuant to the evaluation criteria indicated above.

The County reserves the right to reject any or all Proposals, to waive minor irregularities in Proposals, or to negotiate minor deviations with the selected Proposer.

In the case of differences between written words and figures in a Proposal, the amount stated in written words shall govern. In the case of a difference in unit price versus the extended figure, the unit price shall govern. The County shall be the sole judge of the materiality of any such defect or irregularity.

Failure to comply with any of the requirements contained herein may result in disqualification. It is the responsibility of each Proposer to read ALL provisions of this RFQ/P prior to submitting a Proposal.

14.0. ASSURANCE OF DESIGNATED PROJECT TEAM

The Consultant shall ensure that only the staff, including sub-consultants, specified in such Consultant's Proposal are used to perform the Services described in this RFQ/P. Departure or reassignment of, or substitution for, any member of the proposed project team or sub-consultant(s) shall not be made without the prior written approval by the County in each instance.

15.0. GENERAL TERMS AND CONDITIONS

Standard Contract: Upon completion of the evaluation and recommendation for award, the selected Consultant will be required to execute, as the Consultant, a Contract in the form of the Form of Agreement attached hereto as Attachment A ("Form of Agreement"). Proposers are advised to carefully review the attached Form of Agreement. In entering into the Contract, no changes, modifications, exceptions, or alterations to the Form of Agreement shall be considered by the County unless specified in a Proposal in

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

the form of redline requested edits to the Form of Agreement; provided, however, that the County may nevertheless reject all such requested changes, modifications, exceptions, and alterations.

Independent Contractor: At all times the Consultant shall represent Consultant to be an independent contractor offering such services to the general public and shall not represent Consultant, or any of Consultant's employees, to be an employee of the County. Therefore, the Consultant shall assume all legal and financial responsibility for taxes, FICA, employee fringe benefits, workers' compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to indemnify, save, and hold County its officers, agents, and employees, harmless from and against, any and all loss, cost (including attorney fees), and damage of any kind related to such matters.

Non-Appropriation: The County may terminate any resulting Contract at any time without further liability other than payment of debt incurred during prior to the effective date of such termination, should sufficient funds not be appropriated for the remainder of the Contract.

Non-Collusion: Each Proposer must represent and warrant that its Proposal is made without any previous understanding, agreement or connection with any person, firm, or corporation or other entity submitting a separate Proposal for the same Project, and is in all respects fair, without outside control, collusion, fraud or otherwise illegal action. This condition shall not apply to Proposals that are submitted by Proposers who have partnered with others to submit a cooperative Proposal that clearly identifies a primary Proposer (to enter into the Contract as "Consultant") and the associated Proposer (who would provide services under the Contract as a sub-consultant).

Indemnification and Insurance Requirements: The County's standard indemnification and insurance requirements are provided as an exhibit to the Form of Agreement, shall be included in the Contract, and are non-negotiable (see Exhibit D to Attachment A).

16.0. REJECTION OF PROPOSALS

Prospective Proposers interested in being considered must submit a Proposal in compliance with this RFQ/P. **Failure to comply with any of the requirements contained herein may result in disqualification. It is the responsibility of each Proposer to read ALL provisions of this RFQ/P prior to submitting a response.** The County reserves the right to reject any or all Proposals, to waive minor irregularities in said proposals, or to negotiate minor deviations with the successful firm.

The County may reject a Proposal if it is conditional, incomplete, contains irregularities, or reflects inordinately high-cost rates. The County may waive immaterial and/or minor deviations and/or irregularities in a Proposal. The County shall be the sole judge of the materiality of any such defect, deviation, and/or irregularity. Waiver of an immaterial/minor deviation shall in no way modify the RFQ/P documents or excuse the Proposer from full compliance with the Contract requirements.

17.0. VALID OFFER

Proposals shall remain valid as an offer for consideration by the County for one hundred eighty (180) days after the Proposal submission deadline specified herein. The County reserves the right to negotiate with the successful Proposer any additional terms or conditions not contained in their Proposal which are in the best interest of the County or to otherwise revise the scope of this RFQ/P.

This RFQ/P does not constitute a contract or an offer of employment. The cost of preparation of Proposals shall be the sole obligation of the Proposers. All Proposals, whether accepted or rejected, shall become the

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

property of the County and will not be returned. Unnecessarily elaborate responses, enclosures, and specialized binding are not recommended.

18.0. COUNTY'S RIGHTS

The County reserves the right to:

1. Request clarification of any submitted information.
2. Waive any irregularity or immaterial deviation in any Proposal.
3. Not enter into any Contract.
4. Not select any Proposer.
5. Cancel this process at any time.
6. Amend this process at any time.
7. To award more than one Contract if it is in the best interest of the County.
8. Interview Proposers prior to award.
9. To request additional information during an interview.

Waiver of an immaterial deviation shall in no way modify the RFQ/P documents or excuse the Proposer or Contractor from full compliance with the Contract if such Proposer is awarded the Contract.

19.0. CONTRACT AWARD

The County intends to award the Contract to the Proposer whose Proposal best meets the needs of the County. The County reserves the right to reject any or all Proposals, and to solicit additional proposals if deemed in the best interest of the County to do so. The decision of the County Board of Supervisors shall be final in making such determinations.

The successful Proposer will receive Notice of Intent to Award, along with instructions for finalizing the Contract documents.

Response and selection of a Proposal will not necessarily result in a Contract with the County of Santa Barbara. Proposal opening does not constitute the awarding of a Contract. Contract award is by action of the Santa Barbara County Board of Supervisors and no Contract shall be effective until approved and executed by the Board of Supervisors.

20.0. CONFLICT OF INTEREST

Prospective Proposers must warrant and covenant that no official or employee of the County, or any business entity in which an official of the County has an interest, has been employed or retained to solicit or aid in the procuring of the Contract, and that no such person will be employed in the performance of such Contract without prior divulgence of such fact to the County and the County's express written wavier in writing of such conflict of interest. Each Proposal must contain a statement to the effect that the Proposer is not currently committed to another project that would constitute a conflicting interest with the Project defined in this RFQ/P.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

21.0. PUBLIC RECORDS REQUEST

All Proposals and materials submitted shall become the property of the County and will not be returned. All responses, including the accepted Proposal and any subsequent Contract, become public records per the requirements of the California Government Code, Sections 6250 - 6270, the "California Public Records Act". Pricing and service elements of a Proposal are not considered proprietary information. Proposers who identify all or part of their Proposals as confidential or proprietary without adequate justification substantiated by legal citations may be rejected.

The County will treat all information submitted in Proposals as available for public inspection once the County has selected a Consultant. If you believe that you have a legally justifiable basis under the California Public Records Act (Government Section 6250 et. seq.) for protecting the confidentiality of any information contained within your Proposal, you must identify all such information, together with the legal basis of such claim, in your Proposal, and present such information separately as part of your Proposal.

The final determination as to whether the County will accept your claim of confidentiality shall be in the sole discretion of the County. If the County makes a determination that your information does not meet the criteria for confidentiality as a clear legal exception to disclosure under the California Public Records Act you will be notified as such. All information included in a Proposal and deemed by the County in its sole discretion to be non-confidential shall be considered a public record.

Upon receipt of a request for disclosure pursuant to the California Public Records Act for information that in your Proposal that is clearly designed by you as proprietary, the County will notify you of the request for disclosure. You shall have the sole responsibility for the defense of your proprietary designation of such information. Failure to respond to the notice and enter into an agreement with the County providing for the defense of and complete indemnification and reimbursement for all costs incurred by the County in any legal action to compel the disclosure of such information shall constitute a complete waiver of any rights regarding the information designated proprietary. The County may nevertheless disclose any and all information included in a Proposal pursuant to the California Public Records Act.

22.0. BUSINESS LICENSE REQUIREMENT

It is unlawful for any person to furnish supplies or services, or transact any kind of business in the unincorporated territory of Santa Barbara County without possessing a County business license unless exempt under County Code Sec. 22-73. Contact the Tax Collector's Office at 105 East Anapamu St, Santa Barbara, 93101, or phone (805) 568-2920, for further information.

It is not a requirement to possess a County business license at the time of proposal submittal. Successful Proposers shall be required to possess a County business license to award contract

Disadvantaged Business Enterprise (DBE) Policy
It is the policy of Federally Funded Projects that minority and women-owned business enterprises (hereby referred to as DBEs) as defined in 49 CFR Part 26 shall have the maximum opportunity to participate in the performance of contracts financed in whole or in part with federal funds.

DBE Obligation
The recipient or its subcontractor agrees to ensure that DBEs have the maximum opportunity to participate in the performance of contracts and subcontracts financed in whole or in part with federal funds provided under this agreement. In this regard, all recipients or subcontractors shall take all necessary and reasonable steps in accordance with 49 CFR Part 26 to ensure that DBEs have the maximum opportunity to compete

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

for and perform contracts. Recipients and their subcontractors shall not discriminate on the basis of race, color, national origin, or sex in the award and performance of federally assisted contracts.

Title VI of the Civil Rights Act of 1964
The contractor agrees to comply with all the requirements imposed by Title VI of the Civil Rights Act of 1964 (49 USC 2000(d)).

Equal Employment Opportunity
In connection with the performance of the contract, the contractor shall not discriminate against any employee or applicant for employment because of race, color, age, creed, sex or national original. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

American With Disabilities Act (ADA) Provisions
To comply with the nondiscrimination requirements of the Americans with Disabilities Act (ADA), it is the policy of the County to make every effort to ensure that its programs, activities and services are available to all persons, including persons with disabilities. For persons with a disability needing a reasonable modification to participate in the procurement process, or for persons having questions regarding reasonable modifications of the procurement process, you may contact the County representative listed in this RFQ. In order to ensure the proposal is following federal ADA guidelines, Proposers should review the federal ADA guidelines.

Failure to comply with any of the requirements contained herein may result in disqualification. It is the responsibility of each Proposer to read ALL provisions of and attachments to this RFQ/P prior to submitting a Proposal.

PROFESSIONAL SERVICES AGREEMENT

FOR

PROFESSIONAL CONSULTANT SERVICES

This Professional Services Agreement ("Agreement") is entered into by and between THE COUNTY OF SANTA BARBARA ("Owner" or "County") and [_____], a [insert entity type (e.g., corporation) and state of formation] ("Consultant" or "Contractor" and, together with County, collectively, the "Parties" and each individually a "Party").

PART 1 - RECITALS

1.01 WHEREAS, this Professional Services Agreement ("PSA" or "Agreement") sets forth the terms and conditions pursuant to which Consultant, as a professional, will provide professional planning consulting services to Owner in connection with [insert description of the project] ("Project"); and

1.02 WHEREAS, Consultant was selected by means of the County's qualifications-based selection process, and represents itself as a professional having the requisite qualifications, licenses and agrees to perform the Services defined herein.

NOW, THEREFORE, Owner and Consultant agree as follows:

PART 2 - PROJECT AUTHORIZATION, TERM AND MAXIMUM COMPENSATION

2.01 Agreement For Services

A. This PSA sets forth the terms and conditions pursuant to which Consultant, as a professional, will provide services to the County as set forth herein ("Services").

2.02 Maximum Compensation

A. The sum of all payments made to Consultant pursuant to this PSA for the performance of the Services specified in the SOW and Attachment 1 shall not exceed [____] dollars ($_____) ("Base Contract Amount"). The sum of all payments made to Consultant for the performance of Supplemental Services performed pursuant to a duly executed Change Order in accordance with Part 10.03 below shall not exceed the Supplemental Services Amount set forth in Section 1.c of Exhibit C, attached hereto ("Supplemental Services Amount"). In no event shall the aggregate amount of all payments made by the County hereunder exceed the Maximum Compensation Limit specified in Section 1.d of Exhibit C, attached hereto ("Maximum Compensation Limit" or "MCL"). If Consultant performs services or incurs expenses beyond the Base Contract Amount before execution of a Change Order for Supplemental Services in accordance with Part 10.03, or in excess of the Maximum Compensation Limit, Consultant does so at Consultant's sole risk and expense.

2.03 Term

A. This PSA is effective as of first the date it is duly executed by both of the parties hereto, and shall remain in effect for a period of [__] months thereafter, unless earlier terminated in accordance with the provisions of this Agreement ("Term").

2.04 Scope

A. The services ("Services") and deliverables ("Deliverables") described in "Consultant's Scope of Work & Hourly Rates," attached hereto as Exhibit A and Attachment 1 and incorporated herein by reference (Exhibit A and Attachment 1, collectively, the "SOW"), establish the extent of the

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Services and Deliverables that may be authorized by the Owner's Project Manager ("OPM") hereunder.

PART 3 - OWNER'S RESPONSIBILITIES

3.01 Owner Provided Information

A. If required and where available, Owner may provide any of the following for Consultant's use in connection with the Services:

(i) Specialized studies of existing site conditions, including the presence of hazardous materials, soil, air, water, pollution, etc.

B. Consultant must make a written recommendation to the Owner regarding the completeness or sufficiency of any survey or specialized study provided to Consultant, or the need for any study or survey that the Consultant believes is required for the Project that is not included within Consultant's Services.

3.02 Approval & Permit Fees

A. Owner will pay all fees required by any jurisdiction having authority over the Project for filing and checking of any filing prepared by Consultant that is required for the performance of the Services, and such standard fees as are charged any governmental Agency for the issuance of approvals and permits by such governmental agency necessary for the performance of the Services.

PART 4 - PROJECT SCOPE OF WORK (SOW)

4.01 Changes in Scope

A. If Owner causes a change in the Service(s) or Deliverable(s) that Consultant believes to be material, Consultant must, within fourteen (14) calendar Days of the event that caused such change, notify Owner in writing that Consultant contends Owner has caused a material change in the Service(s) or Deliverable(s). If written notice is not given to Owner within such 14-day period, such change shall be deemed immaterial, and Consultant shall not be entitled to additional compensation for such change. If the Director of the County's General Services Department ("Director"), or his Assistant Director designee, concurs that there has been a material change in Service(s) or Deliverable(s) required by Owner hereunder, payment to Consultant may be adjusted pursuant to a Change Order for Supplemental Services duly executed by both of the parties hereto in accordance with Parts 10.01.A.3, and 10.03, below; provided, however, that Consultant shall not be entitled to any Supplemental Services Amount unless and until memorialized in a duly executed Change Order, and in no event shall the aggregate amount of payments to Consultant hereunder exceed the MCL.

B. If Consultant contends that there is a material increase in the Service(s) or Deliverable(s) required to complete the Services and requests additional compensation hereunder for the performance of such Supplemental Services, and such increase is not in any way attributable to any act or omission of, or on behalf of, Consultant or any Subconsultant, including, but not limited to, faulty or inaccurate calculations or estimations made by or on behalf of Consultant, and the Director, or his Assistant Director designee, concurs that there has been a material change in Service(s) or Deliverable(s) required by Owner hereunder, payment to Consultant hereunder may be adjusted pursuant to a Change Order for Supplemental Services duly executed by both of the parties hereto in accordance with Parts 10.01.A.3 and 10.03, below; provided, however, that Consultant shall not be entitled to any Supplemental Services Amount unless and until memorialized in a duly executed Change Order, and in no event shall the aggregate amount of payments to Consultant hereunder exceed the MCL. OPM may request, and Consultant, pursuant to such request, shall provide, assistance in re-allocating the remaining available funds available hereunder. Such assistance must, if requested by OPM,

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

also include a determination of any other Supplemental Services necessary to complete the Project.

C. If there is a material decrease in the Services or Deliverables required to complete the Services, Consultant If shall immediately notify OPM of such decrease, and agrees to accept a reasonable corresponding reduction in compensation hereunder.

PART 5 - CONSULTANT'S RESPONSIBILITIES, SERVICES, AND DELIVERABLES

5.01 Consultant as Independent Contractor

A. Consultant is performing all Services as an independent contractor, and not as an agent or employee of County.

5.02 No Assignment; Consultant's Use of Subconsultants

A. The expertise and experience of Consultant are material considerations for County's execution of this Agreement. Consultant shall not assign, delegate, or transfer, directly or indirectly, whether by operation of law or otherwise, this PSA or any of Consultant's rights or obligations hereunder, without the prior written consent of County in each instance, and any attempt to so assign, delegate, or transfer this Agreement, or any rights, duties or obligations arising hereunder, shall be void and of no effect. Notwithstanding the foregoing, Consultant may use the subconsultants set forth in Exhibit B, attached hereto and incorporated herein by reference ("Subconsultants"), in performing the Services under this Agreement. Consultant shall be responsible for directing the work of authorized Subconsultants, and for all compensation and benefits due to Subconsultants, if any. County assumes no responsibility whatsoever concerning such compensation or benefits. Consultant shall not engage any subconsultant(s) in the performance of Services, other than the Subconsultants identified in Exhibit B, without the prior written approval of the OPM in each instance.

5.03 Consultant's General Responsibilities

The following General Responsibilities shall apply to all Services under this Agreement.

A. Standard of Care

1. Consultant shall perform all Services in accordance with those standards of care that are generally recognized as being used by competent persons in Consultant's profession and area of specialty in the State of California.

2. At all times during the Term, Consultant shall ensure the performance of all Services in compliance with all applicable federal, state, and local codes, statutes, laws, regulations and ordinances ("Applicable Laws").

3. Consultant shall use its professional judgment and expertise to verify interpretations of Applicable Laws from the appropriate government agency(ies) and authorities having jurisdiction over the Project. Such efforts shall be undertaken in accordance with the Standard of Care.

B. Funding by Governmental Agencies

1. If the Project is to be constructed, wholly or in part, with funds from Federal, State, or other outside funding sources, Consultant shall comply with all requirements of all such Federal, State, and outside funding sources.

C. HCAI (formally known as OSHPD) Jurisdiction

1. If the Project is within the jurisdiction of the State of California, Department of Health Access and Information ("HCAI" formally known as OSHPD), Consultant's Deliverables and performance of Service must meet all HCAI requirements.

D. Sequence of Consultant's Services

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

1. Consultant's Services shall proceed sequentially as described in the SOW unless otherwise agreed or directed by the Owner via a duly executed Change Order.
2. The Milestone Schedule for completion of the Consultant's Services is set forth in the SOW.

E. Submittal of Deliverables

1. Each submittal of a Deliverable by Consultant to Owner hereunder shall include a declaration statement, signed by a duly authorized officer of Consultant, that Consultant coordinated the work of Consultant and its Subconsultants, that such Deliverable is accurate and complete, and that all of Owner's prior review comments have been incorporated therein.
2. Consultant shall furnish to Owner, in form and format suitable for reproduction, original reproducible files and other instruments of Service, and computer flash drives containing each submittal to County hereunder in the following electronic formats: Microsoft PC compatible operating system, AutoCAD 2004 or newer, Microsoft Office 2003 or newer.

F. Printing & Reproduction

1. Consultant shall pay for all printing and reproduction cost incurred in the performance of the Services.
2. Owner will print coordination check documents to be used by the Owner beyond the number of copies identified in the SOW at Owner's expense.
3. If applicable to this PSA, Owner will print Bid Documents for distribution to Bidders at Owner's expense.

G. Meetings

1. Required meetings are as specifically identified in the SOW.
2. Unless otherwise requested by the OPM, Consultant shall prepare agendas for and take minutes of all meetings conducted or attended by Consultant in connection with the performance of Services hereunder. This includes meetings that are chaired by the OPM.
3. The Consultant's compensation for attendance at and preparation of minutes for all such meetings is included in Base Contract Amount.

H. Consultant's Staff and Subconsultants

1. Consultant's staff and Subconsultants are identified in Exhibit B, and are subject to the requirements set forth therein.
2. Changes to Consultant's staff and Subconsultants are subject to Owner's prior written approval via a duly executed Change Order.

5.04 Basic Services & Deliverables: See Exhibit A

PART 6 - CONSULTANT'S SCHEDULE

6.01 Schedule

A. Consultant shall promptly perform all Services and Deliverables in accordance with the Project schedule approved by the County.

B. Consultant shall perform all Services and Deliverables within the time and Project schedule set forth in this Agreement. Time is of the essence in this Agreement.

C. Consultant shall provide and maintain Project staffing levels as necessary to perform the Services within the time provided in the Project schedule set forth in this Agreement.

PART 7 - INDEMNIFICATION & INSURANCE

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

7.01 Exhibit D Indemnification and Insurance Requirements

A. Consultant shall comply with all indemnification and insurance requirements set forth in Exhibit D, attached hereto and incorporated herein by reference.

PART 8 - REPRESENTATION BY COUNSEL

A. Both parties to this PSA were represented by counsel in the negotiation and execution of this PSA.

B. The parties hereto are aware of the provisions set forth in California Civil Code §1717 and intend this paragraph of the PSA to meet said statutory requirements so that the reference to attorneys' fees in Part 7, "Indemnification & Insurance" applies only in the indemnification context in Part 7, "Indemnification & Insurance."

PART 9 - HAZARDOUS MATERIALS

9.01 Responsibility for Hazardous Materials

A. Owner acknowledges that Consultant has no special knowledge or expertise regarding asbestos or other hazardous materials.

B. Unless otherwise provided in this PSA, or unless Owner has provided documented information to Consultant regarding the presence or potential presence of such hazardous materials Consultant and its Subconsultants have no responsibility for the discovery, presence, handling, removal or disposal of, or exposure of persons to, hazardous materials in any form at the Project site, including but not limited to asbestos, asbestos products, polychlorinated biphenyl (PCB) or any other toxic substance.

PART 10 - COMPENSATION & PAYMENT

10.01 Compensation

A. Payments will be made as set forth herein

1. Maximum Compensation Limit

    a. The Maximum Compensation Limit includes the maximum aggregate amount of compensation payable by the Owner to Consultant hereunder. Total payment by Owner to Consultant shall not exceed the Maximum Compensation Limit specified in Exhibit C, attached hereto and incorporated herein by reference. Consultant is fully responsible for the provision of all Services and Deliverables, compensation for which shall not exceed the MCL.

2. Consultant's Compensation Schedule

    a. Compensation payable to Consultant hereunder for Consultant's performance of the Services comprising [describe tasks/milestones] as set forth in the SOW shall be on a fixed fee basis upon completion of each such [Task/Milestone], and in the respective amounts for each such Task/Milestone]as set forth in the SOW.

    b. Consultant's Hourly Rate Schedule, applicable to Supplemental Services, is set forth in the SOW.

3. Changes

    a. During the Term of this PSA, the Owner may authorize changes to this PSA, other than by amending this PSA in accordance with Part 15.B., below, only in

accordance with Part 4.01, above, and Part 10.03, below, and only to the extent authorized by the Board of Supervisors in approving this PSA.

4. Prevailing Wages

   a. Certain Services to be performed under this contract may be considered "public works" subject to prevailing wage, apprenticeship and other labor requirements of Labor Code division 2, part 7, chapter 1, section 1720 et seq. Such public works may include work performed during the design and preconstruction phases of construction including, but not limited to, inspection and land surveying work. Consultant is solely responsible for determining whether the Services, or any portion thereof, is subject to said requirements, and for complying with all such requirements that apply. All such public works projects are subject to compliance monitoring by the California Department of Industrial Relations (DIR). County has obtained from the DIR general prevailing wage determinations for the locality in which the Work is to be performed that are on file with County's Public Works Agency and are available upon request. Consultant is responsible for posting job site notices as prescribed by regulation pursuant to Labor Code section 1771.4(a)(2). Consultant acknowledges that it is aware of state and federal prevailing wage and related requirements and shall comply with these requirements to the extent applicable to the Services, including, without limitation, Labor Code sections 1771 (payment of prevailing wage), 1771.1 (registration with DIR) and 1771.4 (submission of certified payrolls to Labor Commissioner) Consultant has included (and shall include) consideration for this obligation in calculating compensation and cost estimates under this PSA.

5. Errors and Omissions

   a. Consultant must correct all errors and omissions attributable to acts and/or omissions of and/or on behalf of Consultant and/or Subconsultants without cost to Owner.

   b. Owner has the right to pursue claims for any negligent errors and omissions of or on behalf of Consultant and/or Subconsultant(s).

10.02 Reimbursable Expenses

A. When travel is authorized as a reimbursable expense, Consultant agrees to comply with the Santa Barbara County and Federal travel policies and guidelines, where applicable, for all travel, lodging and meal reimbursements arising from the performance of this Agreement. Detailed travel policy requirements and limitations can be found in the Capital Projects Division.

B. All reimbursable expenses hereunder, including travel, mileage, copying, printing, plotting, And visualizations are included in the Base Contract Amount and shall not be invoiced more often than monthly.

10.03 Supplemental Services & Deliverables

A. To the extent that County has established a Supplemental Services Allowance ("SSA") for the performance of services not included within the Services and Deliverables, such SSA is set forth in Section 1.c of Exhibit C. Consultant shall only commence work other than as set forth in the SOW pursuant to a Change Order duly executed by the Director or his Assistant Director designee ("Change Order"), and only to the extent expressly authorized by the County Board of Supervisors in approving this PSA.

10.04 Payment

A. Payment Requests

   1. Owner will make payments within thirty (30) Days after the OPM's approval of the Consultant's correct Payment Request.

B. Invoices

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

1. Consultant may submit a Payment Request not more than once each month.

C. Progress Payments

1. Owner may, in its discretion, adjust any progress payment so that it corresponds with the percentage of completion as reasonably determined by Owner.

10.05 Release of All Claims

A. Prior to final payment hereunder, Consultant must execute and deliver to Owner a release of all claims arising from this Agreement, other than such claims, if any, as may be specifically excepted from the release for the reasons and in the amounts stated in the release.-

10.06 Timely Billings

A. Consultant agrees to bill Owner on a timely basis and not later than ninety (90) Days after:

1. Services are performed; or

2. Billings are otherwise due pursuant to the terms of the PSA.

B. Owner has no liability for payment of, and has sole discretion to pay or decline payment of, any billings submitted after the expiration of such ninety (90) Day period.

10.07 Consultant's Accounting Records

A. Accounting System & Records Retention

1. Consultant must maintain an accounting system in accordance with current standards of accounting and financial reporting for the purpose of supporting payments for Services authorized under this PSA. Consultant must retain such records for three (3) years after expiration or termination of this PSA, or until all claims, if any, have been disposed of, whichever period is longer.

B. Owner's Auditing Rights

1. Upon service of a written Notice to Consultant, Owner, and persons authorized by Owner, have the right at any reasonable time and place to examine, audit, and make copies of books, records, documents, accounting procedures and practices relating to the performance or administration of this PSA, or affecting any changes or modifications to this PSA.

C. Applicability to Subcontracts

1. Consultant must incorporate the above-stated accounting and audit requirements into all subcontracts, including, but not limited to, contracts with Subconsultants, exceeding Ten Thousand Dollars ($10,000) in value in connection with this PSA, including any modification(s) thereof.

PART 11 - TERM & TERMINATION

11.01 Owner's Rights

A. Termination for Convenience

1. The Director may, by written notice to Consultant, terminate all or part of this PSA at any time for Owner's convenience. Upon receipt of such notice, Consultant must immediately cease all work hereunder as specified in the notice.

2. If this PSA is so terminated, Consultant will be compensated as set forth below.

B. Termination for Breach

1. If Consultant violates any of the covenants or agreements of this PSA, or if Consultant fails to fulfill in a timely and proper manner its obligations pursuant to this PSA, and does not cure such failure or violation within thirty (30) days, or such shorter period as the Owner

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

may determine is necessary and appropriate, after receipt of written notice from the County's OPM specifying such failure or violation, whether subject to cure, and, if subject to cure, the time and manner of cure, Owner may terminate this PSA in accordance with Part 11.01.A.1, above.

2. Owner will provide Consultant with written notice as to the effective date of termination, and Consultant is not entitled to compensation for Services or expenses beyond the specified termination date.

3. If, after notice of termination for breach of this PSA, it is determined that Consultant did not breach this PSA, the termination will be deemed to have been made for Owner's convenience, and Consultant will receive payment due to Consultant for Services performed prior to such termination for convenience in accordance with Section 11.02, below.

C. Suspension for Convenience

1. OPM may, without cause, order Consultant in writing to suspend, delay, or interrupt the Services under this PSA in whole or in part for up to 90 days. COUNTY shall incur no liability for suspension under this provision, and such suspension(s) shall not constitute a breach of this Agreement.

D. The rights and remedies provided herein to Owner are cumulative and in addition to any other rights and remedies provided by law in this PSA.

11.02 Consultant's Compensation Upon Termination

A. In the event of Owner's termination of this PSA, Consultant will receive compensation as follows:

1. For fully Deliverables and Services performed and delivered by Consultant and accepted by County, and authorized Reimbursable Expenses pursuant to this PSA, compensation will be in the amount specified in the PSA for such Deliverables, Services, and authorized expenses.

2. For items of Service on which Owner has issued an Authorization to Proceed but which have not been fully completed and accepted, Consultant will be compensated for its Services accepted by Owner in an amount which bears the same ratio to the total fee otherwise payable for the performance of that Service as the Services performed bear to the total Services necessary for the full performance of that Service.

B. In no event will the total compensation paid for any item of Service exceed the value specified in this PSA for such item of Service.

11.03 Delivery of Documents

A. Upon any termination of this PSA, Consultant shall furnish Owner all documents and Instruments of Service prepared pursuant to this PSA, whether complete or incomplete. Consultant may retain a copy for its records if so provided by Owner in such notice of termination.

PART 12 - DISPUTE RESOLUTION

12.01 Consultant's Questions & Concerns

A. Questions regarding the terms, conditions and Services of this PSA will be decided by the County's Director of General Services, who will furnish the decisions to Consultant in writing within thirty (30) Days after receiving a written request from Consultant.

12.02 Dispute Resolution During Construction

A. Alternate Dispute Resolution (ADR)

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

1. Owner intends, but shall not be required, to use ADR techniques including Partnering and Mediation during Design.

B. Consultant and its Subconsultants shall participate in all ADR efforts as directed by Owner.

C. In the event that Owner elects to utilize such ADR, the cost of such Partnering training facilities and facilitator will be borne equally by the parties hereto.

12.03 Negotiations Before and During Mediation

A. Negotiations to resolve disputes before and during Mediation are initiated for settlement purposes only and are not binding unless otherwise agreed by Owner and Consultant.

12.04 Mediation

A. Voluntary Mediation

1. In the event a dispute or issue is not resolved by negotiation, Owner and Consultant agree to attempt to resolve the matter by Mediation.

2. Said Mediation is non-binding, and intended to provide an opportunity for the parties hereto to evaluate each other's cases and arrive at a mutually agreeable solution.

B. Initiation of Mediation

1. Any party hereto may initiate Mediation by notifying the other party hereto in writing.

C. Request for Mediation

1. A Request for Mediation must contain a brief statement of the nature of the dispute or claim, and the names, addresses, and phone numbers of all parties to the dispute or claim, and those who will represent them, if any, in the Mediation.

2. Within ten (10) days of a Party's receipt of a Request for Mediation, the Party in receipt of such Request for Mediation shall provide to the requesting Party a written response indicating whether the receiving Party is willing to participate in voluntary, non-binding mediation with respect to such dispute or claim.

D. Selection of Mediator

1. Within fourteen (14) days of a Party's written response to a Request for Mediation indicating that such Party is willing to participate in meditation with respect to the dispute or claim at issue, the Parties hereto will confer to select an appropriate mediator agreeable to all Parties.

2. If the Parties hereto cannot agree on a mediator, they may accept a mediator appointed by a recognized association such as the American Arbitration Association.

E. Qualifications of a Mediator:

1. Any mediator selected hereunder ("Mediator") must have expertise in the area of the dispute and be knowledgeable in the Mediation process.

2. No person shall serve as a Mediator in any dispute in which that person has any financial or personal interest in the result of the Mediation.

3. Before accepting an appointment, the prospective Mediator must disclose any circumstances likely to create a presumption of bias or prevent a prompt meeting with the parties. Upon receipt of such information, the Parties will confer and decide whether to select another Mediator.

F. Vacancies

1. If any Mediator becomes unwilling or unable to serve, another Mediator will be selected unless the Parties agree otherwise.

G. Representation

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

1. Any Party may be represented in the Mediation by person(s) of their choice who must have full authority to negotiate.
2. The names and addresses of such representative(s) must be communicated in writing to all Parties and to the Mediator.

H. Time and Place of Mediation

1. The Mediator will set the time of each Mediation session.
2. The Mediation will be held at a convenient location agreeable to the Mediator and the Parties, as determined by the Mediator.
3. All reasonable efforts will be made by the parties hereto and the Mediator to schedule the first session within sixty (60) Days after selection of the Mediator.

I. Identification of Matters in Dispute

1. Unless a longer period of time is required by the Mediator, at least ten (10) days before the first scheduled Mediation session, each Party must provide the Mediator a brief memorandum setting forth such Party's position with regard to the issues identified in the Request for Mediation, and any other pertinent issues that such Party believes need to be resolved. At the discretion of the Mediator, or otherwise agreed by the Parties, the Parties hereto may mutually exchange such memoranda.
2. At the first Mediation session, the Parties will be expected to produce all information reasonably required for the Mediator to understand the issue(s) presented. The Mediator may require each Party to supplement such information.

J. Authority of Mediator

1. The Mediator does not have authority to impose a settlement on the Parties, but will attempt to assist the parties hereto in reaching a satisfactory resolution of their dispute.
2. The Mediator is authorized to conduct joint and separate meetings with the Parties, and to make oral and written recommendations for settlement.
3. Whenever necessary, the Mediator may also obtain expert advice concerning technical aspects of the dispute, provided that the Parties agree in writing in advance to such outside expert advice, to assume the expenses of obtaining such expert advice, and whether the arrangements for obtaining such expert advice will be made by the Mediator or one or more of the Parties.
4. The Mediator is authorized to end the Mediation whenever, in the Mediator's judgment, further Mediation efforts would not contribute to a resolution of the dispute between the Parties.

K. Privacy

1. Mediation sessions are private.
2. The Parties and their representatives may attend Mediation sessions.
3. Other persons may attend Mediation sessions only with the prior written consent of each of the Parties , and with the consent of the Mediator.

L. Confidentiality

1. The Mediator will not divulge confidential information disclosed to a Mediator by the Parties or by witnesses in the course of the Mediation.
2. All records, reports, or other documents received by a Mediator while serving as Mediator, are confidential.
3. The Mediator must not be compelled to divulge such records or to testify in regard to the Mediation in any adversary proceeding or judicial forum.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

4. The Parties shall maintain the confidentiality of the Mediation and shall not rely on, or introduce as evidence in any arbitration, judicial or other proceedings:
    a. Views expressed or suggestions made by the other Party with respect to a possible settlement of the dispute;
    b. Statements made by the other Party in the course of the Mediation proceedings;
    c. Proposals made or views expressed by the Mediator;
    d. Whether the other Party had or had not indicted willingness to accept a proposal for settlement made by the Mediator.

M. No Stenographic Record

1. There shall be no stenographic record of the Mediation.

N. Termination of Mediation

1. The Mediation shall be terminated:
    a. By the execution of a Settlement Agreement by the Parties with respect to the issues subject to the Mediation;
    b. By a written declaration of the Mediator to the effect that further efforts at Mediation are no longer worthwhile; or
    c. By a written declaration of one or more of the Parties to the effect that the Mediation proceedings are terminated.

O. Exclusion of Liability

1. No Mediator shall be a necessary party in judicial proceedings related to the Mediation.

P. Interpretation and Application of These Mediation Provisions

1. The Mediator will interpret and apply these Mediation provisions insofar as they relate to the Mediator's duties and responsibility.

Q. Expenses

1. The expenses of witnesses for each Party must be paid by the Party producing such witnesses.
2. All other expenses of the Mediation, including required traveling and other expenses of the Mediator, and the expenses of any witness called by the Mediator, and the cost of any proofs or expert advice produced at the direct request of the Mediator, will be apportioned equally between the Parties, or as may otherwise be agreed by the Parties, provided, however, that a Party shall not be responsible for any such Mediation expense to which such Party did not consent in advance in writing.

12.05 Compensation for Participation in Mediation

A. Consultant is not entitled to compensation for time spent in or for negotiations or Mediation to resolve questions or disputes between Consultant and Owner arising out of this PSA.

PART 13 - MISCELLANEOUS PROVISIONS

13.01 Capitalization and Formatting

A. Terms capitalized in this PSA include those that are:

1. Specifically defined; or
2. Titles of Parts or paragraphs; or
3. Titles of reports or Deliverables; or
4. Titles of other documents.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

B. Unless otherwise indicated, highlighted, **emboldened**, *italicized*, or underlined text is not indented to imply special significance but serves merely as an aid to the reader to distinguish or quickly reference selected text.

C. Text shown with Strike Through font is meant to, and does, exclude such text from the PSA. It is shown as such merely for the convenience of the Owner.

D. The captions of the Parts and paragraphs are for convenience only and will not be deemed relevant in resolving any question of interpretation or construction of any such Part or paragraph.

13.02 Force Majeure

A. Neither party hereto shall be liable to the other Party hereto for damages or delay in performance caused by events beyond the control of such Party or such Party's employees, agents, affiliates, officers, directors, Subconsultants, or representatives, provided that (i) such events are not in any way attributable to any act or omission by or on behalf of such Party or any of such Party's employees, agents, affiliates, officers, directors, Subconsultants, or representatives, and (ii) the Party claiming such delay promptly provides written notice to the other Party specifying the cause and a good faith estimate of the duration of such delay("Force Majeure Notice"), and (iii) such Party cures such delay and resumes performance hereunder as soon as practicable under the circumstances. Except for those commitments identified in the Force Majeure Notice, the affected Party shall not be relieved of its responsibility to fully perform as to all other obligations of such Party under this Agreement. Notwithstanding the foregoing, if such Force Majeure event continues for a period of more than 90 days from the date of such Force Majeure Notice, the County shall be entitled, in its sole discretion, to immediately terminate this Agreement upon written notice to Consultant.

13.03 Waiver

A. In the event any provision of this PSA is held to be invalid and unenforceable by a court of competent jurisdiction, the remaining provisions shall be valid and binding on the Parties.

B. One or more waivers by either Party of any provision, term, condition or covenant shall not constitute a waiver of any subsequent breach.

13.04 Timely Approvals

A. Whenever the approval of Owner or Consultant is required pursuant to this PSA, such approval shall not be unreasonably withheld or delayed.

13.05 Ownership & Use of Deliverables and Instruments of Service

A. Owner shall be the owner of the following items in connection with this Agreement upon creation, whether or not completed: all data collected, all documents of any type whatsoever, all photos, designs, sound or audiovisual recordings, software code, inventions, technologies, and other materials, and any material necessary for the practical use of such items, from the time of collection and/or production whether or not performance under this Agreement is completed or terminated prior to completion. Consultant shall not release any of such items to any other person except after prior written approval of Owner.
Unless otherwise specified herein, Consultant hereby assigns to Owner all copyright, patent, and other intellectual property and proprietary rights to all data, documents, reports, photos, designs, sound or audiovisual recordings, software code, inventions, technologies, and other materials prepared or provided by Consultant pursuant to this PSA (collectively referred to as "Copyrightable Work and Inventions"). Owner shall have the unrestricted authority to copy, adapt, perform, display, publish, disclose, distribute, create derivative works from, and otherwise use in whole or in part, any Copyrightable Works and Inventions and all Deliverables provided to County hereunder. Consultant agrees to take such actions and execute and deliver such documents as may be needed to validate, protect and confirm the rights and assignments provided hereunder, including all licenses and permissions as may be necessary for County to use all Deliverables produced by Consultant hereunder. Consultant warrants that no Copyrightable Works and Inventions or any other item provided under this Agreement will

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

infringe upon any intellectual property or proprietary rights of any third party. Consultant at its own expense shall defend, indemnify, and hold harmless Owner against any claim that any Copyrightable Works and Inventions or other items provided by Consultant hereunder infringe upon intellectual or other proprietary rights of a third party, and Consultant shall pay all damages, costs, settlement amounts, and fees that may be incurred by Owner in connection with any such claims.

B. This Part 13.05 shall survive expiration or termination of this PSA.

C. Consultant is not entitled to any fees for Owner's use of any Deliverable or instrument of Service unless Owner enters into a separate agreement with Consultant specifically providing for such fees.

13.06 Reliance

A. Unless otherwise indicated, Consultant may rely on the accuracy and technical quality of documents provided by Owner or the Owner's authorized consultants.

13.07 Taxes

A. Consultant shall pay all taxes, levies, duties, and assessments of every nature due in connection with any work under this PSA and shall make any and all payroll deductions required by law. Owner shall not be responsible for paying any taxes on Consultant's behalf, and should Owner be required to do so by state, federal, or local taxing agencies, Consultant agrees to promptly reimburse Owner for the full value of such paid taxes plus interest and penalty, if any. Such taxes shall include, but not be limited to, the following: FICA (Social Security), unemployment insurance contributions, income tax, disability insurance, and workers' compensation insurance.

13.08 Conflicts of Interest

A. Consultant covenants that Consultant presently has no employment or interest, and shall not acquire any employment or interest, direct or indirect, including any interest in any business, property, or source of income, which would conflict in any manner or degree with the performance of services required to be performed under this PSA. Consultant further covenants that in the performance of this PSA, no person having any such interest shall be employed or otherwise engaged by Consultant or any Subconsultant. Consultant must promptly disclose to Owner, in writing, any potential conflict of interest. Owner retains the right to waive a conflict of interest disclosed by Consultant if Owner determines it to be immaterial, and such waiver is only effective if provided by Owner to Consultant in writing.

13.09 No Publicity or Endorsement

A. Consultant shall not use Owner's name or logo or any variation of such name or logo in any publicity, advertising or promotional materials. Consultant shall not use Owner's name or logo in any manner that would give the appearance that the Owner is endorsing Consultant. Consultant shall not in any way contract on behalf of or in the name of Owner. Consultant shall not release any informational pamphlets, notices, press releases, research reports, or similar public notices concerning the Owner or its projects, without obtaining the prior written approval of Owner.

13.10 Non-Discrimination

A. Owner hereby notifies Consultant that Owner's Unlawful Discrimination Ordinance (Article XIII of Chapter 2 of the Santa Barbara County Code) applies to this PSA and is incorporated herein by this reference with the same force and effect as if the ordinance were specifically set out herein and Consultant agrees to comply with said ordinance.

13.11 Execution in Counterparts

A. This PSA may be executed electronically and in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original; and all such counterparts, or

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

as many of them as the parties shall preserve undestroyed, shall together constitute one and the same instrument.

13.12 Governing Law

A. This PSA shall be governed by the laws of the State of California. Any litigation regarding this Agreement or its contents shall be filed in the County of Santa Barbara, if in state court, or in the federal district court nearest to Santa Barbara County, if in federal court.

PART 14 - NOTICES

A. All notices will be deemed to have been given when made in writing and delivered or mailed to the respective representative(s) of Owner and Consultant at their respective addresses as shown in Exhibit E ("Notices"), attached hereto and incorporated herein by reference.

PART 15 - LIMITS OF AGREEMENT

A. This PSA, including all Exhibits hereto, together with the Request for Qualifications and Proposals for Project 24022 pursuant to which this Agreement was procured and which is attached hereto as Attachment 1 and hereby incorporated herein by reference ("RFQ/P"), and Consultant's Proposal submitted to County in response to same, a copy of which is attached hereto as Attachment 2 ("Proposal"), constitutes the entire and integrated agreement between Owner and Consultant with respect to the subject matter hereof, and supersede all prior and contemporaneous negotiations, representations, or agreements, whether written or oral.

B. This PSA may be amended only by written agreement signed by Owner and Consultant, except as otherwise expressly authorized herein.

C. If any one or more of the provisions contained herein shall for any reason be held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, then such provision or provisions shall be deemed severable from the remaining provisions hereof, and such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this PSA shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

D. No remedy herein conferred upon or reserved to Owner is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

PART 16 - ORDER OF PRECEDENCE

A. In the event of conflict or inconsistency between the provisions contained in Parts 1 through 18 of this Agreement and the provisions contained in the Exhibits and Attachments, the provisions contained in Parts 1 through 18 of this Agreement shall control and prevail over those in the Exhibits and Attachments, other than Exhibit D, which shall control and prevail. Consultant agrees that in the event of any discrepancy, inconsistency, gap, ambiguity, or conflicting language between Consultant's Proposal (attached hereto as Attachment 2), on the one hand, and any other provision(s) of this Agreement, on the other, the provisions of this Agreement (including the RFQ/P) other than Consultant's Proposal shall take precedence and control and prevail.

PART 17 - EXHIBITS

A. The following listed Exhibits and Attachments referred to herein are incorporated in this PSA as though set forth in full.

1. Exhibit A, "Consultant's Scope of Work & Hourly Rates"
2. Exhibit B, "Consultant's Staff & Subconsultants"

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

3. Exhibit C, “Consultant’s Compensation”
4. Exhibit D, “Indemnification And Insurance Requirements”
5. Exhibit E, “Notices”
6. Exhibit F, “BHCIP Terms and Conditions”
7. Attachment 1: RFQ/P
8. Attachment 2: Consultant’s Proposal

[*Signatures appear on the following page*.]

IN WITNESS WHEREOF, the Parties have executed this Agreement to be effective as of the first date executed by all of the parties hereto.

EXHIBIT B

CONSULTANT'S STAFF & SUBCONSULTANTS

A. Consultant declares that the Principal-in-Charge on behalf of Consultant shall be [insert name of Consultant employee]. Consultant declares that Consultant's Project Manager shall be [insert name of Consultant employee].

B. Consultant will only employ subconsultants identified in the Consultant's Proposal submitted in response to the County's RFQ/P for this project (each, a "Subconsultant"), as set forth below, and each Subconsultants must, if their profession or specialty is licensable, be licensed by the State of California to perform such Services. Consultant must obtain Owner's prior written approval of any other subconsultants or subcontractors. Upon Owner's request, Consultant shall provide copies of all Subconsultant contracts to Owner.

C. None of the Staff or Subconsultants specified in this Agreement shall be replaced without the prior written approval of the Director, or his Assistant Director designee, in each instance. If Consultant's Project Manager or any other designated key staff person or Subconsultant fails to perform to the satisfaction of Owner, upon written notice from the OPM, Consultant shall, within fifteen (15) calendar days, remove that person from the Project and provide a qualified replacement acceptable to Owner, and subject to Owner's prior written approval.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

EXHIBIT D
Indemnification and Insurance Requirements (For Design Services)

INDEMNIFICATION

CONTRACTOR agrees to indemnify, defend (with counsel reasonably approved by COUNTY) and hold harmless COUNTY and its officers, officials, employees, agents and volunteers from and against any and all claims, actions, losses, damages, judgments and/or liabilities arising out of this Agreement from any cause whatsoever, including the acts, errors or omissions of any person or entity and for any costs or expenses (including but not limited to attorneys' fees) incurred by COUNTY on account of any claim except where such indemnification is prohibited by law. CONTRACTOR'S indemnification obligation applies to COUNTY'S active as well as passive negligence but does not apply to COUNTY'S sole negligence or willful misconduct.

NOTIFICATION OF ACCIDENTS AND SURVIVAL OF INDEMNIFICATION PROVISIONS

CONTRACTOR shall notify COUNTY immediately in the event of any accident or injury arising out of or in connection with this Agreement. The indemnification provisions in this Agreement shall survive any expiration or termination of this Agreement.

INSURANCE

CONTRACTOR shall procure and maintain for the duration of this Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by any of the CONTRACTOR, its agents, representatives, employees, Subconsultants, and subcontractors.

A. Minimum Scope of Insurance Coverage shall be at least as broad as:

1. **Commercial General Liability (CGL):** Insurance Services Office (ISO) Form CG 00 01 covering CGL on an "occurrence" basis, including products-completed operations, personal & advertising injury, with limits no less than $2,000,000 per occurrence and **$4,000,000 in the aggregate.**
2. **Automobile Liability**: Insurance Services Office Form Number CA 0001 covering, Code 1 (any auto), or if CONTRACTOR has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than $1,000,000 per accident for bodily injury and property damage.
3. **Workers' Compensation**: Insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease. **(Not required if CONTRACTOR provides written verification that it has no employees)**
4. **Contractor's Pollution Liability and/or Asbestos Pollution Liability and/or Errors & Omissions**: applicable to the work being performed, with a limit no less than $2,000,000 per claim or occurrence and $2,000,000 aggregate per policy period of one year.

If the CONTRACTOR maintains broader coverage and/or higher limits than the minimums shown above, the COUNTY requires and shall be entitled to the broader coverage and/or the higher limits maintained by the CONTRACTOR. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the COUNTY.

B. Other Insurance Provisions

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

The insurance policies are to contain, or be endorsed to contain, the following provisions:

1. **Additional Insured** – COUNTY, its officers, officials, employees, agents and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the formof an endorsement to the CONTRACTOR'S insurance at least as broad as ISO Form ISO Form CG 20 10 11 85 or both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; **and** CG 20 37 forms if later revisions used.
2. **Primary Coverage** – For any claims related to this contract, the CONTRACTOR'S insurance coverage shall be primary insurance primary coverage at least as broad as ISO CG 20 01 04 13 as respects the COUNTY, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the COUNTY, its officers, officials, employees, or volunteers shall be excess of the CONTRACTOR'S insurance and shall not contribute with it.
3. **Notice of Cancellation** – Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the COUNTY.
4. **Waiver of Subrogation Rights** – CONTRACTOR hereby grants to COUNTY a waiver of any right to subrogation which any insurer of said CONTRACTOR may acquire against the COUNTY by virtue of the payment of any loss under such insurance. CONTRACTOR agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not the COUNTY has received a waiver of subrogation endorsement from the insurer.
5. **Deductibles and Self-Insured Retention** – Any deductibles or self-insured retentions must be declared to and approved by the COUNTY. The COUNTY may require the CONTRACTOR to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
6. **Acceptability of Insurers** – Unless otherwise approved by Risk Management, insurance shall be written by insurers authorized to do business in the State of California and with a minimum A.M. Best's Insurance Guide rating of "A- VII".
7. **Verification of Coverage** – CONTRACTOR shall furnish the COUNTY with proof of insurance, original certificates and amendatory endorsements as required by this Agreement. The proof of insurance, certificates and endorsements are to be received and approved by the COUNTY before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the CONTRACTOR's obligation to provide them. The CONTRACTOR shall furnish evidence of renewal of coverage throughout the term of the Agreement. The COUNTY reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.
8. **Failure to Procure Coverage** – In the event that any policy of insurance required under this Agreement does not comply with the requirements, is not procured, or is canceled and not replaced, COUNTY has the right but not the obligation or duty to terminate the Agreement. Maintenance of required insurance coverage is a material element of the Agreement and failure to maintain or renew such coverage or to provide evidence of renewal may be treated by COUNTY as a material breach of contract.
9. **Subcontractors** – CONTRACTOR shall require and verify that all subcontractors, including, but not limited to, Subconsultants, maintain, at all times during the Term, insurance meeting all the requirements stated herein, and CONTRACTOR shall ensure that COUNTY is an additional insured on insurance required from subcontractors and Subconsultants.
10. **Claims Made Policies** – If any of the required policies provide coverage on a claims-made

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

basis:

i. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
ii. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work.
iii. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the CONTRACTOR must purchase "extended reporting" coverage for a minimum of five (5) years after completion of contract work.

11. **Special Risks or Circumstances** – COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Any change requiring additional types of insurance coverage or higher coverage limits must be made by amendment to this Agreement. CONTRACTOR agrees to execute any such amendment within thirty (30) days of receipt.

Any failure, actual or alleged, on the part of COUNTY to monitor or enforce compliance with any of the insurance and indemnification requirements set forth herein shall not be deemed as a waiver of any rights on the part of COUNTY.

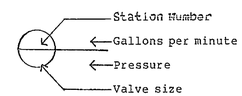
P/V		1" Pressure vacuum breaker, Neptune 720				
H/B		CHAMPION 401LK	3/4" x 3/4" loose key hose bibb			
		Class 200 PVC non pressure lateral 12" below grade				
		Schedule 40 PVC presure line (for lines 2" and larger use class 315) 18" below grade				
		Class 160 PVC sleeve under paving				



IRRIGATION NOTES:

1. System design based on the following:
   A. 135 PSI static pressure according to City Water Department
   B. 3/4" water meter
   C. 3/4" copper service line
   D. Available GPM = 10
2. Location of lines and valves is diagrammatic only. Locate in planting areas wherever possible.
3. Verify dimensions and make adjustments in system as required to provide head to head coverage.
4. Contractor to adjust arcs and radii of all heads for proper coverage.

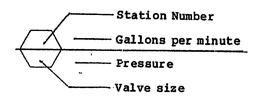
			Class 160 PVC sleeve under paving			
	C		Irritrol MC 12 -- 12 station controller - wall mount - provide batteries (A).			
	C		Irritrol MC 4 -- 4 station controller - wall mount - provide batteries (B).			



IRRIGATION NOTES:

1. System design based on the following:

   A. 112 PSI static pressure according to Fred Olsen/ City of Santa Barbara.
   B. 5/8" water meter
   C. 3/4" copper service line
   D. Available GPM =12

2. Location of lines and valves is diagrammatic only. Locate in planting areas wherever possible.
3. Verify dimensions and make adjustments in system as required to provide head to head coverage.
4. Contractor to adjust arcs and radii of all heads for proper coverage.
5. Controller - wall mount. Enclose wire to ground in conduit. Connect to electrical source. Provide batteries.
6. Refer to written specifications accompanying these plans for detailed instructions.

RE: Phase I Environmental Site Assessment
315 West Haley Street
Santa Barbara, California 93101
AEG Project No: 116506

Dear Ms. Seymour:

American Environmental Group, LLC is pleased to provide the results of our Phase I Environmental Site Assessment of the above referenced property. This assessment was performed in general accordance with the scope and limitations of ASTM Practice E 1527-21.

We appreciate the opportunity to provide environmental due diligence services. If you have any questions concerning this report, or if we can assist you in any other matter, please contact our office at 727.316.0428.

Sincerely,

American Environmental Group, LLC

Genevieve de la Torre

List of Abbreviations/Acronyms

AEG may use the following abbreviations and acronyms for common terminology described in our report. Not all abbreviations or acronyms may be applicable to this report:

ACM	– Asbestos Containing Material
AOC	– Area of Concern
AST	– Aboveground Storage Tank
ASTM	– American Society for Testing Materials
BER	– Business Environmental Risk
CEA	– Classification Exception Area
CERCLA	– Comprehensive Environmental Response Compensation and Liability Act
CERCLIS	– Comprehensive Environmental Response Compensation and Liability Information System
CESQG	– Conditionally Exempt Small Quantity Generator
CSBCD	– City of Santa Barbara Community Development
COC	– Chemicals of Concern
CORRACTS	– Corrective Action Sites
CSBEH	– County of Santa Barbara Environmental Health
CREC	– Controlled Recognized Environmental Condition
DNPL	– Delisted National Priority List
DTSC	– Department of Toxic Substances Control
ENG	– Engineering
ERNS	– Emergency Response Notification System
FOI/FOIA/FOIL	– Freedom of Information / Freedom of Information Act / Freedom of Information Letter
HVAC	– Heating Ventilation & Air Conditioning
HREC	– Historic Recognized Environmental Condition
IAQ	– Indoor Air Quality
ISRA	– Industrial Site Recovery Act
LBP	– Lead-Based Paint
LQG	– Large Quantity Generator
LTANK	– Leaking Storage Tank
LUST	– Leaking Underground Storage Tank
SDS/MSDS	– Safety Data Sheet / Material Safety Data Sheet
NA	– Not Applicable
NFA	– No Further Action
NFRAP	– No Further Remedial Actions Planned
NPDES	– National Pollutant Discharge Elimination System
NPL	– National Priority List
OPRA	– Open Public Records Act
PAH	– Polycyclic Aromatic Hydrocarbon
PCE	– Perchloroethylene
RAO	– Response Action Outcome
RCRA	– Resource Conservation and Recovery Act
RCRIS	– Resource Conservation and Recovery Information System
REC	– Recognized Environmental Condition
RWQCB	– Regional Water Quality Control Board
SBCAPCD	– Santa Barbara County Air Pollution Control District
SDG	– Significant Data Gap
SEMS	– Superfund Enterprise Management System
SRP	– Site Remediation Program
SQG	– Small Quantity Generator
SVOC	– Semi-Volatile Organic Compound
TCE	– Trichloroethylene
TSDF	– Treatment Storage and/or Disposal Facility
USEPA	– United States Environmental Protection Agency
UST	– Underground Storage Tank
VEC	– Vapor Encroachment Condition
VOC	– Volatile Organic Compound

1.0 FINDINGS, OPINIONS, AND CONCLUSIONS

American Environmental Group, LLC (AEG) performed a Phase I Environmental Site Assessment (ESA) of 315 West Haley Street, Santa Barbara, California (the Subject Property). The assessment has been conducted in accordance with our contracted scope of work and the ASTM Standard Practice E 1527-21 for Phase I Environmental Site Assessments and All Appropriate Inquiries (AAI) Final Rule 40 CFR Part 312. This section contains a summary of findings, opinions and conclusions made by this assessment. However, this section, alone, does not constitute the complete assessment. The report must be read in its entirety.

1.1 Summary of Project Details

Primary Street Address:		315 West Haley Street			
City:	Santa Barbara	**County:**	Santa Barbara	**State:**	California
Tax ID/Parcel Number:		037-192-001			
Property Owner:		PathPoint, A California Nonprofit Public Benefit Corporation			
Zoning Designation:		Commercial Property			
Approx. Property Area:		0.25 acres			
Buildings/# of Floors		1 building/2-stories			
Approx. Building Area:		8,500 ft²			
Approx. Year Built:		1982			
Commercial Occupants:		PathPoint, A California Nonprofit Public Benefit Corporation and Law Offices of Pamela M. Hanover			
Current Use:		Offices			
Prior Uses:		Commercial offices, residential occupancy			
Inspected By:		Ms. Genevieve de la Torre			
Site Contact/Company:		Ms. Adriana Seymour/ County of Santa Barbara and Mr. Curt Dennett / PathPoint, A California Nonprofit Public Benefit Corporation			
Site Escort/Company:		Ms. Adriana Seymour/ County of Santa Barbara and Mr. Curt Dennett/ PathPoint, A California Nonprofit Public Benefit Corporation			
Inspection Date:		August 15, 2024			
Weather Conditions:		Clear, 73 degrees F

1.3 Findings, Opinions and Conclusions

1.3.1 Recognized Environmental Conditions

AEG have performed a Phase I Environmental Site Assessment in accordance with the scope and limitations of ASTM Practice E 1527-21 of the Property as described in Section 2 of this report. Any additions to, exceptions to, or deletions from this practice are also described in Section 2 of this report. Based on information obtained during the Phase I ESA, AEG identified the following recognized environmental conditions (RECs) associated with the Subject Property, as defined by the ASTM E 1527-21:

RECOGNIZED ENVIRONMENTAL CONDITIONS	
REC #1	The adjacent property to the northwest across West Haley Street was historically used as a gasoline service station from 1966 to 1982. Building Permit records indicate three 8,000-gallon USTs and one 550-gallon UST were installed circa 1966. City Directory listings identified a Shell Station operating on the property from 1970 to 1981. Building permits were issued in 1982 for the removal of all four USTs when the site was converted to an automobile repair shop. It is listed as a vacant gas station in 1983 when plans were submitted and approved by the City for redevelopment of the site and adjoining parcels into a parking lot and 3 story office building. AEG was unable to obtain documentation regarding the environmental condition of the site post UST removal.
REC #2	The historic gasoline service station located to the northwest across West Haley Street constitutes a potential REC, as it constitutes a possible Vapor Encroachment Condition (VEC) due to the historic use and dispensing of petroleum products.
HISTORICAL RECOGNIZED ENVIRONMENTAL CONDITIONS	

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

HREC #1	The dry cleaning facility located southeast of the Subject Property was found in violation for failure to submit a business plan, send hazardous waste manifests, obtaining an Identification Number, and properly labeling hazardous waste accumulation between 2013 and 2021 however each violation was quickly returned to compliance. A release with a report date of 1/2/1965 with Other Groundwater affected and having received No Further Action Closure on 3/19/1996.
CONTROLLED RECOGNIZED ENVIRONMENTAL CONDITIONS	
	No CREC's were identified.
SIGNIFICANT DATA GAPS	
	No SDGs were identified.

1.3.2 REC Response Action Recommendations

The following table presents recommended response actions to the identified RECs for further investigation and/or corrective action:

REC RESPONSE ACTION SUMMARY TABLE	
REC	**Response Action**
REC #1	In AEG's opinion, further investigation is warranted to assess the possibility of subsurface impact from the historical gasoline service station and recommends a Phase II ESA.

1.3.3 Notable Environmental Conditions / De Minimis Conditions

The following environmental conditions were identified, but are not considered to be a REC in connection with the Property:

NOTABLE ENVIRONMENTAL CONDITIONS / DE MINIMIS CONDITIONS	
1.	None

1.3.4 Environmental Professional Statement

I declare that, to the best of my professional knowledge and belief, I meet the definition of *Environmental Professional* as defined in §312.10 of 40 CFR 312. I have the specific qualifications based on education, training and experience to assess a *property* of the nature, history and setting of the Subject Property. I have developed and performed all appropriate inquiries in conformance with the standards and practices set forth in 40 CFR Part 312.

Genevieve de la Torre
Environmental Professional

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

1.4 Business Environmental Risks / Non-ASTM Scope

AEG has performed a limited review of the following potential Business Environmental Risks (BER), also known as "Non-ASTM Scope concerns", in accordance with the contracted scope of work scope for this assessment. The following is a summary of findings for applicable BERs. For a more detailed discussion of the findings and contracted scope of work, please see the referenced report section.

BUSINESS ENVIRONMENTAL RISKS / NON-ASTM SCOPE			
Subject	**Findings**	**Not Appl.**	**Rpt.Ref.**
Asbestos	Asbestos may be present within the buildings. Suspect ACM noted within the buildings included: gypsum wall materials in good condition, suspended ceiling tiles, carpet adhesive, vinyl floor tiles and mastic in good condition, and vinyl/composite floor planking in good condition. Although not observed, roofing materials are also assumed ACM.		7.1
Lead Paint	No residential structures are present on the Subject Property.	X	7.2
Radon	Property is located in the USEPA radon designation Zone 1 or 'high risk' area for radon.		7.3
Mold / Microbial Damage	AEG did not observe any evidence of significant problems with moisture intrusion or mold/microbial growth at the Subject Property.		7.4
NWI Wetlands	No mapped wetland areas were depicted at the Subject Property.		7.5
Lead in Drinking Water	Potable water service at the Property is provided by the City of Santa Barbara.		7.6
Emerging Contaminants	Emerging contaminants refer to a diverse group of chemicals and compounds that may not have been previously recognized as environmental pollutants. They include pharmaceuticals, personal care products, industrial chemicals, and other substances.		7.7

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

2.0 INTRODUCTION

2.1 Purpose and Scope

This assessment was conducted utilizing generally accepted Phase I ESA industry standards in accordance with the ASTM Standard Practice E 1527-21. The ASTM describes these methodologies as representing good commercial and customary practice in the United States of America for conducting an environmental site assessment of a parcel of commercial real estate with respect to the range of contaminants within the scope of the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) and petroleum products. As such, this practice is intended to permit a user to satisfy one of the requirements to qualify for the innocent landowner, contiguous property owner or bona fide prospective purchaser limitations on CERCLA liability (hereinafter, the "landowner liability protections," or "LLPs"): that is, the practice that constitutes all appropriate inquiries into the previous ownership and uses the property consistent with good commercial and customary practice as defined at 42 U.S.C. §9601(35) (B). The primary goal of the processes established by ASTM E1527-13 is to identify *recognized environmental conditions* in connection with the Property.

The term *recognized environmental condition (REC)* is defined by the ASTM (1) the presence of *hazardous substances* or petroleum products in, on or at the *Subject Property* due to a release to the environment: (2) the likely presence of *hazardous substances* or petroleum products in, on, or at the *Subject Property* due to a release or likely release to the environment: or (3) the presence of *hazardous substances* or petroleum products in, on, or at the *Subject Property* under conditions that pose a material threat of future release to the environment.

The ASTM has also defined the term *historical recognized environmental condition (HREC).* The term HREC is defined as a previous release of *hazardous substances* or *petroleum products* affecting the *Subject Property* that has been addressed to the satisfaction of the applicable regulatory authority or authorities meeting unrestricted use criteria established by the applicable regulatory authority or authorities, without subjecting the *Subject Property* to any required controls (for example, property use restrictions, activity and use limitations, institutional controls or engineering controls).

The term *controlled recognized environmental condition (CREC)* is defined as *recognized environmental condition* affecting the *Subject Property* that has been addressed to the satisfaction of the applicable regulatory authority or authorities with *hazardous substances* or *petroleum products* allowed to remain in place subject to implementation of required controls.

Conditions determined to be *"de minimis conditions"* are not considered to be RECs, HRECs or CRECs. *De minimis condition* is defined by the ASTM, "…as a condition that generally does not present a threat to human health or the environment and that generally would not be the subject of an enforcement action if brought to the attention of appropriate governmental agencies."

The chief components of this assessment are generally described as follows:

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

- A non-invasive visual reconnaissance of the Property and adjoining properties in accordance with ASTM guidelines for evidence of RECs.

- Interviews of past and present owners and occupants and state and local government officials, seeking information related to the potential presence of RECs at the Property.

- A review of standard physical record sources for available topographic, geologic and groundwater data.

- A review of standard historic record sources, such as fire insurance maps, city directories, aerial photographs, prior reports and interviews, etc., to determine prior uses of the Property from the present, back to the Property's first developed use, or back to 1940, whichever is earlier.

- A review of standard environmental record sources including federal and state environmental databases, and additional environmental record sources, to identify potential regulatory concerns with the Property, adjoining properties and properties located within the surrounding area.

An evaluation of environmental or other regulatory compliance matters is excluded from the scope of this assessment.

These methodologies are described as representing good commercial and customary practice for conducting an Environmental Site Assessment of a property for the purpose of identifying recognized environmental conditions.

2.1.1 Business Environmental Risks/Non-ASTM Scope Considerations

In accordance with our contract agreement, AEG may have addressed the following potential environmental subject matters that are outside of the requirements of the ASTM E1527-21 standard:

Asbestos-Containing Materials (ACM): A cursory non-intrusive visual screening for the presence of suspect ACM within the accessed areas of buildings built prior to 1990 on the Property. It is emphasized that this cursory non-intrusive visual screening does not constitute an asbestos survey/inspection of the premises. An asbestos survey/inspection should be sought by the report User(s) if more certainty is desired regarding ACM and potential asbestos hazards at the Property. Furthermore, a review of regulatory compliance matters pertaining to asbestos is excluded from the scope of work.

Lead-Based Paint (LBP): A cursory non-intrusive visual screening of the condition of painted surfaces in the accessed areas of residential buildings/units built prior to 1980 on the Property. It is emphasized that this cursory non-intrusive visual screening does not constitute a

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

comprehensive survey for LBP or potential lead hazards. A comprehensive inspection should be sought by the report User(s) if more certainty is desired regarding LBP at the Property. Furthermore, a review of regulatory compliance matters pertaining to lead-based paint is excluded from the scope of work.

USEPA Designated Radon Potential: Review of general non-site specific data published by the USEPA regarding the Radon Zone classification for the area of the Property.

Mold/Microbial Damage: A cursory non-intrusive visual screening within the accessed areas of buildings on the Property for evidence of systemic microbial problems, including visible mold growth, water damaged building materials or musty odors. It is emphasized that this cursory non-intrusive visual screening does not constitute a comprehensive survey for moisture/mold/microbial damage. A more comprehensive inspection should be sought by the report User(s) if more certainty is desired regarding the potential for moisture/mold/microbial damages at the Property.

NWI Wetlands: Review of US Fish and Wildlife Service National Wetland Inventory digitized data of mapped wetlands as presented in the attached EDR Radius Map plus Geocheck Report.

It is emphasized that, regardless of the wetlands data obtained via the EDR Geocheck-Physical Setting Source Addendum, a delineation of regulated wetlands by a qualified professional would be warranted to determine the presence or absence of regulated wetlands at the Property.

Lead in Drinking Water: Review of the potential for elevated levels of lead in the drinking water by determining the source of the drinking water supply and a review of available testing or compliance data reports.

Emerging Contaminants: Review of the potential for emerging contaminants present on or anticipated to impact the Subject Property including per-and polyfluoroalkyls substances (PFAS), polychlorinated bisphenols (PCBs) in building materials. Specifically, substances not defined as hazardous substances as defined in ASTM 1527-21. These substances may include: (1) some substances that occur naturally or through biological digestion and (2) substances about which human understanding is evolving that are not identified as hazardous substance by CERCLA, as interpreted by the USEPA.

2.2 Subject Property Location/Legal Description

Property location and legal description details are described as follows:

Primary Street Address:	315 West Haley Street				
City:	Santa Barbara	**County:**	Santa Barbara	**State:**	California
Tax ID/Parcel Number:	037-192-001				
Approx. Land Area:	0.25 acres				

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Apprx. Latitude/Longitude:	North 34 24' 46.58" degrees/West -119 41' 56.34" degrees
Additional Details (if appl.):	NA
Property Owner:	PathPoint, A California Nonprofit Public Benefit Corporation
Zoning Designation:	Commercial Property

2.3 Data Gaps

A *data gap* is defined by the ASTM as a lack of or inability to obtain information required by this practice despite good faith efforts by the environmental professional to gather such information. A *significant data gap* is a data gap that affects the ability of the environmental professional to identify a recognized environmental condition. The following table summarizes data gaps encountered during the assessment as well as a discussion of their significance.

Data Gap:	Significant (Yes/No)?	Discussion
Historical records data failure	No	The initial development of the southern portion of Subject Property was circa 1890's with a small unidentified building. In 1907 a Wagon House was depicted on the Northwest Corner. The Subject Property was developed with a residential dwelling and automobile garage by 1928. The vacant residential dwelling and automobile garage were demolished in 1977. In 1981 the current office building was developed with parking on the first floor. In 1984 the first floor parking stalls were enclosed to create 4,000 SF additional of office space. Records gaps exceeding five years were encountered; however, no significant site use changes are suspected during these intervals.
Response to agency records requests not received as of date of report.	No	Any additional information indicative of a REC will be forwarded upon receipt.

2.4 User Reliance

This report is for the exclusive use of the User(s) named on the front cover. No other party(ies) shall have any right to rely on the content of this report without first obtaining the consent of the original report User; and without obtaining written consent from AEG in the form of a letter of reliance or report recertification.

2.5 Significant Assumptions

The following significant assumptions are made:

- The site operations at the time of the site visit are assumed to reflect typical site conditions relative to potential environmental conditions and that no concealment of environmental conditions or releases by site owners or occupants has occurred. Likewise, it is assumed that

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

no areas of the Property with potential environmental concerns or RECs were concealed or otherwise not reported, intentionally or unknowingly, by the Property owners/occupants and/or site escort at the time of the site visit.

- For the purpose of estimating the approximate direction of groundwater flow in the absence of site specific groundwater data, unless indicated otherwise, an assumption has been made that the gradient of groundwater flow follows the surface topography of the Property and immediate surrounding area.

2.6 General Limitations and Exceptions

2.6.1 Limitations

The report turnaround time specified by the contract agreement for this assessment may present a limitation to the availability of pertinent regulatory agency records. Such limitations, if encountered, are further specified in Section 4.4.

Significant limitations related to the condition or accessibility of the Property at the time of the site reconnaissance, if encountered, are reported in Section 5.1.

2.6.2 Other Exceptions or Deletions

No other exceptions or deletions from the ASTM Standard E 1527-21 are reported.

2.6.3 Special Terms and Conditions

This Phase I Environmental Site Assessment has been prepared using reasonable efforts in each phase of its work to identify recognized environmental conditions associated with hazardous substances, wastes and petroleum products at the Property. Findings within this report are based on information collected from observations made on the day of the site reconnaissance and from reasonably ascertainable information obtained from governing public agencies and private sources.

This report is not definitive and should not be assumed to be a complete or specific definition of the conditions above or below grade. Information in this report is not intended to be used as a construction document and should not be used for demolition, renovation, site development, redevelopment, or other construction purposes. No representation or warranty is made that the past or current operations at the Property are, or have been, in compliance with all applicable federal, state and local laws, regulations and codes.

Findings, conclusions and recommendations presented in this report are based on visual observations of the Property, interviews conducted, the records reviewed, information provided by the Client, and/or a review of readily available and supplied drawings and documents. Information obtained during the assessment, whether written, graphic or verbal, provided by the

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Property contact(s) or as shown on any documents reviewed or received from the Property contact, owner or agent, or government agency source; is assumed to be accurate except as specifically stated otherwise in this report. Independent verification of the accuracy or completeness of all information reviewed or received during the course of this assessment is not made and excluded from the scope of work for this assessment. No warranty or guarantee is made of the accuracy or completeness of information that was obtained from ostensibly knowledgeable individuals, regulatory agency representatives or other secondary sources.

Regardless of the findings stated in this report, AEG is not responsible for consequences or conditions arising from facts that were concealed, withheld or not fully disclosed at the time the assessment was conducted.

This report does not warrant against future operations or conditions, nor does it warrant against operations or conditions present of a type or at a location not investigated.

The regulatory database report provided is based on an evaluation of the data collected and compiled by a contracted data research company. The regulatory research is designed to meet the requirements of ASTM Standard E 1527-21. AEG can neither warrant nor guarantee the accuracy or completeness of the information obtained from the regulatory database report provider during the course of this assessment.

Subsurface conditions may differ from the conditions implied by the surface observations and can only be reliably evaluated through intrusive techniques.

Reasonable efforts have been made during this assessment to identify aboveground and underground storage tanks and ancillary equipment. Reasonable efforts are limited to information gained from visual observation of largely unobstructed areas, recorded database information held in public record and available information gathered from interviews. Such methods may not identify surficial and subsurface features that may have been hidden from view due to parked automobiles and other vehicles, snow cover, vegetative growth, pavement, construction or debris pile storage or incorrect information from sources.

No guarantee, explicit or implied, is made that the records pertaining to historical ownership or occupancy which were reviewed represent a comprehensive or precise delineation of past Property ownership or tenancy for legal purposes.

The ASTM E1527-21 standard states that recommendations are not required to be included in a Phase I ESA report; however, further that recommendations are an additional service that may be useful in the User's analysis of landowner liability protections or business environmental risks; and that the User should consider whether recommendations for additional inquiries or other services are desired.

The recommended response actions to the identified RECs presented in Section 1.3, if any, are not intended to represent the only course(s) of action to take; nor does it imply any opinion as to the timing of the action. Furthermore, it is emphasized that additional response actions may

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

become warranted depending on the outcome of the initial action(s) taken. AEG advises that consultation with legal counsel familiar with environmental and real estate law may be beneficial to the decision making process for the type and timing of a response action to identified RECs, if any.

Due to the limited nature of our review of potential Business Environmental Risks, the User of the report should consider whether to take additional action(s) to further define, properly manage and/or mitigate potential BERs.

In the event of any conflict between the terms and conditions of this report and the terms and conditions of the consulting services agreement for this project, the consulting services agreement shall control.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

3.0 USER PROVIDED INFORMATION

The term "User" is defined by ASTM as the party seeking to use Practice E1527 to complete an environmental site assessment of the Property; specifically, the entities named on the front cover to which the report has been addressed.

3.1 Prior Environmental Reports/Documentation

The following prior environmental reports/documentation was provided: Phase I ESA prepared for Haley Land Company by PHR Environmental Consultants, Inc. on March 13, 2001. PHR concluded that no evidence of any environmental concerns were noted on the Subject Property or surrounding area within ½ mile and no additional investigation was needed.

3.2 User Questionnaire

Section 6 of the ASTM E1527-21 standard describes certain tasks required to be performed by the report User in order to qualify for landowner liability protections to CERCLA liability. To assist the report User to meet these requirements, the ASTM E1527-21 standard recommends a questionnaire of inquiries (User Questionnaire) specified in 40 CFR 312.25, 312.28, 312.29, 312.30, and 312.31 be provided to the original report User. The following is a summary of the User's response:

Question:	Yes/No:	Detail:
Environmental liens that are filed or recorded against the property: Did a search of recorded land title records identify any environmental liens filed or recorded against the property under federal, tribal, state or local law?	No	
Activity and use limitations that are in place on the property or that have been filed or recorded against the property: Did a search of recorded land title records (or judicial records where appropriate, identify any AULs, such as engineering controls, land use restrictions or institutional controls that are in place at the property and/or have been filed or recorded against the property under federal, tribal, state or local law?	No	
Specialized knowledge or experience of the person seeking to qualify for the LLP: Do you have any specialized knowledge or experience related to the property or nearby properties? For example, are you involved in the same line of business as the current or former occupants of the property or an adjoining property so that you would have specialized knowledge of the chemicals and processes used by this type of business?	No	
Relationship of the purchase price to the fair market value of the property if it were not contaminated: Does the purchase price being paid for this property reasonably reflect the fair market value of the property? If you conclude that there is a difference, have you considered whether the	Yes	

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Question:	Yes/No:	Detail:
lower purchase price is because contamination is known or believed to be present at the property?		
Commonly Known or Reasonably Ascertainable Information: Are you aware of commonly known or reasonably ascertainable information about the property that would help the environmental professional to identify conditions indicative of releases or threatened releases? For example,		
-Do you know the past uses of the property?	Yes	501-c3 organization providing training for people with disabilities and mental health issues
-Do you know of specific chemicals that are present or were once present at the property?	No	
-Do you know of spills or other chemical releases that have taken place at the property?	No	
-Do you know of any environmental cleanups that have taken place at the property?	No	
The degree of obviousness of the presence or likely presence of contamination at the property, and the ability to detect the contamination by appropriate investigation: Based on your knowledge and experience related to the property are there any obvious indicators that point to the presence or likely presence of releases at the property?	No	
Litigation/Administrative Proceedings/Government Notices As the User of this ESA, do you have knowledge of (1) any pending, threatened, or past litigation relevant to hazardous substances or petroleum products in, on, or from the property; (2) any pending, threatened, or past administrative proceedings relevant to hazardous substances or petroleum products in, on or from the property; and (3) any notices from any governmental entity regarding any possible violation of environmental laws or possible liability relating to hazardous substances or petroleum products.	No	

NR-no response

3.3 Reason for Performing Phase I ESA

The User indicated that the purpose of the assessment was part of the real estate transaction. In accordance with ASTM E1527-21, it is assumed that the Phase I ESA was being performed to qualify for landowner liability protection associated with CERCLA liability.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

4.0 RECORDS REVIEW

4.1 Physical Setting Sources

The following physical setting sources were reviewed:

Source	Discussion
USGS 7.5 minute Topographic Map Data: (USGS)	The Property lies at an elevation of approximately 36 feet above mean sea level. An interpretation of topographic contour lines as well as a review of the general topographic gradient suggested terrain sloping downward towards the east-northeast. The closest down gradient water body is Mission Creek, located approximately 600 feet to the North-Northeast.
USDA SCS Soil Data: (USDA Web Soil Survey)	The soil type at the Property is classified as "Alluvium and colluvium, undivided". This soil type is described as : Goleta - a well drained fine sandy loam; Camarillo – a poorly drained fine sandy loam with a depth to water greater than 91" below land surface.
Geologic Data: (USDA Web Soil Survey, USGS)	The geologic formation in the vicinity of the Property is described as a stratified sequence of the Holocene and late Pleistocene. The subject property is situated on formation's typically found in modern drainages and piedmont alluvial fans and floodplains
Prior Env. Reports: (Section 3.1)	No additional relevant site specific geologic data was noted from a review of the prior environmental reports listed in Section 3.1.
Additional Sources/ Data:	No additional physical setting sources or data was obtained.
Groundwater Flow Discussion:	Based on a review of the above information as well as observation of the site, the direction of shallow groundwater flow at the site is inferred to be towards the north-northeast.
NWI Wetlands Data: (USGS)	No NWI mapped wetlands areas were depicted at the Property.

4.2 Historical Use – Subject Property and Adjoining Properties

Research has been conducted in an attempt to develop a history of the previous uses of the property and surrounding area, in order to help identify the likelihood of past uses having led to RECs in connection with the property. Standard historical sources have been sought in an attempt to document the past uses of the Property as far back as it can be shown that the Property contained structures; or from the time the Property was first used for residential, agricultural, commercial, industrial or governmental purposes.

4.2.1 Fire Insurance Maps

Sanborn Map's were researched at the online resources of the University of Florida, Digital Collections for a review of published historic fire insurance maps for the Property and surrounding area. No Sanborn Maps were identified as representing the Subject Property:

Year(s)	Prop/Adj	Depicted Use(s)	Notable Details
1886	**Property:**	No Coverage	None
	Adjoining:	No Coverage	None
1888	**Property:**	No Coverage	None

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Year(s)	Prop/Adj	Depicted Use(s)	Notable Details
	Adjoining:	No Coverage	None
1892	**Property:**	Small Building on the Southeast Corner	None
	Adjoining:	Dwellings to the Northwest and Northeast, dwelling with a windmill and water tank to the Southwest. A Wood Yard and Hay, Wood and Grain Yard to the East and South	None
1907	**Property:**	Wagon House on the Northwest Corner	None
	Adjoining:	Windmill to the Southwest is no longer present and the property directly northeast is now developed with a dwelling and garage	None
1930	**Property:**	Dwelling and Garage	None
	Adjoining:	Dwellings with Garages and a Storage building to the South	None
1950	**Property:**	Dwelling and Garage	None
	Adjoining:	Dwellings with Garages with an Auto Repair Garage to the Southwest	Gas & Oil station listed on the Southern boundary of the adjoining property to the South
1969	**Property:**	Dwelling and Garage	None
	Adjoining:	Dwellings with Garages and vacant land directly to the Southeast and South. Gas & Oil station with two canopies to the Northwest across West Haley Street	Gas & Oil station with two canopies to the Northeast across West Haley Street

4.2.2 City Directories

An EDM City Directory Imagery report was reviewed for data of former occupants of the Property's street address. The following is a generalized summary of the findings of city directory research for past occupants of the Property.

Subject Property	
Use(s) / Occupant(s):	**Years**
Busing Ernest	1920 - 1935
Horton Russell	1940
AZ Busing EM Mrs/Sheldon FD/Wood TIt	1945
Cooper PW and Villa FR	1951
Lopez Lupe	1955
Vacant	1961
Dunn Maurice E	1970
Vacant	1975
Offices	1990 - 2020

The EDR City Directory Abstract report was also reviewed for listings of historic occupants of the adjoining properties. The following is a general summary of listings of historic adjoining property occupants:

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Adjoining Properties	
Use and/or Occupant(s)	**Years**
Mix of commercial and residential occupants. Commercial occupants included a gas station, photography, construction and cleaners and laundry.	1961 - 2020

A copy of the EDM City Directory Imagery Report is attached in Appendix D.

4.2.3 Historical Topographic Maps

Historical topographic maps of the Property and vicinity obtained from an EDR Historical Topographic Map report (as attached in Appendix D) have been reviewed. The following interpretation of land usage was made by review of the maps:

Year(s)	Summary	
1903	**Property:**	No structures or improvements are identified.
	Adjoining:	Structures are depicted on the parcels to the south, east and west, West Haley Street is depicted to the north, structures are depicted to the north across West Haley Street
1944-1947	**Property:**	A structure is depicted on the center portion of the Subject Property
	Adjoining:	As previously described
1952-2022	**Property:**	Depicted as uniformly Urbanized
	Adjoining:	Depicted as uniformly Urbanized

4.2.4 Historical Aerial Photographs

Historical aerial photographs of the Property and vicinity obtained from an EDR Aerial Photo Decade Package report, as attached in Appendix D, were reviewed. The following interpretation of land usage was made by review of the aerial photographs:

Year(s)	Summary of Interpretation	
1928, 1938	**Property:**	Center of the property is developed with a building with road access on the northeast.
	Adjoining:	Residential properties to the north, east, and west. Residential properties to the south with Castillo Street and railroad line to the south.
1943, 1947	**Property:**	As previously described.
	Adjoining:	Residential properties to the north, east, and west. Commercial buildings to the Southeast as depicted in Sanborn Maps.
1954	**Property:**	As previously described.
	Adjoining:	Residential properties to the north, east, south, and west. Commercial buildings to the Southeast as depicted in Sanborn Maps with Highway 101 beyond.
1967, 1975	**Property:**	As previously described.
	Adjoining:	Residential property to the northwest and east. Gas Service Station to the north across West Haley Street. Vacant to the southwest, Castillo Street widened and vacant directly south with Highway 101 beyond.
1984, 1994, 2002, 2005,	**Property:**	One building is depicted on the Subject Property with a parking lot to the southwest, consistent with current development.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Year(s)	Summary of Interpretation	
2009, 2012, 2016, 2020	**Adjoining:**	Commercial property and parking lot to the north of West Haley Street, residential properties to the east, southern properties as previously described.

4.2.5 EDR High-Risk Historical Records

The EDR Radius Map™ report, which is discussed in greater detail in Section 4.3, provided a search of proprietary databases of potential historical high-risk uses at or in the vicinity of the Property. These databases include EDR Historic Cleaners – a database of property addresses with records of historical occupancy by suspected cleaners businesses; EDR Historic Auto – a database of property addresses with records of historical occupancy by potential automotive gas/filling stations and repair facilities; and EDR MGP- a database of sites historically occupied by manufactured gas plants and related facilities.

EDR Database	On-site Listings:	Adjoining/Off-Site Listings
Historic Cleaners: (on-site/adjoining only)	None	Saint Paul Cleaners
Historic Auto: (on-site/adjoining only)	None	Bath Haley Shell Service Station
MGP: (1-mile distance)	None	None

4.2.6 Petroleum/Natural Gas Well Review

The historical record sources and the California Geologic Energy Management Division (CalGEM) online mapping application were reviewed for records of historic petroleum and/or natural gas wells at the Property. No record of any historical petroleum/natural gas wells at or adjoining the Property was identified.

4.2.7 Additional Historical Data

Where applicable, the following additional pertinent historical data was obtained:

Interviews/Anecdotal:	No additional pertinent historical data was obtained.
Local Gov't Records:	The following additional pertinent historical data was obtained: Building Permits
Prior Env. Reports: (Section 3.1)	Prior environmental reports reviewed as part of this assessment, as detailed in Section 3.1, did not provide additional pertinent detail of historical site usage.
Site Observations:	Indications of historic uses of the Property or adjoining properties were not observed during the site reconnaissance.
Other Sources:	No additional pertinent historical data was obtained.

4.28 Summary of Identified Historic Uses

The following table presents a summary of the types and approximate date ranges of identified prior uses of the Property:

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Property	
Date Range	**Use**
Unk to 1977	Residential development.
1977 to 1981	Vacant
1981 to present	Commercial Office Building

The following table presents a summary of the types of identified prior uses of the adjoining properties:

Adjoining Properties	
Date Range	**Use**
Unk to 1975	Mix of residential, commercial, lumber and livestock hay yard, and vacant property
1975 to present	Mix of residential and commercial.

4.2.9 Historical Records Data Failure

The ASTM E1527-21 standard defines data failure as a failure to achieve the ASTM specified historical research objectives after reviewing the standard historical sources that are reasonably ascertainable and likely to be useful. The objective is to identify all obvious uses of the property from the present, back to the property's first developed use, or back to 1940, whichever is earlier. Furthermore, records of historic use/conditions should be sought in intervals no less than approximately five years, unless the property conditions appear unchanged over a longer interval.

Objective	Met?	Detail	Significant?
First developed use/date determined?	Yes	The earliest documented use of the Property was vacant with a small building on the southeast corner.	No
Record sources at 5-year intervals back to 1940 or first developed use?	Yes	Historical record gaps exceeding five years were encountered. However, significant site-use changes or undiscovered site uses appear unlikely to have occurred during the record gaps.	No
All obvious prior uses identified?	Yes	See Section 4.2.8.	No

Please refer to Section 2.3 for additional discussion of data gaps and their significance to the findings of the assessment.

4.2.10 Historic Uses REC Discussion

The review of historical records did not indicate evidence of a REC in connection with the Property.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

4.3 Standard Environmental Record Sources

A regulatory database report, titled Environmental Data Report Basic ASTM Research, prepared by Environmental Data Management of Shelton, Connecticut was obtained and reviewed. The report provided a search of standard environmental record sources for listings of the Property, adjoining properties and sites within the surrounding area; and has been reviewed for the purpose of identifying listings suggesting a potential impact to the Property due to presence or migration of hazardous substances and/or petroleum products. Additional descriptions of the meaning and significance of the regulatory databases can be found in the regulatory database report in Appendix E. The Environmental Data Report Basic ASTM Research Report provided a search of the following database categories in accordance with the requirements of the ASTM Standard E1527-21:

Regulatory Database	Search Distance
Fed. National Priorities List (NPL/a.k.a. "Superfund" sites) & Proposed NPL	1-mile
Fed. Delisted NPL	½-mile
Fed. Superfund Enterprise Management System (SEMS; formerly CERCLIS)	½-mile
Fed. SEMS-ARCHIVE (formerly known as CERCLIS NFRAP)	½-mile
Fed. RCRA Corrective Action Sites (CORRACTS)	1-mile
Fed. RCRA Transport/Storage/Disposal (TSD) sites	½-mile
Fed. RCRA Generators (LQG, SGQ & CESQG)	Site & Adjoining
Fed. Institutional Control/Engineering Control (IC/EC) Registries	Site only
Fed. Emergency Response Notification System (ERNS)	Site only
State/Tribal Hazardous Waste Sites (SHWS)	1-mile
State/Tribal Landfill and/or Solid Waste Disposal (LF/SWF)	½-mile
State/Tribal Leaking Storage Tanks	½-mile
State/Tribal Registered Storage Tanks	Site & Adjoining
State/Tribal IC/EC Registries	Site
State/Tribal Voluntary Cleanup Sites	½-mile
State/Tribal Brownfields	½-mile
Additional Federal, State, Tribal and Local Environmental Databases	Variable

Reported distances for adjoining listings discussed in Section 4.3.4, if applicable, are approximate and indicative of the presence of a public roadway or right-of-way between the adjoining site and Property.

The reported gradients indicated where applicable in Sections 4.3.4 and 4.3.5 have been estimated based on a number of factors including but not necessarily limited to field observation, review of topographic maps, database listing details and/or site specific geo-technical data.

4.3.1 Supplemental Database Listings

The regulatory database report was also reviewed for listings on supplemental databases, in addition to the Standard Environmental Record Sources. Any property or adjoining property

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

listings on such databases of significant concern, if identified, is discussed in Sections 4.3.3 and 4.3.4. Otherwise, none of the other supplemental database listings identified by the regulatory database report are considered to be a REC in connection with the Property.

4.3.2 Limited Tier I Vapor Encroachment Screening

Limited analysis of the details of on-site, adjoining and vicinity database sites was conducted to identify potential sources of sub-surface vapor encroachment. This review was based on elements of the ASTM "Standard Guide for Vapor Encroachment Screening on Property Involved in Real Estate Transactions" (ASTM E 2600-15); and also on elements of "Methodology for Identifying the Area of Concern Around a Property Potentially Impacted by Vapor Migration from Nearby Contaminated Sources" (Buonicore, 2011-S-103-AWMA). Vicinity database sites pertaining to non-petroleum product releases within 1,760 feet of the Property in the up-gradient direction, 365 feet of the Property in the cross gradient direction and 100 feet of the Property in the down gradient direction; and vicinity database sites pertaining to petroleum product releases within 528 feet of the Property in the up-gradient direction, 165 feet of the Property in the cross gradient direction and 100 feet of the Property in the down gradient direction were reviewed to identify active contamination sites with the potential to affect subsurface vapor conditions at the subject property. The potential for vapor encroachment was considered in assessing whether or not a REC exists in connection with the Property when reviewing applicable sites within those distances.

Regulatory database sites with active petroleum or non-petroleum releases that are considered to constitute a vapor encroachment condition (VEC) to the Property, if any, are identified and discussed in Sections 4.3.3, 4.3.4 and 4.3.5.

4.3.3 Property Listings

The following listings of the Property were identified:

Name/Address:	Roxanne McGregor/ 315 W Haley Street Suite 102
Database(s):	HWTS, RCRA NonGen/NLR
Data Discussion:	The HWTS is understood to be the state registration for hazardous waste generators, the facility was registered from through, no violations were noted. Roxanne McGregoris listed as a RCRA NonGen with no violations noted. No additional data was identified within the EPA Online Envirofacts system regarding the Subject Property.
REC Discussion:	Based on the details provided above, a REC is not suspected in connection with the Property.
VEC Discussion:	Based on the available data, a VEC is not suspected.

Name/Address:	PathPoint/ 315 W Haley Street
Database(s):	FINDS/ECHO/RCRA NonGen/NLR
Data Discussion:	The FINDS (Facility Registry Service) and ECHO database entries are for operator Roxanne McGregor with no violations noted. PathPoint listed as a RCRA NonGen with no violations noted. No additional data was identified within the EPA Online Envirofacts system regarding the Subject Property.
REC Discussion:	Based on the details provided above, a REC is not suspected in connection with the Property.
VEC Discussion:	Based on the available data, a VEC is not suspected.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

4.3.4 Adjoining Property Listings

The following adjoining property listings were identified. Reported distances, where applicable, are approximate and indicative of the presence of a public roadway or right-of-way between the adjoining site and Property. The reported gradient has been estimated based on a number of factors including but not necessarily limited to field observation, review of topographic maps, database listing details and/or site specific geo-technical data.

Name/Address:	Bath Haley Shell Service/310 West Haley Street				
Database(s):	EDR Hist Auto				
Distance in feet:	78	**Direction:**	NW	**Gradient:**	Up
Data Discussion:	Building Permit records indicate three 8,000-gallon USTs and one 550-gallon UST were installed circa 1966. City Directory listings identified a Shell Station operating on the property from 1970 to 1981. Building permits were issued in 1982 for the removal of all four USTs when the site was converted to an automobile repair shop. It is listed as a vacant gas station in 1983 when plans were submitted and approved by the City for redevelopment of the site and adjoining parcels into a parking lot and 3 story office building.				
REC Discussion:	Based on the details provided above, a REC is suspected in connection with the Property. Additional evaluation would be required to determine whether a REC exists.				
VEC Discussion:	Based on the available data, a VEC may exist. Additional evaluation would be required to confirm whether a signficant vapor intrusion impact to the Property exists.				

Name/Address:	Saint Paul Cleaners Laundry/407 Bath Street				
Database(s):	EDR Hist Cleaner/RCRA-LQG/CPS-SLIC/CERS HAZ WASTE/FINDS/ECHO/E MANIFEST/CUPA Listings/DRYCLEANERS/HWTS/HAZNET/CERS				
Distance in feet:	150	**Direction:**	ESE	**Gradient:**	Down
Data Discussion:	The facility was found in violation for failure to submit a business plan, send hazardous waste manifests, obtaining an Identification Number, and properly labeling hazardous waste accumulation between 2013 and 2021 however each violation was quickly returned to compliance. A release with a report date of 1/2/1965 with Other Groundwater affected and having received No Further Action Closure on 3/19/1996.				
REC Discussion:	Based on the details provided above, a HREC in connection with the Property has been identified.				
VEC Discussion:	Based on the available data, a VEC is not suspected.				

4.3.5 ASTM Search Distance Findings

The following is a discussion of non-adjoining sites identified as located within the ASTM specified search distance surrounding the Property. In order to keep this discussion informative and concise, discussion(s) is/are provided of the listed site(s) for each database category that appears most likely to impact the Property based on distance, area topography and/or regulatory status. Listings of sites within the applicable search distances not specifically discussed below were reviewed and concluded not to be RECs in connection with the Property or VECs based on various factors including distance, area topography, known or inferred groundwater flow direction and/or regulatory status. Listings for the following databases, if identified, have been discussed above in

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

Sections 4.3.3 and 4.3.4: Registered Storage Tanks, Federal RCRA Generators, Federal and State EC/IC, ERNS. A copy of the full regulatory database report, including available details of all listed sites, is included in Appendix E.

Federal SEMS				**# of sites:**	1	**Search Distance:**	½-mile
Notable Listing:	Goldberg Goss Jewett						
Distance in feet:	440	**Direction:**	ENE	**Gradient:**	Down		
Data Discussion:	The historical dry cleaning supply facility had a 5000 gallon above ground tank that leaked sometime prior to 1990. Elevated concentrations of PCE was found in soil & ground water and have shown to have migrated off site to a distance of 500 feet. Groundwater monitoring wells were installed in 1992 and sampled quarterly. Limited indoor air vapor intrusion sampling was conducted in June 2013. The Site is under the DTSC-Chatsworth jurisdiction and continuing to perform cleanup activities.						
REC Discussion:	Based on the details provided above, a REC is not suspected in connection with the Property.						
VEC Discussion:	Based on the available data, a VEC is not suspected.

State LEAKING STORAGE TANKS				**# of sites:**	67	**Search Distance:**	½-mile
Notable Listing:	Santa Barbara Refrigeration						
Distance in feet:	579	**Direction:**	NNW	**Gradient:**	Up		
Data Discussion:	Historically, the facility operated as a refrigeration company. In 1989 the facility reported a discharge to the County of Santa Barbara during the removal of a 500-gallon gasoline storage tank and performed contamination assessment activities, identifying soils impact across the parcel. A No Further Action Letter was issued on 2/8/1991. The facility is located across Mission Creek to the northeast, and the groundwater flow direction was identified to the south southeast towards the Pacific Ocean.						
REC Discussion:	Based on the details provided above, a REC is not suspected in connection with the Property.						
VEC Discussion:	Based on the available data, a VEC is not suspected.						

State VOLUNTARY CLEANUP SITES				**# of sites:**	1	**Search Distance:**	½-mile
Notable Listing:	Goldberg Goss Jewett						
Distance in feet:	1,168	**Direction:**	SSE	**Gradient:**	Up		
Data Discussion:	See discussion in Federal SEMS section above						
REC Discussion:	Based on the details provided above, a REC is not suspected in connection with the Property.						
VEC Discussion:	Based on the available data, a VEC is not suspected.

UNMAPPED/ORPHAN LIST SITES	
Notable Listings:	AEG has also reviewed a list of unmapped sites (a.k.a. "Orphan List" sites) indicated by the database report. Unmapped sites that were identified as falling within an applicable specific search distance or warranting discussion have either been discussed in the preceding tables or are detailed below: None

4.4 Additional Environmental Record Sources

Requests have been submitted to local, municipal and state agencies for pertinent records pertaining to the Property, particularly with regard to potential environmental concerns such as petroleum storage tanks, storage and usage of hazardous substances and petroleum products, and/or known or suspected environmental contamination. Where applicable, internet research of government environmental regulatory databases was also conducted, as well as a general cursory internet search of the Property address, for information indicative of a REC. The following table summarizes the findings of the research:

Source	Type of Request	Outcome
Health Department	FOI request	A response was recieved stating that no records were found.
EPA Envirofacts	Online search	AEG reviewed available on-line records pertaining to the Property. No information indicative of a REC was identified.
CA DTSC (Envirostor)	Online search	AEG reviewed available on-line records pertaining to the Property. No information indicative of a REC was identified.
CA SWRCB (GeoTracker)	Online search	AEG searched online for records pertaining to the Property. No records pertaining to the property were found.

5.0 SITE RECONNAISSANCE

5.1 Methodology and Limiting Conditions

The site reconnaissance consisted of visual and/or physical observations of the Property and improvements, adjoining properties as viewed from the Property boundaries and the surrounding area based on visual observations from adjoining public thoroughfares. Building exteriors were observed at ground level, unless otherwise indicated. Where applicable, representative areas of building interiors were accessed and observed to the extent they were made safely accessible with the cooperation of the site escort.

Site Inspection Personnel:	Genevieve de la Torre and Billie Rude
Property Escort/Company:	Mr. Curt Dennett/ PathPoint and Ms. Adriana Seymour/ County of Santa Barbara
Inspection Date:	8/15/2024
Weather Conditions:	Clear, 73°F

5.1.1 Significant Inaccessible Areas

No significant areas of the Property inaccessible at the time of the inspection were noted.

5.1.2 Significant Limiting Site Conditions

No significant limiting site conditions were noted at the time of the site reconnaissance.

5.2 General Site Setting

5.2.1 Site and Vicinity Characteristics

Abutting Roadways:	West Haley Street to the northwest
Current Property Use:	Offices and a driveway easement on the northwest portion used to provide access to the adjoining parking lot located to the southwest that is owned by the City of Santa Barbara
Evidence of Past Property Uses:	None observed.
Evidence of Past Adjoining Property Uses:	None observed.
Surrounding Area Uses:	Residential

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

5.2.2 Current Adjoining Property Uses

Dir	Street Address	Description
NW	503 Bath Street	Multi-story Commercial Building
SW	Parking Lot	Asphalt Paved Parking Lot owned by the City of Santa Barbara
NE	309 West Haley Street 431 Bath Street 423 Bath Street 421 Bath Street 417 Bath Street	Residential Dwellings
SE	Storage Area	Asphalt and Concrete Paved Storage Area owned by the City of Santa Barbara

No visual observations indicative of a potential environmental concern were noted on the adjoining properties.

5.2.3 Topographic Characteristics

Terrain:	Flat to gently sloping
Direction of Downward Slope:	Towards the southeast
On-site Water Bodies:	None observed
Other Significant Features:	None observed

5.2.4 General Description of Structures

Buildings/# of Floors	One/2-stories
Approx. Building Area:	8,500 ft²
Approx. Year Built:	1981
Ancillary Structures:	Portable Storage Shed located on the southeast portion of the subject property
Sources of Heating & Cooling:	Electrical heating and cooling systems
Potable Water/Sewage Disposal:	Municipal utility connections

5.3 Interior & Exterior Observations

5.3.1 Storage/Usage of Hazardous Substances and Petroleum Products

No hazardous substances or petroleum products were observed to be stored or used by property occupants.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

5.3.2 Drums

No hazardous substance or petroleum product drums were noted on the Property.

5.3.3 Unidentified Substance Containers

No unidentified substance containers suspected of containing hazardous substance or petroleum product were noted on the Property.

5.3.4 Other Hazardous Substances/Petroleum Products

No other containers of hazardous substances or petroleum products were noted on the Property.

5.3.5 Bulk Petroleum/Hazardous Material Storage Tanks

While no visual evidence of a UST was noted, considering the history of development at the Property, the potential presence of abandoned USTs and/or associated buried piping at the Property cannot be ruled out.

5.3.6 PCBs in Oil Filled Electrical/Hydraulic Equipment

PCBs in electrical/hydraulic equipment are considered unlikely at the Property based on the post-1979 date of site development.

5.3.7 Odors

No strong, pungent or noxious odors were noted at the Property.

5.3.8 Pools of Liquid

No standing water or pools of liquid likely to contain hazardous substances or petroleum products were noted at the Property.

5.3.9 Interior Stains or Corrosion

No interior stains or corrosion due to hazardous substance/petroleum products spills/releases were noted at the Property.

5.3.10 Interior Drains/Sumps

No floor drains or sump pits were noted at the Property other than for storm water or sewage management.

5.3.11 Exterior Pits/Ponds/Lagoons

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

No exterior pits, ponds or lagoons was identified on the Property in connection with waste treatment or disposal.

5.3.12 Stained Soil, Pavement/Stressed Vegetation

No stained soil, pavement or stressed vegetation was observed at the Property.

5.3.13 On-Site Solid Waste Disposal/Fill Material

No evidence of any on-site solid waste dumping was noted at the Property. No evidence of recently deposited fill materials was observed at the Property.

5.3.14 Waste Water

Sanitary sewage generated at the Property is discharged via a connection to the local public sewer system.

Storm water runoff at the Property is discharged off-site to local streams/drainage systems via overland flow.

No additional waste water discharges were identified at the Property.

5.3.15 Septic Systems

No septic systems were identified at the Subject Property.

5.3.16 Wells

No potable, monitoring or other groundwater wells were identified at the Subject Property.

5.3.17 Railroad Spurs

No railroad spurs were identified on the Property.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

6.0 INTERVIEWS

6.1 Interviews with Past and Present Owners and Occupants

Subject	Name/Affiliation	Summary
Property Owner / Representative	Mr. Curt Dennett of PathPoint	Mr. Dennett completed an environmental questionnaire and was interviewed during the site inspection. Pertinent information from the interview and questionnaire, where applicable, has been referenced in various sections of this report.
Property Occupants	Mr. Curt Dennett of PathPoint	Same as Above
Past Owners, Occupants, Operators	Not applicable	Past owners/occupants of the Property were not available for interview at the time of the assessment.
Owners/Occupants of Adjoining or Nearby Properties	Not applicable	The Property was not an abandoned property with evidence of unauthorized uses or uncontrolled access; therefore, interviews with adjoining or nearby property owners or occupants were not conducted.

6.2 Interviews with State and/or Local Government Officials

Written and on-line requests for environmental records of the Property from State and Local governmental agencies are detailed in Section 4.4.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

7.0 BUSINESS ENVIRONMENTAL RISKS

In accordance with the contract agreement for this assessment, AEG has performed cursory reviews of several potential Business Environmental Risks (also known as "Non-Scope Considerations"). The ASTM E1527-21 standard defines the term business environmental risk (BER) as, *"a risk which can have a material environmental or environmentally-driven impact on the business associated with the current or planned use of a parcel of commercial real estate, not necessarily limited to those environmental issues required to be investigated in this practice."*

7.1 Asbestos-Containing Material (ACM)

The contracted scope of work included a cursory visual screening of the accessed portions of buildings at the Property built prior to 1990 for suspect asbestos containing materials (ACM). The information provided in this section, where applicable, is limited to identification of potential suspect materials in the readily accessible and observed areas of the building, and their general condition. This is not intended to be a comprehensive survey for the presence of ACM, and no testing has been conducted.

Suspected ACM noted within the accessed building areas included gypsum wall and ceiling board, mastic, HVAC duct mastic, and roofing materials.

7.2 Lead-Based Paint

The contracted scope of work included a cursory visual screening of the condition of painted surfaces in the accessed areas of residential buildings/units built prior to 1980. This is not intended to constitute a comprehensive survey for LBP or potential lead hazards, and no testing has been conducted.

No residential buildings were present at the Property.

7.3 Radon

Data compiled by the USEPA, as summarized by the regulatory database report, indicated that the Property is located in an area classified as Zone 1 or 'high risk' area for radon. Radon testing was not included in the scope of this assessment.

7.4 Mold/Microbial Damage

As per the contracted scope of work, AEG conducted a cursory visual screening of the accessed areas of the building for evidence of significant damage to building materials and finishes as result of moisture intrusion and/or mold/microbial growth.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

7.5 NWI Mapped Wetlands

As indicated in the Physical Setting Source table of Section 4.1, no NWI mapped wetlands areas were depicted at the Property by the EDR Geocheck-Physical Setting Source Addendum (attached in Appendic E).

The scope of work for this assessment excludes a visual determination of regulated wetlands at the Property. It is emphasized that, regardless of the wetlands data obtained via the EDR Geocheck-Physical Setting Source Addendum, a delineation of regulated wetlands by a qualified professional would be warranted to determine the presence or absence of regulated wetlands at the Property.

7.6 Lead in Drinking Water

The scope of work for this assessment included a review of the potential for elevated levels of lead in drinking water by determining the source of the drinking water supply and a review of available compliance or testing data.

Potable water service at the Property is provided by a utility connection with the City of Santa Barbara.

7.7 Emerging Contaminants

The scope of work for this assessment included a review of the potential for the presence of emerging contaminants being present on the Subject Property. No evidence of emerging contaminants was discovered affecting the Subject Property.

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

ASTM E 1527-21/AAI - USER QUESTIONNAIRE

Instructions: This form should be completed by a representative of the USER of the Phase I ESA report and returned to American Environmental Group via email or in-person. **The report USER is the entity on whose behalf the assessment is being prepared and that will be relying on the report for liability protections.**

In order to qualify for one of the Landowner Liability Protections (LLPs) offered by the Small Business Liability Relief and Brownfields Revitalization Act of 2001 (the "Brownfields Amendments"),188 the USER must conduct the following inquiries required by 40 CFR 312.25, 312.28, 312.29, 312.30, and 312.31. These inquiries must also be conducted by EPA Brownfield Assessment and Characterization grantees. The user should provide the following information to the environmental professional. Failure to conduct these inquiries could result in a determination that "all appropriate inquiries" is not complete. Please complete the following questionnaire and provide any of the referenced information (if available) to AEG.

USER Company Name:	County of Santa Barbara	**USER Mailing Address:**	260 N. San Antonio Road, Santa Barbara, CA 93110
Respondent Name & Email Address:	Skip Grey, sgrey@countyofsb.org	**Date of Completion:**	13-Aug-2024

Property Address:	315 W. Haley, Santa Barbara, CA	**YES**	**NO**	**DETAIL (optional):**
Environmental liens that are filed or recorded against the property: Did a search of recorded land title records identify any environmental liens filed or recorded against the property under federal, tribal, state or local law?		☐	☑	
Activity and use limitations that are in place on the property or that have been filed or recorded against the property: Did a search of recorded land title records (or judicial records where appropriate, identify any AULs, such as engineering controls, land use restrictions or institutional controls that are in place at the property and/or have been filed or recorded against the property under federal, tribal, state or local law?		☐	☑	
Specialized knowledge or experience of the person seeking to qualify for the LLP: Do you have any specialized knowledge or experience related to the property or nearby properties? For example, are you involved in the same line of business as the current or former occupants of the property or an adjoining property so that you would have specialized knowledge of the chemicals and processes used by this type of business?		☐	☑	
Relationship of the purchase price to the fair market value of the property if it were not contaminated: Does the purchase price being paid for this property reasonably reflect the fair market value of the property? If you conclude that there is a difference, have you considered whether the lower purchase price is because contamination is known or believed to be present at the property?		☑	☐	

Docusign Envelope ID: 3773F87A-0B89-4932-BA2C-CA8383B3EEAD

AMERICAN ENVIRONMENTAL GROUP

Property Address:	315 W. Haley, Santa Barbara, CA	**YES**	**NO**	**DETAIL (optional):**
Commonly Known or Reasonably Ascertainable Information: Are you aware of commonly known or reasonably ascertainable information about the property that would help the environmental professional to identify conditions indicative of releases or threatened releases? **ANSWER BELOW**				
- Do you know the past uses of the property?		☑	☐	501-c3 organization providing training for people with disabilities and mental health issues
- Do you know of specific chemicals that are present or were once present at the property?		☐	☑	
- Do you know of spills or other chemical releases that have taken place at the property?		☐	☑	
- Do you know of any environmental cleanups that have taken place at the property?		☐	☑	
The degree of obviousness of the presence or likely presence of contamination at the property, and the ability to detect the contamination by appropriate investigation: Based on your knowledge and experience related to the property are there any obvious indicators that point to the presence or likely presence of releases at the property?		☐	☑	
Litigation/Administrative Proceedings/Government Notices As the User of this ESA, do you have knowledge of (1) any pending, threatened, or past litigation relevant to hazardous substances or petroleum products in, on, or from the property; (2) any pending, threatened, or past administrative proceedings relevant to hazardous substances or petroleum products in, on or from the property; and (3) any notices from any governmental entity regarding any possible violation of environmental laws or possible liability relating to hazardous substances or petroleum products.		☐	☑

Instructions: Please answer each question. Check "D/K" if you don't know, or otherwise lack sufficient knowledge of the Property to answer the question.

PREVIOUS INVESTIGATIONS		
1.	Have any previous environmental investigations (e.g.- Phase I Environmental Site Assessment, soil/groundwater testing, radon testing, asbestos survey, tank closure/removal reports, etc.) been performed at the Property?	☑ Yes ☐ No ☐ D/K
2.	If yes, what concerns were indicated or recommendations made? *(please provide a copy of all previous environmental reports)*	
	No Recommendations (2001 Report provided to Buyer)	
PROPERTY USAGE		
3.	To the best of your knowledge, is the Property or any adjoining property currently occupied or formerly occupied for industrial purposes? If yes, please elaborate:	Property: ☐ Yes ☑ No ☐ D/K Adj. Property: ☐ Yes ☑ No ☐ D/K
4.	Is the property or any adjoining property currently used, or have they ever been used, as a gasoline filling station, dry cleaning facility, automotive service/repair shop, auto body repair shop, commercial printing facility, photo development laboratory shop, junkyard, landfill, or as a waste treatment, storage disposal, recycling or processing facility? If yes, please elaborate:	Property: ☐ Yes ☑ No ☐ D/K Adj. Property: ☐ Yes ☑ No ☐ D/K
5.	Have any hazardous substances or petroleum products, unidentified waste materials, tires, automotive or industrial batteries,, or any other waste materials been dumped above grade, buried and/or burned on the property?	☐ Yes ☑ No
BULK STORAGE TANKS		
6.	Are there currently, or have there been previously, any registered or unregistered above ground or underground storage tanks located at the Property? *If YES, please provide number, size, age of tanks, permits, closure reports, regulatory agency correspondence, and related information.*	Current Tanks: ☐ Yes ☑ No ☐ D/K Previous Tanks: ☐ Yes ☑ No ☐ D/K
7.	Are there currently, or have there been previously, any vent pipes, or access ways indicating a fill pipe protruding from the ground on the property or adjacent to any structure located on the property?	Current: ☐ Yes ☑ No ☐ D/K Previous: ☐ Yes ☑ No ☐ D/K
8.	Are there currently, or have there been previously, any leakage of hazardous substances or petroleum products from above ground or underground storage tank systems at the Property?	Current: ☐ Yes ☑ No ☐ D/K Previous: ☐ Yes ☑ No ☐ D/K

AMERICAN ENVIRONMENTAL GROUP

SPILLS, RELEASES, WASTES		
9.	Are there currently, or have there been previously, any waste discharges on or adjacent to the property, other than storm water or into a municipal sanitary sewer system? If yes, please elaborate:	Current: ☐ Yes ☑ No ☐ D/K Previous: ☐ Yes ☑ No ☐ D/K
10.	Are there currently, or have there been previous, any septic systems, dry wells or leach fields on the property? If yes, please elaborate:	Current: ☐ Yes ☑ No ☐ D/K Previous: ☐ Yes ☑ No ☐ D/K
11.	Are there currently, or have there been previously, any flooring, drains or walls located within the facility that are, or have been, stained by substances (or, in the case of drains, used for) other than water or are emanating foul odors? If yes, please elaborate: There was a sewer pipe leak in the top floor of the building in 2021 that was identified and repaired. Repairs included replacement of drywall material.	Current: ☐ Yes ☑ No ☐ D/K Previous: ☑ Yes ☐ No ☐ D/K
12.	Are there currently, or have there been previously, any spills or releases of hazardous substances or petroleum products within the building(s) or on the exterior of the Property?	Current: ☐ Yes ☑ No ☐ D/K Previous: ☐ Yes ☑ No ☐ D/K
13.	Has any non-native and/or contaminated fill material been deposited on the Property?	☐ Yes ☑ No ☐ D/K
14.	Have any current or former property occupants generated hazardous wastes or other wastes (such as waste oil, or medical wastes) that required non-conventional storage, handling and/or disposal methods? *If YES, please indicate type of waste and the name of the waste handling contractor:* _____	☐ Yes ☑ No ☐ D/K
TRANSFORMERS/HYDRAULIC EQUIPMENT		
15.	Are any power transformers, capacitors or hydraulic equipment present at the Property? If yes, please elaborate:	☐ Yes ☑ No ☐ D/K
16.	If power transformers are present, who owns them? _____	☐ Yes ☐ No ☐ D/K
17.	If hydraulic equipment is present, indicate age of equipment and name/telephone # of service contactor: _____	☐ Yes ☐ No ☐ D/K

AMERICAN ENVIRONMENTAL GROUP

	REGULATORY DISCLOSURE	
18.	Have there been any environmental liens or governmental notification or involvement relating to past or current use or disposal of hazardous substances with respect to the property of any facility or structure located on the property?	☐ Yes ☑ No ☐ D/K
19.	If the property is served by a private well or non-public water system, have contaminants been identified in the well or system that exceed guidelines applicable to the water system, or has the well been designated as contaminated by any government environmental/health agency? *(if not applicable, please check* NO*)*	☐ Yes ☑ No ☐ D/K
20.	Is there any environmental litigation, administrative action or cleanup action involving the property related to a release or threatened release of any hazardous substance or petroleum product?	☐ Yes ☑ No ☐ D/K
21.	Are you aware of testing of any environmental media (soil, groundwater, surface water, etc.) at the property which identified levels of contaminants in excess of regulatory standards and/or cleanup guidelines?	☐ Yes ☑ No ☐ D/K
	ENVIRONMENTAL/BUILDING CONDITIONS	
22.	Has asbestos testing ever been conducted at the Property? *If YES, please forward a copy of test results and/or survey reports:*	☑ Yes ☐ No ☐ D/K
23.	Are any asbestos containing materials present at the Property? If yes, please elaborate: Testing done by County in August 2024	☐ Yes ☐ No ☑ D/K
24.	Has lead paint testing ever been conducted at the Property? *If YES, please forward a copy of test results.*	☑ Yes ☐ No ☐ D/K
25.	Is lead-based paint present at the Property? If yes, please elaborate: Testing done by County in August 2024	☐ Yes ☐ No ☑ D/K
26.	Has radon testing ever been conducted at the Property? *If YES, please forward a copy of test results.*	☐ Yes ☑ No ☐ D/K
27.	Are there any problems with water intrusion, water damaged surfaces or excessive mold growth within the buildings? If yes, please elaborate: There was some water damage from an upstairs leak in 2023 that was repaired. Mold testing after mediation results were within acceptable levels for common mold.	☑ Yes ☐ No ☐ D/K

COMMENTS:

For any questions answered "YES" that warrant further elaboration, please use the following space as necessary:

Environmental Data Resources, Inc. (EDR) Aerial Photo Decade Package is a screening tool designed to assist environmental professionals in evaluating potential liability on a target property resulting from past activities. EDR's professional researchers provide digitally reproduced historical aerial photographs, and when available, provide one photo per decade.

EXECUTIVE SUMMARY

DESCRIPTION

Environmental Data Resources, Inc.'s (EDR) City Directory Abstract is a screening tool designed to assist environmental professionals in evaluating potential liability on a target property resulting from past activities. EDR's City Directory Abstract includes a search and abstract of available city directory data. For each address, the directory lists the name of the corresponding occupant at approximately five year intervals.

Business directories including city, cross reference and telephone directories were reviewed, if available, at approximately five year intervals for the years spanning 1920 through current. This report compiles information gathered in this review by geocoding the latitude and longitude of properties identified and gathering information about properties within 660 feet of the target property.

Summary information obtained is provided in the text of this report.

RECORD SOURCES

The EDR City Directory Report accesses a variety of business directory sources, including Haines, InfoUSA, Polk, Cole, Bresser, and Stewart. Listings marked as EDR Digital Archive access Cole and InfoUSA records. The various directory sources enhance and complement each other to provide a more thorough and accurate report.

EDR is licensed to reproduce certain City Directory works by the copyright holders of those works. The purchaser of this EDR City Directory Report may include it in report(s) delivered to a customer.

RESEARCH SUMMARY

Westlake Village, CA 91362
Contact: Genevieve DE LA Torre

The Sanborn Library has been searched by EDR and maps covering the target property location as provided by American Environmental Group were identified for the years listed below. The Sanborn Library is the largest, most complete collection of fire insurance maps. The collection includes maps from Sanborn, Bromley, Perris & Browne, Hopkins, Barlow, and others. Only Environmental Data Resources Inc. (EDR) is authorized to grant rights for commercial reproduction of maps by the Sanborn Library LLC, the copyright holder for the collection. Results can be authenticated by visiting www.edrnet.com/sanborn.

The Sanborn Library is continually enhanced with newly identified map archives. This report accesses all maps in the collection as of the day this report was generated.

EDR Topographic Map Library has been searched by EDR and maps covering the target property location as provided by American Environmental Group were identified for the years listed below. EDR's Historical Topo Map Report is designed to assist professionals in evaluating potential liability on a target property resulting from past activities. EDRs Historical Topo Map Report includes a search of a collection of public and private color historical topographic maps, dating back to the late 1800s.

EXECUTIVE SUMMARY

A search of available environmental records was conducted by Environmental Data Resources, Inc (EDR). The report was designed to assist parties seeking to meet the search requirements of EPA's Standards and Practices for All Appropriate Inquiries (40 CFR Part 312), the ASTM Standard Practice for Environmental Site Assessments (E1527 - 21), the ASTM Standard Practice for Environmental Site Assessments for Forestland or Rural Property (E2247 - 16), the ASTM Standard Practice for Limited Environmental Due Diligence: Transaction Screen Process (E1528 - 22) or custom requirements developed for the evaluation of environmental risk associated with a parcel of real estate.

SURROUNDING SITES: SEARCH RESULTS

Surrounding sites were identified in the following databases.

Elevations have been determined from the USGS Digital Elevation Model and should be evaluated on a relative (not an absolute) basis. Relative elevation information between sites of close proximity should be field verified. Sites with an elevation equal to or higher than the target property have been differentiated below from sites with an elevation lower than the target property.
Page numbers and map identification numbers refer to the EDR Radius Map report where detailed data on individual sites can be reviewed.

Sites listed in ***bold italics*** are in multiple databases.

Unmappable (orphan) sites are not considered in the foregoing analysis.

STANDARD ENVIRONMENTAL RECORDS

Lists of Federal sites subject to CERCLA removals and CERCLA orders

SEMS: SEMS (Superfund Enterprise Management System) tracks hazardous waste sites, potentially hazardous waste sites, and remedial activities performed in support of EPA's Superfund Program across the United States. The list was formerly know as CERCLIS, renamed to SEMS by the EPA in 2015. The list contains data on potentially hazardous waste sites that have been reported to the USEPA by states, municipalities, private companies and private persons, pursuant to Section 103 of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA). This dataset also contains sites which are either proposed to or on the National Priorities List (NPL) and the sites which are in the screening and assessment phase for possible inclusion on the NPL.

A review of the SEMS list, as provided by EDR, and dated 04/22/2024 has revealed that there is 1 SEMS site within approximately 0.5 miles of the target property.

Lists of Federal RCRA facilities undergoing Corrective Action

CORRACTS: CORRACTS is a list of handlers with RCRA Corrective Action Activity. This report shows which nationally-defined corrective action core events have occurred for every handler that has had corrective action activity.

A review of the CORRACTS list, as provided by EDR, and dated 06/03/2024 has revealed that there is 1 CORRACTS site within approximately 1 mile of the target property.

EXECUTIVE SUMMARY

Lists of Federal RCRA generators

RCRA-LQG: RCRAInfo is EPA's comprehensive information system, providing access to data supporting the Resource Conservation and Recovery Act (RCRA) of 1976 and the Hazardous and Solid Waste Amendments (HSWA) of 1984. The database includes selective information on sites which generate, transport, store, treat and/or dispose of hazardous waste as defined by the Resource Conservation and Recovery Act (RCRA). Large quantity generators (LQGs) generate over 1,000 kilograms (kg) of hazardous waste, or over 1 kg of acutely hazardous waste per month.

A review of the RCRA-LQG list, as provided by EDR, and dated 06/03/2024 has revealed that there is 1 RCRA-LQG site within approximately 0.25 miles of the target property.

RCRA-SQG: RCRAInfo is EPA's comprehensive information system, providing access to data supporting the Resource Conservation and Recovery Act (RCRA) of 1976 and the Hazardous and Solid Waste Amendments (HSWA) of 1984. The database includes selective information on sites which generate, transport, store, treat and/or dispose of hazardous waste as defined by the Resource Conservation and Recovery Act (RCRA). Small quantity generators (SQGs) generate between 100 kg and 1,000 kg of hazardous waste per month.

A review of the RCRA-SQG list, as provided by EDR, and dated 06/03/2024 has revealed that there are 7 RCRA-SQG sites within approximately 0.25 miles of the target property.

EXECUTIVE SUMMARY

Lists of state- and tribal (Superfund) equivalent sites

RESPONSE: Identifies confirmed release sites where DTSC is involved in remediation, either in a lead or oversight capacity. These confirmed release sites are generally high-priority and high potential risk.

A review of the RESPONSE list, as provided by EDR, has revealed that there is 1 RESPONSE site within approximately 1 mile of the target property.

Lists of state- and tribal hazardous waste facilities

ENVIROSTOR: The Department of Toxic Substances Control's (DTSC's) Site Mitigation and Brownfields Reuse Program's (SMBRP's) EnviroStor database identifes sites that have known contamination or sites for which there may be reasons to investigate further. The database includes the following site types: Federal Superfund sites (National Priorities List (NPL)); State Response, including Military Facilities and State Superfund; Voluntary Cleanup; and School sites. EnviroStor provides similar information to the information that was available in CalSites, and provides additional site information, including, but not limited to, identification of formerly-contaminated properties that have been released for reuse, properties where environmental deed restrictions have been recorded to prevent inappropriate land uses, and risk characterization information that is used to assess potential impacts to public health and the environment at contaminated sites.

A review of the ENVIROSTOR list, as provided by EDR, and dated 04/22/2024 has revealed that there are 19 ENVIROSTOR sites within approximately 1 mile of the target property.

Lists of state and tribal leaking storage tanks

LUST: Leaking Underground Storage Tank (LUST) Sites included in GeoTracker. GeoTracker is the Water Boards data management system for sites that impact, or have the potential to impact, water quality in California, with emphasis on groundwater.

A review of the LUST list, as provided by EDR, has revealed that there are 67 LUST sites within approximately 0.5 miles of the target property.

CPS-SLIC: Cleanup Program Sites (CPS; also known as Site Cleanups [SC] and formerly known as Spills, Leaks, Investigations, and Cleanups [SLIC] sites) included in GeoTracker. GeoTracker is the Water Boards data management system for sites that impact, or have the potential to impact, water quality in California, with emphasis on groundwater.

A review of the CPS-SLIC list, as provided by EDR, has revealed that there are 34 CPS-SLIC sites within approximately 0.5 miles of the target property.

Lists of state and tribal registered storage tanks

UST: The Underground Storage Tank database contains registered USTs. USTs are regulated under Subtitle I of the Resource Conservation and Recovery Act (RCRA). The data come from the State Water Resources Control Board's Hazardous Substance Storage Container Database.

A review of the UST list, as provided by EDR, has revealed that there are 2 UST sites within approximately 0.25 miles of the target property.

Other Ascertainable Records

RCRA NonGen / NLR: RCRAInfo is EPA's comprehensive information system, providing access to data supporting the Resource Conservation and Recovery Act (RCRA) of 1976 and the Hazardous and Solid Waste Amendments (HSWA) of 1984. The database includes selective information on sites which generate, transport, store, treat and/or dispose of hazardous waste as defined by the Resource Conservation and Recovery Act (RCRA). Non-Generators do not presently generate hazardous waste.

A review of the RCRA NonGen / NLR list, as provided by EDR, and dated 06/03/2024 has revealed that there are 21 RCRA NonGen / NLR sites within approximately 0.25 miles of the target property.

AQUEOUS FOAM NRC: The National Response Center (NRC) serves as an emergency call center that fields initial reports for pollution and railroad incidents and forwards that information to appropriate federal/state agencies for response. The spreadsheets posted to the NRC website contain initial incident data that has not been validated or investigated by a federal/state response agency. Response center calls from 1990 to the most recent complete calendar year where there was indication of Aqueous Film Forming Foam (AFFF) usage are included in this dataset. NRC calls may reference AFFF usage in the ?Material Involved? or ?Incident Description? fields.

A review of the AQUEOUS FOAM NRC list, as provided by EDR, and dated 07/01/2024 has revealed that there is 1 AQUEOUS FOAM NRC site within approximately 0.25 miles of the target property.

UST FINDER: EPA developed UST Finder, a web map application containing a comprehensive, state-sourced national map of underground storage tank (UST) and leaking UST (LUST) data. It provides the attributes and locations of active and closed USTs, UST facilities, and LUST sites from states and from Tribal lands and US territories . UST Finder contains information about proximity of UST facilities and LUST sites to: surface and groundwater public drinking water protection areas; estimated number of private domestic wells and number of people living nearby; and flooding and wildfires.

A review of the UST FINDER list, as provided by EDR, and dated 06/08/2023 has revealed that there is

UST FINDER RELEASE: US EPA's UST Finder data is a national composite of leaking underground storage tanks. This data contains information about, and locations of, leaking underground storage tanks. Data was collected from state sources and standardized into a national profile by EPA's Office of Underground Storage Tanks, Office of Research and Development, and the Association of State and Territorial Solid Waste Management Officials.

A review of the UST FINDER RELEASE list, as provided by EDR, and dated 06/08/2023 has revealed that there are 59 UST FINDER RELEASE sites within approximately 0.5 miles of the target property.

E MANIFEST: EPA established a national system for tracking hazardous waste shipments electronically. This system, known as ?e-Manifest,? will modernize the nation?s cradle-to-grave hazardous waste tracking process while saving valuable time, resources, and dollars for industry and states.

A review of the E MANIFEST list, as provided by EDR, and dated 07/24/2023 has revealed that there are 12 E MANIFEST sites within approximately 0.25 miles of the target property.

EXECUTIVE SUMMARY

PFAS: A listing of PFAS sites included in the Envirostor and GeoTracker databases. Locations of potential sources of per - and polyfluoroalkyl substances (PFAS). This does not mean that PFAS has been produced, used, or discharged at these sites.

A review of the PFAS list, as provided by EDR, and dated 03/04/2024 has revealed that there is 1 PFAS site within approximately 0.25 miles of the target property.

VERA CRUZ WELL		NNW 1/8 - 1/4 (0.243 mi.)	O100	379

CA BOND EXP. PLAN: Department of Health Services developed a site-specific expenditure plan as the basis for an appropriation of Hazardous Substance Cleanup Bond Act funds. It is not updated.

A review of the CA BOND EXP. PLAN list, as provided by EDR, and dated 01/01/1989 has revealed that there are 2 CA BOND EXP. PLAN sites within approximately 1 mile of the target property.

CHROME PLATING: This listing represents chrome plating facilities the California State Water Resources Control Board staff identified as possibly being a source of Per- and polyfluoroalkyl substance (PFAS) contamination. Sites and locations were identified by staff with the Division of Water Quality in the California State Water Board. Data was collected from the CA Air Resources Board 2013 and 2018 - Cr VI emission survey, CA Emission Inventory, CA HAZ Waste discharge database and by reviewing storm water permits. Former chrome plating sites are also included that are open site investigation or remediation cases with the Regional Water Quality Control Boards and the Department of Toxic Substances Control.

A review of the CHROME PLATING list, as provided by EDR, and dated 03/04/2024 has revealed that there is 1 CHROME PLATING site within approximately 0.5 miles of the target property.

CUPA Listings: A listing of sites included in the county's Certified Unified Program Agency database. California's Secretary for Environmental Protection established the unified hazardous materials and hazardous waste regulatory program as required by chapter 6.11 of the California Health and Safety Code. The Unified Program consolidates the administration, permits, inspections, and enforcement activities.

A review of the CUPA Listings list, as provided by EDR, has revealed that there are 24 CUPA Listings sites within approximately 0.25 miles of the target property.

EDR HIGH RISK HISTORICAL RECORDS

EDR Exclusive Records

EDR MGP: The EDR Proprietary Manufactured Gas Plant Database includes records of coal gas plants (manufactured gas plants) compiled by EDR's researchers. Manufactured gas sites were used in the United States from the 1800's to 1950's to produce a gas that could be distributed and used as fuel. These plants used whale oil, rosin, coal, or a mixture of coal, oil, and water that also produced a significant amount of waste. Many of the byproducts of the gas production, such as coal tar (oily waste containing volatile and non-volatile chemicals), sludges, oils and other compounds are potentially hazardous to human health and the environment. The byproduct from this process was frequently disposed of directly at the plant site and can remain or spread slowly, serving as a continuous source of soil and groundwater contamination.

A review of the EDR MGP list, as provided by EDR, has revealed that there are 2 EDR MGP sites within approximately 1 mile of the target property.

SO CAL GAS/SANTA BAR	630 E MONTECITO STRE	NE 1/2 - 1 (0.991 mi.)	AX275	964

EDR Hist Auto: EDR has searched selected national collections of business directories and has collected listings of potential gas station/filling station/service station sites that were available to EDR researchers. EDR's review was limited to those categories of sources that might, in EDR's opinion, include gas station/filling station/service station establishments. The categories reviewed included, but were not limited to gas, gas station, gasoline station, filling station, auto, automobile repair, auto service station, service station, etc. This database falls within a category of information EDR classifies as "High Risk Historical Records", or HRHR. EDR's HRHR effort presents unique and sometimes proprietary data about past sites and operations that typically create environmental concerns, but may not show up in current government records searches.

A review of the EDR Hist Auto list, as provided by EDR, has revealed that there are 2 EDR Hist Auto sites within approximately 0.125 miles of the target property.

FINDS:
Registry ID: 110002733221

Click Here for FRS Facility Detail Report:

Environmental Interest/Information System:
The Resource Conservation and Recovery Act Information System (RCRAInfo) is EPA's comprehensive information system in support of the Resource Conservation and Recovery Act (RCRA) of 1976 and the Hazardous and Solid Waste Amendments (HSWA) of 1984. It tracks many types of information about generators, transporters, treaters, storers, and disposers of hazardous waste.
The California Environmental Protection Agency (CalEPA) has recently implemented a new data warehouse system (nSite). This data warehouse combines and merges facility and site information from five different systems managed within CalEPA. The five systems are: California Environmental Reporting System (CERS),EnviroStor, GeoTracker, California Integrated Water Quality System (CIWQS), andToxic Release Inventory (TRI).
California's Hazardous Waste Tracking System Data Mart (HWTS-DATAMART) provides information on hazardous waste shipments for generators, transporters, and treatment, storage, and disposal facilities.

Site ID:	49957
Site Name:	UP2 Holdings, LLC 0219
Violation Date:	04-16-2019
Citation:	HSC 6.7 25284.2 - California Health and Safety Code, Chapter 6.7, Section(s) 25284.2
Violation Description:	"Failure to meet one or more of the following requirements: Install or maintain a liquid-tight spill container. Have a minimum capacity of five gallons. Have a functional drain valve or other method for the removal of liquid from the spill container. Be resistant to galvanic corrosion. Perform a tightness test at installation, every 12 months thereafter, or within 30 days after a repair to the spill container. Tested using applicable manufacturer guidelines, industry codes, engineering standards, or a method approved by a professional engineer. Tested by a certified UST service technician. Maintain records of spill containment testing for 36 months. "
Violation Notes:	Returned to compliance on 04/16/2019. Facility failed to maintain a liquid-tight spill bucket. Spill container on Tank 1 87 fill did not hold 5 gallons of water. O-ring replace at time of inspection. Lake test performed and the spill container passed.

Environmental Interest/Information System:
The Resource Conservation and Recovery Act Information System (RCRAInfo) is EPA's comprehensive information system in support of the Resource Conservation and Recovery Act (RCRA) of 1976 and the Hazardous and Solid Waste Amendments (HSWA) of 1984. It tracks many types of information about generators, transporters, treaters, storers, and disposers of hazardous waste.

Click this hyperlink while viewing on your computer to access additional FINDS: detail in the EDR Site Report.
