SUBJECT: Goleta Beach County Park Rock Revetment Repairs, Second Supervisorial District

Recommendation(s): That the Board of Supervisors concur with the project description to repair the existing rock revetments at Goleta Beach County Park for purposes of submitting permit applications to the regulatory agencies.

Alignment with Board Strategic Plan: The recommendation is primarily aligned with Goal No. 5.A High Quality of Life for All Residents.

Executive Summary and Discussion:

On March 5, 2002 the Board authorized County Parks to make application to the regulatory agencies including; California Coastal Commission, State Lands Commission, Army Corp of Engineers, and County Planning & Development for the repair of the existing rock revetments along the eastern and westernmost parking lots at Goleta Beach County Park. County Parks has retained the consultant services of Moffatt & Nichol Engineers to assist with the design of the revetments along with potential alternative designs as may be requested by the permitting agency.

The attached project description, provided by Moffatt & Nichol Engineers summarizes the project description, the proposed design for the repairs (and alternates), quantities and cost estimates. The document also includes information from staff's meeting with Coastal Commission staff regarding the proposed project.

Mandates and Service Levels: No mandate or impact to service levels.

Fiscal and Facilities Impacts: No fiscal impacts with this action. Funds for the construction of the project will be sought from grant sources.

Special Instructions: Clerk of the Board to provide a copy of minute order to County Parks, attn. Coleen Lund.
