### SECTION 1. MEDICAL AND DENTAL BENEFITS

- A. For new employees, medical and dental coverage benefits under this Section shall be effective at the beginning of the month that immediately follows the employee's first pay period of employment in a regular position. Part-time employees must be employed a minimum of fifty percent (50%) of full-time in order to be eligible for insurance benefits.
- B. The County shall contribute up to 100% (prorated for part-time employees) of the least expensive EPO employee-only premium toward the cost of twice monthly medical plan coverage. In addition, for the 2023 plan year the County shall provide a \$25 subsidy of employees' twice monthly premiums for employee+ one coverage and a \$155 subsidy of employees' twice monthly premiums for employee + family coverage.
- C. For the 2024 plan year the County shall increase the subsidy for employee + one coverage to \$50 and shall increase the subsidy for employee + family coverage to \$310 twice monthly.
- D. The County shall contribute up to \$13.03 twice monthly toward the cost of the twice monthly premium for employee-only dental plan coverage. Medical and Dental contributions are based on full-time employment; part-time employees shall receive prorated contributions based on their percentage of full-time employment. Insurance plan premiums that exceed the County's twice monthly contribution shall be paid by the employee through payroll deductions.

Employees may select coverage from the following options:

Medical\*

- Preferred Provider Organization (PPO) Medical Plan(s)
- Health Maintenance Organization (HMO) Medical Plan(s)
- Exclusive Provider Organization (EPO) Medical Plan (s)

\*All medical plans include employee assistance program coverage.

Dental

- County Self-funded Preferred Provider Organization (PPO) Dental Plan
- Dental Maintenance Organization (DMO) Dental Plan

- E. Employees may insure their eligible dependents (including registered domestic partners as provided for in Paragraph F below) under the medical and dental plans listed above in accordance with the rules and regulations applicable to obtaining said dependent coverage.
- F. If two regular County employees are either (a) married to each other or (b) registered domestic partners, and are both eligible for contributions from the County toward employee-only medical and dental coverage, they may consolidate the County contributions toward the premium cost for "employee plus dependents" coverage held by one of the employees. In this situation, one employee (referred to below as the "spouse or partner") becomes a

dependent on the other employee's (referred to below as the "primary employee") medical and dental coverage.

In order to be eligible under this provision, all of the following conditions must be met:

- Both employees are covered by the same medical and dental plan;
- The spouse or partner is insured as a dependent on the primary employee's medical and dental plan insurance;
- The spouse or partner has waived employee-only coverage;
- Both employees have authorized the consolidation of contributions on a form prescribed by the Human Resources Director;
- In the case of domestic partnerships, the employees must be so registered with a domestic partner registry maintained by a California city, county, the State of California, or a public jurisdiction in another state provided that the affected employees sign the County's Declaration of Domestic Partnership form.

Employees registered as domestic partners shall be responsible for all tax consequences of this benefit.

The amount of the consolidated contributions shall be that amount which would otherwise be contributed by the County toward the employee's and the spouse's employee-only premiums for the respective medical and dental plans less the cost for participation by the spouse or partner in the Employee Assistance Program and the County's healthcare advocacy program. The appropriate contributions shall be made by the respective departments employing each employee.

The employee and their domestic partner will be required to declare by affidavit that they meet these requirements in order for the domestic partner to participate in the County's medical and dental health insurance programs.

## SECTION 2. HEALTH INSURANCE BENEFITS DURING MEDICAL LEAVE OF ABSENCE

Employees who are absent from work due to a medical condition including injury, illness, pregnancy and childbirth shall receive the County contribution toward health plan coverage for a leave period up to 18 months. Insurance premiums exceeding the County's contribution and for dependents shall be the responsibility of the employee during the leave period. If an employee has paid leave accruals in excess of eighteen (18) months at the start of the leave, the County will continue to make its contribution toward health coverage while paid leave is being used and until such time as the paid leave is exhausted.

## SECTION 3. LONG TERM DISABILITY INSURANCE

The County shall provide a Long Term Disability Insurance Plan for all management and confidential-unrepresented employees.

The waiting period for benefit eligibility will be 60 days. The benefit will equal sixty percent of pre-disability earnings in accordance with specific plan provisions, limitations and exclusions.

**SECTION 4. TERM LIFE INSURANCE**

Basic Group Term Life Insurance shall be paid for by the County in accordance with the following schedule:

Appointed Department Heads	\$50,000	
Assistant Department Heads		\$30,000
Managers and Confidential-Unrepresented Employees and Unrepresented Attorneys		\$20,000

**SECTION 5. FLEXIBLE SPENDING ACCOUNT PLANS**

- A. All management, confidential-unrepresented employees, and unrepresented attorneys shall be eligible to participate in the County sponsored Flexible Spending Account Plan.

The Flexible Spending Account Plan will include the following salary reduction options:

1. Pre-Tax Health Insurance Premium Option--for employees and their dependents;
2. Pre-Tax Health Care Spending Account Option;
3. Pre-Tax Dependent Care Spending Account Option;
4. Pre-Tax Life Insurance Premium Option;
5. Pre-Tax Personal Accident Insurance Program.

These options are described in detail in the Flexible Spending Plan brochure and in the Legal Plan Document and supplemental materials. All salary reduction amounts are included in base salaries for the purpose of computing retirement earnings and are subject to appropriate Internal Revenue Service regulations.

The Flexible Spending Plan may be amended in the future to revise the benefit options.

- B. Benefits selected under The Flexible Spending Plan cannot be changed during the Plan year except in cases of an eligible qualifying event consistent with the benefit change. Enrollment in the Plan shall be offered on an annual basis at the beginning of the plan year. New employees may enroll within the first thirty (30) days of employment. Continued operation of the Plan shall be subject to County administrative procedures.
- C. A. Commuter Benefits Plan is available within IRS limitations; employees who contribute a minimum of \$10 monthly shall receive a County contribution of \$10 monthly.

## SECTION 6. BENEFIT ALLOWANCE

Effective April 23, 2018, base pay for employees covered by this Resolution shall be increased by the amount heretofore paid to each unit as a Benefit Allowance, prorated based on the number of non-premium hours paid in a pay period. The Benefit Allowance for each Unit shall be eliminated at this time as it will have been incorporated into base wages.

## SECTION 7. STATE DISABILITY INSURANCE (SDI)

Confidential-unrepresented (Unit 32) employees and Unrepresented attorneys (Unit 36) participate in SDI. Benefits received from SDI shall be integrated with paid leave as follows:

- A. All employees eligible for SDI benefits shall use their available sick leave credits to supplement their SDI benefits so that the sum of the SDI benefits and sick leave credits used equals 80% of their gross salary.
- B. Employees eligible for SDI benefits may apply with the State of California for approval as soon as possible following the date of their eligibility for SDI benefits. Current eligibility begins on the eighth consecutive calendar day of an extended illness or injury. An employee must apply for SDI when illness or injury causes him/her to miss work for more than twelve consecutive calendar days.
- C. When an employee has used all available sick leave credits, (s)he may use any available overtime and/or holiday credits first and vacation second to supplement their SDI benefits up to 80% of gross salary.

If during the disability period the employee reaches their Maximum Allowable Accrual for vacation, then the employee shall be allowed to use up to forty (40) hours of vacation time, prior to the use of sick leave, overtime and/or holiday credits, in order to supplement their SDI benefits up to 80% of gross salary.

- D. Employees eligible for Paid Family Leave (PFL) benefits may apply with the State of California. Employees receiving PFL benefits may integrate available sick leave credits to the extent provided in Section 12(E) of this agreement; available overtime and/or holiday credits; and vacation to supplement their PFL benefits up to 100% of gross salary. Available overtime and/or holiday credits shall be used prior to integrating with vacation. There is no waiting period for PFL claims as of January 1, 2018.

Employees participating in this program are solely responsible for understanding the tax consequences of receiving PFL benefits.

## SECTION 8. SICK LEAVE

- A. Each regular full-time or regular part-time management, confidential-unrepresented employee, or unrepresented attorney shall accrue sick leave at the rate of .0463 hours for each hour in a regular pay or paid leave status, excluding overtime, call back and standby.
- B. Management, confidential-unrepresented employees, and unrepresented attorneys shall receive eighty (80) hours sick leave accrual upon appointment or such prorated amount for regular part-time employees. Employees entering management, confidential-unrepresented, or unrepresented attorney classes from union-represented County classes shall retain their current sick leave balances and shall only receive additional sick leave accrual necessary to provide a balance of eighty (80) hours sick leave.
- C. Unused sick leave shall be cumulative from year to year, with no accrual limit.
- D. Sick leave usage may not exceed each employee's accrued sick leave balance reported on the Leave Report at the end of the prior pay period immediately preceding the pay period in which the leave is taken. However, the salary of an exempt employee shall not be subject to reduction because of variations in the quantity of work performed except in accordance with Department of Labor regulations (29 C.F.R. §.541.5d).
- E. Employees may use accrued sick leave for the employee or a specified family member or "designated person" as defined in Section H below for the diagnosis, care, or treatment of an existing health condition or preventive care, or for specified purposes for an employee who is a victim of domestic violence, sexual assault, or stalking. Except as prohibited by state law for the first three (3) days of sick leave used in a given calendar year, a department head, or other appropriate authority, may require evidence in the form of a physician's certificate, or otherwise, of the adequacy of the reason for any employee's absence during the time for which sick leave was requested. Under no circumstances is sick leave to be used in lieu of, in addition to, or as vacation. The Auditor may require a physician's certificate from the department in order to determine correctness of payroll records.
- F. When a member of their immediate family or "designated person" is seriously ill or injured and requires the employee's presence and attendance, an employee may be allowed by the appointing authority to use up to one-half of the employee's annual accumulated sick leave to attend to such individual; provided that the employee has that many hours of accrued sick leave balance and that not more than six days (48 hours) per year may be allowed for the illness or injury of any one member of the employee's immediate family or "designated person". Employees in Fire shift assignments may be allowed to use up to three shifts (72 hours) of accumulated sick leave for this purpose. Subject to department head approval, an employee may exceed the six day (or three shift) limit to care for an immediate family member or "designated person" who has a catastrophic or life threatening illness as verified by a physician's statement.

- G. Up to a maximum of five days (40 hours) of accumulated sick leave may be granted by the appointing authority or designee to an employee for absence from duty because of any and each death in the employee's immediate family or death of a "designated person". Employees in Fire shift assignments may be allowed to use up to three shifts (72 hours) of accumulated sick leave for this purpose.
- H. For the purposes of Paragraphs E, F, and G above, "specified family member" or "immediate family" is defined as husband, wife, domestic partner, parent, stepparent, brother, sister, child, stepchild, grandparent, grandchild, and mother-in-law or father-in-law of the employee. "Designated person" means a person identified by the employee at the time the employee requests paid sick days, as defined by the Healthy Workplaces, Healthy Families Act of 2014, in Section 245.5 of the California Labor Code.
- I. An employee may, when necessary and at the discretion of his or her department head, be granted up to two hours leave with pay to make voluntary non-remunerated blood donations to non-profit blood banks in the county. Time off in excess of two hours and up to an additional two hours may be used for this purpose, but such additional time off shall be charged to accumulated sick leave. Leave for the purpose of donating blood shall not exceed five times in any one calendar year.
- J. Except upon layoff in accordance with Civil Service Rule XI, termination of County employment shall abrogate all sick leave accrued to the time of such termination, regardless of whether such person subsequently re-enters County employment or service. No payment shall be made to any employee for unused sick leave accumulated to his credit at the time of his termination from County service.
- K. Notwithstanding provisions of Paragraph J above, an employee shall have any previously-accrued and unused sick leave hours reinstated if the employee separates from County service and is rehired as a Regular employee within one year of separation.

#### SECTION 9. FAMILY LEAVE

Family care leave benefits are set forth in the County's Family and Medical Care Leave Policy.

#### SECTION 10. VACATION

- A. For each hour in a regular pay status, excluding overtime, call back and standby, each regular full-time or regular part-time management, confidential- unrepresented employee, or unrepresented attorney shall accrue vacation based on continuous County service as provided in the chart below:

<b>Continuous County Service</b>	<b>Hourly/Annual Accrual</b>	<b>Maximum Allowable Accrual</b>
0-2 yrs. (0-24 mo.)	.0463hrs./96hrs.	368 hrs.
3-4 yrs. (25-48 mo.)	.0616hrs./128hrs.	368 hrs.
5-10 yrs. (49-120 mo.)	.0731hrs./152hrs.	440 hrs.
11-14 yrs. (121-168 mo.)	.0847hrs./176hrs.	470 hrs.
15+ yrs. (169+ mo.)	.0962hrs./200hrs.	500 hrs.

- B. Vacation accrual may accumulate up to the Maximum Allowable Accrual provided for in the chart in Paragraph A above. Effective until June 24, 2024, maximum vacation accruals at all levels will temporarily increase by 40 hours. Effective June 24, 2024 employees whose vacation accruals exceed the levels listed in the chart above shall not accrue additional vacation hours until such time as their balances are below the accrual maximums prior to the temporary 40 hours increase took effect.
- C. For employees in Fire shift assignments who work an average fifty-six (56) hour work week, the annual accrual and maximum allowable accrual provided for in Paragraph A shall be multiplied by a factor of 1.4.
- D. Upon appointment to a Department Head classification (Unit 41), an employee shall receive eighty (80) hours of vacation credit if appointed from outside Santa Barbara County government service. Upon appointment to an Assistant Department Head classification (Units 42 and 62), an employee shall receive forty (40) hours of vacation credit if appointed from outside Santa Barbara County government service. Employees may receive additional hours under the New Hire Incentive Policy not to exceed the first year's accrual. Notwithstanding the above, persons who leave County service and who are subsequently reappointed within one year of separation are not eligible for vacation credit under this provision.
- E. Employees appointed to positions in Units 32, 35, 36, 41, 42, 43, 62, and 63 from outside Santa Barbara County government service from either a city, county (other than Santa Barbara County), special district, state or federal government agency shall receive credit for their prior years of public agency service towards their annual vacation accrual rate if that public agency experience ended within six months of the date of employment.
- F. In addition to any credit provided for in Paragraph E, above, permanent employees who separate from County service and then return may recoup their past service credit for purposes of vacation accrual under the following conditions:
  - Employees may be absent from County service no more than three consecutive years; and

- Employees must have left County service in good standing and their last two performance evaluation ratings prior to leaving County service must have been satisfactory or above.

Former service credit, in such cases, shall be combined with the new and current employment, in addition to any credit received in accordance with Paragraph E, above, in determining the employee's vacation accrual rates.

- G. Notwithstanding the provisions of Paragraphs, A, B and C above, an employee absent due to a work-related injury, receiving Workers' Compensation Temporary Disability and unable to take vacation may accrue vacation above the Maximum Allowable Accrual. Following their return to work, the employee shall make every reasonable *effort* to promptly take vacation in excess of the Maximum Allowable Accrual.
- H.
- A. An employee is not entitled to vacation credits or accrual unless or until he/she has been a regular employee for six (6) continuous months. Consequently, a person failing to complete such service receives no payment for vacation credits upon termination. Department heads and assistant department heads may use the vacation credits provided in Paragraph D above, immediately upon appointment.
- B. Notwithstanding subparagraph (1) above, employees who have not accrued any vacation time because they have not been regular employees for six consecutive months may use earnings code "VAC" for authorized absences that are a direct result of the COVID-19 related emergency proclaimed by the CEO on March 12, 2020, on the following conditions:
- (a) The employee is not eligible for or has exhausted any other form of paid leave for the absence (including, but not limited to, PTL, holiday or compensatory time off); and
  - (b) Hours coded "VAC" for the absence will be deducted from, and cannot exceed, the vacation balance the employee is granted after six months of continuous employment.
- C. The provisions of paragraph (2) above may be reauthorized, after review by County Counsel and Auditor-Controller, in the event the CEO declares any subsequent emergencies or disasters that affect the County of Santa Barbara. If reauthorized, the Human Resources Director will report such action to the Board of Supervisors.
- I. No payment in lieu of vacation shall be made to any appointed employee except upon termination of employment. Terminating employees shall be paid for accumulated vacation as of the date of termination.
- J. Vacation shall not include any regular holidays taken during a vacation period.
- K. Employees may be required to take vacation with reasonable notice.

- L. Vacation usage may not exceed each employee's accrued vacation balance reported on the Leave Report at the end of the prior pay period. However, the salary of an exempt employee shall not be subject to reduction because of variations in the quantity of work performed except in accordance with Department of Labor regulations (29 C.F.R. § 541.5d).

In no event will hours carried over remain available to employees at the end of pay period 3 each payroll year.
- K. In order to receive holiday compensation, an employee must be in paid status on the scheduled work day immediately prior to and/or after the holiday. Notwithstanding the above, neither the first day of employment nor the last day of employment may be a holiday.
- L. Holiday Compensation for Fire Shift Employees -- Each pay period in which a holiday occurs, Fire shift employees shall receive additional compensation at the rate of one-tenth of the employee's basic biweekly salary for each holiday included in that pay period irrespective of whether or not the employee actually works on any such holiday, unless the employee is excused from working a regularly scheduled shift on such holiday, which time off shall be deemed full compensation for such holiday.

## SECTION 12. LEAVE DONATION

Employees shall be eligible to participate as donors and recipients in the catastrophic leave and major disaster leave donation programs, which provides a mechanism for assisting employees who have exhausted paid leave due to a serious or catastrophic illness or injury. This program allows a regular County employee to donate the monetary value of accrued vacation, holiday or overtime hours to a specific, eligible employee who has exhausted their own available leave balances. Serious or catastrophic illness or injury is defined as the employee's own adverse medical

condition which requires the employee to be absent from work for more than twenty (20) consecutive work days, or a similarly debilitating illness or injury of the employee's immediate family member (as defined in Section 8, paragraph H) requiring the employee's attendance.

- A. To receive catastrophic leave donations, an employee:
- Must have been employed in a regular position for a minimum of six months; and
  - Must be absent from work due to their own catastrophic illness or injury for more than twenty consecutive work days (as verified by a physician's statement), or be absent from work in order to attend their immediate family member who has a catastrophic illness or injury (as verified by a physician's statement); and
  - Must have exhausted all earned leave balances (including sick leave [if related to the employee's own illness], vacation, overtime and holiday credits); except however, the appointing authority may approve the solicitation/acceptance of leave donations prior to all balances being exhausted, when the physician's statement and leave balances indicate the probable exhaustion of balances within two pay periods.
- B. Donated leave shall be changed to its cash value at the donor's base rate of pay and then credited to the recipient in equivalent hours of vacation at the recipient's base rate of pay.
- C. Donations:
- are voluntary;
  - are made from accrued vacation, holiday or overtime balances; donation of sick leave is not permitted;
  - must be for a minimum of eight (8) hours, in whole hour increments;
  - are irrevocable, and if any donated hours remain at the end of the recipient's catastrophic leave, they shall remain available for the sole use of the recipient; and
  - are taxable on the part of the recipient, in accordance with IRS regulations, and are subject to withholding as required by law.
- D. An employee may not donate more than eighty (80) hours to any other individual employee.
- E. The total donations received into their vacation balance by an employee shall normally not exceed 1040 hours; however, donations in excess of 1040 hours may be considered and approved by the recipient's appointing authority.
- F. Upon approval of a request for donations, the appointing authority (or designee) shall, at the employee's request, post a notice of the eligible employee's need for donations on departmental bulletin boards accessible to employees; confidential medical information shall not be included in the notice.

If the eligible employee is in their original probationary period, the notice will include a statement of that fact.

- G. Donations shall be administered according to procedures established by the Auditor-Controller, and requested on a form prescribed by the Auditor-Controller. Signed approvals of the receiving and donating employees must be properly provided before a donation is processed.

Donors and hours donated shall be maintained as confidential payroll information.

- H. Nothing in this section shall be construed to modify the employment relationship between the County and the receiving employee, or to restrict the County's management rights. Neither shall this section modify existing County rules, policies or agreements regarding unpaid leave of absence or family leave

- I. To receive major disaster leave donations, an employee must:

- Be a full-time or part-time regular permanent or probationary County employee;
- Be adversely affected by a major disaster, as defined below;
- Exhaust all accrued paid leave balances to which they are entitled (e.g., vacation/holiday/compensatory time off);
- Submit a voluntary written request to receive leave under the Plan; and Have that request approved by the employee's supervisor or Department Head and Human Resources

- J. To be eligible to donate leave during a major disaster, an employee must:

- Be a full-time or part-time regular permanent or probationary County employee;
- Submit a voluntary written request to donate leave under the Plan; and
- Have that request approved by the employee's supervisor or Department Head and Human Resources.

- K. For purposes of this section, a "major disaster" is one declared by the President under § 401 of the Stafford Act, 42 U.S.C. § 5170, that warrants individual assistance or individual and public assistance from the federal government under that Act. An employee is considered adversely affected if the disaster has caused severe hardship to the employee or a member of the employee's family that requires the employee to be absent from work.

## SECTION 13. ADDITIONAL COMPENSATION AND OVERTIME

### Additional Compensation for Exempt Classifications

- A. The County shall determine and identify those classifications which are exempt from overtime compensation. The determination shall be in accordance with the requirements of the Fair Labor Standards Act. Classifications which have been designated as exempt shall not receive overtime, except as otherwise provided or in an emergency as provided below.
  
- B. Except for Appointed Department Heads and Assistant Department Heads (i.e. employees in Units 41, 42, and 62), regular employees in classifications exempt from overtime compensation, and, therefore, not otherwise eligible for overtime pursuant to this resolution shall be paid additional compensation for hours worked over their regularly scheduled hours during an emergency. *These hours are cumulative for the duration of the emergency and do not reset each pay period.* Such additional compensation shall be as follows:
  1. No additional compensation shall be paid for the first twelve (12) hours worked over regularly scheduled hours during the emergency;
  2. Additional compensation shall be paid at straight time for the second twelve (12) hours worked over regularly scheduled hours during the emergency; and
  3. Additional compensation shall be paid at the rate of time and one-half for all hours that exceed twenty-four (24) hours worked over regularly scheduled hours during the emergency.
  4. Hours worked shall begin to apply towards additional compensation per this Section when the criteria for the "emergency" has been met per Section C (below). In no event will compensation under this section be for hours worked prior to the criteria for the "emergency" being met.
  
- C. "Emergency" for the purposes of Paragraph B of this Section shall mean any of the following:
  1. The proclamation of a "local emergency" by the Board of Supervisors or the County Executive Officer or designee; or
  2. The proclamation of a "state of emergency" in Santa Barbara County by the Governor and/or the President of the United States of America, and also authorized in writing by the County Executive Officer or designee for the purposes of additional compensation during emergencies; or
  3. The designation of a "limited local emergency" by the County Executive Officer or designee. "Limited local emergencies" may be designated in writing by the County Executive Officer or designee due to significant or lengthy emergency situations in Santa Barbara County, or outside the County during mutual aid responses, that require ongoing staff support.

- D. Notwithstanding Paragraph B above, Fire Department Battalion Chiefs and Division Chiefs who are assigned to a covered emergency shall be paid for all hours assigned to the incident, from the time of their initial deployment from their home base in Santa Barbara County, until the time they return to home base from the incident ("portal to portal").

#### Non-Exempt Classifications

- A. Overtime for non-exempt employees shall be defined as any time worked in excess of forty (40) hours in a seven day work period, exclusive of standby. For the purpose of computing overtime, all regular, scheduled work hours including paid leave time, except for sick leave, shall be considered time worked. Overtime shall be authorized in advance by the department head or designee.
- B. Overtime work is compensable at the rate of time and one-half the regular rate as computed in accordance with the Fair Labor Standards Act. Hours worked shall accrue in increments of tenths (1/10) of an hour (6 minutes), subject to a minimum of two-tenths (2/10) of an hour (12 minutes).
- C. Overtime shall be placed in a Compensatory Overtime account or paid in the pay period in which earned, at the discretion of the department head or designated representative. The maximum allowable balance in the Compensatory Overtime account shall be 240 hours.
- D. If an employee wishes to take compensatory time off, it shall be requested at least 48 hours in advance. Denial of a request for compensatory time off is subject to a determination by the department head that it would unduly disrupt the operations of the department. Compensatory Overtime shall be used before any leave-without-pay is granted pursuant to Rule XIV of the Santa Barbara County Civil Service Rules. A direction to take off compensatory overtime by the department head or designated representative shall be given to the employee at least forty-eight (48) hours before the time off is to be taken.
- E. Except upon termination of employment, hours in the Compensatory Overtime account as of the last pay period ending prior to June 30 and December 31 shall be paid off based on the employee's regular hourly rate of pay in effect at the time of payment. Payments for compensatory overtime hours are taxable as lump sum payments in accordance with IRS and State Franchise Tax Board regulations and are subject to withholding as required by law. Overtime earned in the pay period in which a payoff is made shall not be included in the automatic payoff of the account balance.
- F. Part-time, non-exempt employees who work beyond their regularly scheduled work hours, but less than forty (40) hours in a seven (7) day work period, shall be paid at straight time.

#### SECTION 14. ADMINISTRATIVE LEAVE

Management, confidential employees, and unrepresented attorneys in classifications exempt from overtime compensation, including Fire Battalion Chiefs, are eligible for administrative leave in accordance with the following provisions:

- A. Purpose. Management and other salaried employees are compensated for meeting the requirements and performing the duties of their job regardless of the number or scheduling of hours worked. Such employees may be required periodically or routinely to work long or irregular hours, and to attend various meetings and functions outside of normal "business hours" to fulfill their responsibilities.

Due to standards of public accountability and the resulting need for all employees to account for all time for which they are compensated, the County has created a vehicle to record paid time off not charged to accrued leave balances when a salaried employee occasionally works less than their regular schedule. This paid time off is called administrative leave. The purpose of administrative leave is to provide a process for authorized leave time to record amounts to be paid to salaried employees when their pay period total regular hours plus any use of vacation, holiday or sick leave is less than their normal full-time schedule (80 hours or 112 hours for employees in shift assignments).

- 8. Approval Required. Salaried employees do not have a right to administrative leave. This leave is not an entitlement, it is not related to hours worked, nor is it subject to accrual or payment for unused leave.

Use of administrative leave is restricted to instances where there is a sound business justification as approved by an employee's department head. An employee's use of administrative leave shall not exceed 80 hours or 112 hours for employees in shift assignments per employee per payroll year.

Notwithstanding other provisions for wage pools for annual performance based increases for unrepresented managers in the Management Classification and Salary Plan most recently adopted by the Board on October 9, 2018 or in its successor documents if any, the wage pools for employees in safety management classifications in the Fire Department, except for the Fire Chief, and in the classification of Undersheriff, shall be 3.5% in each of the following fiscal years: 2019-20, 2020-21, and 2021-22.
