Interests & Experiences

Please explain why you are interested in serving, and what experience you bring to the Committee. Attach additional documentation as necessary.

I am interested in serving on the Women's Commission because I believe women's voices should be thoughtfully represented in decisions that shape our community. I am committed to contributing a grounded, collaborative perspective that supports equitable access and wellbeing for women in Santa Barbara County. Professionally, I am a Creative Wellness Artist and community facilitator, and I also serve in a retail management role overseeing team leadership and operations. These experiences have strengthened my ability to listen carefully, collaborate across diverse groups, and contribute constructively to advisory discussions.

Give any information explaining qualifications, experience, training, education, volunteer activities, community organization memberships, or personal interests that bear on your application for the above Board, Commission or Committee. Attach additional documentation as necessary.

My background combines leadership, community engagement, and wellness facilitation. I regularly design and lead structured community gatherings that support reflection, dialogue, and personal development, which has strengthened my ability to hold space for diverse perspectives. In my management role, I oversee team development, conflict resolution, and operational accountability, giving me strong experience working within structured systems. I am also actively engaged in Santa Barbara's arts and cultural community and bring a thoughtful, collaborative approach to service on the Women's Commission.
