Summary Text:

The above-referenced contract is on the agenda to request approval for authorization for the Behavioral Wellness Director (BeWell) to renew the Jackson & Coker Locumtenens, LLC (Jackson & Coker) contract for Fiscal Year (FY) 2020-2021 for a total contract maximum not to exceed \$600,000 and to authorize the Behavioral Wellness Director, or designee, to make immaterial changes to the agreement without

requiring a formal amendment to the agreement. In addition, approval of the recommended actions will allow BeWell to task Jackson & Coker to refer professionals who can provide mandated and greatly needed psychiatry services for acute inpatient, outpatient, and crisis service of the system of care.

Background:

BeWell provides a continuum of mental health and substance use disorder services to Santa Barbara County residents, including psychiatric and nursing services at its County facilities. Across the nation there is an ongoing shortage of psychiatric and nursing services. BeWell has experienced ongoing challenges that mirrors the national challenges of attracting and retaining qualified psychiatrists to work at BeWell facilities. BeWell currently uses locum tenens temporary physicians to fill ongoing needs for psychiatric staff at outpatient facilities. Locums provides mandated psychiatric services such as diagnostic evaluations; medication evaluations; prescriptions for psychiatric medications; review, revision, and approval of client assessments; and participation in the development, review, revision, and approval of client treatment plans.

Jackson & Coker currently provides temporary psychiatrists, nurses and physicians assistants to backfill vacancies at the Psychiatric Health Facility, BeWell clinics, and other BeWell programs, as needed.

Performance Outcomes

To date for FY 19-20, BeWell has utilized two (2) professionals from Jackson and Coker. They are providing services throughout the County at various programs ranging from adults’ and children’s services to Cares North and the Lompoc Adult Clinic. The staffing professionals are all performing on par with the County’s civil service providers. They provide services according to generally accepted practices, participate in medical staff meetings, are part of medical staff meeting peer review, and respond appropriately to communications and clinical feedback.

Key Contract Risks:

With any contractor providing temporary staffing services, there is a risk that temporary personnel will make errors, engage in misconduct, or be negligent in the performance of assigned duties. BeWell may cancel an assignment for cause or convenience and Jackson & Coker provides Professional Liability insurance for the professionals it refers to mitigate these risks. In addition, the County pays only the contractors’ fees when BeWell utilizes a healthcare professional referred by Jackson & Coker; there are no monthly fees attached to the agreement. Negotiations with Jackson & Coker resulted in changes to the

County's standard terms contained in Exhibit C. Risks associated with these changes were mitigated with input from the applicable departments.
