Warranty

All Radian Research Reference Standards, Test Systems and accessories carry a two year limited warranty. Radian Research warrants each of our products to be free from defects in material and workmanship. Our obligation under this warranty is to repair or replace any instrument or component therein which, within two years after shipment, proved to be defective upon our examination. Radian will pay local domestic surface freight costs for return shipment of the product back to the customer. In addition, all Radian reference standards are warranted to be substantially stable in calibration over time. If within one year after factory calibration the standard does not meet its specifications, we will repair and recalibrate the unit at our cost. For a period of 10 years, we warrant any fully autoranging reference standard from catastrophic failure caused by failure to range properly. This warranty is voided by disassembly of the unit. Note that items such as printers, computers and computer peripherals, purchased by Radian and resold will carry the same warranty as given by their manufacturer. Reset switches carry a 90 day warranty.

Service

If warranty service is required then contact Radian Research or your local Radian Research Representative and request a Return Material Authorization (RMA) number. You will need to provide the model number, serial number as well as a detailed description of the problem. Properly package the product within its original shipping container or another acceptable container. Ship the product to Radian Research, Inc.; 3852 Fortune Drive; Lafayette, IN 47905; and place the RMA number on the address label (ATTN: RMA XXXX). The Customer is responsible for the freight cost to the factory. Radian will not accept collect or C.O.D. shipments for warranty repair. Radian will pay domestic surface freight cost for the return of products under warranty. International freight charges are not covered and are the responsibility of the customer.

Service after Warranty Expiration

A *Return Material Authorization* (RMA) number is required before shipment. Radian will not accept collect or C.O.D. shipments for any repair. Defective unit must be returned with a Purchase Order or credit card number. Estimates of repair costs must be requested and if the repair is not made, the cost of labor to obtain the estimate will be invoiced at the then hourly rate.

Service Rates for Reference Standards, Reference Standard Accessories, Calibrators and Test Systems

Factory service only is applicable. Please consult with the factory for calibration and repair charges.
