RE: Farmstay Ordinance

I strongly support the Farmstay Ordinance and believe that Agricultural Tourism is an exciting way for visitors to experience our county. I can't think of a better way for city folk to experience a sunset than on a vineyard with a glass of wine from it's vines. How great would it be for them to see where their salads actually come from. I applaud Commissioner Parke for his leadership and vision. This is the best county in California, let's show it off.

Best,
