If I send PDFs or Jpegs can you adjust them for the power point?

These are the 3 maps I need for my presentation. The last one w only yellow lines is being a pill. It either delays the yellow lines appearance or deletes them! I can see the yellow lines on my email version of #3.

This is the order I need. Hope it will work! 🙏

1. Inner Rural, EDRNs
2. SYVCP Zoning Map w AEO
3. SYVCP Zoning Shared property lines

If you could submit those today. That would be very helpful so that we can distribute before tomorrow morning.

Dear Clerk of the Board,

Would you be able to help me or tell me who could help me add 2 slides to a comment I want to make during the AG Enterprise hearing on the BOS Agenda tomorrow, Dec. 10, 2024?

I will be on Zoom from Solvang.

Thank you!
