Re: Special Meeting August 18, 2008; Gaviota

Ladies and Gentlemen:

As Chairman of the Gaviota Study Group, I am enclosing a copy of the Study Group's report published in 2005 for your review prior to the hearing on August 18, 2008.

The Study Group is scheduled to make a brief presentation on its report, and that presentation will be more meaningful to you if you could spare the time to read the Goals on Page 5 and the Executive Summary on Pages 6 and 7.

We very much look forward to the discussion on the importance of Gaviota and the community's stewardship of it.

Very truly yours,

GAVIOTA COAST STUDY GROUP
