#2

Please protect this beautiful piece of land from being subdivided into mansions and away from agriculture.  
thank you

**Daly, Julia Rutherford**

**Subject:** Rancho La Laguna (July 11, 2017) - PLEASE DENY APPEAL

June 20, 2017

Honorable Chair and Members  
Board of Supervisors  
Santa Barbara County

**RE: Rancho La Laguna (July 11, 2017) - *PLEASE DENY APPEAL***

Endangered Habitats League (EHL) urges you to DENY the appeal of the Planning Commission's sound decision not to subdivide Rancho La Laguna into estate lots. The continued agricultural and natural character of the Santa Ynez Valley is at stake with this key 4,000-acre property. Tourism also depends upon maintaining this character.

For your reference, EHL is a Southern California conservation group. Thank you for considering our views.

Yours truly,  
Dan Silver, MD

Dan Silver, Executive Director  
Endangered Habitats League

Dear County Supervisors,

Please do not approve subdivision and development of Rancho La Laguna. This is a very sensitive property and supports endangered species and rare intact natural ecosystems. This is a community treasure that should not be lost to development. I support the landowner receiving their due financial benefit from the property, but let's look for ways to have the environmental and aesthetic values it provides to the community serve as the source of those funds rather than development.

Thank you!  
Jeff
